## **WOMEN'S HEALTH AND CANCER RIGHTS ACT (WHCRA) ENROLLMENT NOTICE FOR ALL COVERED MEMBERS**

If you have had or are going to have a mastectomy, you may be entitled to certain Benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy has been performed or reconstruction of both breasts if a bilateral mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance, including but not limited to contralateral prophylactic mastectomy, liposuction performed for transfer to a reconstructed breast or to repair a donor site deformity, tattooing the areola of the breast, surgical adjustments of the non-mastectomized breast, unforeseen medical complications which may require additional reconstruction in the future;
- Prostheses; and
- Treatment of physical complications of all stages of the mastectomy, including lymphedema.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. You are eligible for these screenings if You:

- were previously diagnosed with breast cancer;
- completed treatment for breast cancer;
- underwent bilateral mastectomy; and
- were subsequently determined to be clear of cancer.

These Benefits will be provided in a manner determined in consultation with the attending Physician and the patient, and subject to the same Deductible Amount, Coinsurance, and Copayments applicable to other medical and surgical Benefits provided under this plan. Information on the plan's specific Deductible Amount, Coinsurance, or Copayment will be shown on the Schedule of Benefits.

**NOTICES**

HEALTHCARE SERVICES MAY BE PROVIDED TO YOU AT A NETWORK HEALTHCARE FACILITY BY FACILITY-BASED PHYSICIANS WHO ARE NOT IN YOUR HEALTH PLAN. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE OUT-OF-NETWORK SERVICES, IN ADDITION TO APPLICABLE AMOUNTS DUE FOR COPAYMENTS, COINSURANCE, DEDUCTIBLES AND NON-COVERED SERVICES.

SPECIFIC INFORMATION ABOUT IN-NETWORK AND OUT-OF-NETWORK FACILITY-BASED PHYSICIANS CAN BE FOUND AT **[WWW.LABLUE.COM](http://WWW.LABLUE.COM)** OR BY CALLING THE CUSTOMER SERVICE TELEPHONE NUMBER OF YOUR HEALTH PLAN.

YOUR SHARE OF THE PAYMENT FOR HEALTHCARE SERVICES MAY BE BASED ON THE AGREEMENT BETWEEN YOUR HEALTH PLAN AND YOUR PROVIDER. UNDER CERTAIN CIRCUMSTANCES, THIS AGREEMENT MAY ALLOW YOUR PROVIDER TO BILL YOU FOR AMOUNTS UP TO THE PROVIDER'S REGULAR BILLED CHARGES.

We base Our payment of Benefits for Your Covered Services on an amount known as the Allowable Charge. The Allowable Charge depends on the specific Provider from whom You receive Covered Services.

**Note that federal law prohibits a Non-Network Provider from balance billing You for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to You and has obtained Your Informed Consent to provide such services.**

Utilization Management decision-making is based only on appropriateness of care and service and existence of coverage. We do not specifically reward practitioners or other individuals for issuing denials of coverage. Financial incentives for Utilization Management decision makers do not encourage decisions that result in underutilization.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. You are eligible for these screenings if You:

- a. were previously diagnosed with breast cancer;
- b. completed treatment for breast cancer;
- c. underwent bilateral mastectomy; and
- d. were subsequently determined to be clear of cancer.

These covered screenings include but are not limited to magnetic resonance imaging, ultrasound, or some combination of tests, as selected by You in consultation with Your attending Physician. Annual preventive cancer screenings under this Benefit will be subject to any applicable Copayments, Deductible Amounts and Coinsurance.

Important information regarding this plan will be sent to the mailing address You provided on the Employee Enrollment / Change Form. **You are responsible for keeping Us and the Group informed of any changes in Your address of record.**

## **NOTICE AND DISCLOSURE OF PRESCRIPTION DRUG FORMULARY**

This Benefit Plan covers Prescription Drugs and uses a closed Prescription Drug Formulary. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Benefit Plan. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost You less than drugs on higher tiers.

Information about Your formulary is available in several ways. Most Members receive information from Us by accessing the pharmacy section of Our website, [www.lablue.com/pharmacy](http://www.lablue.com/pharmacy).

You may also call Us at the number on the ID card to ask whether a specific drug is included in Your formulary. If a Prescription Drug is on Your Prescription Drug Formulary, this does not guarantee that Your prescribing healthcare Provider will prescribe it for a particular medical condition or mental illness.

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in Our Prescription Drug Formulary, there is a drug formulary exception process. This process allows You, Your designee or Your prescribing healthcare Provider to ask for a formulary exception from Us. This request must be based on Medical Necessity. If the request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary. If the request is not approved, You may file an internal or external formulary exception request to Us.

## **NOTICE OF CONTINUATION OF PRESCRIPTION DRUG COVERAGE**

You have the right to continue the coverage of any Prescription Drug that We approved or covered for a medical condition or mental illness, at the contracted Benefit level until the renewal of Your current insurance coverage regardless of whether the drug has been removed from Your formulary. Your prescribing healthcare Provider may prescribe a drug that is an alternative to a drug for which continuation of coverage is required if the alternative drug is covered under the health plan and is medically appropriate for You.

## **UNDERSTANDING THE BASICS OF YOUR COVERAGE**

Blue Cross and Blue Shield of Louisiana issues this Benefit Plan to the Group/policyholder shown on the Schedule of Benefits. A copy of this Benefit Plan provided to Members serves as the Member's certificate of coverage. As of the Group's original Effective Date shown on the Schedule of Benefits, We agree to provide the Benefits specified herein for Members of the Group. This Benefit Plan replaces any others previously issued to the Group/policyholder, as of the Group's amended Effective Date shown on the Schedule of Benefits. This Benefit Plan describes Member Benefits, as well as Member rights and responsibilities. We encourage You, the Member, to read this Benefit Plan carefully.

You should call Our customer service number on the ID card if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Benefit Plan are related to other sections of this Benefit Plan. You may not have all of the information You need by reading just one section. Please be aware that Your Physician does not have a copy of Your Benefit Plan, and is not responsible for knowing or communicating Your Benefits to You.

Except for necessary technical terms, common words are used to describe the Benefits provided under this Benefit Plan. We, Us and Our mean Blue Cross and Blue Shield of Louisiana. You, Your and Yourself mean the Member and/or enrolled Dependent. Capitalized words are defined terms in the Definitions Article of this Benefit Plan. A word used in the masculine gender applies also in the feminine gender, except where otherwise stated.

### **A. THIS COVERAGE AND THE PATIENT PROTECTION AND AFFORDABLE CARE ACT**

The Patient Protection and Affordable Care Act of 2010 and the Health Care and Education Reconciliation Act of 2010 (the Affordable Care Act) were signed into law in March, 2010. This coverage is compliant with and subject to the Affordable Care Act and covers all Essential Health Benefits required by law.

### **B. FACTS ABOUT THIS HIGH DEDUCTIBLE HEALTH PLAN**

This Benefit Plan is a high deductible health plan, as long as the Deductible meets the minimum required by federal law. This high deductible coverage may be used in conjunction with a Health Savings Account (HSA), which a Member sets up through a financial institution. HSAs are portable, tax-advantaged savings accounts that act like a medical IRA. Unused money is rolled over from year to year, grows through interest and investments, and can be used to pay for a wide variety of health and wellness related products and services. The IRS has established eligibility rules for HSAs. Most adults who are covered by a high deductible health plan, like this Blue Saver product, and who have no other no cost health coverage except for preventive care, may establish an HSA. Members that choose to take advantage of the benefits of health savings accounts should learn about the laws affecting HSAs. They may wish to consult a qualified tax or financial advisor to ensure that they are eligible to establish an HSA, that they understand what other types of health coverage they may have without violating the HSA rules, what expenses may be paid from an HSA, and the many tax benefits available to them if they properly comply with all IRS rules on health savings accounts.

This Benefit Plan describes Preferred Provider Organization (PPO) coverage. Members have an extensive Provider Network available to them – Blue Cross and Blue Shield of Louisiana's Preferred Care PPO Network. Members can also get care from Providers who are not in this Network, but Benefits will be paid at a lower level of Benefits.

**Members who get care from Providers in their Network will pay the least for their care and get the most value from this policy.**

Most Benefits are subject to the Member's payment of a Deductible Amount as stated on the Schedule of Benefits. After payment of applicable Deductible Amounts, Benefits are subject to two (2) Coinsurances (for example: 80/20, 60/40). The Member's choice of a Provider determines what Coinsurance applies to the service provided. We will pay the highest Coinsurance for Medically Necessary services when a Member obtains care from a Provider in the Preferred Care PPO Network. We will pay the lower Coinsurance when a Member obtains Medically Necessary services from a Provider who is not in the Preferred Care PPO Network. Deductible Amount and Coinsurances are stated on the Schedule of Benefits.

## C. OUR PROVIDER NETWORK

Members choose which Providers will render their care. This choice will determine the amount We pay and the amount the Member pays for Covered Services.

Our Preferred Care PPO Network consists of a select group of Physicians, Hospitals and other Allied Health Professionals who have contracted with Us to participate in the Blue Cross and Blue Shield of Louisiana Preferred Care PPO Provider Network and render services to Our Members. We call these Providers PPO Providers, Preferred Providers, or Network Providers. Oral Surgery Benefits are also available when rendered by Providers in the United Concordia Dental Advantage Plus Network or in Blue Cross and Blue Shield of Louisiana's dental Network.

To obtain the highest level of Benefits available, the Member should always verify that a Provider is a current Blue Cross and Blue Shield of Louisiana Preferred Care PPO Provider before the service is rendered. Visit Our website at [www.lablue.com](http://www.lablue.com), or call customer service at the number on the ID card to verify that a Provider is a current Network Provider or to request a paper Provider directory.

A Provider may be contracted with Us when providing services at one location, and may be considered a Non-Network Provider when rendering services from another location. Always check the Provider directory to verify that the services are In-Network at the location where You are seeking care.

Additionally, Providers in Your Network may be contracted to perform certain Covered Services, but may not be contracted in Your Network to perform other Covered Services. When a Network Provider performs services that the Network Provider is not contracted with Us to perform (such as certain High-Tech Imaging Services or radiology procedures), Claims for those services will be adjudicated at the Non-Network Benefit level. Check the Provider directory to verify that the services are In-Network when performed by the Provider or at the Provider's location.

We pay a lower level of Benefits when You go to a Provider outside the Network. Benefits may also be based on a lower Allowable Charge. If You go outside Our Network, You will have higher costs and will pay a higher Deductible Amount and Coinsurance than if You had stayed in the Network. **These additional costs may be significant.**

In addition, We only pay a portion of those charges and You must pay the remainder. We recommend that You ask Non-Network Providers to explain their billed charges to You BEFORE You receive care outside the Network. Review the Sample Illustration of Member Costs When Care is Obtained at a Non-Participating Hospital before receiving care outside the Network. To the extent required by applicable law, Your cost sharing for Emergency Medical Services will be at the Network level of even if the Hospital is not in Your Network.

## D. UNITED CONCORDIA DENTAL ADVANTAGE PLUS NETWORK

Pediatric Dental Care Benefits are covered under this Benefit Plan for Members under age nineteen (19). United Concordia Companies, Inc. d/b/a United Concordia Dental (UCD) is Blue Cross and Blue Shield of Louisiana's network and claims administrator for dental Benefits and is in charge of managing the Advantage Plus Network, handling and paying Claims, and providing customer service to the Members eligible to receive these Benefits.

United Concordia Dental Advantage Plus Network consists of a select group of Providers who have contracted with United Concordia Dental to render services to Members for reduced amounts. **All other Providers are considered Non-Participating.** Non-Participating Providers may bill You more for their services than Participating Providers.

