For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy has been performed or reconstruction of both breasts if a bilateral mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance, including but not limited to contralateral prophylactic mastectomy, liposuction performed for transfer to a reconstructed breast or to repair a donor site deformity, tattooing the areola of the breast, surgical adjustments of the non-mastectomized breast, unforeseen medical complications which may require additional reconstruction in the future;
- Prostheses; and
- Treatment of physical complications of all stages of the mastectomy, including lymphedema.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. You are eligible for these screenings if You:

- were subsequently determined to be clear of cancer.

NOTICES

Plan sponsors of grandfathered Benefit Plans are required by law to notify the Group underwriting department of HMO Louisiana, Inc. immediately, if Your contribution rate toward the insurance premium for this coverage changes at any point during the Plan Year.

HEALTHCARE SERVICES MAY BE PROVIDED TO YOU AT A NETWORK HEALTHCARE FACILITY BY FACILITY-BASED PHYSICIANS WHO ARE NOT IN YOUR HEALTH PLAN. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE NON-NETWORK SERVICES, IN ADDITION TO APPLICABLE AMOUNTS DUE FOR COPAYMENTS, DEDUCTIBLE AMOUNTS, COINSURANCES, AND NON-COVERED SERVICES. SPECIFIC INFORMATION ABOUT NETWORK AND NON-NETWORK FACILITY-BASED PHYSICIANS CAN BE FOUND AT WWW.LABLUE.COM OR BY CALLING THE CUSTOMER SERVICE TELEPHONE NUMBER ON THE ID CARD.

YOUR SHARE OF THE PAYMENT FOR HEALTHCARE SERVICES MAY BE BASED ON THE AGREEMENT BETWEEN YOUR HEALTH PLAN AND YOUR PROVIDER. UNDER CERTAIN CIRCUMSTANCES, THIS AGREEMENT MAY ALLOW YOUR PROVIDER TO BILL YOU FOR AMOUNTS UP TO THE PROVIDER'S REGULAR BILLED CHARGES.

We base Our payment of Benefits for Your Covered Services on an amount known as the Allowable Charge. The Allowable Charge depends on the specific Provider from whom You receive Covered Services.

Note that federal law prohibits a Non-Network Provider from balance billing You for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to You and has obtained Your Informed Consent to provide such services.

Utilization Management decision-making is based only on appropriateness of care and service and existence of coverage. We do not specifically reward practitioners or other individuals for issuing denials of coverage. Financial incentives for Utilization Management decision makers do not encourage decisions that result in underutilization.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. You are eligible for these screenings if You:

- a. were previously diagnosed with breast cancer;
- b. completed treatment for breast cancer;
- c. underwent bilateral mastectomy; and

NOTICE AND DISCLOSURE OF PRESCRIPTION DRUG FORMULARY

This Benefit Plan covers Prescription Drugs and uses either an open or closed Prescription Drug Formulary. Refer to Your Schedule of Benefits to see which Prescription Drug Formulary applies to You. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Benefit Plan. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost You less than drugs on higher tiers.

Information about Your formulary is available to You in several ways. Most Plan Participants receive information from Us by accessing the pharmacy section of Our website, www.lablue.com/pharmacy.

You may also contact Us at the telephone number on the ID card to ask whether a specific drug is included in Your formulary. If a Prescription Drug is on Your Prescription Drug Formulary, this does not guarantee that Your prescribing healthcare Provider will prescribe the drug for a particular medical condition or mental illness.

OPEN PRESCRIPTION DRUG FORMULARY

With an open formulary, the Company automatically includes new Prescription Drugs to Your coverage when drug manufacturers release these new drugs for sale.

You may file a written Appeal to Us if a Prescription Drug is not included in the formulary and Your prescribing healthcare Provider has determined that the drug is Medically Necessary for You. Instructions for filing an Appeal are included in this policy.

CLOSED PRESCRIPTION DRUG FORMULARY

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in Our Prescription Drug Formulary, there is a drug review process. This process allows Your prescribing healthcare Provider to ask for a drug review from Us. This request must be based on Medical Necessity. If the request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary. If the drug review request is not approved, You may file an internal or external drug review request to Us.

NOTICE OF CONTINUATION OF PRESCRIPTION DRUG COVERAGE

You have the right to continue the coverage of any Prescription Drug that was approved or covered by Us for a medical condition or mental illness, at the contracted Benefit level until the renewal of Your current insurance coverage regardless of whether the drug has been removed from Your formulary. Your prescribing healthcare Provider may prescribe a drug that is an alternative to a drug for which continuation of coverage is required if the alternative drug is covered under the health plan and is medically appropriate for You.

REQUIREMENT TO SELECT A PRIMARY CARE PHYSICIAN (PCP)

This coverage requires You to designate a Primary Care Physician (PCP). You have the right to designate any PCP who participates in your Network and who is available to accept You or Your family Plan Participants. Until You make this designation, We designate one for You. For children, You may designate a pediatrician as the PCP. For information on how to select a PCP, and for a list of the PCPs in Your Network, visit www.lablue.com or call the customer service phone number on the ID card. Additional information about Your PCP selection can be found in the Understanding the Basics of Your Coverage Article of this plan.

You do not need prior Authorization from Us or from any other person (including a Primary Care Physician) in order to obtain direct access to obstetrical or gynecological care from a healthcare professional in Your Network who specializes in obstetrics or gynecology. The healthcare professional, however, may be required to comply with certain procedures, including obtaining prior Authorization for certain services. For a list of Network healthcare professionals who specialize in obstetrics or gynecology, visit www.lablue.com or call the customer service phone number on the ID card.

UNDERSTANDING THE BASICS OF YOUR COVERAGE

HMO Louisiana, Inc. issues this health Benefit Plan to the Group/policyholder shown on the Schedule of Benefits. A copy of this Benefit Plan provided to Plan Participants serves as the Plan Participant's certificate of coverage. As of the Group's original Effective Date shown on the Schedule of Benefits, We agree to provide the Benefits specified herein for Plan Participants of the Group. This Benefit Plan replaces any others previously issued to the Group/policyholder, as of the Group's amended Effective Date shown on the Schedule of Benefits. This Benefit Plan describes Plan Participant Benefits, as well as Plan Participant rights and responsibilities. We encourage You, the Plan Participant, to read this Benefit Plan carefully.

You should call Our customer service number on the ID card if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Benefit Plan are related to other sections of this Benefit Plan. You may not have all of the information You need by reading just one section. Please be aware that Your Physician does not have a copy of Your Benefit Plan, and is not responsible for knowing or communicating Your Benefits to You.

Except for necessary technical terms, common words are used to describe the Benefits provided under this Benefit Plan. We, Us and Our mean HMO LOUISIANA, INC. You, Your, and Yourself mean the Plan Participant and/or enrolled Dependent. Capitalized words are defined terms in the Definitions Article of this Benefit Plan. A word used in the masculine gender applies also in the feminine gender, except where otherwise stated.

A. Facts About This HMO Benefit Plan

This plan is a straight HMO plan. It generally pays Benefits only when services are obtained from a Provider who is in the HMOLA Network. Some services require Our Authorization before services are rendered. Services that require prior Authorization are listed on the Schedule of Benefits. If an Authorization is required, but is not obtained before services are rendered, Benefits will be denied.

Plan Participants have an extensive network of Providers (Network) available to them - the HMOLA Network. Plan Participants usually pay a Copayment to a Network Provider at the time of service. Plan Participants choose which Providers will render their care. This choice could determine the amount We pay and the amount the Plan Participants pays for Covered Services.

This is a direct access plan. Plan Participants may see Specialists in the HMOLA Network without contacting a Primary Care Physician or obtaining a referral from a Primary Care Physician.

B. Our HMOLA Provider Network

HMO Louisiana, Inc. has put together a Provider Network consisting of a select group of Physicians, Hospitals and other Allied Providers that have contracted with Us to participate as HMOLA Network Providers and render Covered Services to Our Plan Participants. We refer to these Providers as HMOLA Providers or Network Providers. Oral Surgery Benefits are also available when rendered by Providers in the United Concordia Dental Advantage Plus Network or in Blue Cross and Blue Shield of Louisiana's dental network.

We use the term Network Benefits to mean the Benefits payable under this Benefit Plan when the Plan Participant uses Providers in the HMOLA Network. To receive Network Benefits, the Plan Participant should always verify that a Provider is a current HMOLA Network Provider. Visit Our website at www.lablue.com, or call customer service at the number on the ID card to verify that a Provider is a current HMOLA Network Provider, or to request a paper Provider directory. Our Network may be more extensive in some areas than in others. We cannot guarantee the availability of every specialty in all areas.

HMOLA Plan Participants do not have the option to choose care from Providers that are not in the HMOLA Network. No Benefits will be paid for care from Providers outside the HMOLA Network unless: (1) We determine that services are not available from an HMOLA Provider within a 75-mile radius of the Plan Participant's home and We issue written approval to the Plan Participant to obtain the services outside the Network; or (2) the Plan Participant has an Emergency Medical Service and is unable to obtain the care from a Network Provider.

A Provider may be contracted with Us when providing services at one location, and may be considered a Non-Network Provider when rendering services from another location. The Plan Participant should check the Provider directory to verify that the services are Network at the location where the Plan Participant is seeking care.

Additionally, Providers in Your network may be contracted to perform some Covered Services, but may not be contracted in Your network to perform other Covered Services. When a Network Provider performs services that the Network Provider is not contracted with Us to perform (such as certain High-Tech Imaging Services or radiology procedures), Claims for those services may be denied. The Plan Participant should make sure to check his provider directory to verify that the services are network when performed by the Provider or at the Provider's location. For more information, please contact Our customer service department.

C. Davis Vision Network

Davis Vision, Inc. (hereinafter, Davis Vision) is the Company's network and claims administrator for the Vision Care Benefit provided, and manages the Davis Vision Network, handles and pays Claims, and provides customer services to the Plan Participants eligible to receive this Benefit.

The Davis Vision Network consists of a select group of Providers who have contracted with Davis Vision to render services to Plan Participants for minimal out-of-pocket costs. All other Providers are considered Non-Participating.

In order to receive the full Benefit under this section, the Plan Participant should verify that a Provider is a Davis Vision Network Participating Provider before any service is rendered. To locate a Participating Provider and verify their continued participation in the Davis Vision Network, or to ask any questions related to Benefits or Claims, please visit the website at www.davisvision.com or contact a customer service representative at 1-800-247-9368.

D. Using a Primary Care Physician (PCP)

This plan is sold with or without an office visit Copayment. The Schedule of Benefits will state whether a Copayment applies. If a Copayment for office visits is shown on the Schedule of Benefits, this direct access plan allows You to receive care from a PCP or from a Specialist. No PCP referral is required prior to accessing care directly from a Specialist in the HMOLA Network.

Plan Participants pay the lowest Physician Copayment when obtaining care from a PCP. PCPs are family practitioners, general practitioners, internists, geriatricians, or pediatricians. Each Plan Participant of the family may use a different PCP. PCPs may coordinate healthcare needs from Consultation to hospitalization, direct a Plan Participant to an appropriate Provider when necessary, and assist in obtaining any required Authorizations.

The office visit Copayment may be reduced when services are rendered by a Provider participating in the Quality Blue program. Quality Blue Providers include any Provider who has signed a contract to participate in the Quality Blue program. Currently, Quality Blue Providers include family practitioners, general practitioners, pediatricians, internists, geriatricians, nurse practitioners and physician assistants, but more Providers may contract to participate in the Quality Blue program. To verify if a Provider participates in the Quality Blue program, You may review a Provider directory on Our website at www.lablue.com or contact Our customer service department at the number on the ID card.

If one Provider directs a Plan Participant to another Provider, the Plan Participant must make sure that the new Provider is in the HMOLA Network before receiving care. If the new Provider is not in the HMOLA Network, Benefits will be denied.

E. Authorizations

Some services and supplies require Authorization from Us before services are obtained. The Schedule of Benefits lists specific services, supplies, and Prescription Drugs that require Authorization. For more information on those items and services that require Authorization visit the website, www.lablue.com/priorauth. See the Care Management Article of this Benefit Plan for additional information regarding Authorization requirements.

An Authorization is Our determination that it is Medically Necessary for the Plan Participant to receive the requested medical services. When We Authorize a service for Medical Necessity, We are not making a determination about the Plan Participant's choice of Provider or the Benefits that will apply to a resulting Claim. Prior Authorization is not required for an Emergency medical service, as defined by this Benefit Plan.

Network Providers are required to obtain necessary Authorizations on behalf of the Plan Participant. When a Network Provider fails to obtain a required Authorization, We penalize the Network Provider, not the Plan Participant. The Plan Participant continues to be responsible only for the applicable Network Copayment, Deductible Amount, and/or Coinsurance shown on the Schedule of Benefits.

When We issue an Authorization but the Plan Participant receives the service from a Non-HMOLA Provider, no Benefits are payable unless the Plan Participant obtained HMOLA's written APPROVAL to obtain the services from the Non-HMOLA Provider, PRIOR TO THE SERVICES BEING RENDERED. If the Plan Participant has received Our written approval to use a Non-HMOLA Provider, it is up to the Plan Participant to make sure that the approved Provider obtains any necessary Authorizations, or no Benefits will be paid.

No payment will be made for Organ, Tissue and Bone Marrow Transplant Benefits or evaluations unless We Authorize these services and the services are rendered by a Blue Distinction Center for Transplants or a transplant facility in Our HMOLA Network, unless otherwise approved by Us in writing. To locate an approved transplant facility, contact Our customer service department at the number listed on the ID card.

F. How We Determine What We Pay for the Plan Participant's Covered Services

(Please see next section for information regarding Dependent Out-of-Area Benefits)

When the Plan Participant uses Network Providers

Network Providers are Providers that have signed contracts with Us to participate in the HMOLA Network. These Providers have agreed to accept the lesser of billed charges or a negotiated amount as payment in full for Covered Services. This amount is the Network Provider's Allowable Charge and is used to determine the amount We pay for Medically Necessary Covered Services. Plan Participants who use Network Providers will receive Network Benefits and will pay the amounts shown in the HMOLA Network column on the Schedule of Benefits for these services.

Except as described below, if a plan participant receives services outside of the HMOLA provider network and our prior written approval and/or authorizations are not obtained (where required), the services will not be covered. If we have issued written approval to use a non-HMOLA provider, and authorizations are obtained (where required), benefits will be paid as follows. We establish an Allowable Charge for Covered Services provided by a Non-Network Provider. The Allowable Charge will be the lesser of the following:

1. An amount We establish based on Our choice of Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service;
2. an amount we establish as the Allowable Charge; or
3. the Provider's billed charge.

When the Plan Participant receives Medically Necessary Emergency Medical Services from Non-Network Providers.

When a Plan Participant receives Medically Necessary Emergency Medical Services from a Non-Network Provider, Benefits will be based on the recognized amount established according to applicable law or a lesser amount determined by Us.

Note that federal law prohibits a Non-Network Provider from balance billing a Plan Participant for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to a Plan Participant and has obtained a Plan Participant's Informed Consent to provide such services.

When the Plan Participant Must Obtain Care Outside the HMOLA Network because there is no HMOLA Provider within a seventy-five (75) mile radius of the Plan Participant's Home that can perform the services.

A Plan Participant needs to obtain Our prior written approval to obtain care from a Non-Network Provider when there is no HMOLA Provider within a seventy-five (75) mile radius of the Plan Participant's home that can perform Medically Necessary services. When the Plan Participant obtains Our prior written approval, the Allowable Charge for the service is the lesser of the Provider's billed charge or the amount We have established as payment in full for the Plan Participant's Covered Services. This amount is the Non-Network Provider's Allowable Charge and it is used to determine the amount that We pay for the Plan Participant's Covered Services.

A request for care from Providers outside the HMOLA Network will not be approved outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Plan Participant within the distance the Plan Participant is willing to travel to receive care from the Non-Network Provider, no matter how many miles that may be.

Sample Illustration of Plan Participant Costs When Using a Non-Network Hospital

NOTE: The following example is for illustration purposes only and may not be a true reflection of the Plan Participant's actual Copayments, Deductible Amounts and Coinsurances. Please refer to the Schedule of Benefits to determine Your Benefits.

Example: A Plan Participant has this straight HMO policy with a \$150 Hospital Copayment. The Provider obtained the necessary Authorization for the Plan Participant to obtain services at Provider's Network Hospital prior to Plan Participant receiving this non-Emergency service. The Provider's billed charge for the Covered Service is \$12,000. We negotiated an Allowable Charge of \$2,500 with the Network Hospital to render this service. There is no negotiated rate with the Non-Network Provider Hospital as the services are non-Covered if the Plan Participant obtains non-Emergency care from a Non-Network Provider. This example illustrates the Plan Participant's costs at two different hospitals for the same service.

The Plan Participant receives Covered Services from:	Network Hospital	Non-Network Hospital
Hospital Bill:	\$12,000	\$12,000
Allowable Charge:	\$2,500	\$0
We pay:	\$2,350 \$2,500 allowable - \$150 Copayment = \$2,350	\$0
Is Plan Participant billed up to the Hospital's billed charge?	NO	YES \$12,000
TOTAL PLAN PARTICIPANT	\$150	\$12,000

G. Dependent Out-of-Area Benefits

The Subscriber's Dependent who is regularly located outside of the Subscriber's defined Service Area may apply to HMO Louisiana, Inc. to be set up as a Dependent Out-of-Area and receive Dependent Out-of-Area Benefits under this Benefit Plan. A Dependent who has elected Dependent Out-of-Area Benefits may receive care from a HMOLA Network Provider in any of the Service Areas in this state, may receive care from a Participating Provider, or may receive care from a Non-Participating Provider.