**In order to receive full pediatric dental benefits, the Member should verify that a Provider is an Advantage Plus Network Participating Provider before any service is rendered.** To locate a Participating Provider and verify their continued participation in the Advantage Plus Network, or to ask any questions related to Benefits or Claims, please visit Our website at [www.lablue.com](http://www.lablue.com) or contact a customer service representative at (866) 445-5338.

We, Us and Our means United Concordia Dental when it acts on behalf of Blue Cross and Blue Shield of Louisiana in performing its services under the dental coverage provided in the Articles for Oral Surgery Benefits and Pediatric Dental Care Benefits.

Reimbursements for services rendered by a Non-Participating Provider will be based on Our Allowable Charge and will be paid in the same amounts, under the same limits, rules and policies that We would have applied to Claims for services rendered by a Participating Provider. Care received from a Non-Participating Provider will mean a higher cost to You. We recommend that You ask the Non-Participating Provider about their billed charges before You receive care.

#### **E. DAVIS VISION NETWORK**

Davis Vision, Inc. (Davis Vision) is the Company's Network and claims administrator for the vision Benefits provided, and in charge of managing the Davis Vision Network, handling and paying Claims, and providing customer service to the Members under age nineteen (19) eligible to receive these Benefits.

The Davis Vision Network consists of a select group of Providers who have contracted with Davis Vision to render services and supplies to Members for minimal costs. **All other Providers are considered Non-Participating.**

**In order to receive the full Benefits under this section, the Member should verify that a Provider is a Davis Vision Network Participating Provider before any service is rendered.** To locate a Participating Provider and verify their continued participation in the Davis Vision Network, or to ask any questions related to Benefits or Claims, please visit the website at [www.davisvision.com](http://www.davisvision.com) or contact a customer service representative at 1-800-247-9368.

#### **F. OBTAINING EMERGENCY AND NON-EMERGENCY CARE OUTSIDE LOUISIANA AND AROUND THE WORLD**

Members have access to Emergency and non-Emergency care outside Louisiana and around the world. The ID card offers convenient access to Covered Services through Blue Cross and Blue Shield Providers throughout the United States and in more than two hundred (200) countries worldwide.

##### **In the United States:**

Emergencies: Members receive Network Benefits when covered Emergency Medical Services are provided by PPO Providers. To the extent required by applicable law, Members receive Network Benefits when covered Emergency Medical Services are provided by Non-Network Providers. Covered Emergency Medical Services are subject to Network cost sharing.

Non-Emergencies: Members receive Network Benefits when covered Non-Emergency Medical Services are provided by PPO Providers in other states. If You do not go to a PPO Provider, Non-Network Benefits will apply.

##### **Outside the United States:**

Emergencies: Members receive Network Benefits when covered Emergency Medical Services are provided by PPO Providers. To the extent required by applicable law, Members receive Network Benefits when covered Emergency Medical Services are provided by Non-Network Providers. Covered Emergency Medical Services are subject to Network cost sharing.

Non-Emergencies: Members receive Non-Network Benefits when covered non-Emergency Medical Services are provided outside Our Service Area. If you obtain these services from a Blue Cross Blue Shield Global® Core Provider, You may only have to pay Your Network amount since Blue Cross Blue Shield Global® Core Providers will generally accept the Allowable Charge as payment in full for the service. If You do not go to a Blue Cross Blue Shield Global® Core Provider, Non-Network Benefits will apply.

#### How to Get Care Outside the Service Area:

1. In an Emergency, go directly to the nearest Hospital.
2. Call BlueCard® Access at 1-800-810-BLUE (2583) for information on the nearest BlueCard® doctors and Hospitals (for care within the United States), or for information on Blue Cross Blue Shield Global® Core doctors and Hospitals (for care outside the United States). Provider information is also available at [www.bcbs.com](http://www.bcbs.com).
3. Use a BlueCard® Provider or Blue Cross Blue Shield Global® Core Provider to receive the highest level of Benefits.
4. Present the ID card to the doctor or Hospital, who will verify coverage and file Claims for the Member.
5. The Member must obtain any required Authorizations from Blue Cross and Blue Shield of Louisiana.

#### **G. AUTHORIZATIONS**

Some services and supplies require Authorization from Us before services are obtained. The Schedule of Benefits lists the specific services, supplies, and Prescription Drugs that require Authorization. For more information on those items and services that require Authorization visit the website, [www.lablue.com/priorauth](http://www.lablue.com/priorauth). See the Care Management Article of this Contract for additional information regarding Authorization requirements.

An Authorization is Our determination that it is Medically Necessary for the Member to receive the requested medical services. When We Authorize a service for Medical Necessity, We are not making a determination about the Member's choice of Provider or the level of Benefits that will apply to a resulting Claim.

Network Providers are required to obtain necessary Authorizations on behalf of the Member. When a Network Provider fails to obtain a required Authorization, We penalize the Network Provider, not the Member, as described on the Schedule of Benefits. The Member continues to be responsible only for the applicable Network Deductible Amount and/or Coinsurance shown on the Schedule of Benefits.

When We issue an Authorization but the Member receives the service from a Non-Network Provider (a Participating or Non-Participating Provider), Non-Network Benefits will apply, even when We have Authorized the services as Medically Necessary. A Member must obtain care from a Provider in the Preferred Care Provider Network to receive the highest level of Benefits available under this Benefit Plan.

No payment will be made for organ, tissue and bone marrow transplant Benefits or evaluations unless We Authorize these services. The services must be rendered by a Blue Distinction Center for Transplants (BDCT) for the specific organ or transplant or by a transplant facility in Our Blue Cross and Blue Shield Preferred Care PPO Provider Network, unless otherwise approved by Us in writing. To locate an approved transplant facility, contact Our customer service department at the number listed on the ID card.

#### **H. How We Determine What We Pay for Covered Services**

##### When the Member uses Network Providers

Network Providers have signed contracts with Us to participate in the PPO Network. These Providers have agreed to accept the lesser of billed charges or a negotiated amount as payment in full for Covered Services. This amount is the Network Provider's Allowable Charge and is used to determine the amount We pay for Medically Necessary Covered Services. Members who use Network Providers will receive Network Benefits and will pay the amounts shown in the Network column on the Schedule of Benefits for these Covered Services.

### When the Member uses Participating Providers

Participating Providers have signed a contract with Us or any other Blue Cross and Blue Shield plans to participate in their Provider Networks. These Providers have agreed to accept the lesser of billed charges or a negotiated amount as payment in full for Covered Services. This amount is the Participating Provider's Allowable Charge and is used to determine the amount We pay for Medically Necessary Covered Services.

The Member has the right to file an Appeal with Us for consideration of Network Benefits if the Member received Covered Services from a Participating Provider who was the only Provider available to deliver the Covered Service within a seventy-five (75) mile radius of the Member's home. To file an Appeal, the Member must follow the Appeal procedures in this Benefit Plan.

An Appeal for Network Benefits will not be approved for a Participating Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Member within the distance the Member traveled to receive care from the Participating Provider, no matter how many miles that may be.

### When the Member uses Non-Participating Providers

Non-Participating Providers do not have a contract with Us or any other Blue Cross and Blue Shield plan to participate in any Blue Cross and Blue Shield plans. These Providers are not in Our Networks. We have no fee arrangements with them. We establish an Allowable Charge for Covered Services provided by Non-Participating Providers. The Allowable Charge will be one of the following as determined by Us:

1. an amount We establish based on Our choice of Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service;
2. an amount We establish as the Allowable Charge; or
3. the Provider's billed charge. You will receive a lower level of Benefit because You did not go to a Network Provider.

Members usually pay significant costs when using Non-Participating Providers. This is because the amount that some Providers charge for Covered Services may be higher than the established Allowable Charge. Also, Network Providers and Participating Providers waive the difference between the actual billed charge for Covered Services and the Allowable Charge, while Non-Participating Providers will not.

The Member has the right to file an Appeal with Us for consideration of Network Benefits if the Member received Covered Services from a Non-Participating Provider who was the only Provider available to deliver the Covered Service within a seventy-five (75) mile radius of the Member's home. To file an Appeal, the Member must follow the Appeal procedures in this Benefit Plan.

An Appeal for Network Benefits will not be approved for a Non-Participating Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Member within the distance the Member traveled to receive care from the Non-Participating Provider, no matter how many miles that may be.

Note that federal law prohibits a Non-Network Provider from balance billing a Member for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice and has obtained a Member's Informed Consent to provide such services.

## I. SAMPLE ILLUSTRATION OF MEMBER COSTS WHEN USING A NON-PARTICIPATING HOSPITAL

NOTE: The following example is for illustration purposes only and is not a true reflection of the Member's actual Deductible Amounts and Coinsurances. Please refer to the Schedule of Benefits to determine Your Benefits.

Example: The Network Benefits are 80% - 20% Coinsurance with a Deductible Amount. The Non-Network Benefits are 60% - 40% Coinsurance with a Deductible Amount. Assume the Member goes to the Hospital, has previously met his Deductible Amount and has obtained the necessary Authorization prior to receiving a non-Emergency service. The Hospital bills \$12,000 for the Covered Service. We negotiated an Allowable Charge of \$2,500 with the Network Hospital to render this service. The Allowable Charge of the Participating Hospital is \$3,000 to render this service. There is no negotiated rate with the Non-Participating Hospital. The Member is responsible for all amounts not paid by the Company, up to the Hospital's billed charge. This example illustrates the Member's costs at three different hospitals for the same service.

<b>The Member receives Covered Services from:</b>	<b>Network Hospital</b>	<b>Participating Hospital</b>	<b>Non-Participating Hospital</b>
Hospital Bill:	\$12,000	\$12,000	\$12,000
Allowable Charge:	\$2,500	\$3,000	\$2,500
<b>We pay:</b>	<b>\$2,000</b>	<b>\$1,800</b>	<b>\$1,500</b>
	\$2,500 Allowable Charge x 80% Coinsurance = \$2,000	\$3,000 Allowable Charge x 60% Coinsurance = \$1,800	\$2,500 Allowable Charge x 60% Coinsurance = \$1,500
<b>Member pays:</b>	<b>\$500</b>	<b>\$1,200</b>	<b>\$1,000</b>
	20% Coinsurance x \$2,500 Allowable Charge = \$500	40% Coinsurance x \$3,000 Allowable Charge = \$1,200	40% Coinsurance x \$2,500 Allowable Charge = \$1,000
Is Member billed up to the Provider's billed charge?	NO	NO	YES \$9,500
<b>TOTAL AMOUNT MEMBER PAYS:</b>	<b>\$500</b>	<b>\$1,200</b>	<b>\$10,500</b>

## J. WHEN A MEMBER PURCHASES COVERED PRESCRIPTION DRUGS

Some pharmacies have contracted with Us or with Our Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are Participating Pharmacies. The Allowable Charge for covered Prescription Drugs purchased from Participating Pharmacies is based on the amount We pay Our Pharmacy Benefit Manager. We use the amount We pay Our Pharmacy Benefit Manager to base the Company's payment for a Member's covered Prescription Drugs and the amount that the Member must pay for covered Prescription Drugs.

When a Member purchases covered Prescription Drugs from a pharmacy that has not contracted with Us or with Our Pharmacy Benefit Manager or when a Member files a paper Claim with the Company or with Our Pharmacy Benefit Manager, the Allowable Charge is the amount that the Company pays Our Pharmacy Benefit Manager for covered Prescription Drugs.

To obtain contact information for Participating Pharmacies, the Member should contact Our customer service department or Our Pharmacy Benefit Manager at the telephone number on the ID card.

## **K. MENTAL HEALTH AND SUBSTANCE USE DISORDER BENEFITS**

The Company has contracted with an outside company to perform certain administrative services related to Mental Health and substance use disorder services for Our Members. For help with these Benefits, the Member should refer to the Schedule of Benefits, the ID card, or call Our customer service department.

## **L. MEMBER INCENTIVES AND VALUE-ADDED SERVICES**

Sometimes We may offer Members coupons, discounts, and incentives to enroll in programs, such as pharmacy programs, disease management programs, and wellness programs and activities. We may offer Members discounts or financial incentives to use certain Providers for selected Covered Services. We may also offer Members the opportunity to enroll in health and non-health related programs, as Value-Added Services, to enhance the Member's experience with Us or his Providers. These incentives and Value-Added Services are not Benefits and do not alter or affect Member Benefits. They may be offered by Us, affiliated companies, and selected vendors. Members are always free to reject the opportunities for incentives and Value-Added Services. We reserve the right to add or remove any and all coupons, discounts, incentives, programs, and Value-Added Services at any time without notice to Members.

## ARTICLE II.

## DEFINITIONS

The inclusion of any definition in this Article does not denote that any particular benefit, condition, diagnosis, procedure, service, or treatment is covered under this Benefit Plan. Please review the Benefit Plan in its entirety to determine Your coverage.

Accidental Injury – A condition that directly results from a traumatic bodily injury sustained only through accidental means from an external force. Injuries caused by chewing, biting, clenching, or grinding of teeth are not accidental injuries to teeth. If Benefits are available to treat a particular injury, Your Benefit Plan will cover an injury that results from an act of domestic violence.

Admission – The period for Inpatient care from entry (Admission) into a Hospital or Skilled Nursing Facility or Unit, until discharge. We count the date of entry and the date of discharge as one (1) day.

Adverse Benefit Determination – Means denial or partial denial of a Benefit based on:

- A. Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment that is determined to be experimental or Investigational;
- B. the Member's eligibility for coverage under the Benefit Plan;
- C. any prospective or retrospective review determination;
- D. a Rescission; or
- E. a decision involving items and services within the scope of the surprise billing and cost sharing protection requirements of the No Surprises Act.

Allied Health Facility – An institution, other than a Hospital, that the appropriate state agency licenses, where required, that We approve to render Covered Services.

## **B. Application for Coverage**

When coverage is purchased, applications, changes and terminations must be made to the Company. The Company will determine and verify eligibility to enroll in this Benefit Plan and establish an Effective Date for coverage. Application for enrollment must be made to the Company during the Group's annual Open Enrollment Period. After the initial Open Enrollment Period, qualified persons generally may enroll in or change coverage only during subsequent Open Enrollment Periods or if an individual becomes eligible outside the annual Open Enrollment Period, he may apply for coverage beginning on the date he becomes eligible. A qualified individual may also enroll in coverage during a Special Enrollment Period available after certain events occur.

1. Every Eligible Person may enroll for coverage under this Benefit Plan and may include any Eligible Dependents.
2. The Group will submit all enrollment information as a prerequisite to coverage under this Benefit Plan.
3. No person will be covered under this Benefit Plan unless the Company has accepted the enrollment form or enrollment information in a format acceptable to the Company, and the Company has issued an ID card. Payment of premiums will not effectuate coverage unless an ID card or written acceptance has been issued. In the absence of such issuance, the Company's liability will be limited to refund of premiums paid.
4. This Group Benefit Plan and coverage under it will not be renewed or maintained unless the percentage of Eligible Persons specified by the Company is covered under the plan.

3. If an Eligible Person's application for coverage for self or for self and any eligible Dependent(s) is not received by the Company within thirty (30) days of the eligibility date or Special Enrollment Period as described below, the request for enrollment will be denied. The Eligible Person shall be eligible to enroll for coverage during the next Open Enrollment Period.
4. If a child is born to a Subscriber holding coverage which includes Dependent children (Subscriber and family coverage or Subscriber and child(ren) coverage), and the enrollment form is received by the Company within thirty (30) days of the date of birth, the Effective Date of coverage will be the date of birth.

If timely enrolled, coverage for the eligible Dependent will be effective on the date of the court ordered determination.

#### F. Special Enrollment

Special Enrollment Periods exist outside of the Open Enrollment Period when the Eligible Person experiences a specific special enrollment event as described under this section. During these periods, application may be made to the Company to enroll or drop coverage or to enroll or disenroll Dependents. **Individuals who lose other coverage because they did not pay their premiums or required contributions timely, or lose other coverage for cause (such as filing fraudulent Claims or an intentional misrepresentation of a material fact in connection with the plan), are not Special Enrollees and have no special enrollment rights.**

When the Subscriber gains dependent status under another plan, he may disenroll from this Benefit Plan outside of the Open Enrollment Period. When the Subscriber gains a Dependent and because of that wishes to enroll himself, or enroll a Dependent in this Benefit Plan, the following rules apply:

- (1) If not already participating, an Eligible Employee may enroll with the Dependent if he has served any applicable Eligibility Waiting Period but has not enrolled during a previous enrollment period. In the case of the birth, adoption, or placement for adoption of a child, the Spouse of the Employee may be enrolled as a Dependent if the Spouse is otherwise eligible for coverage.
- (2) If the Group offers multiple health plan options, another option may be chosen by the Eligible Employee for himself and Dependents when Special Enrollee status applies.

- (4) The Special Enrollment Period described in this subparagraph is a period of no less than thirty (30) days and shall begin on the later of the date Dependent coverage is made available or the date of the marriage, birth, adoption, or placement for adoption. If the request for enrollment is not made timely, the request will be denied and any period of automatic coverage for Newly Born Infants will end.
- (5) In the case of a birth, adoption, or placement for adoption, a current Employee may enroll himself, his Spouse and/or the newborn/adopted child and other eligible Dependent children, the enrollment must be requested no later than thirty (30) days after the birth, adoption, or placement for adoption. If the enrollment form is received by a Blue Cross and Blue Shield of Louisiana office no later than thirty (30) days of the birth, adoption, or placement for adoption, coverage will become effective on the date of birth for a natural Newly Born Infant, and upon the date of adoption, or placement for adoption for an adopted Newly Born Infant. A Subscriber may enroll an unborn natural child prior to birth; however, coverage will not be effective until the date of birth. Adopted children will not be effective on the date of birth. If the request for enrollment is not made and received by Us within thirty (30) days of birth, adoption or placement for adoption, the request for special enrollment will be denied and any automatic coverage period will end.
- (6) In the case of marriage, a current Eligible Employee may enroll himself and the new Dependents acquired because of the marriage. The enrollment must be requested within thirty (30) days of the marriage. The special enrollment will be denied if the enrollment is not requested within thirty (30) days of the marriage.

  - (a) Medicare.
  - (b) Medicaid or the Children's Health Insurance Program (CHIP), if either:
    - (i) The Eligible Employee or Dependent is covered under Medicaid or Children's Health Insurance Program (CHIP), and lose that coverage because of loss of eligibility; or
    - (ii) the Eligible Employee or Dependent becomes eligible for premium assistance under the CHIP program.

To qualify, an Eligible Employee must request coverage in this Benefit Plan no later than sixty (60) days after either the date of coverage termination under Medicaid or CHIP or the date the Eligible Employee or Dependent is determined to be eligible for such premium assistance. premium assistance. When special enrollment under this section is made timely and received by the Company timely, coverage will become effective on the date of the loss of coverage under Medicaid or CHIP or the date the Eligible Employee or Dependent is eligible for premium assistance.

The Eligible Employee may disenroll a child Dependent from this Benefit Plan and enroll the child in CHIP coverage effective on the first day of any month for which the child is eligible for such CHIP coverage. ## **ARTICLE IV.**

## **BENEFITS**

**ANY BENEFIT LISTED IN THIS BENEFIT PLAN THAT IS NOT MANDATED BY STATE OR FEDERAL LAW MAY BE DELETED OR REVISED ON THE SCHEDULE OF BENEFITS OR BY AMENDMENT.**

### **A. Benefit Categories**

1. Network Benefits (In-Network) – Benefits for Covered Services received from a Preferred Care PPO Provider. When a Member receives care from a Network Provider, the Member will receive the highest level of Benefits on this Plan.
2. Non-Network Benefits (Out-of-Network) – Benefits for Covered Services received from a Provider who is not contracted with the Claims Administrator as a Preferred Care PPO Provider. Participating Providers and Non-Participating Providers are not contracted with Our Preferred Care PPO Network. When a Member receives care from a Non-Network Provider, the Member will receive a lower level of Benefits on this Plan.
3. Network and Non-Network Benefit categories may each carry separate Deductible and Out-of-Pocket Amounts, as shown on the Schedule of Benefits. Amounts that apply to a Network Deductible do not apply to a Non-Network Deductible. Amounts that apply to a Non-Network Deductible do not apply to a Network Deductible.

### **B. Deductible Amounts**

Subject to the Deductible Amount as shown on the Schedule of Benefits, the maximum limitations hereinafter provided and other terms and provisions of this Benefit Plan, the Company will provide Benefits in accordance with the Coinsurance shown on the Schedule of Benefits toward Allowable Charges incurred for Covered Services by a Member during a Benefit Period.

If this Benefit Plan includes more than one (1) Member, the Individual Deductible Amount is not applicable. The Family Deductible Amount and the Per Member within a Family Deductible Amount applies.

1. Individual Deductible Amount: The dollar amount, as shown on the Schedule of Benefits, of Allowable Charges for Covered Services, which a Member with Subscriber Only coverage must pay within a Benefit Period before the Plan starts paying Benefits.
2. Family Deductible Amount: The dollar amount, as shown on the Schedule of Benefits, of Allowable Charges for Covered Services, which may be paid by a family within a Benefit Period before the Plan starts paying Benefits. After the Family Deductible Amount is met, the Plan starts paying Benefits for all covered members of the family, for the remainder of the Benefit Period, whether each family member has met the Per Member within a Family Deductible Amount.
3. Per Member within a Family Deductible Amount: The dollar amount, as shown on the Schedule of Benefits, of Allowable Charges for Network Covered Services, which may be paid by one (1) family member within a Benefit Period before the Plan starts paying Benefits. After a family member has met the Per Member within a Family Deductible Amount, the Plan starts paying Network Benefits, for that family member, for the remainder of the Benefit Period. No family member may contribute more than the Per Member within a Family Deductible Amount towards satisfaction of the Family Deductible Amount.

For purposes of this Benefit Plan, family includes all Available Classes of Coverage, except single Member or Subscriber Only coverage.

When a child is born to a Member having Subscriber only coverage, the child is granted 30 days of automatic coverage on the Benefit Plan from the date of birth and the Deductible Amount will increase from an Individual Deductible Amount to a Family Deductible Amount. The Claim for the delivery charges may be applied to the new Family Deductible Amount.

4. This Benefit Plan does not provide a fourth-quarter Deductible Amount carryover for charges incurred for Covered Services incurred during the months of October, November, and December.
5. We will apply the Member's Claims to the Deductible Amount in the order in which Claims are received and processed. It is possible that one Provider may collect the Deductible Amount from the Member, then when the Member receives Covered Services from another Provider, that Provider also collects the Member's Deductible Amount. This generally occurs when the Member's Claims have not been received and processed by Us. Our system will only show the Deductible Amount applied for Claims that have been processed. Therefore, the Member may need to pay toward the Deductible Amount until his Claims are submitted and processed, showing that the Deductible Amount has been met. If the Member overpays his Deductible Amount, the Member is entitled to receive a refund from the Provider to whom the overpayment was made.
6. If the Company pays a healthcare Provider amounts that are Your responsibility, such as Deductible Amount or Coinsurance, the Company may collect such amounts directly from You. You agree that Company has the right to collect such amounts from You.

### **C. Coinsurance**

The Coinsurance is shown on the Schedule of Benefits for a Covered Service. The Member must first pay any applicable Deductible Amount before the Coinsurance. After any applicable Deductible Amount has been met, and subject to the maximum limitations and other terms and provisions of this Benefit Plan, the Plan will provide Benefits in the Coinsurance shown on the Schedule of Benefits toward Allowable Charges for Covered Services.