Plan Participants usually pay significant costs when using Non-Participating Providers. This is because the amounts that Providers charge for Covered Services are usually higher than the fees that are accepted by HMOLA and Participating Providers. In addition, HMOLA and Participating Providers waive the difference between the actual billed charge for Covered Services and the Allowable Charge, while Non-Participating Providers do not.

H. Sample Illustration of Dependent Out-of-Area Plan Participant Costs When Using a Non-Participating Hospital

NOTE: The following example is for illustration purposes only and may not be a true reflection of the Plan Participant's actual Benefits. Please refer to the Schedule of Benefits to determine Your Benefits.

EXAMPLE: The Dependent Out-of-Area Benefits are 80% - 20% Coinsurance with a Deductible Amount. Assume the Plan Participant has met his Deductible Amount. The billed charge for the Covered Hospital Service that the Plan Participant receives is \$12,000. We have negotiated an Allowable Charge of \$2,500 with HMOLA Network Providers for this service. There is a negotiated Allowable Charge of \$3,000 with the Participating Hospital to render this service. Because there is no agreement with Non-Participating Providers, We established an Allowable Charge of \$2,500 for this service when rendered by Non-Participating Hospitals. This example illustrates the Plan Participant's costs at three different hospitals for the same service.

The Plan Participant receives Covered	Network Hospital	Participating Hospital	Non-Participating Hospital
Hospital Bill:	\$12,000	\$12,000	\$12,000
Allowable Charge:	\$2,500	\$3,000	\$2,500
We pay:	\$2,000	\$2,400	\$2,000
	\$2,500 Allowable Charge x 80% Coinsurance = \$2,000	\$3,000 Allowable Charge x 80% Coinsurance = \$2,400	\$2,500 Allowable Charge x 80% Coinsurance = \$2,000
Plan Participant pays:	\$500	\$600	\$500
	20% Coinsurance x \$2,500 Allowable Charge = \$500	20% Coinsurance x \$3,000 Allowable Charge = \$600	20% Coinsurance x \$2,500 Allowable Charge = \$500
Is Plan Participant billed up to the Hospital's billed charge?	NO	NO	YES \$9,500
TOTAL PLAN PARTICIPANT PAYS:	\$500	\$600	\$10,000

Plan Participants usually pay significant costs when using Non-Participating Providers. This is because the amounts that Providers charge for Covered Services are usually higher than the fees that are accepted by HMOLA and Participating Providers. In addition, HMOLA and Participating Providers waive the difference between the actual billed charge for Covered Services and the Allowable Charge, while Non-Participating Providers do not.

I. When a Plan Participant Purchases Covered Prescription Drugs

Some pharmacies have contracted with Us or with Our Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are Participating Pharmacies. The Allowable Charge for covered Prescription Drugs purchased from Participating Pharmacies based on the amount We pay Our Pharmacy Benefit Manager. We use the amount We pay Our Pharmacy Benefit Manager to base Our payment for the Plan Participant's covered Prescription Drugs and the amount that the Plan Participant must pay for covered Prescription Drugs.

When a Plan Participant purchases covered Prescription Drugs from a pharmacy that has not contracted with Us or with Our Pharmacy Benefit Manager or when a Plan Participant files a paper Claim with the Company or with Our Pharmacy Benefit Manager, the Allowable Charge is the amount that the Company pays Our Pharmacy Benefit Manager for covered Prescription Drugs.

To obtain contact information for Participating Pharmacies, the Plan Participant should contact Our customer service department or Our Pharmacy Benefit Manager at the telephone number on the ID card.

J. Mental Health and Substance Use Disorder Benefits

The Company has contracted with an outside company to perform certain administrative services related to Mental Health and substance use disorders Benefits for Our Plan Participants. We may also offer Plan Participants the opportunity to enroll in health and non-health related programs, as Value-Added Services, to enhance the Plan Participant's experience with Us or his Providers. These incentives and Value-Added Services are not Benefits and do not alter or affect Plan Participant Benefits. They may be offered by Us, affiliated

companies, and selected vendors. Plan Participants are always free to reject the opportunities for incentives and Value-Added Services. We reserve the right to add or remove any and all coupons, discounts, incentives, programs, and Value-Added Services at any time without notice to Plan Participants.

ARTICLE VI.

MEDICAL AND SURGICAL BENEFITS

TO RECEIVE BENEFITS, THE PLAN PARTICIPANT MUST OBTAIN CARE FROM A NETWORK PROVIDER AND OBTAIN AN AUTHORIZATION FOR CERTAIN SERVICES AS SHOWN ON THE SCHEDULE OF BENEFITS AND THE CARE MANAGEMENT ARTICLE.

A. Surgical Services

1. Surgery

- a. The Allowable Charge for Inpatient and Outpatient Surgery includes all pre-operative and post-operative medical visits.

The pre-operative and post-operative period is defined and determined by Us and is that period of time which is appropriate as routine care for the particular surgical procedure.

- b. When performed in the Physician's office, the Allowable Charge for the Surgery includes the office visit. No additional Benefits are allowed toward charges for office visits on the same day as the Surgery.

2. Multiple Medical or Surgical Services - When Medically Necessary multiple services (concurrent, successive, or other multiple medical or surgical services) are performed at the same encounter, Benefits will be paid as follows:

a. Primary Service

(1) The primary or major service will be determined by Us.

(2) Benefits for the primary service will be based on the Allowable Charge.

b. Secondary Service

A secondary service is a service performed in addition to the primary service as determined by Us. The Allowable Charge for any secondary service will be based on a percentage of the Allowable Charge that would be applied had the secondary service been the primary service.

c. Incidental Service

(1) An incidental service is one carried out at the same time as a primary service as determined by Us.

(2) Covered incidental services are not reimbursed separately. The Allowable Charge for the primary service includes coverage for any incidental service. If the primary service is not covered, any incidental service will not be covered.

d. Unbundled Services

(1) Unbundling occurs when two (2) or more service codes are used to describe a medical or surgical service performed when a single, more comprehensive service code exists that accurately describes the entire medical or surgical service performed. The unbundled services are considered included in the proper comprehensive service code as determined by Us.

(2) The Allowable Charge of the comprehensive service code includes the charge for the unbundled services. We will provide Benefits according to the proper comprehensive service code, as determined by Us.

e. Mutually Exclusive Services

(1) Mutually exclusive services are two (2) or more services that usually are not performed at the same operative session or encounter on the same patient, on the same date of service, and for which separate billings are made. Mutually exclusive services may also include different service code descriptions for the same type of services in which the Physician should be submitting only one

(1) of the codes. One or more of the duplicative services is not reimbursable as it should be reimbursed only one time.

(2) The Allowable Charge includes all services performed at the same encounter. Any and all services which are not considered Medically Necessary will not be covered.

3. Assistant Surgeon

An assistant surgeon is a Physician, licensed physician assistant, certified registered nurse first assistant (CRNFA), registered nurse first assistant (RNFA), or certified nurse practitioner. Coverage for an assistant surgeon is provided only if the use of an assistant surgeon is required with reference to nationally established guidelines. The Allowable Charge for the assistant surgeon is based on a percentage of the fee paid to the primary surgeon.

4. Anesthesia

- a. General anesthesia services are covered when requested by the operating Physician and performed by a certified registered nurse anesthetist (CRNA) or Physician, other than the operating Physician or the assistant surgeon, for covered surgical services. Coverage is also provided for other forms of anesthesia services as defined and approved by Us. Medical direction or supervision of anesthesia administration includes pre-operative, operative and post-operative anesthesia administration care.
- b. Anesthetic or sedation procedures performed by the operating Physician, his assistant surgeon, or an advanced practice registered nurse will be covered as a part of the surgical or diagnostic procedure unless We determine otherwise.
- c. Benefits for anesthesia will be determined by applying the Coinsurance to the Allowable Charge based on the primary surgical procedure performed. Benefits are available for the anesthesiologist or CRNA who performs the service. When an anesthesiologist medically directs or supervises the CRNA, payment may be divided between the medical direction or supervision and administration of anesthesia, when billed separately.

5. Second Surgical Opinion

Benefits are available for Consultation and directly related Diagnostic Services to confirm the need for elective Surgery. The Physician that provides a second or third opinion must not be the Physician who first recommended elective Surgery. A second or third opinion is not mandatory to receive Benefits.

B. Inpatient Medical Services

Subject to provisions in the sections pertaining to Surgery and Pregnancy Care in this Benefit Plan, Inpatient Medical Services include:

1. Inpatient medical care visits
2. Concurrent Care
3. Consultation (as defined in this Benefit Plan)

C. Outpatient Medical and Surgical Services

2. Services of an Ambulatory Surgical Center
3. Consultation (as defined in this Benefit Plan)

D. Classification of Benefits as Medical Surgical (MS) Benefits Versus Mental Health/Substance Use Disorder (MH/SUD) Benefits

1. Benefits shall be categorized as either Medical/Surgical (MS Benefits) Benefits or Mental Health (MH) and Substance Use Disorder (SUD) Benefits (collectively termed MH/SUD Benefits) according to the 10th revision of the International Statistical Classification of Diseases and Related Health Problems (ICD-10).
2. Specific benefits offered and services provided may be mapped to either category of MS Benefits or MH/SUD Benefits depending on the diagnosis.
3. For purposes of the classification, the following definitions are applicable:
 - a. Medical/Surgical (MS) Benefits – Benefits with respect to items or services for medical conditions or surgical procedures, as defined under the terms of the Benefit Plan, and in accordance with applicable federal and state law, but not including MH/SUD Benefits.
 - b. Mental Health/Substance Use Disorder (MH/SUD) Benefits – Mental Health (MH) Benefits with respect to items or services for mental health conditions, as defined under the terms of the Benefit Plan and in accordance with applicable federal and state law. Substance Use Disorder (SUD) Benefits mean benefits with respect to items or services for substance use disorders, as defined under the terms of the Benefit Plan and in accordance with applicable federal and state law. MH/SUD Benefits include conditions and diseases listed in the most recent edition of the International Statistical Classification of Diseases and Related Health Problems (ICD) as psychotic disorders, mood disorders, stress-related disorders, personality and mental retardation; other nonpsychotic mental disorders listed in the ICD, to be determined by Us; or disorders listed in the ICD requiring treatment for misuse or dependence upon substances such as alcohol, narcotics, or hallucinogens.

ARTICLE VII.

PRESCRIPTION DRUG BENEFITS

Prescription Drugs are covered as shown in either one of the options shown below. Refer to Your Schedule of Benefits to see which Prescription Drug Benefit applies to You.

- A. The Prescription Drugs must be dispensed on or after the Plan Participant's Effective Date by a licensed pharmacist or a pharmacy technician under the direction of a licensed pharmacist, upon the prescription of a Physician or an Allied Health Professional who is licensed to prescribe drugs. Benefits are based on the Allowable Charge that We determine and only those Prescription Drugs that We determine are Medically Necessary will be covered. Certain Prescription Drugs may be subject to Step Therapy or require prior Authorization as shown on the Schedule of Benefits.
- B. Some pharmacies have contracted with Us or with Our Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are Participating Pharmacies. Benefits are based on the Allowable Charge as determined by Us. The Allowable Charge for covered Prescription Drugs purchased from Participating Pharmacies is based on the amount We pay Our Pharmacy Benefit Manager. We use the amount We pay Our Pharmacy Benefit Manager to base Our payment for the Plan Participant's covered Prescription Drugs and the amount that the Plan Participant must pay for covered Prescription Drugs.

To obtain contact information for Participating Pharmacies, the Plan Participant should contact Our customer service department or Our Pharmacy Benefit Manager at the telephone number on the ID card.

- C. The Plan Participant should present the ID card to the pharmacist when purchasing covered Prescription Drugs at a Participating Pharmacy. The Prescription Drug Deductible Amount, if shown on the Schedule of Benefits, must be satisfied before any Copayment or Coinsurance will apply. If the Plan Participant has not met his Prescription Drug Deductible Amount, the Participating Pharmacy may collect one hundred percent (100%) of the discounted costs of the drug at the point of sale. If the Plan Participant has met his Prescription Drug Deductible Amount, he will pay the Copayment or Coinsurance shown on the Schedule of Benefits. The Participating Pharmacy will electronically submit the Claim for the Plan Participant.
- D. Prescription Drug Formulary

This Benefit Plan covers Prescription Drugs and uses either an open or closed Prescription Drug Formulary. Refer to Your Schedule of Benefits to see which Prescription Drug Formulary applies to You. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Benefit Plan. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost You less than drugs on higher tiers. For covered drugs that are listed on the formulary, Our Drug Utilization Management Program, more fully described in the section below, may apply.

Information about Your formulary is available to You in several ways. Most Plan Participants receive information from Us by accessing the pharmacy section of Our website, www.lablue.com/pharmacy, or request a copy by mail by calling Our Pharmacy Benefit Manager at the telephone number identified on the ID card

You may also contact Us at the telephone number on the ID card to ask whether a specific drug is included in Your formulary. If a Prescription Drug is on Your Prescription Drug Formulary, this does not guarantee that Your prescribing healthcare Provider will prescribe the drug for a particular medical condition or mental illness.

1. Open Prescription Drug Formulary

With an open formulary, the Company automatically includes new Prescription Drugs to Your coverage when drug manufacturers release these new drugs for sale.

You may file a written Appeal to Us if a Prescription Drug is not included in the formulary and Your prescribing healthcare Provider has determined that the drug is Medically Necessary for You. Instructions for filing an Appeal are included in this policy.

Open Formulary – (Five Tier)

Prescription Drug Copayments and Coinsurances are based on the following tier classifications shown on the Schedule of Benefits. Tier placement is based on Our evaluation of a particular medication's clinical efficiency, safety, cost, and pharmacoeconomic factors.

- a. Tier 1 - A Prescription Drug that is a Generic or a low-cost Brand-Name Drug.
- b. Tier 2 - A Prescription Drug that is a Brand-Name Drug.
- c. Tier 3 - A Prescription Drug that is a Brand-Name Drug or a Generic Drug that may have a therapeutic alternative as a Tier 1 or Tier 2 drug. Covered compounded drugs are included in this Tier.
- d. Tier 4 - A Prescription Drug that is a Multi-Source Brand Drug.
- e. Tier 5 - Injectable Prescription Drugs include those medications that are intended to be self-administered. However, insulin may be included in another drug tier.

2. Closed Prescription Drug Formulary

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in Our Prescription Drug Formulary, there is a drug review process. This process allows Your prescribing healthcare Provider to ask for a drug review from Us. This request must be based on Medical Necessity. If the request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary. If the drug review request is not approved, You may file an internal or external drug review request to Us.

Closed Formulary – (Four Tier)

- a. The Prescription Drug Deductible Amount, if shown on the Schedule of Benefits, must be satisfied before any Copayment or Coinsurance will apply. The Plan Participant may be required to pay a different Copayment or Coinsurance for the different drug tiers. The Plan Participant may be required to pay a different Copayment or Coinsurance depending on whether the Plan Participant's Prescription Drugs are purchased at retail or through the mail. Prescription Drugs may be subject to quantity limitations.
- b. The Prescription Drug Copayment or Coinsurance is based on the following tier classifications shown on the Schedule of Benefits. Tier placement is based on Our evaluation of a particular medication's clinical efficacy, safety, cost, and pharmacoeconomic factors. You may call customer service or go to www.lablue.com/pharmacy to identify the tier classification of Your Prescription Drug.
- c. If a drug review request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary at Tier 3 if it is a non-Specialty Drug and at Tier 4 if it is a Specialty Drug.

(1) Tier 1 – Value Drugs

(2) Tier 2 – Preferred Brand Drugs

(3) Tier 3 – Non-Preferred Brand/Generic Drugs

(4) Tier 4 – Specialty Drugs

E. Drug Utilization Management Program

Our Drug Utilization Management Program features a set of closely aligned programs that are designed to promote Plan Participant safety, appropriate and cost-effective use of medications, and monitor healthcare quality. Examples of these programs include:

1. Prior Authorization – As part of Our Drug Utilization Management program, Plan Participants and/or Physicians must request and receive prior Authorization for certain Prescription Drugs and supplies in order to access Prescription Drug Benefits. The Schedule of Benefits contains a list of categories of Prescription Drugs that require prior Authorization. However, this list may change from time to time. The list of categories of Prescription Drugs that require prior Authorization is available for viewing on Our website at www.lablue.com/pharmacy or by calling the customer service telephone number on the ID card. If the Prescription Drug requires prior Authorization, the Plan Participant's Physician must call the medical Authorization telephone number on the ID card to obtain the Authorization. Failure to obtain an Authorization may result in Benefits being denied if the Prescription Drug is later determined not to be Medically Necessary.
2. Safety checks – Before the Plan Participant's prescription is filled, Our Pharmacy Benefit Manager or We perform quality and safety checks for usage precautions, drug duplication, and frequency of refills (e.g., refill prior to seventy-five percent (75%) day supply used).
3. Quantity Per Dispensing Limits/Allowances – Prescription Drugs selected by Us are subject to quantity limits per day supply, per dispensing event, or any combination thereof. Quantity Per Dispensing Limits/Allowances are based on the following: (a) the manufacturer's recommended dosage and duration of therapy; (b) common usage for episodic or intermittent treatment; (c) FDA-approved recommendations and/or clinical studies; or (d) as determined by Us.
4. Step Therapy – Certain drugs and/or drug classes are subject to Step Therapy. In some cases, We may require the Plan Participant to first try one or more Prescription Drugs to treat a medical condition before We will cover another Prescription Drug for that condition. For example, if Drug A and Drug B both treat the Plan Participant's medical condition, We may require the Plan Participant's Physician to prescribe Drug A first. If Drug A does not work for the Plan Participant, then We will cover a prescription written for Drug B. However, if Your Physician's request for a Step B drug does not meet the necessary criteria to start a Step B drug without first trying a Step A drug, or if You choose a Step B drug included in the Step Therapy program without first trying a Step A alternative, You will be responsible for the full cost of the drug.
5. Step Therapy Overrides - Your Healthcare Provider prescribing the Prescription Drug may request a Step Therapy override.
 - a. Step Therapy overrides are provided for stage-four advanced, metastatic cancer or associated conditions when certain criteria exist; step therapy overrides are also provided for other conditions when certain criteria are met.
 - b. When a Step Therapy Override request is submitted, We will respond to the request within seventy-two hours unless exigent circumstances exist, in which case We will respond to the request within twenty-four hours. If We do not make the determination timely, then the override request is considered approved.
 - c. If a Step Therapy Override request is denied, an Appeal can be submitted.
- F. Select diabetic supplies, including, but not limited to, necessary continuous glucose monitors and associated supplies, insulin syringes and test strips are covered under the Prescription Drug Benefit.
- G. When a Plan Participant purchases covered Prescription Drugs from a pharmacy that has not contracted with Us or with Our Pharmacy Benefit Manager or when a Plan Participant files a paper Claim with Us or with Our Pharmacy Benefit Manager, the Allowable Charge is the amount that the Company pays Our Pharmacy Benefit Manager for covered Prescription Drugs.
- H. Prescription Drugs purchased outside of the United States must be the equivalent to drugs that by Federal law of the United States require a prescription. For covered Prescription Drugs and supplies purchased outside of the United States, the Plan Participant should submit Claims on Our Prescription Drug Claim form. For information on how to file Claims for foreign Prescription Drug purchases, the Plan Participant should contact Us or Our Pharmacy Benefit Manager at the telephone number indicated on the ID card.
- I. As part of Our administration of Prescription Drug Benefits, We may disclose information about the Plan Participant's Prescription Drug utilization, including the names of Your prescribing Physicians, to any treating Physicians or dispensing pharmacies.