### **D. Out-of-Pocket Amounts**

If this Benefit Plan includes more than one (1) Member, the Individual Out-of-Pocket Amount is not applicable. The Family Out-of-Pocket Amount and the Per Member within a Family Out-of-Pocket Amount applies.

1. Individual Out-of-Pocket Amount: The maximum amount, as shown on the Schedule of Benefits, of non-reimbursable expenses for Covered Services (including any applicable Deductible Amount and Coinsurance), which may be paid by a Member with Subscriber Only coverage, within a Benefit Period. After the Individual Out-of-Pocket is met, the Plan will pay one hundred percent (100%) of the Allowable Charge for Covered Services, for the remainder of the Benefit Period.
2. Family Out-of-Pocket Amount: The maximum amount, as shown on the Schedule of Benefits, of non-reimbursable expenses for Covered Services (including any applicable Deductible Amounts and Coinsurance), which may be paid by a family within a Benefit Period. If the Benefit Plan covers more than one (1) Member, the Individual Out-of-Pocket Amount is not applicable. The Family Out-of-Pocket Amount and the Per Member within a Family Out-of-Pocket Amount applies. After the Family Out-of-Pocket Amount is met, the Plan will pay one hundred percent (100%) of the Allowable Charge for Covered Services, for all covered members of the family, for the remainder of the Benefit Period, whether each family member has met the Per Member within a Family Out-of-Pocket Amount.
3. Per Member within a Family Out-of-Pocket Amount: The maximum dollar amount, as shown on the Schedule of Benefits, of non-reimbursable expenses for Network Covered Services, which may be paid by one (1) family member within a Benefit Period. After the Per Member within a Family Out-of-Pocket Amount is met, the Plan will pay one hundred percent (100%) of the Allowable Charge for Network Covered Services, for that family member, for the remainder of the Benefit Period. No family member may contribute more than the Per Member within a Family Out-of-Pocket Amount towards satisfaction of the Family Out-of-Pocket Amount.
4. The following accrue to the Out-of-Pocket Amount:
  - a. Deductible Amounts;
  - b. Coinsurance; and
  - c. Copayments.

5. The following do not accrue to the Out-of-Pocket Amount:
  - a. any charges in excess of the Allowable Charge;
  - b. any penalties the Member or Provider must pay; and
  - c. charges for non-Covered Services.
6. Amounts paid by Members for Covered Services provided by Participating and Non-Participating (collectively Non-Network) Providers will accrue to the Out-of-Pocket Amount for Network Providers when required by law.

#### **E. Accumulator Transfers**

Members' needs sometimes require that they transfer from one policy to another. Types of transfers include, but are not limited to, moving from one Employer's plan to another, from a change in assignment to a different plan variation of the same Qualified Health Plan during a Benefit Period, from a group policy to an individual policy, an individual policy to a group policy, or a Blue Cross and Blue Shield of Louisiana policy to an HMO Louisiana, Inc. policy. The type of transfer being made determines whether the Member's accumulators are carried from the old policy to the new policy. Accumulators include, but are not limited to, Deductible Amounts, Out-of-Pocket Amounts, and Benefit Period maximums.

## **ARTICLE VI.**

## **MEDICAL AND SURGICAL BENEFITS**

Benefits for the following medical and Surgical services are available and may require Authorization. See the Schedule of Benefits to determine which services require Authorization. The Member must pay any applicable Deductible Amounts and Coinsurances shown on the Schedule of Benefits.

### **A. Surgical Services**

#### **1. Surgery**

- a. The Allowable Charge for Inpatient and Outpatient Surgery includes all pre-operative and post-operative medical visits. The pre-operative and post-operative period is defined and determined by Us and is that period of time which is appropriate as routine care for the particular surgical procedure.
- b. When performed in the Physician's office, the Allowable Charge for the Surgery includes the office visit. No additional Benefits are allowed toward charges for office visits on the same day as the Surgery.

#### **2. Multiple Medical or Surgical Services – When Medically Necessary multiple services (concurrent, successive, or other multiple medical or surgical services) are performed at the same encounter, Benefits will be paid as follows:**

##### **a. Primary Service**

- (1) The primary or major service will be determined by Us.
- (2) Benefits for the primary service will be based on the Allowable Charge.

##### **b. Secondary Service**

A secondary service is a service performed in addition to the primary service, as determined by Us. The Allowable Charge for any secondary service will be based on a percentage of the Allowable Charge that would be applied had the secondary service been the primary service.

##### **c. Incidental Service**

- (1) An incidental service is one carried out at the same time as a primary service as determined by Us.
- (2) Covered incidental services are not reimbursed separately. The Allowable Charge for the primary service includes coverage for any incidental service. If the primary service is not covered, any incidental service will not be covered.

##### **d. Unbundled Services**

- (1) Unbundling occurs when two (2) or more service codes are used to describe a medical or surgical service performed when a single, more comprehensive service code exists that accurately describes the entire medical or surgical service performed. The unbundled services are considered included in the proper comprehensive service code, as determined by Us.
- (2) The Allowable Charge of the comprehensive service code includes the charge for the unbundled services. We will provide Benefits according to the proper comprehensive service code, as determined by Us.

e. Mutually Exclusive Services

- (1) Mutually exclusive services are two (2) or more services that usually are not performed at the same operative session or encounter on the same patient, on the same date of service, and for which separate billings are made. Mutually exclusive services may also include different service code descriptions for the same type of services in which the Physician should be submitting only one (1) of the codes. One (1) or more of the duplicative services is not reimbursable as it should be reimbursed only one time.
- (2) The Allowable Charge includes all services performed at the same encounter. Any and all services, which are not considered Medically Necessary will not be covered.

3. Assistant Surgeon

An assistant surgeon is a Physician, licensed physician assistant, certified registered nurse first assistant (CRNFA), registered nurse first assistant (RNFA) or certified nurse practitioner. Coverage for an assistant surgeon is provided only if the use of an assistant surgeon is required with reference to nationally established guidelines. The Allowable Charge for the assistant surgeon is based on a percentage of the fee paid to the primary surgeon.

4. Anesthesia

- a. General anesthesia services are covered when requested by the operating Physician and performed by a certified registered nurse anesthetist (CRNA) or Physician, other than the operating Physician or the assistant surgeon, for covered surgical services. Coverage is also provided for other forms of anesthesia services as defined and approved by Us. Medical direction or supervision of anesthesia administration includes pre-operative, operative and post-operative anesthesia administration care.
- b. Anesthetic or sedation procedures performed by the operating Physician, his assistant surgeon, or an advanced practice registered nurse will be covered as a part of the surgical or diagnostic procedure unless We determine otherwise.
- c. Benefits for anesthesia will be determined by applying the Coinsurance to the Allowable Charge based on the primary surgical procedure performed. Benefits are available for the anesthesiologist or CRNA who performs the service. When an anesthesiologist medically directs or supervises the CRNA, payment may be divided between the medical direction or supervision and administration of anesthesia, when billed separately.

5. Second Surgical Opinion

Benefits are available for Consultation and directly related Diagnostic Services to confirm the need for elective Surgery. The Physician that provides a second or third opinion must not be the Physician who first recommended elective Surgery. A second or third opinion is not mandatory to receive Benefits.

2. Concurrent Care; and

5. Services of an Urgent Care Center.

### **D. Classification of Benefits as Medical Surgical (MS) Benefits Versus Mental Health/Substance Use Disorder (MH/SUD) Benefits**

1. Benefits shall be categorized as either Medical/Surgical (MS Benefits) Benefits or Mental Health (MH) and Substance Use Disorder (SUD) Benefits (collectively termed MH/SUD Benefits) according to the 10th revision of the International Statistical Classification of Diseases and Related Health Problems (ICD-10).
2. Specific Benefits offered and services provided may be mapped to either category of MS Benefits or MH/SUD Benefits depending on the diagnosis.
3. For purposes of the classification, the following definitions are applicable:
  - a. Medical/Surgical (MS) Benefits – Benefits with respect to items or services for medical conditions or surgical procedures, as defined under the terms of the Contract, and in accordance with applicable federal and state law, but not including MH/SUD Benefits.
  - b. Mental Health/Substance Use Disorder (MH/SUD) Benefits – Mental Health (MH) Benefits with respect to items or services for mental health conditions, as defined under the terms of the Contract and in accordance with applicable federal and state law. MH/SUD Benefits include conditions and diseases listed in the most recent edition of the International Statistical Classification of Diseases and Related Health Problems (ICD) as psychotic disorders, mood disorders, stress-related disorders, personality and mental retardation; other nonpsychotic mental disorders listed in the ICD, to be determined by Us; or disorders listed in the ICD requiring treatment for misuse or dependence upon substances such as alcohol, narcotics, or hallucinogens.

## ARTICLE VII.

### PRESCRIPTION DRUG BENEFITS

Coverage is available for Prescription Drugs. After the Deductible Amount has been met, Prescription Drugs dispensed at retail or through the mail will be provided at the applicable Coinsurance shown on the Schedule of Benefits. Generic Drugs and Brand-Name Drugs may be subject to different Coinsurances.

- A. The Prescription Drugs must be dispensed on or after the Member's Effective Date by a licensed pharmacist or a pharmacy technician under the direction of a licensed pharmacist, upon the prescription of a Physician or an Allied Health Professional who is licensed to prescribe drugs. Benefits are based on the Allowable Charge that We determine and only those Prescription Drugs that We determine are Medically Necessary will be covered. Certain Prescription Drugs may be subject to Step Therapy or require prior Authorization as shown on the Schedule of Benefits.
- B. Some pharmacies have contracted with Us or with Our Pharmacy Benefit Manager to accept a negotiated amount as payment in full for the covered Prescription Drugs that they dispense. These pharmacies are Participating Pharmacies. Benefits are based on the Allowable Charge as determined by Us. The Allowable Charge for covered Prescription Drugs purchased from Participating Pharmacies is based on the amount We pay Our Pharmacy Benefit Manager. We use the amount We pay Our Pharmacy Benefit Manager to base Our payment for the Member's Covered Prescription Drugs and the amount that the Member must pay for covered Prescription Drugs. To obtain contact information for Participating Pharmacies, the Member should contact Our customer service department or Our Pharmacy Benefit Manager at the telephone number on the ID card.
- C. The Member should present the ID card to the pharmacist when purchasing covered Prescription Drugs at a Participating Pharmacy. If the Member has not met his Deductible Amount, the Participating Pharmacy may collect one hundred percent (100%) of the discounted cost of the drug at the point of sale. If the Member has met his Deductible Amount, he will pay the Coinsurance shown on the Schedule of Benefits. The Participating Pharmacy will electronically submit the Claim for the Member.
- D. Prescription Drug Formulary

This Benefit Plan covers Prescription Drugs and uses a closed Prescription Drug Formulary. A Prescription Drug Formulary is a list of Prescription Drugs covered under this Benefit Plan. Within the Prescription Drug Formulary, drugs are placed on different tiers which represent varying cost share amounts. In general, Prescription Drugs on lower tiers will cost You less than drugs on higher tiers. For covered drugs that are listed on the formulary, Our Drug Utilization Management Program, more fully described in the section below, may apply.

Information about Your formulary is available to You in several ways. Most Members receive information from Us by accessing the pharmacy section of Our website [www.lablue.com/pharmacy](http://www.lablue.com/pharmacy) or request a copy by mail by calling Our Pharmacy Benefit Manager at the telephone number indicated on the ID card.

You may also contact Us at the telephone number on the ID card to ask whether a specific drug is included in Your formulary. If a Prescription Drug is on Your Prescription Drug Formulary, this does not guarantee that Your prescribing healthcare Provider will prescribe the drug for a particular medical condition or mental illness.