- J. Any savings or rebates We receive on the cost of drugs purchased under this Benefit Plan from drug manufacturers are used to stabilize rates. Plan Participants may be subject to an excess consumer cost burden when Covered Prescription Drugs are purchased under this Benefit Plan. (La. R.S. 22:976.)

ARTICLE VIII.

Examples of covered tumors and cysts include salivary gland tumors or cysts and primary tumors of the mandible and maxilla, such as ameloblastoma and osteosarcoma. Local anesthesia is always considered incidental to the covered dental service or procedure and is not eligible for separate reimbursement. Anesthesia for dental services is only reimbursable under this Benefit Plan when performed in conjunction with a Medically Necessary dental service or procedure that is covered under this Benefit Plan. If treatments, services or procedures are covered under the Plan Participant's separate or standalone dental plan, if applicable, then anesthesia is not covered under this Benefit Plan for such treatments, services or procedures.

Interaction between Plan Participant and Provider may take place in different ways, depending on the circumstances, but this interaction must always be suitable for the setting in which the Telehealth Services and

Remote Patient Therapy Services are provided.

Telehealth Services generally must be held in real time by two-way video and audio transmissions simultaneously (Synchronous). Telehealth Services does not cover telephone calls, and only when approved by Us is it allowed by methods other than simultaneous audio and video transmission.

Store Forward or Asynchronous Telehealth Services between an established patient and their Provider may take place when an established patient sends a pre-recorded video or images to a Provider via HIPAA-compliant communication at the Provider's request, or when the data is transferred between two Providers on the patient's behalf. This method of Telehealth Services is limited to services approved by Us.

Store Forward or Asynchronous Remote Patient Therapy Services between an established patient and a Provider who has an established, documented, and ongoing relationship with the patient may take place when an established patient uses an FDA-approved or FDA-authorized device to collect and electronically transmit biometric data to a Provider to be analyzed and used to develop, manage, and update a treatment plan related to a chronic and/or acute health condition. This method of Remote Patient Therapy Services is limited to services and devices approved by Us.

In order to be covered, Remote Patient Therapy Services must specifically be required for medical treatment decisions for the Plan Participant or as otherwise required by law and must collect and electronically transmit biometric data to an established Provider on at least sixteen (16) days of a thirty-day (30) period.

Unless prohibited by applicable law, the amount You pay for a Telehealth Services or Remote Patient Therapy Services visit may be different than the amount You would pay for the same Provider's service in a non-Telehealth or non-Remote Patient Therapy setting. You will pay more for a Telehealth Services visit or a Remote Patient Therapy visit when your Provider is not in your Network.

We have the right to determine if billing was appropriate and contains the required elements for Us to process the Claim.

In general, there is no coverage for Telehealth Services or Remote Patient Therapy Services that are not within the scope of the Provider's license or fail to meet any standard of care compared to an in-person visit. Coverage does not exist for non-HIPAA compliant encounters which do not provide a system of secure communication to safeguard protected health information.

Telehealth Services, Remote Patient Therapy Services, and the Providers who can render those services are determined by Us.

CARE MANAGEMENT

For a list of items and services that require Authorization, visit the website, www.lablue.com/priorauth.

A. Authorization of Admissions, Services and Supplies, Selection of Provider

1. Authorization and Selection of Provider

Benefits will be paid only when care is received from a Network Provider and the services have been Authorized as Medically Necessary before the services are rendered.

- a. If a Plan Participant wants to receive services from a Non-Network Provider and obtain Network Benefits, he must notify Our care management department before services are rendered. We will approve the use of a Non-Network Provider only if We determine that the services **cannot** be provided by a Network Provider within a seventy-five (75) mile radius of the Plan Participant's home. The Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Non-Network Provider.
- b. A request will not be approved for a Non-Network Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Plan Participant within the distance the Plan Participant is willing to travel to receive care from the proposed Non-Network Provider, no matter how many miles that may be. For example, if the proposed Non-Network Provider is located one hundred (100) miles away and there is a Network Provider capable of providing the same or other appropriate Medically Necessary services to diagnose or treat the individual one hundred (100) miles away or less, the approval will not be granted for the Non-Network Provider.
- c. We must approve the use of the Non-Network Provider and issue any required Authorization before services are rendered. If We do not approve the use of the Non-Network Provider and issue any Authorization prior to services being rendered, no Benefits will be paid and the Plan Participant may be responsible for all charges.
- d. If We do approve the use of a Non-Network Provider, that Provider may or may not accept the Plan Participant's Copayment at the time services are rendered. We will pay Benefits up to the Allowable Charge for Covered Services rendered by an approved Non-Network Provider who has obtained any required Authorization prior to services being rendered. We will deduct from Our payment the amount of the Plan Participant's Copayment, whether or not the Copayment is accepted by the Non-Network Provider.

An Authorization of Medical Necessity is not an approval of the use of a Non-Network Provider. These are two separate functions.

2. Authorization of Admissions

a. Authorization of Elective Admissions

The Plan Participant is responsible for ensuring that his Provider contacts Our care management department of any Elective or non-Emergency Inpatient Hospital Admission. We must be notified prior to the Admission regarding the nature and purpose of any Elective Admission or non-Emergency Admission to a Hospital's Inpatient department. To notify Us prior to the Admission, the Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility. The most appropriate setting for the elective service and the appropriate length of stay will be determined by Us when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If a request for Authorization is denied, the Admission is not covered and the Plan Participant must pay all charges incurred for Hospital services during the Admission for which Authorization was denied.

- (2) If Authorization is not requested prior to an Admission, the Admission will not be covered and the Plan Participant must pay all charges incurred during the Admission.
- (3) Additional amounts for which the Plan Participant is responsible because Authorization of an Elective or non-Emergency Inpatient Hospital Admission was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

b. Authorization of Emergency Admissions

It is the Plan Participant's responsibility to ensure that his Physician or Hospital, or a representative thereof, notifies Our care management department of all Emergency Admissions. Within forty-eight (48) hours of the Emergency Admission, We must be notified regarding the nature and purpose of the Emergency Admission. The facility or Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility. We may waive or extend this time limitation if We determine that the Plan Participant is unable to timely notify or direct his representative to notify Us of the Emergency Admission. In the event the end of the notification period falls on a holiday or weekend, We must be notified on the next working day. The appropriate length of stay for the Emergency Admission will be determined by Us when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If Authorization is denied, the Admission will not be covered and the Plan Participant must pay all charges incurred for Hospital services during the Admission.
- (2) If Authorization is not requested, the Admission will not be covered and the [Plan Participant] must pay all charges incurred during the Admission.
- (3) Additional amounts for which the Plan Participant is responsible for because Authorization of an Emergency Admission was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

c. Concurrent Review

When We Authorize a Plan Participant's Inpatient stay, We will Authorize his stay in the Hospital for a certain number of days. If the Plan Participant has not been discharged on or before the last Authorized day, and the Plan Participant needs additional days to be Authorized, the Plan Participant must make sure his Physician or Hospital contacts Us to request Concurrent Review for Authorization of additional days. This request for continued Hospitalization must be made on or before the Plan Participant's last Authorized day so We can review and respond to the request that day. If We Authorized the request, We will again Authorize a certain number of days, repeating this procedure until the Plan Participant is either discharged or the Plan Participant's continued stay request is denied. To request Concurrent Review for Authorization of additional days, the Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility.

- (1) If We do not receive a request for Authorization for continued stay on or before the Plan Participant's last Authorized day, no days are approved past the last Authorized day, and no additional Benefits will be paid unless We receive and Authorize another request. If at any point in this Concurrent Review procedure a request for Authorization for continued stay is received and We determine that it is not Medically Necessary for the Plan Participant to receive continued Hospitalization or Hospitalization at the level of care requested, We will notify the Plan Participant and his Providers, in writing, that the request is denied and no additional days are Authorized.
- (2) If We deny a Concurrent Review request or level of care request for Hospital Services, We will notify the Plan Participant, his Physician and the Hospital of the denial. If the Plan Participant elects to remain in the Hospital as an Inpatient thereafter, or at the same level of care, the Plan Participant will not be responsible for any charges unless he is notified of his financial responsibility by the Physician or Hospital in advance of incurring additional charges.

- (3) Charges for non-authorized days in the Hospital that the Plan Participant must pay are considered

non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

3. Authorization of Outpatient Services, Including Other Covered Services and Supplies

Certain services, supplies, and Prescription Drugs require Our Authorization before a Plan Participant receives the services, supplies, or Prescription Drugs. The Authorizations list is shown on the Plan Participant's Schedule of Benefits. The Plan Participant is responsible for making sure his Provider obtains all required prior Authorizations before the services, supplies, or Prescription Drugs are received. We may need the Plan Participant's Provider to submit medical or clinical information about the Plan Participant's condition. To obtain prior Authorizations, the Plan Participant's Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number shown on the ID card, or follow the instructions in the Provider Manual, if available to the Provider or facility.

- a. If a request for Authorization is denied by Us, the Outpatient services and supplies are not covered.
- b. If Authorization is not requested prior to receiving Outpatient services and supplies requiring Authorization, the Outpatient services and supplies are not covered.
- c. Additional amounts for which the Plan Participant is responsible because Authorization of Outpatient services and supplies was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

ARTICLE XVIII.

CONTINUATION OF COVERAGE RIGHTS

A. Surviving Spouse Continuation

1. If eligibility for Group coverage ceases upon the death of the Subscriber, a surviving Spouse covered as a Dependent who is fifty (50) years of age or older, has ninety (90) days from the date of the Subscriber's death to notify the Company of the election to continue the same coverage, and if already covered, for any Dependents.
 1. Coverage is automatic during the ninety (90) day election period. Premium is owed for this coverage. If continuation is not chosen, or if premium is not received for the ninety (90) days of automatic coverage, the ninety (90) days of automatic coverage is terminated retroactive to the end of the billing cycle in which the death occurred.
 2. If the continuation coverage is chosen within the ninety (90) day period, coverage will continue without interruption. Premium is owed from the last date for which premium has been paid. No physical exams are required. Premium for continuing coverage will not exceed the premium assessed for each Subscriber by class of coverage under the Group contract.
2. The Group will be responsible for notifying the Spouse of the right to continue and for billing and collection of premium. However, if We have been furnished with the home address of the surviving Spouse at the time of death and have been notified by the Group in an acceptable manner of the death of the Subscriber, We will notify the surviving Spouse of the right to continue. The Group will remain responsible for billing and collection of premium.
3. Coverage continues, as long as premium is paid timely, until the earliest of:
 - a. the date premium is due and is not paid on a timely basis;
 - b. the date the surviving Spouse or a Dependent becomes eligible for Medicare;
 - c. the date the surviving Spouse or a Dependent becomes eligible to participate in another group health plan;
 - d. the date the surviving Spouse remarries or dies;
 - e. the date this Group Benefit Plan ends; or
 - f. the date a Dependent is no longer eligible.

B. State Continuation

State continuation is available only if the Group is not subject to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA) and any amendments thereto. The Subscriber or the Dependent requesting continuation must have been continuously covered under this Benefit Plan (or another group policy that this Benefit Plan replaced) for the three (3) consecutive months immediately preceding the date this coverage would otherwise have ended.

1. A Subscriber or a Dependent may be entitled to continue the coverage under this Benefit Plan when eligibility for coverage ends because of:
 - a. the death of the Subscriber;
 - b. the termination of the Subscriber's active employment; or
 - c. the divorce of the Subscriber.
2. Continuation of coverage for a Subscriber or his Dependents is **not** available if:
 - a. within thirty-one (31) days of termination of coverage, the Subscriber or the Dependent is or could have been

covered by other group coverage or a government-sponsored health plan such as Medicare or Medicaid;

- b. the coverage under this Benefit Plan terminated due to fraud or the failure to pay any required contribution to premium; or
- c. the Subscriber or the Dependent is eligible for continuation of coverage under COBRA.

To elect continuation of coverage under this section, the Subscriber or the Dependent must notify the Group in writing of the election to continue this Benefit Plan and must pay any required contribution to the Group in advance. The initial contribution must be paid no later than the end of the month following the month in which the event occurred that made the Subscriber or the Dependent eligible. If a Dependent is eligible due to divorce, the event shall be deemed to have occurred on the date of the judgment of divorce. A form to continue coverage is available from the Group.

- 3. Continuation of insurance under the Group Benefit Plan for any Subscriber or Dependent shall terminate on the earliest of the following dates:
 - a. twelve (12) calendar months from the date coverage would have otherwise ended;
 - b. the date ending the period for which the Subscriber or the Dependent makes the last required premium contribution for the coverage;
 - c. the date the Subscriber or the Dependent becomes or is eligible to become covered for similar Benefits under any arrangement of coverage for individuals in a group, whether insured or uninsured, including Medicare or Medicaid;
 - d. the date on which the Group terminates this Benefit Plan; or
 - e. the date on which an enrolled Subscriber or Dependent of a health maintenance organization legally resides outside the Service Area of the Company.

C. COBRA Continuation Coverage

The following provisions are applicable only if the Group is subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) and any amendments thereto. Please refer to the Group Human Resources Manager or Benefits Manager for details about COBRA, or the applicability of COBRA to this plan.

What is COBRA continuation coverage?

In accordance with COBRA law, the employees and eligible dependents of certain employers may have the opportunity to continue their employer-sponsored healthcare coverage for a limited time, when there is a life event (also known as a qualifying event) that would otherwise result in the loss of coverage under the employer's plan. When a qualifying event causes such loss of coverage, COBRA continuation coverage must be offered to each person who is a qualified beneficiary. The Subscriber, the Subscriber's Spouse and the Subscriber's dependent children are listed under the law as the qualified beneficiaries. COBRA continuation coverage offers the same coverage that the Plan gives to other participants or beneficiaries who are not receiving continuation coverage. The qualified beneficiary may be required to pay the full cost of the continuation coverage for its entire duration.

Do I have other alternatives to COBRA continuation coverage?

COBRA continuation coverage is not the only alternative Plan Participants may have when they lose coverage under this plan. You and Your family may have other coverage options.

For example, You could qualify to buy individual coverage through the Health Insurance Marketplace. Losing coverage under this Benefit Plan gives You a special enrollment opportunity in the Marketplace, even when it happens outside of the Marketplace's Open Enrollment Period. You have sixty (60) days from when You lose coverage under this Benefit Plan to apply for special enrollment through the Marketplace.

In the Marketplace, You could be eligible for a tax credit that lowers Your monthly premiums right away, and You can see what Your premium, deductibles, and out-of-pocket costs will be before You make a decision to enroll. Being eligible for COBRA does not limit Your eligibility for coverage or for a tax credit through the Marketplace. However, it is important that You know that if You or any of Your Dependents choose COBRA continuation coverage instead of Marketplace coverage, You will lose the special enrollment opportunity for the Marketplace, and You will not be able to enroll until the Marketplace's normal enrollment period opens or Your COBRA continuation coverage is exhausted.

Additionally, You may qualify for a special enrollment opportunity for another group health plan for which You are eligible (such as a Spouse's plan), even if the plan generally does not accept late enrollees, if You request enrollment within thirty (30) days from losing coverage under this Benefit Plan.

Therefore, consider all Your options so You choose the one that better fits Your needs and budget.

What if I choose to get COBRA continuation coverage?

If You and Your Dependents are qualified beneficiaries and choose to get COBRA continuation coverage, You must follow all notice and time-period requirements described below or You will lose Your rights. If the Group requires shorter time-periods than those stated herein, the shorter time-periods of the Group apply.

What are the qualifying events?

A qualifying event is any of the following events:

1. termination of employment of a covered Employee for reasons other than gross misconduct;
2. loss of eligibility by a covered Employee due to a reduction in the number of work hours of the Employee;
3. death of a covered Subscriber;
4. divorce or legal separation between a covered Subscriber and his or her Spouse;
5. the covered Subscriber becomes entitled to Medicare benefits resulting in the loss of coverage for Dependents;
6. a Dependent child ceases to be an Eligible Dependent under the terms of this Benefit Plan; or
7. the Employer files for a Chapter 11 bankruptcy proceeding, but only with respect to covered former Employees who retired from the Employer at any time.