A closed formulary means that selected Brand-Name Drugs, Generic Drugs, and Specialty Drugs when listed on the formulary are covered. Drugs that are not listed on the closed formulary, also called non-formulary drugs, are not covered.

For Prescription Drugs that are not included in Our Prescription Drug Formulary, there is a drug formulary exception process. This process allows You, Your designee or Your prescribing healthcare Provider to ask for a formulary exception from Us. This request must be based on Medical Necessity. If the request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary. If the request is not approved, You may file an internal or external formulary exception request to Us.

## Prescription Drug Benefits (2-Tier)

1. After the applicable Deductible Amount has been met, Benefits for Prescription Drugs dispensed at retail or through the mail will be provided at the applicable Coinsurance shown on the Schedule of Benefits. Generic Drugs and Brand-Name Drugs may be subject to different Coinsurances.
2. If a formulary exception request is approved, You will receive coverage for the drug that is not on the Prescription Drug Formulary at the applicable Generic Drug or Brand-Name Drug cost share.

a. Tier 1: Generic Drugs

b. Tier 2: Brand-Name Drugs

### E. Drug Utilization Management Program

Our Drug Utilization Management Program features a set of closely aligned programs that are designed to promote Member safety, appropriate and cost-effective use of medications, and monitor healthcare quality. Examples of these programs include:

1. Prior Authorization – As part of Our Drug Utilization Management program, Members and/or Physicians must request and receive prior Authorization for certain Prescription Drugs and supplies in order to access Prescription Drug Benefits. The Schedule of Benefits contains a list of categories of Prescription Drugs that require prior Authorization. However, this list may change from time to time. The list of categories of Prescription Drugs that require prior Authorization is available for viewing on Our website at [www.lablue.com/pharmacy](http://www.lablue.com/pharmacy) or by calling the customer service telephone number on the ID card. If the Prescription Drug requires prior Authorization, the Member's Physician must call the medical Authorization telephone number on the ID card to obtain the Authorization. Failure to obtain an Authorization may result in Benefits being denied if the Prescription Drug is later determined not to be Medically Necessary.
2. Safety checks – Before the Member's prescription is filled, Our Pharmacy Benefit Manager or We perform quality and safety checks for usage precautions, drug duplication, and frequency of refills (e.g., refill prior to seventy-five percent (75%) day supply used).
3. Quantity Per Dispensing Limits/Allowances – Prescription Drugs selected by Us are subject to quantity limits per day supply, per dispensing event, or any combination thereof. Quantity Per Dispensing Limits/Allowances are based on the following: (a) the manufacturer's recommended dosage and duration of therapy; (b) common usage for episodic or intermittent treatment; (c) FDA-approved recommendations and/or clinical studies; or (d) as determined by Us.
4. Step Therapy – Certain drugs and/or drug classes are subject to Step Therapy. In some cases, We may require the Member to first try one (1) or more Prescription Drugs to treat a medical condition before We will cover another Prescription Drug for that condition. For example, if Drug A and Drug B both treat the Member's medical condition, We may require the Member's Physician to prescribe Drug A first. If Drug A does not work for the Member, then We will cover a prescription written for Drug B. However, if Your Physician's request for a Step B drug does not meet the necessary criteria to start a Step B drug without first trying a Step A drug, or if You choose a Step B drug included in the Step Therapy program without first trying a Step A alternative, You will be responsible for the full cost of the drug.
5. Step Therapy Overrides – Your healthcare Provider prescribing the Prescription Drug may request a Step Therapy override.
  - a. Step Therapy overrides are provided for stage-four advanced, metastatic cancer or associated conditions when certain criteria exist; step therapy overrides are also provided for other conditions when certain criteria are met.

- b. When a Step Therapy Override request is submitted, We will respond to the request within seventy-two (72) hours unless exigent circumstances exist, in which case We will respond to the request within twenty-four (24) hours. If We do not make the determination timely, then the override request is considered approved.
  - c. If a Step Therapy Override request is denied, an Appeal can be submitted.
- F. Select diabetic supplies, including, but not limited to, necessary continuous glucose monitors and associated supplies, insulin syringes, and test strips are covered under the Prescription Drug Benefits.
- G. When a Member purchases covered Prescription Drugs from a pharmacy that has not contracted with Us or with Our Pharmacy Benefit Manager or when a Member files a paper Claim with Us or with Our Pharmacy Benefit Manager, the Allowable Charge is the amount that the Company pays Our Pharmacy Benefit Manager for covered Prescription Drugs.
- H. Prescription Drugs purchased outside of the United States must be the equivalent to drugs that by Federal law of the United States require a prescription. For covered Prescription Drugs and supplies purchased outside of the United States, the Member should submit Claims on Our Prescription Drug Claim form. For information on how to file Claims for foreign Prescription Drug purchases, the Member should contact Us or Our Pharmacy Benefit Manager at the telephone number indicated on the ID card.
- I. As part of Our administration of Prescription Drug Benefits, We may disclose information about the Member's Prescription Drug utilization, including the names of Your prescribing Physicians, to any treating Physicians or dispensing pharmacies.
- J. Any savings or rebates We receive on the cost of drugs purchased under this Benefit Plan from drug manufacturers are used to stabilize rates. Members may be subject to an excess consumer cost burden when covered prescription drugs are purchased under this Benefit Plan. (La. R.S. 22:976.)

4. Colorectal Cancer Screening – Fecal Immunochemical Test (FIT) for blood, Cologuard (FIT-fecal) DNA testing, Computed Tomographic (CT) colonography, flexible sigmoidoscopy, or routine colonoscopy provided according to the most recently published recommendations which are required to be covered by applicable federal and/or state law for the ages, family histories and frequencies referenced in such recommendations.

Selected generic Physician prescribed colonoscopy preparation and supplies for routine colonoscopies covered under the Preventive or Wellness Care Benefit will be covered at no cost to the Member when obtained from a Network Pharmacy. Routine colorectal cancer screening does not mean services otherwise excluded from Benefits because the services are deemed by Us to be Investigational. Brand-name colonoscopy preparation and supplies will be covered at no cost to the Member only when the Physician prescribes brand-name colonoscopy preparation and supplies because the Member cannot tolerate selected generic colonoscopy preparation and supplies.

5. Bone Mass Measurement – scientifically proven tests for the diagnosis and treatment of osteoporosis if a Member is:

### A. Covered Services or Procedures

This Benefit Plan only covers the following services or procedures when determined by Us to be Medically Necessary:

1. Excision of tumors or cysts that do not originate from the teeth, gingiva (gums), and periodontal structures. Examples of covered tumors and cysts include salivary gland tumors or cysts and primary tumors of the mandible and maxilla, such as ameloblastoma and osteosarcoma. Cysts and tumors originating from the teeth, gingiva (gums), and periodontal structures, such as periapical cysts or abscesses and odontogenic cysts or keratocysts, are not covered. Excision of inflamed tissue related to periodontal disease is not covered.
2. Extraction of teeth when there is complete bony impaction of each tooth to be extracted.
3. Dental Care and Treatment required to correct Accidental Injuries of the jaws, cheeks, lips, tongue, roof or floor of mouth, and of Sound Natural Teeth when received within seventy-two (72) hours of the onset of the Accidental Injury. Treatment must be completed within twelve (12) months of the onset of the Accidental Injury to a Sound Natural Tooth to be covered. The damage must be the result of an Accidental Injury to a Sound Natural Tooth struck from outside the mouth as a result of major trauma, which does not include injury caused by chewing, biting, clenching, or grinding of teeth. Coverage is limited to extraction of teeth needed to avoid infection of teeth damaged in the Accidental Injury; suturing; reimplanting and stabilization of dislodged Sound Natural Teeth; repositioning and stabilization of partly dislodged Sound Natural Teeth; and appropriate plain film dental x-rays. If multiple treatment options exist, coverage will only be available for the least costly Medically Necessary treatment option.

The definitions of Accidental Injury and Sound Natural Tooth are those set forth in Article II of this Benefit Plan.

4. Excision of exostoses or tori of the jaws and hard palate when required for the fitting of a covered denture.
5. Anesthesia in any non-Hospital setting (for example, an Allied Health Facility, Ambulatory Surgical Center, or Office), including general anesthesia (e.g., monitored anesthesia care) and conscious sedation, when used for Medically Necessary Covered Services or procedures and when rendered or supervised by a Provider with a dental degree and the requisite training. Local anesthesia is always considered incidental to the covered dental service or procedure and is not eligible for separate reimbursement. Anesthesia for dental services is only reimbursable under this Benefit Plan when performed in conjunction with a Medically Necessary covered dental service or procedure that is covered under this Benefit Plan. If treatments, services or procedures are covered under the Member's separate or standalone dental plan, if applicable, then anesthesia is not covered under this Benefit Plan for such treatments, services or procedures.
6. Anesthesia when rendered in a Hospital or outpatient surgical facility and for associated Hospital or facility charges when the Member's mental or physical condition requires dental treatment, services, or procedures to be rendered in a Hospital or outpatient surgical facility. Covered conditions include:
  - a. Member is less than six (6) years old.
  - b. Member has a severe disability including, but not limited to, epilepsy with a history of uncontrolled seizures; Mental Disorders or mental conditions such as autism or schizophrenia, Down syndrome, or severe cerebral palsy that have been documented in the Member's medical history by a Physician.

- d. Requirement for immediate and comprehensive treatment that threatens the patency of the Member's airway.
- e. Requirement for significant restorative or surgical procedures that have not been able to be successfully provided to the Member using behavior guidance in the dental office, including communication techniques, parental presence or absence, nitrous oxide and oxygen inhalation, protective stabilization or oral sedation.
- f. Local anesthesia for the Member is contraindicated because of acute infection, anatomic variations that prevent adequate anesthesia or allergies to the medication.
- g. Other conditions in which a Physician has certified that general anesthesia in a Hospital setting is Medically Necessary for the Member or when other methods of behavior guidance in the dental office have been tried and documented to be unsuccessful for the Member, including communication techniques, parental presence or absence, nitrous oxide and oxygen inhalation, protective stabilization or oral sedation.

Coverage is not available for conditions not listed above. Coverage based solely on a Member's level of fear or anxiety about a procedure is not covered unless it is documented in the Member's medical history that all other forms of behavior guidance noted above have been tried and failed. Because Temporomandibular Joint (TMJ) Disorders are not covered under this Benefit Plan, anesthesia for Temporomandibular Joint (TMJ) Disorders is also not covered under this Benefit Plan.

- 7. Benefits are available for dental services not otherwise covered by this Benefit Plan, when specifically required to restore bodily function for head and neck cancer patients. ## **ORGAN, TISSUE AND BONE MARROW TRANSPLANT BENEFITS**

Authorization is required for the evaluation of a Member's suitability for all solid organ and bone marrow transplant procedures. For the purposes of coverage under this Benefit Plan, all autologous procedures are considered transplants.

Under federal law, health insurance issuers generally may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the issuer may pay for a shorter stay if the attending Provider (e.g., Your Physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, an issuer may not, under federal law, require that a Physician or other healthcare Provider obtain Authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain Providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain prior Authorization. For information on prior Authorization, contact Our customer service department at the number on the ID card.

### **A. Definitions that Apply Only to the Pediatric Dental Care Benefits**

1. Allowable Charge – The lesser of the billed charge or the amount established by UCD as the greatest amount this plan will allow for a specific service covered under the terms of this plan.
2. Amalgam – A durable metal alloy comprised of silver, copper, tin and mercury, used in dental restorations.
3. Authorization (Authorized) – A determination by UCD regarding a dental healthcare service or supply which, based on the information provided, satisfies the clinical review criteria requirement for Medical Necessity, appropriateness of the healthcare setting, or level of care and effectiveness. An Authorization is not a guarantee of payment. Additionally, an Authorization is not a determination about the Member's choice of Provider.
4. Benefits – Coverage for dental services, treatments or procedures provided under this Benefit Plan. Benefits are based on the Allowable Charge for Covered Services and the Schedule of Benefits.
5. Claim – A Claim is written or electronic proof, in a form acceptable to UCD, of charges for Covered Services that have been incurred by a Member during the time period the Member was insured under this Benefit Plan. The provisions in effect at the time the service or treatment is received shall govern the processing of any Claim expense actually incurred as a result of the service or treatment rendered.
6. Coinsurance – The sharing of Allowable Charges for Covered Services. The sharing is expressed as a percentage. Once the Member has met any applicable Deductible, Company's percentage will be applied to the Allowable Charge for Covered Services to determine the Benefits provided.

7. Cosmetic Surgery/Treatment – Any procedure or any portion of a procedure performed primarily to improve physical appearance and/or treat a mental condition through change in bodily form. A procedure, treatment or service will not be considered Cosmetic Surgery or treatment if that procedure, treatment or service restores bodily function or corrects deformity of a part of the body that has been altered as a result of Accidental Injury, disease or covered Surgery.
8. Covered Service – A service or supply specified in this plan for which Benefits are available when rendered by a Provider.
9. Crown – A tooth-shaped cap that is placed over a tooth to cover it and restore its shape and size, strength, and improve its appearance. When a Crown is cemented into place, it fully encases the entire visible portion of a tooth that lies at and above the gum line.
10. Deductible – The dollar amount, if shown on the Schedule of Benefits, of Allowable Charges for Covered Services that each Member must pay within a Benefit Period before payments are made under this plan. If shown on the Schedule of Benefits, the Deductible may be waived for certain services.
11. Dental Care and Treatment – All procedures, treatment, and Surgery considered to be within the scope of the practice of dentistry, which is defined as that practice in which a person:
  - a. represents himself/herself as being able to diagnose, treat, correct, operate, or prescribe for any disease, pain, injury, deficiency, deformity, or physical condition of the human teeth, alveolar process, gums, or jaws or associated parts and offers or undertakes by certain means to diagnose, treat, correct, operate, or prescribe for any disease, pain, injury, deficiency, deformity, or physical condition of the same;
  - b. takes impressions of the human teeth or jaws or performs any phase of any operation incident to the replacement of a tooth or part of a tooth or associated tissues by means of a Filling, Crown, denture, or other appliance; or
  - c. furnishes, supplies, constructs, reproduces, or repairs or offers to furnish, supply, construct, reproduce, or repair Prosthetic Dentures, bridges, or other substitute for natural teeth to the user or prospective user.
12. Dental Implants – An artificial device that replaces the tooth root and may anchor an artificial tooth, bridge or denture.
13. Dental Necessity or Dentally Necessary – A dental service or procedure that is determined by UCD to either establish or maintain a patient's dental health based on professional diagnostic judgment and the prevailing standards of care in the professional community. The determination will be made by a Dentist in accordance with guidelines established by UCD.
14. Dentist – A person licensed to practice dentistry in the state in which dental services are provided. Dentist will include other duly licensed dental practitioners under the scope of the individual's license when state law requires independent reimbursement of such practitioners.
15. Endodontic (Pulpal) Therapy – A dental procedure that is performed when the decay in a child's tooth reaches into the pulp (nerve) tissue. The infected part of the nerve tissue within the crown portion of the tooth is removed to prevent further inflammation and spread of disease (caries). During this treatment, the diseased pulp tissue is partially or completely removed from both the crown and the roots of the tooth. The canals are cleansed, disinfected, and filled with a special material.
16. Filling – A dental restorative material used to restore the function, integrity and form of missing tooth structure, which may result from caries or external trauma.
17. Fluoride Treatment – Fluoride is a chemical substance that helps prevent tooth decay by making the tooth more resistant to acid attacks from plaque bacteria and sugars in the mouth. It also reverses early decay. Fluoride treatment refers to the direct application of a substance containing this substance to the tooth enamel.

18. Gingivectomy – Surgical removal of gum tissue.
19. Gingivoplasty – A surgical procedure to reshape or repair the gums.
20. Inlay – A custom-made solid substance that is fitted into a cavity in a tooth between the cusps, which is cemented into place to restore its biting surface.
21. Occlusal Guard – A horseshoe shaped piece of plastic which is worn over the teeth to protect them against damage caused by clenching or grinding. It works by creating a physical barrier between the patient's upper and lower teeth so that he/she bites against the plastic rather than wearing down his/her teeth.
22. Onlay – A custom-made solid substance that works like an Inlay but covers one (1) or more cusps or the entire biting surface of the tooth. It is usually used when the tooth is too damaged to support an Inlay, but not damaged enough to require a Crown.
23. Orthodontics – A dental specialty that treats misalignment of teeth.
24. Periodontal Scaling and Root Planing – The process of removing or eliminating etiologic agents (dental plaque, its products, and calculus) which cause inflammation, and help to maintain disease-free tissues that surround and support the teeth.
25. Prefabricated Stainless Steel Crown – A Crown made of stainless steel that is premanufactured in a variety of sizes and are intended to be fitted upon a child's primary tooth which is damaged, to simulate its original form, decrease the risk of future cavities, save the proper amount of space for the eruption of the permanent tooth, and restore the child's ability to bite and chew.
26. Prosthetic Dentures – Prosthetic devices constructed to replace missing teeth, and which are supported by surrounding soft and hard tissues of the oral cavity. Conventional dentures are removable, however there are many different denture designs, some which rely on bonding or clasping onto teeth or Dental Implants.
27. Provider – A Physician or Dentist, or Allied Health Professional, licensed where required, performing within the scope of license, and approved by UCD. If a Provider is not subject to state or federal licensure, We have the right to define all criteria under which a Provider's services may be offered to Our Members in order for Benefits to apply to a Provider's Claims. Claims submitted by Providers who fail to meet these criteria will be denied.
  - a. Participating Provider – A Provider that has a Provider Agreement with the United Concordia Dental Advantage Plus Network to render Covered Services to a Member.
  - b. Non-Participating Provider – A Provider that does not have a Provider Agreement with the United Concordia Dental Advantage Plus Network to render Covered Services to a Member.
28. Provider Agreement – An agreement for payment contracted by UCD with Participating Providers. These agreements establish the actual payments which will be made to the Participating Provider.
29. Resin-Based Composite – Material composed of plastic with small glass or ceramic particles, which resemble the appearance of natural teeth.
30. Sealant – Plastic material usually applied to the chewing surfaces of the back teeth (premolars and molars) where decay occurs most often, so that they act as a barrier to prevent cavities.
31. Space Maintainer – Besides being useful for chewing, baby teeth also act as a guide for the eruption of the permanent teeth that replaces them. If a baby's tooth is lost too early, the permanent tooth that comes after it loses its guide, so it could drift or erupt into the wrong position in the mouth. Neighboring teeth also can move or tilt into the space, reducing the space available for the permanent tooth to come out. Space Maintainers are appliances used when a baby tooth is lost too early to help make room for the permanent tooth it was intended to guide.

32. Temporomandibular Joint (TMJ) Disorders – Disorders resulting in pain or dysfunction of the temporomandibular joint which arise out of rheumatic disease, dental occlusive disorders, internal or external joint stress, or other causes. Temporomandibular Joint (TMJ) Disorders do not include pain or dysfunction of the temporomandibular joint caused by acute dental conditions (e.g., caries or periodontal disease), acute and chronic sinus disease, carotidynia, cervical spine pathology, disorders of the salivary glands, otologic (ear) disorders, neuralgias of the head and neck, and headache syndromes (migraine, cluster and/or tension).
33. UCD – United Concordia Companies, Inc. d/b/a United Concordia Dental, the Network and Claims Administrator for the Pediatric Dental Care Benefits in this plan and oral Surgery provided by an Advantage Plus Network Participating Provider.

## **F. Pre-Determination**

Predetermination of dental Benefits is a service available through UCD. This Benefit review in advance of treatment enables You and Your Dentist to see what services are covered by the plan and what Your cost share and other costs would be.

Predetermination should not be requested unless total charges for a proposed treatment plan exceed \$200. You may ask Your Dentist to submit a predetermination request. UCD will then provide a summary of covered expenses and payable amounts.

Please note that predeterminations are not designed to be used for Emergency treatments or routine preventive services such as exams, x-rays or cleanings. A predetermination is not an Authorization. When a Covered Service needs to be Authorized, a formal Authorization request prior to service will have to be submitted.

## **G. Alternate Benefits**

If UCD determines that a less costly Covered Service other than the Covered Service the Dentist performed could have been performed to treat a dental condition, We will pay Benefits based upon the less costly service if such service would produce a professionally acceptable result under generally accepted dental standards. If the Member and the Dentist choose the more expensive treatment, the Member will be responsible for the additional charges, beyond those allowed under this clause. This limitation does not apply to covered implantology services.

Alternate Benefits applicable to Your treatment plan will be determined during Authorization. However, should the services billed differ from those Authorized, UCD reserves the right to determine if an Alternate Benefit is applicable to the actual services rendered.

## **H. Coordination of this Section with Stand-Alone Dental Contracts**

If a Member has stand-alone coverage for dental Benefits that includes coverage for the Benefits provided for under this Benefit Plan, the dental Benefits under the stand-alone coverage will be determined first. Then, the Benefits under this Section will be determined on a secondary basis and will be reduced, so that no more than the full amount of the Allowable Charge is paid under all the dental Benefits for the same Claim or service.

## **I. Benefit Extension Period After Termination of Coverage**

1. The dental coverage under this Section will be extended after the date the coverage for the Member terminates only if:
  - a. A covered Benefit for such service was incurred while coverage was in effect; and

We have the right to determine if billing was appropriate and contains the required elements for Us to process the Claim.

## ARTICLE XVIII. CARE MANAGEMENT

For a list of items and services that require Authorization, visit the website, [www.lablue.com/priorauth](http://www.lablue.com/priorauth).

### A. Authorization of Admissions, Services and Supplies, Selection of Provider and Penalties

#### 1. Authorization and Selection of Provider

Benefits will be paid at the highest Network level when care is received from a Network Provider. Participating and Non-Participating Providers are Non-Network Providers.

- a. If a Member wants to receive services from a Non-Network Provider and obtain Network Benefits, the Member must notify Our care management department before services are rendered. We will approve the use of a Non-Network Provider only if We determine that the services **cannot** be provided by a Network Provider within a seventy-five (75) mile radius of the Member's home. The Non-Network Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number on the ID card, or follow the instructions in the Provider Manual, if available to the Non-Network Provider.
- b. A request will not be approved for a Non-Network Provider outside the seventy-five (75) mile radius if there is a Network Provider who can perform the same or other appropriate Medically Necessary services to diagnose or treat the Member within the distance the Member is willing to travel to receive care from the proposed Non-Network Provider, no matter how many miles that may be. For example, if the proposed Non-Network Provider is located one hundred (100) miles away and there is a Network Provider capable of providing the same or other appropriate Medically Necessary services to diagnose or treat the individual one hundred (100) miles away or less, the approval will not be granted for the Non-Network Provider.
- c. We must approve the use of the Non-Network Provider and issue any required Authorization before services are rendered. If We do not approve use of the Non-Network Provider and issue an Authorization prior to services being rendered, Covered Services that are later determined to be Medically Necessary will be paid at the lower Non-Network Provider level shown on the Schedule of Benefits.
- d. If We do approve the use of a Non-Network Provider, that Provider may or may not accept the Member's Deductible Amount and Coinsurance at the time services are rendered. We will pay Benefits up to the Allowable Charge for Covered Services rendered by an approved Non-Network Provider who has obtained any required Authorization prior to services being rendered. We will deduct from Our payment the amount of the Member's Deductible Amount and Coinsurance whether or not the Deductible Amount and Coinsurance is accepted by the Non-Network Provider.