NOTE: Special rules apply for certain retirees and their dependents who lose coverage because of an employer's Chapter 11 bankruptcy. In this event, certain retirees may elect lifetime COBRA coverage. Eligible dependents of retirees may continue coverage until the retiree's death. When the retiree dies, dependents may elect an additional thirty-six (36) months of coverage from the date of the retiree's death. In all cases, these qualified beneficiaries must pay for the coverage elected. COBRA coverage under these circumstances will terminate early for a number of reasons including, but not limited to: the employer ceases to provide any group health plan to any employees or the qualified beneficiaries fail to pay the required premiums or become covered under another employer's group health plan that does not exclude or limit benefits for a qualified beneficiary's Pre-Existing Conditions. COBRA continuation coverage rights under Chapter 11 bankruptcy proceedings will be determined by the bankruptcy court, and the coverage eligible beneficiaries could receive may not be the same as the ones they had under the retiree plan before the employer filed for Chapter 11 bankruptcy.

Do I have to provide notification of any qualifying event?

The qualified beneficiary must give notice of the following qualifying events to the Group within sixty (60) days of the event:

1. divorce or legal separation;
2. becoming entitled to Medicare; or
3. a Dependent losing eligibility for coverage as a Dependent child.

The Group will advise a qualified beneficiary of their rights under COBRA when any qualifying event occurs or after the timely notice of a qualifying event when such notice is required to be given by the qualified beneficiary.

What do I have to do to get COBRA continuation coverage?

To elect continuation coverage, the qualified beneficiary must complete a COBRA election form and furnish it to the Group timely. The option to elect continuation coverage will be offered during a period which:

1. begins no later than the date on which a Plan Participant otherwise would lose coverage under the Group health plan (the coverage end date); and
2. ends sixty (60) days after the coverage end date or sixty (60) days after the Plan Participant is notified of their right to continue coverage, whichever is the latest.

Each qualified beneficiary has a separate right to elect continuation coverage. For example, the Employee's Spouse may elect continuation coverage even if the Employee does not. Continuation coverage may be elected for only one, several or for all Dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of the Dependent children. The Employee or the Employee's Spouse can elect continuation coverage on behalf of all the qualified beneficiaries.

How much will I have to pay for COBRA continuation coverage?

A Plan Participant may be required to pay the entire cost of continuation coverage (including both Employer and Employee contributions) plus an amount to cover administrative expenses. If continuation of coverage is elected, the qualified beneficiary must make the first payment for continuation coverage within forty-five (45) days after the date of the election. If the qualifying beneficiary does not make the correct first payment in full within the forty-five (45) day period, all COBRA continuation coverage rights are lost. Timely monthly payments are required thereafter to keep coverage. Plan Participant may not receive notice of payments due.

When will COBRA continuation coverage begin and how long will it last?

Once elected, COBRA continuation of coverage will begin on the coverage end date and will terminate on the earliest of the following events:

1. eighteen (18) months after the qualifying event in the case of termination of employment or reduction in work hours. When the Employee became entitled to Medicare benefits less than eighteen (18) months before the termination of employment or reduction of work hours, continuation coverage for qualified beneficiaries other than the Employee will last the longer of thirty-six (36) months from the date of Medicare entitlement or eighteen (18) months from the qualifying event; or
2. thirty-six (36) months after the qualifying event when such event is other than termination of employment or reduction of work hours; or
3. the date the Employer ceases to maintain any group health plan for its Employees; or
4. the date coverage ceases because of nonpayment of required premiums when due; or
5. the date the qualified beneficiary first becomes covered under another group health plan and benefits under that other plan are not excluded or limited with respect to a Pre-Existing Condition; or

6. the date the qualified beneficiary becomes entitled to Medicare (under Part A, Part B, or both).

Can I extend my COBRA continuation coverage?

A qualified beneficiary's right to COBRA continuation coverage will never last longer than thirty-six (36) months from the qualifying event. This maximum duration period cannot be extended, regardless of the circumstances.

Those that are receiving eighteen (18) months of continuation coverage can extend their period, as explained below, if they undergo a second qualifying event or are declared disabled by the Social Security Administration during that original eighteen (18) month period.

If a qualified beneficiary experiences a second qualifying event other than the termination of employment or reduction of work hours while receiving eighteen (18) months of COBRA continuation of coverage, the Dependents who were qualified beneficiaries at the time of the first qualifying event, and elected COBRA continuation coverage, may qualify for up to eighteen (18) additional months of continuation of coverage, for a maximum of thirty-six (36) months. This extension may be available to Dependents receiving continuation of coverage if:

1. the Employee or former Employee dies;
2. the Employee or former Employee becomes entitled to Medicare (under Part A, Part B, or both);
3. the Employee or former Employee and Dependent Spouse divorce;
4. the Dependent child is no longer eligible under the plan as a Dependent.

The second qualifying event is applicable only if the event would have caused the Dependent to lose coverage under the plan had the first qualifying event not occurred. Qualified beneficiaries must notify the Group within sixty (60) days after the date of a second qualifying event to extend the COBRA continuation coverage.

The eighteen (18) months of continuation coverage may also be extended to a maximum of twenty-nine (29) months if a qualified beneficiary is disabled at some time during the first sixty (60) days of COBRA coverage and is determined to be disabled (as determined under Title II, or XVI of the Social Security Act) by the Social Security Administration during the original eighteen (18) months of COBRA coverage.

This eleven (11) month extension is available to all eligible individuals who are qualified beneficiaries and elected COBRA continuation coverage for the original eighteen (18) months. The qualified beneficiary must notify the Group of the disability determination before the end of the initial eighteen (18) month COBRA period and within sixty (60) days from the date of the notice from the Social Security Administration of the determination of disability.

The qualified beneficiary must also notify the Group within thirty (30) days of any final determination by the Social Security Administration that the qualified beneficiary is no longer disabled. In this case, coverage will end the earliest of twenty-nine (29) months after the date of the qualifying event or the first day of the month that begins more than thirty (30) days after a final determination that the qualified beneficiary is no longer disabled, subject to the original eighteen (18) months of COBRA coverage.

Keep Your Group Informed of Address Changes

To protect Your and Your family's rights, You should keep the Group informed of any changes in Your address and the addresses of family Plan Participants. You should also keep a copy, for Your records, of any notices You send to the Group or Plan Administrator.

D. Employee Rights Under the Uniformed Services Employment and Reemployment Rights Act (USERRA)

Employees going on a military leave of absence to perform service in the United States uniformed services (as that term is defined under USERRA) may elect to continue coverage under this Benefit Plan for up to

twenty-four (24) months from the date that the Employee leaves for service. Only a covered Employee may elect continuation coverage under USERRA for himself/herself and for those eligible Dependents that were covered under the Plan immediately before him/her leaving for military service. Dependents do not have any independent right to elect USERRA continuation coverage.

To claim USERRA continuation coverage, the Employee must properly notify the Employer that he/she is leaving to perform service in the uniformed services and apply for continuation coverage as required by the Employer.

An Employee who elects USERRA continuation coverage may be required to pay a premium. If the leave of absence lasts thirty (30) days or less, the person may be required to pay the Employee's required contribution for coverage. However, if the military leave of absence lasts more than thirty (30) days, the person may be required to pay up to 102% of the full contribution under the Plan (including both, the Employer's and the Employee's contribution for coverage).

USERRA continuation coverage may be terminated before the maximum 24-month period if:

1. The Employee fails to pay the required premiums timely, or
2. The day after the date on which the Employee is required under the law to apply for or return to a position of employment and fails to do so.

Employers subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) may choose to provide USERRA continuation coverage rights concurrently with COBRA continuation coverage, as allowed by law. Each Employer acts independently in choosing how to apply this provision and is not reflective of any guidelines issued from HMO Louisiana, Inc. In all cases, the Employer should be consulted on how this provision applies to their Employer group sponsored plan.

Please contact your Employer to ask for more details on how USERRA and other continuation coverage rights apply to You.

COORDINATION OF BENEFITS

A. Applicability

This section applies when a Plan Participant has healthcare coverage under more than one Plan. Plan is defined below.

The Order of Benefit Determination Rules that govern the order in which each Plan will pay a Claim for Benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its terms of coverage without concern of the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed one hundred percent (100%) of the total Allowable Expense.

B. Definitions *(Applicable only to this Coordination of Benefits Article of this Benefit Plan)*

1. Allowable Expense – Healthcare services or expenses, including deductibles, coinsurance or copayments, that are covered in full or in part by any Plan covering a Plan Participant. The following are examples of services or expenses that are and are not Allowable Expenses:
 - a. A healthcare service or expense or a portion of a service or expense that is not covered by any of the Plans covering a [Plan Participant, Plan Participant] is not an Allowable Expense.
 - b. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid.
 - c. If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
 - d. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
 - e. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - f. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement will be the Allowable Expense for all Plans.
 - g. The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, prior Authorization of admissions and preferred provider arrangements.
2. Closed Panel Plan – A Plan that provides healthcare benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other providers, except in cases of Emergency or referral by a panel Plan Participant.
3. Coordination of Benefits or COB – A provision establishing an order in which Plans pay their Claims and permitting Secondary Plans to reduce their benefits so that the combined benefits of all Plans do not exceed one hundred percent (100%) of the total Allowable Expenses. The COB provision applies to the part of the Benefit Plan providing healthcare Benefits which may be reduced because of the benefits of other Plans. Any other part of the Benefit Plan providing healthcare Benefits is separate from this Benefit Plan. This Benefit Plan may apply one COB provision to certain Benefits, such as dental Benefits, coordinating only with similar Benefits, and may apply another COB provision to coordinate other Benefits.

4. Custodial Parent –
 - a. the parent awarded custody of a covered child by a court decree; or
 - b. in the absence of a court decree, the parent with whom the covered child resides more than one half of the calendar year without regard to any temporary visitation.
5. Order of Benefit Determination Rules – Rules that determine whether this Benefit Plan is a Primary Plan or Secondary Plan when a Plan Participant has healthcare coverage under more than one Plan. When this Benefit Plan is Primary, We determine payment for Benefits first before those of any other Plan and without considering any other Plan's benefits. When this Benefit Plan is Secondary, We determine Benefits after those of another Plan and may reduce the Benefits We pay so that all Plan benefits do not exceed one hundred percent (100%) of the total Allowable Expense.
6. Plan – Any of the following that provide benefits or services for medical or dental care or treatment. If separate Plans or contracts are used to provide coordinated coverage for members of a group, the separate Plans or contracts are considered parts of the same Plan and there is no COB among those separate Plans or contracts.
 - a. Plan includes:
 - (1) group and non-group insurance contracts;
 - (2) health maintenance organization (HMO) contracts;
 - (3) group or group-type coverage through Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured);
 - (4) the medical care components of long-term care contracts, such as skilled nursing care;
 - (5) the medical benefits in group or individual automobile no fault and traditional automobile or fault contracts; and
 - (6) Medicare or any other governmental benefits, as permitted by law.
 - b. Plan does not include:
 - (1) hospital indemnity coverage benefits or other fixed indemnity coverage;
 - (2) accident only coverage;
 - (3) specified disease or specified accident coverage;
 - (4) limited benefit health coverage as defined by state law;
 - (5) school accident-type coverage except those enumerated in La. R.S. 22:1000(A)(3)(C);
 - (6) benefits for non-medical components of long-term care contracts;
 - (7) Medicare supplement policies;
 - (8) Medicaid plans; or
 - (9) coverage under other government Plans, unless permitted by law.

Each contract for coverage under 6(a) or (b), above, is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

7. Primary Plan – A Plan whose benefits for a covered person’s healthcare coverage must be determined without taking the existence of any other Plan into consideration.
8. Secondary Plan – A Plan that is not a Primary Plan and determines its benefits after the Primary Plan pays benefits.

C. Coordination of Benefits and Order of Benefit Determinations

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows.
 - a. The Primary Plan pays or provides its benefits according to its terms of coverage and without concern of the benefits under any other Plan.
 - b. If the Primary Plan is a Closed Panel Plan and the Secondary Plan is not a Closed Panel Plan, the Secondary Plan will pay or provide benefits as if it were the Primary Plan when a covered person uses a non-panel provider, except for Emergency services or authorized referrals that are paid or provided by the Closed Panel Plan.
 - c. When multiple contracts providing coordinated coverage are treated as a single Plan under the Louisiana Department of Insurance (LDI) Regulation 32, then this section applies only to the Plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one issuer pays or provides benefits under the Plan, the issuer designated as Primary within the Plan will be responsible for the Plan’s compliance with LDI Regulation 32.
 - d. If a person is covered by more than one Secondary Plan, the Order of Benefit Determination Rules of LDI Regulation 32 decide the order in which Secondary Plans benefits are determined in relation to each other. Each Secondary Plan must take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, under LDI Regulation 32, has benefits determined before those of that Secondary Plan.
 - e. Except as provided in (f) below, a Plan that does not contain a Coordination of Benefits provision that is consistent with LDI Regulation 32 is always Primary unless the provisions of both Plans state that the complying Plan is Primary.
 - f. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
2. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is the Secondary Plan.
3. Order of Benefit Determination

Each Plan determines its order of benefits using the first of the following provisions that apply.

- a. Non-Dependent or Dependent Provision

The Plan that covers the person other than as a dependent, for example, as an employee, Plan Participant, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is Secondary to the Plan covering the person as a dependent; and Primary to the Plan covering the person as other than a dependent (e.g., a retired employee); then the order of benefits between the two Plans is reversed. The Plan covering the person as an employee, Plan Participant, policyholder, subscriber or retiree is the Secondary Plan and the other Plan covering the person as a dependent is the Primary Plan.

- b. Dependent Child Covered Under More Than One Plan Provision

Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows.

- (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (a) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - (b) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (a) If a court decree states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is Primary. This provision applies to plan years commencing after the Plan is given notice of the court decree;
 - (b) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of subparagraph (3)(b)(1), above, will determine the order of benefits;
 - (c) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of subparagraph (3)(b)(1), above, will determine the order of benefits; or
 - (d) If there is no court decree allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - (i) The Plan covering the Custodial Parent;
 - (ii) The Plan covering the spouse of the Custodial Parent;
 - (iii) The Plan covering the non-Custodial Parent; and then
 - (iv) The Plan covering the spouse of the non-Custodial Parent.
- (3) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subparagraphs (3)(b)(1) or (3)(b)(2), above, shall determine the order of benefits as if those individuals were the parents of the child.
- (4) For a dependent child covered under the spouse's Plan:
 - (a) For a dependent child who has coverage under either or both parents' Plans and also has his or her own coverage as a dependent under a spouse's Plan, the Longer or Shorter Length of Coverage Provision, below, applies.
 - (b) In the event the dependent child's coverage under the spouse's Plan began on the same date as the dependent child's coverage under either or both parents' Plans, the order of benefits will be determined by applying the birthday provision above in subparagraph (3)(b)(1) to the child's parent(s) and the spouse.

c. Active Employee or Retired or Laid-off Employee Provision

The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a covered person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this provision, and as a result, the Plans do not agree on the order of benefits, this provision is ignored. This provision does not apply if the Non-Dependent or Dependent Provision, above, can determine the order of benefits.

d. COBRA or State Continuation Coverage Provision

If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, Plan Participant, subscriber or retiree or covering the person as a dependent of an employee, Plan Participant, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this provision, and as a result, the Plans do not agree on the order of benefits, this provision is ignored.

This provision does not apply if the Non-Dependent or Dependent Provision, above, can determine the order of benefits.

e. Longer or Shorter Length of Coverage Provision

The Plan that covered the person as an employee, Plan Participant, policyholder, subscriber or retiree for a longer period of time is the Primary Plan and the Plan that covered the person for the shorter period of time is the Secondary Plan.

f. Fall-Back Provision

If none of the preceding provisions determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.

D. Effects on the Benefits of this Plan

1. When this Benefit Plan is Secondary, We may reduce Benefits so that the total Benefits paid or provided by all Plans during a plan year are not more than one hundred percent (100%) of the total Allowable Expenses. In determining the amount to be paid for any Claim, as the Secondary Plan, We will calculate the Benefits We would have paid in the absence of other healthcare coverage and apply that calculated amount to any Allowable Expense under Our Benefit Plan that is unpaid by the Primary Plan. As the Secondary Plan, We may then reduce Our payment by the amount so that, when combined with the amount paid by the Primary Plan, the total Benefits paid or provided by all Plans for the Claim do not exceed the total Allowable Expense for that Claim. In addition, as the Secondary Plan, We will credit to the Benefit Plan Deductible Amount any amounts We would have credited to the Deductible Amount in the absence of other healthcare coverage. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.
2. The difference between the Benefit payments that We would have paid had We been the Primary Plan, and the Benefit payments that We actually paid or provided shall be recorded as a benefit reserve for You or a covered family Plan Participant and used by Us to pay any Allowable Expenses, not otherwise paid during the plan year. As each Claim is submitted, We will:
 - a. determine Our obligation to pay or provide Benefits under the Benefit Plan;
 - b. determine whether a benefit reserve has been recorded for You or Your covered family member; and
 - c. determine whether there are any unpaid Allowable Expenses during the plan year.

3. If there is a benefit reserve, as the Secondary Plan, We will use You or Your covered family member's benefit reserve to pay up to one hundred percent (100%) of total Allowable Expenses incurred during the plan year. At the end of the plan year, the benefit reserve returns to zero. A new benefit reserve must be created for each new plan year.
4. If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB will not apply between that Plan and other Closed Panel Plans.

You may request a copy in either paper form or electronic form of LDI Regulation 32 - Appendix C, which provides an explanation for Secondary Plans on the purpose and use of the benefit reserve and how Secondary Plans calculate Claims. A copy of Appendix C is also available on the Louisiana Department of Insurance's website at https://www.lidi.la.gov/docs/default-source/documents/legaldocs/regulations/reg32-appendixc.pdf?sfvrsn=24e14b52_0.

E. Summary

This is a summary of only a few of the provisions of Your Benefit Plan to help You understand Coordination of Benefits, which can be very complicated. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language above, which determines Your Benefits.

1. Double Coverage

It is common for family members to be covered by more than one healthcare Plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers. When You are covered by more than one healthcare Plan, state law permits Your insurers to follow a procedure called Coordination of Benefits to determine how much each should pay when You have a Claim. The goal is to make sure that the combined payments of all Plans do not add up to more than Your covered healthcare expenses. Coordination of Benefits is complicated and covers a wide variety of circumstances. This is only an outline of some of the most common ones.

2. Primary or Secondary

You will be asked to identify all the Plans that cover members of Your family. We need this information to determine whether We are the Primary or Secondary benefit payer. The Primary Plan always pays first when You have a Claim. Any Plan that does not contain Your state's COB rules will always be Primary.

3. When this Benefit Plan is Primary

If You or a family member are covered under another Plan in addition to this one, We will be Primary when:

- a. The Claim is for Your own healthcare expenses, unless You are covered by Medicare and both You and Your Spouse are retired;
- b. The Claim is for Your Spouse's healthcare expenses, who is covered by Medicare, and You are not both retired;
- c. The Claim is for the healthcare expenses of Your Dependent child who is covered by this Benefit Plan and:
 - (1) You are married and Your birthday is earlier in the year than Your Spouse's or You are living with another individual, regardless of whether or not You have ever been married to that individual, and Your birthday is earlier than that other individual's birthday. This is known as the birthday provision;
 - (2) You are separated or divorced and You have informed Us of a court decree that makes You responsible for Your Dependent child's healthcare expenses; or
 - (3) There is no court decree, but You have custody of Your Dependent child.

4. Other Situations

- a. We will be Primary when any other provisions of state or federal law require Us to be. When We are the Primary Plan, We will pay the Benefits in accordance with the terms of Your Benefit Plan, just as if You had no other healthcare coverage under any other Plan.
- b. We will be Secondary whenever the rules do not require Us to be Primary. When We are the Secondary Plan, We do not pay until after the Primary Plan has paid its benefits. We will then pay part, or all of the Allowable Expenses left unpaid, as explained below. An Allowable Expense is a healthcare service or expense covered by one of the Plans, including Copayments, Coinsurance and Deductible Amounts.
 - (1) If there is a difference between the amount the Plans allow, We will base Our payment on the higher amount. However, if the Primary Plan has a contract with the provider, Our combined payments will not be more than the provider contract calls for. Health maintenance organizations and preferred provider organizations usually have contracts with their providers.
 - (2) We will determine Our payment by subtracting the amount the Primary Plan paid from the amount We would have paid if We had been Primary. We will use any savings to pay the balance of any unpaid Allowable Expenses covered by either Plan.
 - (3) If the Primary Plan covers similar kinds of healthcare expenses, but allows expenses that We do not cover, We will pay for those items as long as there is a balance in Your benefit reserve, as explained below.
 - (4) We will not pay an amount the Primary Plan did not cover because You did not follow its rules and procedures. For example, if the Plan has reduced its benefit because You did not obtain prior Authorization, as required by that Plan, We will not pay the amount of the reduction, because it is not an Allowable Expense.
- c. Benefit Reserve

When We are Secondary We often will pay less than We would have paid if We had been Primary. Each time We save by paying less, We will put that savings into a benefit reserve. Each family member covered by this Benefit Plan has a separate benefit reserve. We use the benefit reserve to pay Allowable Expenses that are covered only partially by both Plans. To obtain a reimbursement, You must show Us what the Primary Plan has paid so We can calculate the savings. To make sure You receive the full Benefit or coordination, You should submit all Claims to each of Your Plans. Savings can build up in Your reserve for one plan year. At the end of the plan year any balance is erased. A new benefit reserve begins for each covered person the next year as soon as there are savings on Claims.

F. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person for the purpose of determining COB. We need not tell, or get the consent of, any person to do this. Each person claiming Benefits under this Benefit Plan must give Us any facts We need to pay the Claim.

G. Facility of Payment

A payment made under another Plan may include an amount that should have been paid under this Benefit Plan. We may pay that amount to the organization that made the payment. That amount will then be treated as though it were a Benefit paid under this Benefit Plan. To the extent, such payments are made, they discharge Us from further liability. The term payment made includes providing Benefits in the form of services, in which case the payment made will be the reasonable cash value of any Benefits provided in the form of services.

H. Right of Recovery

If the amount of the payments that We made is more than We should have paid under this COB section, We may recover the excess from one or more of:

1. the persons We have paid or for whom We have paid;
2. insurance companies; or
3. other organizations.

The amount of the payments made includes the reasonable cash value of any Benefits provided in the form of services.

E. Benefits to which Plan Participants are Entitled

1. Our liability is limited to the Benefits specified in this Benefit Plan.
2. Benefits for Covered Services specified in this Benefit Plan will be provided only for services and supplies rendered on and after a Plan Participant's Effective Date by a Provider specified in this Benefit Plan and regularly included in such Provider's charges.
3. Continuity of healthcare services.
 - a. Upon the termination of a contractual agreement with a Provider, notification of the removal of the Provider from the HMO Louisiana Network will be given by Us to any Plan Participant who has begun a course of treatment by the Provider.
 - b. A Plan Participant who is a continuing care patient has the right to continuity of care until the earlier of the completion of the course of treatment or ninety (90) days after We notify the Plan Participant that the Provider has left the HMO Louisiana Network.
 - c. A continuing care patient is one who is:

 - d. The provisions of continuity of care shall not be applicable if any one of the following occurs:
 - (1) The reason for termination of a Provider's contractual agreement is a result of documented reasons relative to quality of care, or the suspension, revocation or applicable restriction of the license to practice in Louisiana by the Louisiana State Board of Medical Examiners.

F. Notice of Plan Participant Eligibility - Employer's Personnel Data

1. The Group is solely responsible for furnishing the information that We require for purposes of enrolling Plan Participants of the Group under this Benefit Plan, processing terminations, and effecting changes in family and membership status. Acceptance of payments for persons no longer eligible for coverage will not obligate Us to provide Benefits under this Benefit Plan.
2. All notification of membership or coverage changes must be on forms that We approve and include all information required by Us to effect changes.
3. The Group must notify Our membership & Billing Department of a Plan Participant's termination of coverage by completing a cancellation form (or such other form of notification acceptable to Us) and submitting it to Our offices. For Plan Participant, We must receive the cancellation form by the end of the billing cycle immediately following the billing cycle in which the Plan Participant is terminated from Group employment or eligibility for coverage ends (or any other period described on the Schedule of Benefits). For Dependents, We must receive the cancellation form by the end of the billing cycle immediately following the billing cycle in which Dependent no longer meets eligibility for coverage (or any other period described on the Schedule of Benefits). The Group must submit evidence of a Plan Participant's election of available continuation of coverage to Our membership & Billing Department following such termination within three (3) business days of the Group's receipt of signed continuation forms from the Plan Participant. The Company is under no obligation to refund any premium paid by the Group or any Plan Participant, if payment was made to the Company due to the Group's failure to timely notify the Company of a Plan Participant's termination of coverage.
4. Requests for termination of coverage that are submitted after the period provided above will only be honored prospectively after the date of receipt and the Group will be responsible to pay all corresponding premiums until the effective date of termination. All requests for termination of coverage, whether timely or not, will be subject to any other terms, conditions and legal requirements that may apply. Whenever the Group submits a request to the Company to terminate a Plan Participant's coverage or that of any of Plan Participant's Dependents, the Group will be deemed to be making a representation that neither the Plan Participant nor his Dependent has made payments towards the cost of premiums for any coverage period beyond the date on which the Group desires the coverage to be terminated, and that no information was given or representation was made to the Plan Participant or his Dependent that would create an expectation that the individual would continue coverage beyond that date, except for legally required disclosures regarding any rights to COBRA or other mandated continuation coverage. In the event that the individual should have a right to continue coverage under COBRA or any similar mandate, the Group will be required to timely request the individual's termination of coverage under the regular process created by the Company for such purpose, and to submit any election from the individual to continuation coverage in a separate process.
5. The Group warrants the accuracy of the information it transmits to Us and understands that We will rely on this information. The Group agrees to supply or allow inspection of personnel records to verify eligibility as requested by Us.
6. The Group also agrees to indemnify Us for all expenses We may incur if the Group does not send correct information when required. Indemnification includes, but is not limited to, Claims payments made on behalf of people who are not eligible for Benefits. Alternatively, We may, at Our sole option, hold the Group responsible for all premium payments for Plan Participants who are not cancelled from coverage on time because the Group did not notify Us of terminations or changes in eligibility.

G. Termination of Your Coverage

1. The Company may choose to rescind coverage or terminate a Plan Participant's coverage if a Plan Participant performs an act or practice that constitutes fraud, or makes an intentional misrepresentation of material fact under the terms of this Benefit Plan. The issuance of this coverage is conditioned on the representations and statements contained at application and enrollment. All representations made are material to the issuance of this coverage. Any information intentionally omitted from the application or enrollment form, as to any proposed Subscriber or covered Plan Participant, shall constitute an intentional misrepresentation of material fact. A Plan Participant's coverage may be rescinded retroactively to the

Effective Date of coverage or terminated within three (3) years of the Plan Participant's Effective Date, for fraud or intentional misrepresentation of material fact. The Company will give the Plan Participant sixty (60) days advance written notice prior to rescinding or terminating coverage under this section. If You enroll someone that is not eligible for coverage, it will be considered an act of fraud or intentional misrepresentation of material fact.

2. Unless Continuation of Coverage is available and selected as provided in this Benefit Plan, a Plan Participant's coverage terminates as provided below:
 - a. The Subscriber's coverage and that of all his Dependents automatically, and without notice, terminates at the end of the billing cycle in which the Subscriber ceases to be eligible.
 - b. The coverage of the Subscriber's Spouse will terminate automatically and without notice at the end of the billing cycle for which premiums have been paid at the time of the entry of a final decree of divorce or other legal termination of marriage.
 - c. The coverage of a Dependent will terminate automatically, and without notice, at the end of the billing cycle in which the Dependent ceases to be an eligible Dependent, if premiums have been paid through that period.
 - d. Upon the death of a Subscriber, the coverage of all of their surviving Dependents will terminate automatically and without notice at the end of the billing cycle in which the death occurred if premiums have been paid through that period. However, a surviving Spouse or Dependent may elect continuation of coverage as described elsewhere in this Benefit Plan.
3. In the event the Group cancels this Benefit Plan or We terminate this Benefit Plan for nonpayment of the appropriate payment when due or because the Group fails to perform any obligation required by this Benefit Plan, such cancellation or termination alone will operate to end all rights of the Plan Participant to Benefits under this Benefit Plan as of the Effective Date of such cancellation or termination. The Group shall have the obligation to notify its Plan Participants, participants, and beneficiaries of such cancellation or termination. We shall have no such obligation of notification at the Plan Participant level.
4. In the event of the occurrence of the provisions of subparagraphs a., b., c. or d. at paragraph 2 above, if the Plan Participant is an Inpatient in a Hospital on the date coverage ends, medical Benefits in connection with the Admission for that patient will end at the end of that Admission, or upon reaching any Benefit limitations set in this Benefit Plan, whichever occurs first.
5. Except as otherwise provided in this Benefit Plan, no Benefits are available to a Plan Participant for Covered Services rendered after the date of cancellation or termination of a Plan Participant's coverage.
6. We reserve the right to automatically change the Subscriber's class of coverage to reflect when no more children or grandchildren are covered under this Benefit Plan.
7. Cancellation or termination will be effective at midnight on the last day of the billing cycle. Billing cycles are from the first (1st) to the end of the month or from the fifteenth (15th) of the month to the fourteenth (14th) of the following month.
8. When the Group's coverage ends because the plan ceases to exist or COBRA is exhausted, Plan Participants may apply for individual coverage to the Company or to the Exchange.

H. Filing of Claims

1. You must file all Claims within ninety (90) days from the date services were rendered, unless it is not reasonably possible to do so. In no event may any Claim be filed later than fifteen (15) months from the date services were rendered.
2. Most Plan Participants that have Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for You. However, if You must file a Claim to access Your Prescription Drug Benefit, You must use the Prescription Drug Claim form. The Prescription Drug Claim form, or an attachment acceptable to Us, may require the signature of the dispensing pharmacist. The Claim

form should then be sent to Our Pharmacy Benefit Manager, whose number is on the ID card.

I. Legal Action

1. No lawsuit related to a Claim may be filed any later than twelve (12) months after the Claims are required to be filed.
2. Any and all lawsuits, other than those related to Claims as stated above, must be brought within one (1) year of the end of the Benefit Period.

J. Release of Information

We may request that the Plan Participant or the Provider furnish certain information relating to the Plan Participant's Claim for Benefits. We will hold such information, records, or copies of records as confidential except where in Our discretion the same should be disclosed.

K. Assignment

1. The Plan Participant's rights and Benefits payable under this Benefit Plan are personal to the Plan Participant and may not be assigned in whole or in part by the Plan Participant. We will recognize assignments of Benefits to Hospitals if both this Benefit Plan and the Provider are subject to La. R.S. 40:2010. If both this Benefit Plan and the Provider are not subject to La. R.S. 40:2010, We will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the health plan or Us liable to any third-party to whom the Plan Participant may be liable for the cost of medical care, treatment, or services.
2. We reserve the right to pay HMOLA Network Providers and/or Participating Providers directly instead of paying the Plan Participant.

L. Plan Participant/Provider Relationship

1. The choice of a Provider is solely the Plan Participants.
2. We and all Network Providers are to each other independent contractors, and will not be considered to be agents, representatives, or employees of each other for any purpose whatsoever. HMO Louisiana, Inc. does not render Covered Services but only makes payment for Covered Services the Plan Participant receives. We are not liable for any act or omission of any Provider, or for any Claim or demand because of damages arising out of, or in any manner connected with, any injuries suffered by the Plan Participant while receiving care from any Network Provider or in any Network Provider's facilities. We have no responsibility for a Provider's failure or refusal to render Covered Services to the Plan Participant.
3. The use or non-use of an adjective such as Network or Non-Network in referring to any Provider is not a statement as to the ability of the Provider.

M. Applicable Law

This Benefit Plan will be governed and construed in accordance with the laws and regulations of the State of Louisiana except when preempted by federal law. This Benefit Plan is not subject to regulation by any state other than the State of Louisiana. If any provision of this Benefit Plan is in conflict with any applicable statutes of the State of Louisiana, the provision is automatically amended to meet the minimum requirements of the statute. Any legal action filed against the Plan must be filed in the appropriate court in the State of Louisiana.

N. This Benefit Plan and Medicare

1. For Employers having twenty (20) or more active Employees, federal law and regulations require that each active Employee age sixty-five (65) or older, and each active Employee's Spouse age sixty-five (65) or older, may elect to have coverage under this Benefit Plan or under Medicare.
 - a. Where such Employee or such Spouse elects coverage under this Benefit Plan, this Benefit Plan will

be the primary payor of Benefits with the Medicare program the secondary payor.

- b. This Benefit Plan will not provide Benefits to supplement Medicare payments for an active Employee age sixty-five (65) or older or for a Spouse age sixty-five (65) or older of an active Employee where such Employee or such Spouse elects to have the Medicare program as the primary payor.
2. Under federal law, if an active Employee under age sixty-five (65) or an active Employee's Dependent under age sixty-five (65) is covered under a Group Benefit Plan of an Employer with one hundred (100) or more Employees and also has coverage under the Medicare program by reason of Social Security disability, this Group Benefit Plan is the primary payor and Medicare is the secondary payor.
3. For persons under age sixty-five (65) who are covered under this Benefit Plan and who also have coverage under the Medicare program solely by reason of end-stage renal disease, the Medicare program will be the primary payor and this Benefit Plan the secondary payor except that during the first thirty (30) month period that such persons are eligible for Medicare Benefits solely by reason of end-stage renal disease, this Benefit Plan will be the primary payor and Medicare the secondary payor.
4. When this Benefit Plan is the **primary** payor, it will provide regular Benefits for Covered Services.

When this Benefit Plan is the **secondary** payor, it will provide Benefits based on the lesser of: the Medicare approved amount or the Company's Allowable Charge. When an Allied Provider or Physician is not required by Medicare to accept the Medicare approved amount as payment in full, We will base Benefits on the lesser of: the Medicare approved amount plus Medicare's limiting charge, if applicable, or the Company's Allowable Charge.

O. Notice

Any notice required under this Benefit Plan must be in writing. Notice given to the Group will be sent to the Group's address stated in the Application for Group Coverage. Notice given to Us will be sent to Our address stated in this Benefit Plan. Any notice required to be given will be considered delivered when deposited in the United States mail, postage prepaid, addressed to the Plan Participant at their address as the same appears on Our records, or to the Group at the address as the same appears on Our records. We, the Group, or the Plan Participant may, by written notice, indicate a new address for giving notice.

P. Job-Related Injury or Illness

The Group must report to the appropriate federal or state governmental agency any job-related injury or illness of a Subscriber where so required under the provisions of any federal or state laws and/or related programs. This Benefit Plan excludes Benefits for any services rendered as a result of occupational disease or injury compensable under any federal or state workers' compensation laws and/or any related programs including, but not limited to, the Jones Act, Federal Employers Liability Act, Federal Employees Compensation Act, Longshore and Harbor Workers' Compensation Act, Black Lung Benefits Act, Energy Employees Occupational Illness Compensation Program, and Title 23 of the Louisiana Revised Statutes. In the event that We initially extend Benefits and a compensation carrier, employer, governmental agency or program, insurer, or any other entity makes any type of settlement with the Plan Participant, with any person entitled to receive settlement when the Plan Participant dies, or if the Plan Participant's injury or illness is found to be compensable under federal or state workers' compensation laws or programs, the Group or the Plan Participant must reimburse Us for Benefits extended or direct the compensation carrier, employer, governmental agency, or program, insurer, or any other entity to make such reimbursement. We will be entitled to such reimbursement even if the settlement does not mention or excludes payment for healthcare expenses.