**An Authorization of Medical Necessity is not an approval of the use of a Non-Network Provider. These are two separate functions.**

#### 2. Penalties for Failure to Obtain Authorization – Admissions, Outpatient Services and Other Covered Services and Supplies

If a required Authorization is not requested prior to Admission or receiving other Covered Services and supplies requiring an Authorization, We will have the right to determine if the Admission or other Covered Services and supplies were Medically Necessary.

If the Admission or other Covered Services and supplies were not Medically Necessary, the Admission or other Covered Services and supplies will not be covered and the Member must pay all charges incurred.

If the Admission or other Covered Services were Medically Necessary, Benefits will be provided based on the participating status of the Provider rendering the services, as follows:

a. Admissions

- (1) If a Network Provider or a Participating Provider fails to obtain a required Authorization, We will reduce Allowable Charges by the penalty stipulated in the Provider's contract with Us or with another Blue Cross and Blue Shield plan. The Network Provider or Participating Provider is responsible for all charges not covered. The Member remains responsible for any applicable Deductible Amount and Coinsurance shown on the Schedule of Benefits.
- (2) If a Non-Participating Provider fails to obtain a required Authorization, We will reduce Allowable Charges by the penalty if shown on the Schedule of Benefits. The Member is responsible for all charges not covered and for any applicable penalty, Deductible Amount and Coinsurance shown on the Schedule of Benefits.

b. Outpatient Services, Including Other Covered Services and Supplies

- (1) If a Network Provider fails to obtain a required Authorization, We may reduce the Allowable Charge by the penalty stipulated in the Provider's contract. This penalty applies to all Outpatient services and supplies requiring an Authorization. The Network Provider is responsible for all charges not covered. The Member remains responsible for any applicable Deductible Amount and Coinsurance shown on the Schedule of Benefits.
- (2) If a Non-Network Provider fails to obtain a required Authorization, Benefits will be paid at the lower Non-Network level shown on the Schedule of Benefits. The Member is responsible for all charges not covered and for any applicable Deductible Amount and Coinsurance shown on the Schedule of Benefits.
- (3) If a service or supply was not Medically Necessary, the service or supply is not covered.
- (4) If a Provider fails to obtain a required Authorization for the Outpatient services and supplies which indicate no Benefit without prior Authorization on the prior Authorization list, the Outpatient services and supplies are not covered.

3. Authorization of Admissions

a. Authorization of Elective Admissions

The Member is responsible for ensuring that the Provider notifies Our care management department of any Elective or non-Emergency Inpatient Hospital Admission. The Company must be notified prior to the Admission regarding the nature and purpose of any Elective Admission or non-Emergency Admission to a Hospital's Inpatient department. To notify Us prior to the Admission, the Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number on the ID card or follow the instructions in the Provider Manual, if available to the Provider or facility. The most appropriate setting for the elective service and the appropriate length of stay will be determined by the Company when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If a request for prior Authorization is denied, the Admission is not covered and the Member must pay all charges incurred during the Admission for which Authorization was denied.
- (2) If Authorization is not requested prior to an Admission, We have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.

- (3) Additional amounts for which the Member is responsible because Authorization of an Elective or non-Emergency Inpatient Hospital Admission was denied or not requested are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

b. Authorization of Emergency Admissions

It is the Member's responsibility to ensure that the Physician or Hospital, or a representative thereof, notifies Our care management department of all Emergency Admissions. Within forty-eight (48) hours of the Emergency Admission, We must be notified regarding the nature and purpose of the Emergency Admission. The facility or Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number on the ID card or follow the instructions in the Provider Manual, if available to the Provider or facility. We may waive or extend this time limitation if We determine that the Member is unable to timely notify or direct the representative to notify Us of the Emergency Admission. In the event the end of the notification period falls on a holiday or weekend, We must be notified on the next working day. The appropriate length of stay for the Emergency Admission will be determined by Us when the Hospital Inpatient setting is documented to be Medically Necessary.

- (1) If Authorization is denied, the Admission will not be covered and the Member must pay all charges incurred during the Admission.
- (2) If Authorization is not requested, We will have the right to determine if the Admission was Medically Necessary. If an Admission was Medically Necessary, Benefits will be provided based on the participating status of the Provider.
- (3) Additional amounts for which the Member is responsible because Authorization of an Emergency Admission was denied or not requested are considered non-covered and will not accrue to the Out-of-Pocket Amount.

c. Concurrent Review

When We Authorize a Member's Inpatient stay, We will Authorize the stay in the Hospital for a certain number of days. If the Member has not been discharged on or before the last Authorized day, and the Member needs additional days to be Authorized, the Member must make sure the Physician or Hospital contacts Us to request Concurrent Review for Authorization of additional days. This request for continued hospitalization must be made on or before the Member's last Authorized day so We can review and respond to the request that day. If We Authorize the request, We will again Authorize a certain number of days, repeating this procedure until the Member is either discharged or the Member's continued stay request is denied. To request Concurrent Review for Authorization of additional days, the Provider should contact Our care management department at the telephone number shown on the Schedule of Benefits, Our customer service department at the telephone number on the ID card or follow the instructions in the Provider Manual, if available to the Provider or facility.

- (1) If We do not receive a request for Authorization for continued stay on or before the Member's last Authorized day, no days are approved past the last Authorized day, and no additional Benefits will be paid unless We receive and Authorize another request. If at any point in this Concurrent Review procedure a request for Authorization for continued stay is received and We determine that it is not Medically Necessary for the Member to receive continued hospitalization or hospitalization at the level of care requested, We will notify the Member and his Providers, in writing, that the request is denied and no additional days are Authorized.
- (2) If We deny a Concurrent Review request or level of care request for Hospital Services, We will notify the Member, the Physician and the Hospital of the denial. If the Member elects to remain in the Hospital as an Inpatient thereafter, or at the same level of care, the Member will not be responsible for any charges unless the Member is notified of the financial responsibility by the Physician or Hospital in advance of incurring additional charges.

- (3) Charges for non-Authorized days in the Hospital that the Member must pay are considered non-covered and will not accrue to the Deductible Amount or Out-of-Pocket Amount.

4. Authorization of Outpatient Services, Including Other Covered Services and Supplies

Certain services, supplies, and Prescription Drugs require Our Authorization before a Member receives the services, supplies, or Prescription Drugs. The Authorizations list is shown on the Member's Schedule of Benefits. The Member is responsible for making sure the Provider obtains all required prior Authorizations before the services, supplies, or Prescription Drugs are received. We may need the Member's Provider to submit medical or clinical information about the Member's condition. 3. Coverage continues, as long as premium is paid timely, until the earliest of:
  - a. the date premium is due and is not paid on a timely basis;
  - b. the date the surviving Spouse or a Dependent becomes eligible for Medicare;
  - c. the date the surviving Spouse or a Dependent becomes eligible to participate in another group health plan;
  - d. the date the surviving Spouse remarries or dies;
  - e. the date this Group Benefit Plan ends; or
  - f. the date a Dependent is no longer eligible.

### **B. State Continuation**

State continuation is available only if the Group is not subject to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA) and any amendments thereto. The Subscriber or the Dependent requesting continuation must have been continuously covered under this Benefit Plan (or another group policy that this Benefit Plan replaced) for the three (3) consecutive months immediately preceding the date this coverage would otherwise have ended.

1. A Subscriber or a Dependent may be entitled to continue the coverage under this Benefit Plan when eligibility for coverage ends because of:
  - a. the death of the Subscriber;
  - b. the termination of the Subscriber's active employment; or
  - c. the divorce of the Subscriber.

2. Continuation of coverage for a Subscriber or a Dependents is not available if:
- a. within thirty-one (31) days of termination of coverage, the Subscriber or the Dependent is or could have been covered by other group coverage or a government-sponsored health plan such as Medicare or Medicaid;
  - b. the coverage under this Benefit Plan terminated due to fraud or the failure to pay any required contribution to premium; or
  - c. the Subscriber or the Dependent is eligible for continuation of coverage under COBRA.

To elect continuation of coverage under this section, the Subscriber or the Dependent must notify the Group in writing of the election to continue this Benefit Plan and must pay any required contribution to the Group in advance. The initial contribution must be paid no later than the end of the month following the month in which the event occurred that made the Subscriber or the Dependent eligible. If a Dependent is eligible due to divorce, the event shall be deemed to have occurred on the date of the judgment of divorce. A form to continue coverage is available from the Group.

3. Continuation of insurance under the Group Benefit Plan for any Subscriber or Dependent Covered Person shall terminate on the earliest of the following dates:
- a. twelve (12) calendar months from the date coverage would have otherwise ended;
  - b. the date ending the period for which the Subscriber or the Dependent makes the last required premium contribution for the coverage;
  - c. the date the Subscriber or the Dependent becomes or is eligible to become covered for similar Benefits under any arrangement of coverage for individuals in a group, whether insured or uninsured, including Medicare or Medicaid;
  - d. the date on which the group terminates this Benefit Plan; or
  - e. the date on which an enrolled Subscriber or Dependent of a health maintenance organization legally resides outside the service area of the Company.

### **C. COBRA Continuation Coverage**

The following provisions are applicable only if the Group is subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) and any amendments thereto. Please refer to the Group Human Resources Manager or Benefits Manager for details about COBRA, or the applicability of COBRA to this plan.

#### What is COBRA continuation coverage?

In accordance with COBRA law, the employees and eligible dependents of certain employers may have the opportunity to continue their employer-sponsored healthcare coverage for a limited time, when there is a life event (also known as a qualifying event) that would otherwise result in the loss of coverage under the employer's plan. When a qualifying event causes such loss of coverage, COBRA continuation coverage must be offered to each person who is a qualified beneficiary. The Subscriber, the Subscriber's Spouse and the Subscriber's Dependents are listed under the law as the qualified beneficiaries. COBRA continuation coverage offers the same coverage that the plan gives to other participants or beneficiaries who are not receiving continuation coverage. The qualified beneficiary may be required to pay the full cost of the continuation coverage for its entire duration.

### Do I have other alternatives to COBRA continuation coverage?

COBRA continuation coverage is not the only alternative Members may have when they lose coverage under this plan. You and Your family may have other coverage options.

For example, You could qualify to buy individual coverage through the Health Insurance Marketplace. Losing coverage under this Benefit Plan gives You a special enrollment opportunity in the Marketplace, even when it happens outside of the Marketplace's Open Enrollment Period. You have sixty (60) days from when You lose coverage under this Benefit Plan to apply for special enrollment through the Marketplace. In the Marketplace, You could be eligible for a tax credit that lowers Your monthly premiums right away, and You can see what Your premium, Deductible Amounts, and Out-of-Pocket Amounts will be before You make a decision to enroll. Being eligible for COBRA does not limit Your eligibility for coverage or for a tax credit through the Marketplace. However, it is important that You know that if You or any of Your Dependents choose COBRA continuation coverage instead of Marketplace coverage, You will lose the special enrollment opportunity for the Marketplace, and You will not be able to enroll until the Marketplace's normal enrollment period opens or Your COBRA continuation coverage is exhausted.

Additionally, You may qualify for a special enrollment opportunity for another group health plan for which You are eligible (such as a Spouse's plan), even if the plan generally does not accept late enrollees, if You request enrollment within thirty (30) days from losing coverage under this Benefit Plan.

Therefore, consider all Your options so You choose the one that better fits Your needs and budget.

### What if I choose to get COBRA continuation coverage?

**If You and Your Dependents are qualified beneficiaries and choose to get COBRA continuation coverage, You must follow all notice and time period requirements described below or You will lose Your rights.** If the Group requires shorter time periods than those stated herein, the shorter time periods of the Group apply.