Q. Subrogation

1. To the extent that Benefits for Covered Services are provided or paid under this Benefit Plan, We will be subrogated and will succeed to the Plan Participant's right for the recovery of the amount paid under this Benefit Plan against any person, organization, insurer or other carrier even where such insurer or carrier provides Benefits directly to a Plan Participant who is its insured. The acceptance of such Benefits under this Benefit Plan will constitute subrogation. Our right to recover will be contingent on the Plan Participant's right to be fully compensated as determined by settlement of the parties in any claim for recovery or legal action, a ruling in a legal action by a court of competent jurisdiction, or a judgment following a trial. We agree that We will be responsible for Our proportionate share of the reasonable attorney fees and costs actually

paid by the Plan Participant in pursuing recovery.

2. The Plan Participant will reimburse Us all amounts recovered by suit, settlement, or otherwise from any person, organization, insurer or other carrier, even where such insurer or carrier provides Benefits directly to a Plan Participant who is its insured, to the extent of the Benefits provided or paid under this Benefit Plan. Our right to recover will be contingent on the Plan Participant's right to be fully compensated as determined by settlement of the parties in any claim for recovery or legal action, a ruling in a legal action by a court of competent jurisdiction, or judgment following a trial. We agree that We will be responsible for Our proportionate share of the reasonable attorney fees and costs actually paid by the Plan Participant in pursuing recovery.
3. The Plan Participant will take such action, furnish such information and assistance, and execute such papers as We may be required to facilitate enforcement of Our rights, and will take no action prejudicing Our rights and interest under this Benefit Plan. The Company and its designees have the right to obtain and review Plan Participant's medical and billing records, if the Company determines in its sole discretion, that such records would be helpful in pursuing its right of subrogation and/or reimbursement. Nothing contained in this provision will be deemed to change, modify or vary the terms of the Coordination of Benefits section of this Benefit Plan.
4. The Plan Participant must notify Us of any Accidental Injury.

R. Right of Recovery

Whenever any payment for Covered Services has been made by Us in an amount that exceeds the maximum Benefits available for such services under this Benefit Plan or exceeds the Allowable Charge, or whenever payment has been made in error by Us for non-covered services, We will have the right to recover such payment from the Plan Participant or, if applicable, the Provider. As an alternative, We reserve the right to deduct from any pending Claim for payment under this Benefit Plan any amounts that We are owed by the Plan Participant or the Provider.

S. Coverage in a Department of Veterans Affairs or Military Hospital

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non-service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from Us to the extent the veteran would be eligible for Benefits for such care or services from Us if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance.

The United States will have the right to collect from Us the reasonable cost of healthcare services incurred by the United States on behalf of a military retiree or a military Dependent through a facility of the United States military to the extent that the retiree or Dependent would be eligible to receive reimbursement or indemnification from Us if the retiree or Dependent were to incur such cost on his own behalf.

The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance.

T. Liability of Plan Affiliates

The Group, on behalf of itself and its participants, hereby expressly acknowledges its understanding that this agreement constitutes a Benefit Plan solely between Us and the Group, that We are an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, the Association permitting Us to use the Blue Cross and Blue Shield Service Marks in the State of Louisiana, and that We are not contracting as the agent of the Association. The Group, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this agreement based upon representations by any person other than Us and that no person, entity, or organization other than Us shall be held accountable or liable to the Group for any of Our obligations to the Group created under this agreement. This paragraph shall not create any additional obligations whatsoever on Our part other than those obligations created under other provisions of this agreement.

U. Certificates of Creditable Coverage

We will issue a certificate of Creditable Coverage or similar document to an individual, if requested within twenty-four (24) months after coverage under this Benefit Plan ceases.

V. Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage

The Medicare Modernization Act (MMA) requires groups whose policies include Prescription Drug coverage to notify Medicare-eligible Plan Participants whether their Prescription Drug coverage is creditable, which is defined to mean that the coverage is expected to pay on average as much as the standard Medicare Part D Prescription Drug coverage. The types of coverage required to provide the notices are those listed at 42 CFR 423.56(b) and includes, but is not limited to, group health plans, individual health insurance coverage, and Medicare supplement plans. For these groups, there are two disclosure requirements:

1. The first disclosure requirement is to provide a written disclosure notice to all Medicare-eligible Plan Participants annually who are covered under its Prescription Drug plan, prior to October 15th each year and at various times as stated in the regulations, including to a Medicare-eligible Plan Participant when they join the Plan. This disclosure must be provided to Medicare-eligible active working Plan Participants and their Dependents, Medicare-eligible COBRA Plan Participants and their Dependents, Medicare-eligible disabled Plan Participants covered under its Prescription Drug plan and any Retirees and their Dependents. The MMA imposes a late enrollment penalty on Plan Participants who do not maintain Creditable Coverage for a period of sixty-three (63) days or longer following their initial enrollment period for the Medicare Prescription Drug Benefit. Accordingly, this information is essential to a Plan Participant's decision whether to enroll in a Medicare Part D Prescription Drug plan.

The Groups are responsible for sending the required notices. As a service to the Group and based upon enrollment data provided to Us by the Group, We shall provide, without charge, Medicare Part D Certificates of Creditable or non-Creditable Prescription Drug Coverage to Medicare-eligible Plan Participants who have Prescription Drug coverage under this Benefit Plan at the following times, or as otherwise directed by law:

- a. Prior to the Medicare Part D Annual Coordinated Election Period;
 - b. Prior to an individual's Initial Enrollment Period (IEP) for Medicare Part D (age-in);
 - c. prior to the Effective Date of coverage for new Medicare-eligible Employees that join this Benefit Plan;
 - d. Whenever Prescription Drug coverage under this Benefit Plan ends or changes so that it is no longer creditable or it becomes creditable; and/or
 - e. Upon a Medicare beneficiary's request.
2. The second disclosure requirement is for Groups to complete the *Online Disclosure to CMS Form* to report the creditable coverage status of their Prescription Drug Plan. The Disclosure should be completed annually no later than 60 days from the beginning of a plan year (contract year, renewal year), within 30 days after termination of a Prescription Drug Plan, or within 30 days after any change in creditable coverage status. This requirement does not pertain to the Medicare beneficiaries for whom Groups are receiving the Retiree Drug Subsidy (RDS).

The Groups are responsible for the submission of the *Online Disclosure to CMS Form*.

W. Out-of-Area Services

HMO Louisiana, Inc. (HMOLA) has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates (Licensees). Generally, these relationships are called Inter-Plan Arrangements. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association. Whenever You obtain healthcare services outside of Our Service Area, the Claims for those services may be processed through one of these Inter-Plan Arrangements.

When You receive care outside Our Service Area and the Service Area of Blue Cross and Blue Shield of Louisiana, You will receive care from one of two kinds of Providers. Participating Providers contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (Host Blue). Non-Participating Providers do not contract with the Host Blue. HMOLA explains below how We pay both kinds of Providers.

This HMO Benefit Plan covers only Emergency Medical Services received outside of HMOLA's Service Area. As used in this section, Out-of-Area Covered Services includes Emergency care obtained outside the geographic area HMOLA serves. Any other services will not be covered when processed through any Inter-Plan Arrangements.

Inter-Plan Arrangements Eligibility – Claim Types

Claims for Emergency Medical Services are eligible to be processed through Inter-Plan Arrangements, as described above, except for all dental care Benefits (except when paid as medical Benefits), and those Prescription Drug Benefits or vision care Benefits that may be administered by a third-party contracted by Us to provide the specific service or services.

1. BlueCard® Program

Under the BlueCard® Program, when You receive out-of-area Covered Services in the geographic area served by a Host Blue, We will remain responsible for doing what We agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

The BlueCard® Program enables You to obtain out-of-area Covered Services, as defined above, from a healthcare Provider participating with a Host Blue, where available. The Participating Provider will automatically file a Claim for the out-of-area Covered Services provided to You, so there are no Claim forms for You to fill out. You will be responsible for payment of applicable Copayments, Deductible Amount and Coinsurance, as stated on Your Schedule of Benefits.

Emergency Medical Services: If You experience a medical Emergency while traveling outside the HMOLA Service Area, go to the nearest Emergency facility.

When You receive Covered Services outside Our Service Area and the Claim is processed through the BlueCard® Program, the amount You pay for Covered Services is calculated based on one of the following as determined by Us:

- a. the billed charges for Your Covered Services;
- b. the negotiated price that the Host Blue makes available to Us; or
- c. an amount determined by applicable law.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to Your healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for overestimation or underestimation of past pricing of Claims, as noted above. However, such adjustments will not affect the price We used for Your Claim because We will not apply them after a Claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, We will include any such surcharge, tax or other fee as part of the Claim charge passed on to You.

2. Non-Participating Providers Outside Our Service Area

a. Plan Participant Liability Calculation

When Covered Services are provided outside HMOLA's Service Area and the Service Area of Blue Cross and Blue Shield of Louisiana by Non-Participating Providers, the amount You pay for such services will normally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment We will make for the out-of-area Covered Services as set forth in Your Benefit Plan. Federal or state law, as applicable, may govern payments for Non-Network Emergency Medical Services.

b. Exceptions

In certain situations, We may use other payment methods, such as billed charges for out-of-area Covered Services, the payment We would make if the healthcare services had been obtained within Our Service Area, or a special negotiated payment to determine the amount We will pay for services provided by Non-Participating Providers. In these situations, You may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment We will make for the out-of-area Covered Services as set forth in Your Benefit Plan.

3. Blue Cross Blue Shield Global® Core

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (BlueCard® Service Area), You may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Emergency Medical Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® Service Area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists You with accessing Emergency care Providers, the network is not served by a Host Blue. As such, when You receive Emergency care from Providers outside the BlueCard® Service Area, You will typically have to pay the Providers and submit the Claims Yourself to obtain reimbursement for these services.

For Emergency Medical Services (including locating a Hospital) outside the BlueCard® Service Area, call:

Blue Cross Blue Shield Global® Core service center
24 hours a day, 7 days a week
1-800-810-BLUE (2583),

or call collect:

1-804-673-1177.

a. Emergency Medical Services – Hospital Institution

In most cases, if You contact the Blue Cross Blue Shield Global® Core service center for assistance, and the Provider agrees to accept a guaranteed payment, Hospitals will not require You to pay for covered Emergency Medical Services, except for Your Deductible Amount and Coinsurance. The Hospital will submit Your Claims to the Blue Cross Blue Shield Global® Core service center. However, if the Provider does not agree to a guaranteed payment or You otherwise paid in full at the time of service, You must submit a Claim to receive reimbursement for Covered Services. You must contact Us to obtain Authorization for non-Emergency Inpatient services, as explained in the Care Management Article and meet other requirements in your Benefit Plan for services to be provided, including, but not limited to, receiving only Medically Necessary services.

b. Emergency Medical Services – Physicians / Professionals

Physicians and other Allied Health Professionals located outside the BlueCard® Service Area will typically require You to pay in full at the time of service. You must submit a Claim to obtain reimbursement for Covered Services.

c. Exceptions

In situations where the Blue Cross Blue Shield Global® Core service center is unable to obtain a guaranteed payment for a Global® Core claim, We may use other payment methods to figure the payment We will make for the healthcare services that were delivered outside Our Service Area. Those other payment methods include, but are not limited to, billed charges for Covered Services, the payment We would make if the healthcare services had been obtained within Our Service Area, or a special negotiated payment to determine the amount We will pay for services from Non-Participating Providers. In these situations, You need to comply with the requirements of your Benefit Plan and You may have to pay the difference between the amount that the Provider bills and the payment We will make for the Covered Services.

d. Submitting a Blue Cross Blue Shield Global® Core Claim

When You pay for covered Emergency Medical Services outside the BlueCard® Service Area, You must submit a Claim to obtain reimbursement. For institutional and professional Claims, You should complete a Blue Cross Blue Shield Global® Core Claim form. Send the Claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global® Core service center at the address on the form.

Following the instructions on the Claim form will help ensure timely processing of Your Claim. The Claim form is available from Us, the Blue Cross Blue Shield Global® Core service center, or online at www.bcbsglobalcore.com.

For assistance with Your Claim submission, call:

Blue Cross Blue Shield Global® Core service center
24 hours a day, 7 days a week
1-800-810-BLUE (2583),

or call collect:

1-804-673-1177.

X. Continued Coverage When Employee Not Actively Working

As stated in the Schedule of Eligibility Article, an Employee must be actively working for his Employer/Group to be entitled to coverage under this Benefit Plan. Each of the following provisions are exceptions to the requirement that the Employee be actively working in order for coverage to apply. The following provisions are independent of each other and only one need apply for the Subscriber and his Dependents to be entitled to continued coverage under this plan. If Claims are paid when the Employee was not eligible for coverage, the Company may recover the Claims payments.

1. The Company will continue coverage for the Subscriber during any leave of absence the Group is required to provide by applicable federal or state law, including the Family and Medical Leave Act of 1993 (FMLA), the Americans with Disabilities Act or Pregnancy Discrimination Act, and any amendments or successor provisions, as long as all other eligibility criteria under the laws continues to be met. If the Subscriber's coverage is terminated during a leave under the FMLA, upon return to active full-time employment, the Subscriber is entitled to re-enroll for coverage so long as the Group maintains coverage with the Company. If the Subscriber is not restored to active full-time employment by the end of the leave of absence period, the Subscriber will cease to be eligible and coverage for the Subscriber and any Dependents will terminate at the end of the billing period in which the leave of absence period expires, or as otherwise described in Termination of a Plan Participant's Coverage section. The Subscriber and Dependents may have the right to continue coverage thereafter under the Continuation of Coverage Rights Article of this plan.
2. When a Subscriber has been granted a documented, approved leave of absence by the Employer Group, and the leave of absence is not due to the Subscriber's health, the Company will maintain coverage for the Subscriber and any covered Dependents for a period not to exceed ninety (90) days. Premiums must be paid and the Subscriber must remain a bona fide Employee of Group during the approved leave period. The Group will provide the Company with proof of the documented leave, upon request. If the Group terminates the Subscriber's employment, the Subscriber will cease to be eligible and coverage for the Subscriber and any Dependents will terminate as described in the Termination of a Plan Participant's Coverage section. The Subscriber and Dependents may have the right to continue coverage thereafter under the Continuation of Coverage Rights Article of this plan.

Y. Our Right to Offer Premium Incentives

We may, at Our discretion, offer rebates, refunds, reductions of premium, or other items of value, in amounts or types determined by Us, for business purposes and healthcare quality and improvement purposes, including but not limited to the following purposes:

1. Encouraging Plan Participants and/or policyholders to participate in quality programs;
2. Ensuring Plan Participants and/or policyholders are better able to afford Benefits packages;
3. Reducing and alleviating social determinants of health;
4. Reducing transition costs for Plan Participants and/or policyholders who have changed insurers or have ended self-insured coverage and purchased fully insured coverage;
5. Rewarding Plan Participants and/or policyholders for choosing lower cost, quality healthcare Providers;
6. Rewarding Plan Participants and/or policyholders for selecting lower cost, quality healthcare goods and products;
7. Rewarding Plan Participants and/or policyholders for utilizing digital and other paperless forms of communication of information, including but not limited to plan documents and materials; and
8. Reducing enrollment, technology, or administration costs of Plan Participants and/or policyholders, when such costs are related to effectuating and/or maintaining coverage.

ARTICLE XXI.

COMPLAINT, GRIEVANCE AND APPEAL PROCEDURES

We want to know when a Plan Participant is dissatisfied about the care or services he receives from HMO Louisiana, Inc. or one of Our Providers. If a Plan Participant wants to register a Complaint or file a formal written Grievance about Us or a Provider, please refer to the procedures below.

A Plan Participant may be dissatisfied about decisions We make regarding Covered Services. We consider a written Appeal as the Plan Participant's request to change the Adverse Benefit Determination made by the Company.

Your Appeal rights are outlined below, after the Complaint and Grievance procedures. In addition to the Appeals rights, the Plan Participant's Provider is given an opportunity to speak with a Medical Director for an Informal Reconsideration of Our coverage decision when they concern Medical Necessity determinations.

We have expedited Appeals processes for situations where the time frame of the standard medical Appeals would seriously jeopardize the life or health of a covered person or would jeopardize the covered person's ability to regain maximum function.

A. Complaint, Grievance, and Informal Reconsideration Procedures

A quality of service concern addresses Our services, access, availability or attitude and those of Our Network Providers. A quality of care concern addresses the appropriateness of care given to a Plan Participant.

1. To Register a Complaint

A Complaint is an oral expression of dissatisfaction with Us or with Provider services. Plan Participants may call customer service department to register a Complaint. We will attempt to resolve the Plan Participant's Complaint at the time of his call.

Medical Benefits: call Us at 1-800-376-7741 or 1-225-293-0625

2. To File a Formal Grievance

A Grievance is a written expression of dissatisfaction with Us or with Provider services. If the Plan Participant does not feel his Complaint was adequately resolved or he wishes to file a formal Grievance, a written request must be submitted within one hundred eighty (180) days of the event that led to the dissatisfaction. For assistance, the Plan Participant may call Our customer service department.

Send his written Grievances to:

HMO Louisiana, Inc.
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

A response will be mailed to the Plan Participant within thirty (30) business days of receipt of the Plan Participant's written Grievance.

3. Informal Reconsideration

An Informal Reconsideration is the Plan Participant Provider's telephone request to speak to Our Medical Director or a peer reviewer on the Plan Participant's behalf about a Utilization Management decision that We have made. An Informal Reconsideration is typically based on submission of additional information or a peer-to-peer discussion. An Informal Reconsideration is available only for initial determinations that are requested within ten (10) days of the denial or Concurrent Review determinations. We will conduct an Informal Reconsideration within one (1) working day of the receipt of the request.

B. Standard Appeal Procedures

Multiple requests to Appeal the same Claim, service, issue, or date of service will not be considered, at any level of review.

We offer the Plan Participant two (2) levels of Appeal. If a Plan Participant is an ERISA Plan Participant, the Plan Participant is required to complete the first level of Appeal prior to instituting any civil action under ERISA section 502(a). The second level of Appeal is voluntary. Any statute of limitations or other defense based on timeliness is tolled during the time any voluntary Appeal is pending. The Plan Participant's decision whether or not to submit to this voluntary level of review will have no effect on the Plan Participant's rights to any other Benefits under the plan. No fees or costs will be imposed on the Plan Participant.

The Plan Participant should contact his Employer, Plan Administrator, Plan Sponsor, or Our Customer Service Department at 1-800-376-7741 or 1-225-293-0625 if the Plan Participant is unsure whether ERISA is applicable.

The Plan Participant may also call Our customer service department if they have questions or need assistance putting their Appeal in writing.

C. Standard Appeal Process

We will determine if a Plan Participant's Appeal is either an administrative Appeal or a medical Appeal. The Appeals procedure has two (2) levels, including review by a committee at the second level on an administrative Appeal and a review by an external Independent Review Organization (IRO) on a medical Appeal. The Plan Participant is encouraged to provide Us with all available information to help Us completely evaluate the Plan Participant's Appeal such as written comments, documents, records, and other information relating to the Adverse Benefit Determination. We will provide the Plan Participant, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Adverse Benefit Determination.

The Plan Participant has the right to appoint an authorized representative to represent him in his Appeals. An authorized representative is a person to whom the Plan Participant has given written consent to represent him in an internal or external review of an Adverse Benefit Determination. The authorized representative may be the Plan Participant's treating Provider if the Plan Participant appoints the Provider in writing.

1. Administrative Appeals

Administrative Appeals involve contractual issues, Rescissions, and Adverse Benefit Determinations which are not related to Medical Necessity appropriateness, healthcare setting, level of care, effectiveness or treatment is determined to be experimental or Investigational.

Administrative Appeals should be submitted in writing to:

HMO Louisiana, Inc.
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

a. First Level Administrative Appeals

If a Plan Participant is not satisfied with Our decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination for first level administrative Appeals. Requests submitted to Us after one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination will not be considered.

We will investigate the Plan Participant's concerns. If the administrative Appeal is overturned, We will reprocess the Plan Participant's Claim, if any. If the administrative Appeal is upheld, We will inform the Plan Participant of the right to begin the second level Appeal process.

The administrative Appeal decision will be mailed to the Plan Participant, his authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) days of receipt of the Plan Participant's request; unless it is mutually agreed that an extension of time is warranted.

b. Second Level Administrative Appeals

After review of Our first level appeal decision, if a Plan Participant is still dissatisfied, a written request to Appeal must be submitted within sixty (60) days of Our first level Appeal decision. Requests submitted to Us after sixty (60) days of Our first level Appeal decision will not be considered.

A Plan Participant Appeals Committee of persons not involved in previous decisions regarding the initial Adverse Benefit Determination will review the second level Appeals. The Committee's decision is final and binding.

The Committee's decision will be mailed to the Plan Participant, his authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within five (5) days of the Committee meeting. Second Level Administrative Appeals are not applicable to a Rescission, which follows the External Appeals track.

2. Medical Appeals

Medical Appeals involve Adverse Benefit Determinations for Medical Necessity, appropriateness, healthcare setting, level of care, or effectiveness or is determined to be experimental or Investigational and any related prospective or retrospective review determination.

We offer the Plan Participant two (2) standard levels of medical Appeals, including an internal review of the initial Adverse Benefit Determination, then an external review.

Medical Appeals should be submitted in writing to:

HMO Louisiana, Inc.
Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

a. Internal Medical Appeals

If a Plan Participant is not satisfied with Our decision, a written request to Appeal must be submitted within one hundred eighty (180) days of Our initial Adverse Benefit Determination for internal medical Appeals. Requests submitted to Us after one hundred eighty (180) days of Our initial Adverse Benefit Determination will not be considered.

A Physician or other healthcare professional; in the same or an appropriate specialty that typically manages the medical condition, procedure, or treatment under review and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal medical Appeal is overturned, We will reprocess the Plan Participant's Claim, if any. If the internal medical Appeal is upheld, We will inform the Plan Participant of their right to begin the External Appeal process if the Adverse Benefit Determination meets the criteria.

The internal medical Appeal decision will be mailed to the Plan Participant, his authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) days of receipt of the Plan Participant's request; unless it is mutually agreed that an extension of time is warranted.

b. External Medical and Rescission

For medical Appeals and Rescission, the second level will be handled by an external Independent Review Organization (IRO) that is not affiliated with Us and randomly assigned by the Louisiana Department of Insurance.

A Plan Participant must exhaust all internal Appeal opportunities prior to requesting an External Appeal conducted by an Independent Review Organization.

If the Plan Participant still disagrees with the internal medical Appeal decision or Rescission, a written request for an External Appeal must be submitted within four (4) months of receipt of the internal medical Appeal decision or Rescission.

Requests submitted to Us after four (4) months of receipt of the internal medical Appeal decision or Rescission will not be considered. You are required to sign the form included in the internal medical Appeal denial notice which authorizes release of medical records for review by the IRO. Appeals submitted by your Provider will not be accepted without this form completed with Your signature.

We will provide the IRO all pertinent information necessary to conduct the Appeal. The external review will be completed within forty-five (45) days of Our receipt of the External Appeal. The IRO will notify the Plan Participant, his authorized representative, or a Provider authorized to act on the Plan Participant's behalf of its decision. The IRO decision will be considered a final and binding decision on both the Plan Participant and Us for purposes of determining coverage under a health Contract. This Appeals process shall constitute your sole recourse in disputes concerning determinations of whether a health service or item is or was Medically Necessary or Investigational, except to the extent that other remedies are available under State or Federal law.

D. Expedited Appeals

The Expedited Appeal process is available for review of an Adverse Benefit Determination involving a situation where the time frame of the standard medical Appeal would seriously jeopardize the Plan Participant's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating Physician, the Plan Participant may experience pain that cannot be adequately controlled while awaiting a standard medical Appeal decision.

An Expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare for a Plan Participant currently receiving Emergency Medical Services, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal is available to, and may be initiated by the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

HMO Louisiana, Inc.
Expedited Appeal - Medical Appeals
P. O. Box 98022
Baton Rouge, LA 70898-9022

1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of Our receipt of an Expedited internal medical Appeal request that meets the criteria for an Expedited Appeal. In any case where the Expedited internal medical Appeal process does not resolve a difference of opinion between Us and the Plan Participant or the Provider acting on behalf of the Plan Participant, the Appeal may be elevated to

an Expedited External Appeal. If an Expedited internal medical Appeal does not meet the Expedited Appeal criteria or does not include the Physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Medical Appeal

An Expedited External medical Appeal is a request for immediate review, by an Independent Review Organization. The request may be simultaneously filed with a request for an Expedited internal medical Appeal, since the IRO assigned to conduct the Expedited External medical review will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for Expedited External medical Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

For all medical Appeals, the Office of Consumer Advocacy of the Department of Insurance is available to assist with the appeals process. You may contact the Commissioner of Insurance directly for assistance at:

Commissioner of Insurance

E. No Surprises Act (NSA) Internal Appeals and External Appeals

The NSA added certain Plan Participant rights and protections that may result in a Plan Participant being eligible for internal Appeals and External Appeals. If a Plan Participant is dissatisfied about decisions We make regarding the Plan Participant's rights and protections added by the NSA, the Plan Participant may file an Appeal. Examples of the NSA Plan Participant rights and protections include the following:

1. Plan Participant cost sharing and surprise billing protections for Emergency Medical Services;
2. Plan Participant cost sharing and surprise billing protections related to care provided by Non-Network Providers at Network facilities;
3. Whether Plan Participants are in a condition to receive notice and provide Informed Consent to waive the NSA protections;
4. Whether a Claim for care received is coded correctly and accurately reflects the treatments received, and the associated NSA protections related to Plan Participant cost sharing and surprise billing; and
5. Continuity of care.

The Plan Participant is encouraged to, and should, provide Us with all available information to help Us completely evaluate the NSA Appeal such as written comments, documents, records, and other information.

We will provide the Plan Participant, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the determination that is the subject of the NSA Appeal.

The Plan Participant has the right to appoint an authorized representative for NSA Appeals. An authorized representative is a person to whom the Plan Participant has given written consent to represent the Plan Participant in an internal Appeal or External Appeal. The authorized representative may be the Plan Participant's treating Provider if the Plan Participant appoints the Provider in writing.

Requests submitted to Us after one hundred eighty (180) days of the NSA-related Adverse Benefit Determination will not be considered.

If a Plan Participant has questions or needs assistance, the Plan Participant may call Our customer service department at the number on the ID Card.

We will investigate the Plan Participant's concerns. If the NSA internal Appeal is overturned, We will reprocess the Plan Participant's Claim, if applicable. If the NSA Internal Appeal is upheld, We will inform the Plan Participant of the right to begin the NSA External Appeal process.

The NSA Internal Appeal decision will be mailed to the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) days of receipt of the Plan Participant's request, unless it is mutually agreed that an extension of time is warranted.

2. NSA External Appeals

If a Plan Participant disagrees with the NSA internal Appeal decision, a written request for an NSA External Appeal must be submitted within four (4) months of receipt of the NSA internal Appeal decision. Requests submitted to Us after four (4) months of receipt of the NSA internal Appeal decision will not be considered.

You are required to sign and return the form included in the NSA internal Appeal denial notice which authorizes release of medical records for review by the IRO. Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.

The NSA External Appeals request should be submitted in writing to:

HMO Louisiana, Inc.
Appeals/Grievances Department
P. O. Box 98045
Baton Rouge, LA 70898-9045

If the Plan Participant has questions or needs assistance, the Plan Participant may call Our customer service department at the number on the ID card.

A Plan Participant must exhaust all NSA internal Appeal opportunities prior to requesting an NSA External Appeal conducted by an IRO.

We will provide the IRO all pertinent information necessary to conduct the NSA External Appeal. The external review will be completed within forty-five (45) days of Our receipt of the request for an NSA External Appeal. The IRO will notify the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf of its decision.

The IRO decision will be considered a final and binding decision on both the Plan Participant and Us for purposes of determining coverage under this Benefit Plan. This NSA External Appeal process shall constitute Your sole recourse in disputes concerning whether the Company complied with the surprise billing and cost-sharing protections of the NSA, except to the extent that other remedies are available under state or federal law.

The Plan Participant may contact 1-800-985-3059 or visit www.cms.gov/nosurprises for more information about Plan Participant rights under the NSA.

ARTICLE XXII.

ERISA RIGHTS

To the extent this is an ERISA plan, the Plan Participant is entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). For purposes of this provision, the Group is considered the Plan Administrator and will be subject to the provisions stated below. ERISA provides that all plan participants (Plan Participants) shall be entitled to:

Receive Information about the Plan and Benefits

1. A Plan Participant may examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the United States Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Upon written request to the Plan Administrator, a Plan Participant may obtain copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
3. A Plan Participant may receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each Plan Participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

1. A Subscriber may continue healthcare coverage for himself, his Spouse, or his Dependents, if there is a loss of coverage under the plan as a result of a qualifying event.
2. The Subscriber or Dependents may, however, have to pay for such coverage. A Plan Participant may also review this document and the Summary Plan Description governing the plan on the rules pertaining to the Plan Participant's COBRA continuation of coverage rights.

Prudent Actions by Plan Fiduciaries

1. In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the Employee Benefit plan. The people who operate the plan, called fiduciaries of the plan, have a duty to do so prudently and in the interest of the Subscriber and other beneficiaries. No one, including his Employer, union or any other person, may fire him or otherwise discriminate against him in any way to prevent him from obtaining a plan Benefit or exercising his rights under ERISA.

Enforce Plan Participant's Rights

1. If a Plan Participant's Claim for a plan Benefit is denied or ignored, in whole or in part, the Plan Participant has a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to Appeal any denial, all within certain time schedules.
2. Under ERISA, there are steps the Plan Participant can take to enforce the above rights. A Plan Participant must exhaust all Claims and Appeal procedures available to him before filing any suit.

For instance, if the Plan Participant requests a copy of plan documents or the latest annual report from the plan and does not receive them within thirty (30) days, the Plan Participant may file suit in Federal Court. In such a case, the court may require the Plan Administrator to provide the materials and pay the Plan Participant up to one-hundred and ten dollars (\$110.00) until he receives the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If the Plan Participant has a Claim for Benefits, which is denied or ignored, in whole or in part, he may file suit in a state or Federal court. In addition, if he disagrees with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, such Plan Participant may file suit in Federal Court. If it should happen that plan fiduciaries misuse the plan's money, or if the Plan Participant is discriminated against for asserting his rights, he may seek assistance from the United States Department of Labor, or he may file suit in

a Federal Court. The court will decide who should pay court costs and legal fees. If the Plan Participant is successful, the court may order the person he has sued to pay these costs and fees. If the Plan Participant loses, the court may order him to pay these costs and fees, for example, if it determines that his Claim is frivolous.

Assistance with Plan Participant Questions

1. If a Plan Participant has any questions about his plan, he should contact the Plan Administrator. If a Plan Participant has any questions about this statement or about his rights under ERISA, or if he needs assistance in obtaining documents from the Plan Administrator, he should contact the nearest office of the Employee Benefits Security Administration, United States Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, United States Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. The Plan Participant may also obtain certain publications about his rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

MAKING PLAN CHANGES AND FILING CLAIMS

HMO Louisiana, Inc. is continuing to update its online access for Plan Participants. Plan Participants may now be able to perform many of the functions described below, without contacting Our customer service unit. We invite Plan Participants to log on to www.lablue.com for access to these services.

All of the forms mentioned in this section can be obtained from the Plan Participant's Employer's personnel office, from one of Our local service offices*, or from the home office of HMO Louisiana, Inc. If the Plan Participant needs to submit documentation to Us, the Plan Participant may forward it to Our home office at:

HMO Louisiana, Inc.
P. O. Box 98045
Baton Rouge, LA 70898-9045

or to Our street address, 5525 Reitz Avenue, Baton Rouge, LA 70809. If the Plan Participant has any questions about any of the information in this section, the Plan Participant may speak to their Employer or call Our customer service department at the number shown on his ID card.

A. Changing Family Plan Participants on the Plan Participant's Policy

The Schedule of Eligibility lets the Plan Participant know when it is necessary for the Plan Participant to apply for coverage to enroll additional family Plan Participants to the Plan Participant's policy. The Plan Participant should read the Schedule of Eligibility and this section as they contain important information.

The Employee Enrollment / Change Form is the document that We must receive in order to enroll family members not listed on the Plan Participant's original application/enrollment form. The Schedule of Eligibility will tell the Plan Participant whether We require the Employee Enrollment / Change Form and/or the health questionnaire. Because the Plan Participant is covered under a Group insurance contract, it is extremely important that the Plan Participant follow the timing rules in the Schedule of Eligibility for making these changes to the Plan Participant's policy. If the Plan Participant does not complete and return a required Employee Enrollment / Change Form to Us so We receive it within the timeframes set out in the Schedule of Eligibility, it is possible that the Plan Participant's insurance coverage will not be expanded to include the additional family members. Completing and returning an Employee Enrollment / Change Form is especially important when the Plan Participant's first Dependent becomes eligible for coverage or when the Plan Participant no longer has any eligible Dependents.

If the Plan Participant has any changes in their family, the Plan Participant must file an Employee Enrollment / Change Form. The Plan Participant may also be asked to complete the health questions for these family members. The Schedule of Eligibility explains when coverage becomes effective for new family members. Generally, an Employee Enrollment / Change Form is used to add newborn children, newborn adopted children, a Spouse, or other Dependents not listed on the Plan Participant's original application for coverage. We should receive the Plan Participant's completed form in Our home office within thirty (30) days of the child's birth or placement, or the Plan Participant's marriage.

B. How to File Insurance Claims for Benefits

The Company and most Providers have entered into agreements that eliminate the need for a Plan Participant to personally file a Claim for Benefits. HMOLA or Participating Providers will file Claims for Plan Participants either by mail or electronically. In certain situations, the Provider may request the Plan Participant to file the Claim. If the Plan Participant's Provider does request them to file directly with the Company, the following information will help the Plan Participant in correctly completing the Claim form. If You need to file a paper Claim, send it to:

HMO Louisiana, Inc.
P. O. Box 98024
Baton Rouge, LA 70898-9024

The Plan Participant's HMOLA Identification Card (ID card) shows the way the name of the Subscriber (Plan Participant of the Group) appears on the Company records. (If the Plan Participant has Dependent coverage the name(s) are recorded as shown in the enrollment information We received.) The ID card also lists the Plan Participant's Benefit Plan number (ID #). This number is the identification to the Plan Participant's membership records and should be provided to Us each time a Claim is filed.

To assist in promptly handling the Plan Participant's Claims, please be sure that:

- a. an appropriate Claim form is used
- b. the Benefit Plan number (ID #) shown on the form is identical to the number on the Identification Card
- c. the patient's date of birth is listed
- d. the patient's relationship to the Subscriber is correctly stated
- e. all charges are itemized, whether on the Claim form or on the attached statement
- f. the date of service (date of Admission to a Hospital or other Provider) or date of treatment is correct
- g. the Provider includes a diagnosis code and a procedure code for each service/treatment rendered (the diagnosis code pointers must be consistent with the Claim form)
- h. the Claim is completed and signed by the Plan Participant and the Provider.

IMPORTANT NOTE: Be sure to check all Claims for accuracy. The Benefit Plan number (ID #) must be correct. It is important that the Plan Participant keep a copy of all bills and Claims submitted.

C. Additional Information for Filing Specific Claims

Admission to a Hospital or Allied Health Facility Claims

When the Plan Participant or an enrolled Plan Participant of the Plan Participant's family is being admitted to an HMOLA or Participating Provider, the Plan Participant should show their HMOLA ID card to the admitting clerk. The Provider will file the Claim with Us. Our payments will go directly to the HMOLA and Participating Provider. The Provider will then bill the Plan Participant directly for any remaining balance. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

Outpatient Department Claims

The procedure to be followed is the same as that for an Admission to a Hospital or Allied Health Facility. However, in some instances involving Emergencies or Outpatient treatment the Provider may ask for payment directly from the Plan Participant. If this occurs, the Plan Participant should obtain an itemized copy of the bill, be sure the Claim form correctly notes the Benefit Plan number (ID #), the patient's date of birth, as well as the patient's relationship to the Subscriber. The Provider must mark the statement or Claim form PAID. The Plan Participant should forward this statement to HMO Louisiana, Inc.

Emergency Room

When the Plan Participant or an enrolled Plan Participant of the Plan Participant's family has Emergency Room services performed by a Network or Non-Network Provider, the Plan Participant should show their HMOLA ID card to the admitting clerk. The Provider will file the Claim with Us. Our payments will go directly to the Provider. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

Claims for Mental Health and Substance Use Disorders

For help with filing a Claim for the treatment of Mental Health or substance use disorders, the Plan Participant should refer to the ID card or call Our customer service department.

Prescription Drug Claims

Most Plan Participants with Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for the Plan Participant who present an ID card to a Participating Pharmacist. However, if the Plan Participant must file a Claim to access their Prescription Drug Benefit, the Plan Participant must use the Prescription Drug Claim Form. Plan Participants may obtain the Prescription Drug Claim form by accessing the pharmacy section of Our website, www.lablue.com/pharmacy. The Prescription Drug Claim Form, or an attachment acceptable to Us, may require the signature of the dispensing pharmacist. The Claim form should then be sent to HMO Louisiana, Inc.'s Pharmacy Benefit Manager, whose telephone number should be found on the ID card.

Benefits will be paid to the Plan Participant based on the Allowable Charge for the Prescription Drug.

Other Medical Claims

When the Plan Participant receives other medical services (clinics, Provider offices, etc.) the Plan Participant should ask if the Provider is an HMOLA or Participating Provider. If yes, this Provider will file the Plan Participant's Claim with Us.

In some situations, the Provider may request payment and ask the Plan Participant to file. If this occurs, the Plan Participant should be sure the Claim form is complete before forwarding to HMO Louisiana, Inc. If the Plan Participant is filing the Claim, the Claim must contain the itemized charges for each procedure or service.

NOTE: Statements, canceled checks, payment receipts and balance forward bills may not be used in place of itemized bills. Itemized bills submitted with Claim forms must include the following:

- a. full name of patient
- b. date(s) of service
- c. description of and procedure code for service
- d. diagnosis code
- e. charge for service
- f. name and address of Provider of service.

Claims for Nursing Services

A receipt must be obtained for nursing services from each nurse indicating the name of the patient and the number of days covered by each receipt. Each receipt must also be signed by the nurse with the initials R.N. or L.P.N. and registry number. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary must be filed with the receipts for nursing services.

Claims for Durable Medical Equipment (DME)

Charges for rental or purchase of wheelchairs, braces, crutches, etc. must be on the bill of the supplying firm, giving a description of the item rented or purchased the date, the charge, and the patient's name. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary must also be filed with these bills.

If the Plan Participant has a question about the processing or payment of a Claim, the Plan Participant can write

Us at the address below or the Plan Participant may call Our customer service department at the number shown on the ID card or any of Our Local Service Offices*. If the Plan Participant calls for information about a Claim, We can help the Plan Participant better if they have the information at hand--particularly the Benefit Plan number, patient's name and date of service.

ARTICLE XXV. GENERAL PROVISIONS – GROUP/POLICYHOLDER ONLY

IN ADDITION TO THE GENERAL PROVISIONS FOR THE GROUP/POLICYHOLDER AND PLAN PARTICIPANTS ARTICLE, THE FOLLOWING GENERAL PROVISIONS WILL ALSO APPLY TO THE GROUP/POLICYHOLDER.

A. Due Date for Group's Premium Payments

1. Premiums are due and payable from the Group/policyholder in advance, prior to coverage being rendered. Premiums are due and payable beginning with the Effective Date of this Benefit Plan and on the same date each month thereafter. This is the premium due date.
2. Premiums are owed by the Group/policyholder. Premiums may not be paid by third parties, including but not limited to Hospitals, Pharmacies, Physicians, automobile insurance carriers, or other insurance carriers. The Company will not accept premium payments by third parties unless required by law to do so. The fact that the Company may have previously accepted a premium from an unrelated third-party does not mean that the Company will accept premiums from these parties in the future.
3. If a premium is not paid when due, We may agree to accept a late premium. We are not required to accept a late premium. The fact that We may have previously accepted a late premium does not mean We will accept late premiums in the future. You may not rely on the fact that We may have previously accepted a late premium as indication that We will do so in the future.
4. Premiums must be paid in US dollars. Policyholder will be assessed a twenty-five dollar (\$25.00) NSF fee should its premium be paid with a check that is returned by the bank due to insufficient funds. If multiple payments are returned by the bank, the Company may at its sole discretion refuse to reinstate coverage.

B. Change in Premium Amount

1. Premiums for this Benefit Plan may increase after the Group's first twelve (12) months of coverage and every six (6) months thereafter, except when premiums may increase more frequently as described in the following paragraph. Except as provided in the following paragraph, We will give the Group forty-five (45) days written notice of any change in premium rates (ninety (90) days written notice for Employer groups with more than 100 enrolled Employees). We will send notice to the Group's latest address shown in Our records. Any increase in premium is effective on the date specified in the rate change notice. Continued payment of premium will constitute acceptance of the change.
2. We reserve the right to increase the premiums more often than stated above due to a change in the extent or nature of the risk that was not previously considered in the rate determination process at any time during the life of the Benefit Plan. This risk includes, but is not limited to, the right to increase the premium amount because of: (1) the addition of a newly covered person; (2) the addition of a newly covered entity; (3) a change in age or geographic location of any individual insured or policyholder; (4) or a change in the policy Benefit level from that which was in force at the time of the last rate determination. An increase in premium will become effective on the next billing date following the effective date of the change to the risk. Continued payment of premium will constitute acceptance of the change.

C. Group to Distribute and Account for Premium Rebate

In the event federal or state law requires the Company to rebate a portion of an annual premium payment, the Company will pay the Group/policyholder the total rebate applicable to the Policy, and the Group, on behalf of the Company, will distribute from the rebate a pro-rata share of the rebate to each Subscriber (including but not limited to Employees, retirees, and elected officials as covered on the Group's Benefit Plan) based upon their contribution to the premium rebated. The Group shall assure appropriate notification to federal and state tax agencies and that each payment to Subscribers will be accompanied by appropriate federal and state documentation, e.g., Form 1099. The Group shall develop and retain records and documentation evidencing accurate distribution of any rebate and shall provide such records to the Company upon request. Such records shall include:

1. the amount of the premium paid by each Subscriber;
2. the amount of the premium paid by the Group;

3. the amount of the rebate provided to each Subscriber;
4. the amount of the rebate retained by the Group; and
5. the amount of any unclaimed rebate and how and when it will be or was distributed.

The Group will assure that any unclaimed rebate amounts will be reported in accordance with the unclaimed property laws of the applicable Subscriber's state of domicile. The Group will indemnify the Company in the event the Company suffers any fines, penalties or expenses, including reasonable attorney's fees, due to the Group's failure to carry out its obligations under this section of the Group Health Benefit Plan.

D. Group's Right to Cancel the Policy

1. This policy is guaranteed renewable at the option of the Group. The Group indicates its desire to continue coverage by its timely payment of each premium as it becomes due.
2. The Group may cancel this policy for any reason.
3. To cancel the policy, the Group must give the Company WRITTEN NOTICE of its intent to cancel. THE GROUP MAY NOT VERBALLY CANCEL THIS COVERAGE. THE GROUP'S WRITTEN NOTICE OF CANCELLATION MUST BE GIVEN TO THE COMPANY PRIOR TO OR ON THE EFFECTIVE DATE OF THE CANCELLATION.

E. The Company's Right to Terminate the Plan for Nonpayment of Premium

1. Premiums are to be prepaid before coverage is rendered. The Group is considered delinquent if premiums are not paid on the due date.
2. The Company offers a thirty (30) day grace period (delinquency period) from the due date of the premium. If We receive the premium during the grace period, coverage remains in effect during the grace period pursuant to the provisions of the Benefit Plan. If We do not receive the premium during the grace period, We will mail a delinquency or termination notice to the Group's address of record. We may automatically terminate the plan without further notice to the Group if We do not receive the Group's premium at Our home office within thirty (30) days of the due date (during the grace period).

If We terminate this Benefit Plan for nonpayment of premium, termination will be effective midnight of the last day for which premiums have been paid. The Company will not be liable for any Benefits for services rendered following the last date through which premiums have been paid.

3. The Group/policyholder agrees to pay reasonable costs and fees to the Company, including reasonable attorney's fees, for the Company's attempt to collect any amounts owed under this Benefit Plan, including, but not limited to, unpaid premium.

F. Company's Right to Terminate the Policy for Reasons Other Than Nonpayment of Premium

The Company may terminate this Benefit Plan with sixty (60) days advance written notice to the Group, providing the reason for termination, if any one of the following occurs:

1. The Group commits fraud or makes an intentional misrepresentation.
2. The Group fails to comply with a material plan provision, including, but not limited to provisions relating to eligibility, Employer contributions or Group participation rules. If the sole reason for termination is that the Group's participation falls to less than one (1) Employee (only the owner is left on the policy), termination of Group coverage will be effective on the Group's next anniversary date. Otherwise, termination for a reason addressed in this paragraph will be effective after the Group receives sixty (60) days written notice.
3. In the case of Network plans, there is no longer any enrollee under the Group Benefit plan that lives, resides, or works in the Service Area of the Company or in the area for which the Company is authorized to do business.

4. The Group's coverage is provided through a bona fide association and the Employer's membership in the association ends.
5. The Company ceases to offer this product or coverage in the market (ninety (90) days advance written notice will be given to the Group, participants, and beneficiaries).

Advance written notice will be given to the Group in accordance with the timeframe required by law.

G. Out-of-Area Services

Please refer to the Out-of-Area Services section in General Provisions – Group / Policyholder and Plan Participants Article of this Benefit Plan for further explanation of these Inter-Plan Arrangements and the BlueCard® Program.

HMO Louisiana, Inc. (HMOLA) has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as Inter-Plan Arrangements. These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross and Blue Shield Association (Association). Whenever Plan Participants access healthcare services outside the geographic area HMOLA and Blue Cross and Blue Shield of Louisiana serve, the Claim for those services may be processed through one of these Inter-Plan Arrangements, and the other Blue Cross and/or Blue Shield Licensee (Host Blue) will be responsible contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard® Program are described generally below.

1. BlueCard® Program Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Plan Participant liability on Claims for Out-of-Area Covered Services processed through the BlueCard® Program will be based on the lower of the Provider's billed charges for out-of-area Covered Services or the negotiated price made available to Us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's healthcare Provider contracts. The negotiated price made available to Us by the Host Blue may be represented by one of the following:

- a. An actual price. An actual price is a negotiated rate of payment in effect at the time a Claim is processed without any other increases or decreases, or
- b. An estimated price. An estimated price is a negotiated rate of payment in effect at the time a Claim is processed reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other Claim- and non-Claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a Claim-specific basis, retrospective settlements, and performance-related bonuses or incentives; or
- c. An average price. An average price is a percentage of billed charges for out-of-area Covered Services in effect at the time a Claim is processed representing the aggregate payments negotiated by the Host Blue with all of its Providers or a similar classification of its Providers and other Claim- and non-Claim- related transactions. Such transactions may include the same ones as noted above for an estimated price.

The Host Blue determines whether or not it will use an actual price, an estimated price, or an average price. The use of estimated or average pricing may result in a difference (positive or negative) between the price We pay on a specific Claim and the actual amount the Host Blue pays to the Provider. However, the BlueCard® Program requires that the amount paid by the Plan Participant is a final price; no future price adjustment will result in increases or decreases to the pricing of past Claims.

In some instances, federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable, HMOLA will include any such surcharge, tax or other fee as part of the Claim charge that will be used to determine any Plan Participant liability, and will use them in determining the Group's/policyholder's premium.

2. Non-Participating Providers Outside Our Service Area

For an explanation on how liability calculations are made for the Claims of Non-Participating Providers outside Our Service Area, please refer to the Out-of-Area Services section in the General Provisions – Group/policyholder and Plan Participants Article of this Benefit Plan.

H. United States Economic Sanctions Laws Compliance

The Group hereby agrees to comply fully with all applicable economic sanctions and export control laws and regulations, including those regulations maintained by the United States Treasury Department's Office of Foreign Assets Control (OFAC). The Group understands that HMO Louisiana, Inc. does not authorize extending coverage to any person to whom the provision of such coverage would be receiving insurance coverage under this or other HMO Louisiana, Inc. Policies, including Subscribers and their covered Dependents, against all relevant United States Government lists of persons subject to trade, export, financial, or transactional sanctions, including the most current version of OFAC's list of Specially Designated Nationals and Blocked Persons, before providing or agreeing to provide coverage to any person. The Group agrees that its acceptance of coverage constitutes a representation to HMO Louisiana, Inc. that all applicable laws and regulations have been complied with and that coverage is not being provided to any denied person. Any extension of coverage in breach of the foregoing shall constitute cause for immediate termination of this Benefit Plan, and denial of Benefits for any Claims made under that coverage, and shall entitle HMO Louisiana, Inc. to indemnification from the Group for any cost, loss, damage, liability, or expense incurred by HMO Louisiana, Inc. as a result thereof. This provision shall survive termination or cancellation of this Benefit Plan.

I. Value-Added Services

The Group may from time to time provide Value-Added Services to the Group. These Value-Added Services may be provided to the Group directly by the Company, or indirectly by an affiliated life, health or disability insurance company, or by a third-party company. Value-Added Services are not considered Benefits under this plan or any other policy of insurance. The Policyholder is never under any obligation to accept Value-Added Services, and the Company may cease offering and paying for Value-Added Services at any time.

J. Health Insurance Portability and Accountability Act (Privacy and Security)

1. For purposes of this provision, the following definitions have the same meaning as defined in the Health Insurance Portability and Accountability Act of 1996 (HIPAA):

- a. Group Health Plan as defined at 45 CFR Part 160, Sec. 160.103.
- b. Protected Health Information (PHI) as defined at 45 CFR Part 164, Sec. 164.501.
- c. Summary Health Information as defined at 45 CFR Part 164, Sec. 164.504(a).

2. Disclosing Information to the Group

- a. Sharing Summary Health Information with the Group:

The Company may disclose Summary Health Information to the Group if the Group requests Summary Health Information for purposes of obtaining premium bids from health insurers, HMOs or other third-party payers under the Group Health Plan; or modifying, amending or terminating the Group Health Plan.

- b. Sharing PHI with the Group:

The Company may disclose PHI to the Group to enable the Group to carry out plan administration functions only upon receipt of a certification from the Group that:

- (1) its plan documents include all of the requirements set forth in 45 CFR Part 164, Sec. 164.504(f)(2)(i), (ii) and (iii);
- (2) it has provided notice to those individuals about whom the PHI relates that meets the requirements of 45 CFR Part 164, Sec. 164.520 (B)(1)(iii)(C); and that such PHI will not be used for the purpose of employment-related actions or decisions or in connection with any other Benefits or Employee

Benefits plan of the Group.

3. The Group hereby agrees to abide by the Company's acknowledgement and Authorize policies with regards to the exchange of PHI in an electronic format. For example, if the Company provides data to the Group on a compact disc, the Company may require acknowledgement that the data was received by the Group and the name of the Group representative, which received the data.

LLHIGA NOTICE

SUMMARY OF THE LOUISIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

- A. Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Louisiana Life and Health Insurance Guaranty Association, or LLHIGA. The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Louisiana Life and Health Insurance Guaranty Association provides coverage of certain claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage. Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer. The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

- B. The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S.22:2081 et seq. The following is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.
- C. Generally, individuals will be protected by the Louisiana Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well, even if they live in another state; unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.
- D. Exclusion from Coverage
1. A person who holds a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:
 - a. he is eligible for protection under the laws of another state;
 - b. the insurer was not authorized to do business in this state;
 - c. his policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined by law, or any entity similar to any of these.

2. LLHIGA also does not provide coverage for:

- a. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- b. any policy of reinsurance (unless an assumption certificate was issued);
- c. interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- d. dividends, premium refunds, or similar fees or allowances described under the law;
- e. credits given in connection with the administration of a policy by a group contract holder;
- f. employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- g. unallocated annuity contracts (which give rights to group contract holders, not individuals), except if qualified by law
- h. an obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
- i. a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part A coverage", "Medicare Part B coverage", "Medicare Part C coverage", or "Medicare Part D coverage" and any regulations issued pursuant to those parts;
- j. interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

E. Limits on Amounts of Coverage

- 1. The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out.
- 2. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:
 - a. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
 - b. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
 - c. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.
- 3. In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.