### What are the qualifying events?

A qualifying event is any of the following events:

1. termination of employment of a covered Employee for reasons other than gross misconduct;
2. loss of eligibility by a covered Employee due to a reduction in the number of work hours of the Employee;
3. death of a covered Subscriber;
4. divorce or legal separation between a covered Subscriber and his or her Spouse;
5. the covered Subscriber becomes entitled to Medicare benefits resulting in the loss of coverage for Dependents;
6. a Dependent child ceases to be an eligible Dependent under the terms of this Benefit Plan; or
7. the Employer files for a Chapter 11 bankruptcy proceeding, but only with respect to covered former Employees who retired from the Employer at any time.

NOTE: Special rules apply for certain retirees and their dependents who lose coverage because of an employer's Chapter 11 bankruptcy. In this event, certain retirees may elect lifetime COBRA coverage. Eligible dependents of retirees may continue coverage until the retiree's death. When the retiree dies, dependents may elect an additional thirty-six (36) months of coverage from the date of the retiree's death. In all cases, these qualified beneficiaries must pay for the coverage elected. COBRA coverage under these circumstances will terminate early for a number of reasons including, but not limited to: the employer ceases to provide any group health plan to any employees or the qualified beneficiaries fail to pay the required premiums or become covered under another employer's group health plan that does not exclude or limit benefits for a qualified beneficiary's Pre-Existing Conditions. COBRA continuation coverage rights under Chapter 11 bankruptcy proceedings will be determined by the bankruptcy court, and the coverage eligible beneficiaries could receive may not be the same as the ones they had under the retiree plan before the employer filed for Chapter 11 bankruptcy.

#### Do I have to provide notification of any qualifying event?

The qualified beneficiary must give notice of the following qualifying events to the Group within sixty (60) days of the event:

1. divorce or legal separation;
2. becoming entitled to Medicare; or
3. a Dependent losing eligibility for coverage as a dependent child.

The Group will advise a qualified beneficiary of their rights under COBRA when any qualifying event occurs or after the timely notice of a qualifying event when such notice is required to be given by the qualified beneficiary.

#### What do I have to do to get COBRA continuation coverage?

To elect continuation coverage, the qualified beneficiary must complete a COBRA election form and furnish it to the Group timely. The option to elect continuation coverage will be offered during a period which:

1. begins no later than the date on which a Member otherwise would lose coverage under the Group health plan (the coverage end date); and
2. ends sixty (60) days after the coverage end date or sixty (60) days after the Member is notified of their right to continue coverage, whichever is the latest.

Each qualified beneficiary has a separate right to elect continuation coverage. For example, the Employee's Spouse may elect continuation coverage even if the Employee does not. Continuation coverage may be elected for only one, several or for all Dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of the Dependent children. The Employee or the Employee's Spouse can elect continuation coverage on behalf of all the qualified beneficiaries.

#### How much will I have to pay for COBRA continuation coverage?

A Member may be required to pay the entire cost of continuation coverage (including both Employer and Employee contributions) plus an amount to cover administrative expenses. If continuation of coverage is elected, the qualified beneficiary must make the first payment for continuation coverage within forty-five (45) days after the date of the election. If the qualifying beneficiary does not make the correct first payment in full within the forty-five (45) day period, all COBRA continuation coverage rights are lost. Timely monthly payments are required thereafter to keep coverage. A Member may not receive notice of payments due.

#### When will COBRA continuation coverage begin and how long will it last?

Once elected, COBRA continuation of coverage will begin on the coverage end date and will terminate on the earliest of the following events:

1. eighteen (18) months after the qualifying event in the case of termination of employment or reduction in work hours. When the Employee became entitled to Medicare benefits less than eighteen (18) months before the termination of employment or reduction of work hours, continuation coverage for qualified beneficiaries other than the Employee will last the longer of thirty-six (36) months from the date of Medicare entitlement or eighteen (18) months from the qualifying event; or
2. thirty-six (36) months after the qualifying event when such event is other than termination of employment or reduction of work hours; or
3. the date the Employer ceases to maintain any group health plan for its Employees; or
4. the date coverage ceases because of nonpayment of required premiums when due; or
5. the date the qualified beneficiary first becomes covered under another group health plan and benefits under that other plan are not excluded or limited with respect to a Pre-Existing Condition (NOTE: There are

limitations on plans imposing Pre-Existing Condition exclusions and such exclusions became prohibited in 2014 under the Affordable Care Act).; or

6. the date the qualified beneficiary becomes entitled to Medicare (under Part A, Part B, or both).

Can I extend my COBRA continuation coverage?

A qualified beneficiary's right to COBRA continuation coverage will never last longer than thirty-six (36) months from the qualifying event. This maximum duration period cannot be extended, regardless of the circumstances.

Those that are receiving eighteen (18) months of continuation coverage can extend their period, as explained below, if they undergo a second qualifying event or are declared disabled by the Social Security Administration during that original eighteen (18) month period.

If a qualified beneficiary experiences a second qualifying event other than the termination of employment or reduction of work hours while receiving eighteen (18) months of COBRA continuation of coverage, the Dependents who were qualified beneficiaries at the time of the first qualifying event, and elected COBRA continuation coverage, may qualify for up to eighteen (18) additional months of continuation of coverage, for a maximum of thirty-six (36) months. This extension may be available to Dependents receiving continuation of coverage if:

1. the Employee or former Employee dies;
2. the Employee or former Employee becomes entitled to Medicare (under Part A, Part B, or both);
3. the Employee or former Employee and Dependent Spouse divorce;
4. the Dependent child is no longer eligible under the plan as a Dependent.

The second qualifying event is applicable only if the event would have caused the Dependent to lose coverage under the plan had the first qualifying event not occurred. Qualified beneficiaries must notify the Group within sixty (60) days after the date of a second qualifying event to extend the COBRA continuation coverage.

The eighteen (18) months of continuation coverage may also be extended to a maximum of twenty-nine (29) months if a qualified beneficiary is disabled at some time during the first sixty (60) days of COBRA coverage and is determined to be disabled (as determined under Title II, or XVI of the Social Security Act) by the Social Security Administration during the original eighteen (18) months of COBRA coverage.

This eleven (11) month extension is available to all eligible individuals who are qualified beneficiaries and elected COBRA continuation coverage for the original eighteen (18) months. The qualified beneficiary must notify the Group of the disability determination before the end of the initial eighteen (18) month COBRA period and within sixty (60) days from the date of the notice from the Social Security Administration of the determination of disability.

The qualified beneficiary must also notify the Group within thirty (30) days of any final determination by the Social Security Administration that the qualified beneficiary is no longer disabled. In this case, coverage will end the earliest of twenty-nine (29) months after the date of the qualifying event or the first day of the month that begins more than thirty (30) days after a final determination that the qualified beneficiary is no longer disabled, subject to the original eighteen (18) months of COBRA coverage.

#### **D. Keep Your Group Informed of Address Changes**

To protect Your and Your family's rights, You should keep the Group informed of any changes in Your address and the addresses of family members. You should also keep a copy, for Your records, of any notices You send to the Group or Plan Administrator.

## **E. Employee Rights Under the Uniformed Services Employment and Reemployment Rights Act (USERRA)**

Employees going on a military leave of absence to perform service in the United States uniformed services (as that term is defined under USERRA) may elect to continue coverage under this Benefit Plan for up to 24 months from the date that the Employee leaves for service. Only a covered Employee may elect continuation coverage under USERRA for himself/herself and for those eligible Dependents that were covered under the Plan immediately before him/her leaving for military service. Dependents do not have any independent right to elect USERRA continuation coverage.

To claim USERRA continuation coverage, the Employee must properly notify the Employer that he/she is leaving to perform service in the uniformed services and apply for continuation coverage as required by the Employer.

An Employee who elects USERRA continuation coverage may be required to pay a premium. If the leave of absence lasts thirty (30) days or less, the person may be required to pay the Employee's required contribution for coverage. However, if the military leave of absence lasts more than thirty (30) days, the person may be required to pay up to 102% of the full contribution under the Plan (including both, the Employer's and the Employee's contribution for coverage).

USERRA continuation coverage may be terminated before the maximum 24-month period if:

1. the Employee fails to pay the required premiums timely, or
2. the day after the date on which the Employee is required under the law to apply for or return to a position of employment and fails to do so.

Employers subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) may choose to provide USERRA continuation coverage rights concurrently with COBRA continuation coverage, as allowed by law. Each Employer acts independently in choosing how to apply this provision and is not reflective of any guidelines issued from Blue Cross and Blue Shield of Louisiana. In all cases, the Employer should be consulted on how this provision applies to their Employer group sponsored plan.

Please contact Your Employer to ask for more details on how USERRA and other continuation coverage rights apply to You.

## **ARTICLE XXI.**

## **COORDINATION OF BENEFITS**

### **A. Applicability**

This section applies when a Member has healthcare coverage under more than one Plan. Plan is defined below.

The Order of Benefit Determination Rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its terms of coverage without concern of the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed one hundred percent (100%) of the total Allowable Expense.

### **B. Definitions (Applicable only to this Coordination of Benefits Article of this plan)**

1. Allowable Expense – Healthcare services or expenses, including deductibles, coinsurance or copayments, that are covered in full or in part by any Plan covering a Member. The following are examples of services or expenses that are and are not Allowable Expenses.
  - a. A healthcare service or expense or a portion of a service or expense that is not covered by any of the Plans covering a Member is not an Allowable Expense.
  - b. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid.
  - c. If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the Plans provides coverage for private hospital room expenses.
  - d. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
  - e. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
  - f. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement will be the Allowable Expense for all Plans.
  - g. The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, prior authorization of admissions and preferred provider arrangements.
2. Closed Panel Plan – A Plan that provides healthcare benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.
3. Coordination of Benefits or COB – A provision establishing an order in which Plans pay their claims and permitting Secondary Plans to reduce their benefits so that the combined benefits of all Plans do not exceed one hundred percent (100%) of the total Allowable Expenses. The COB provision applies to the part of the Benefit Plan providing healthcare Benefits which may be reduced because of the benefits of other Plans. Any other part of the Benefit Plan providing healthcare Benefits is separate from this Benefit Plan. This Benefit Plan may apply one COB provision to certain Benefits, such as dental Benefits, coordinating only with similar Benefits, and may apply another COB provision to coordinate other Benefits.

4. Custodial Parent –
  - a. the parent awarded custody of a covered child by a court decree; or
  - b. in the absence of a court decree, the parent with whom the covered child resides more than one half of the calendar year without regard to any temporary visitation.
5. Order of Benefit Determination Rules – Rules that determine whether this Benefit Plan is a Primary Plan or Secondary Plan when a Member has healthcare coverage under more than one Plan. When this Benefit Plan is Primary, We determine payment for Benefits first before those of any other Plan and without considering any other Plan's benefits. When this Benefit Plan is Secondary, We determine Benefits after those of another Plan and may reduce the Benefits We pay so that all Plan benefits do not exceed one hundred percent (100%) of the total Allowable Expense.
6. Plan – Any of the following that provide benefits or services for medical or dental care or treatment. If separate Plans or contracts are used to provide coordinated coverage for members of a group, the separate Plans or contracts are considered parts of the same Plan and there is no COB among those separate Plans or contracts.
  - a. Plan includes:
    - (1) group and non-group insurance contracts;
    - (2) health maintenance organization (HMO) contracts;
    - (3) group or group-type coverage through Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured);
    - (4) the medical care components of long-term care contracts, such as skilled nursing care;
    - (5) the medical benefits in group or individual automobile no fault and traditional automobile or fault contracts; and
    - (6) Medicare or any other governmental benefits, as permitted by law.
  - b. Plan does not include:
    - (1) hospital indemnity coverage benefits or other fixed indemnity coverage;
    - (2) accident only coverage;
    - (3) specified disease or specified accident coverage;
    - (4) limited benefit health coverage as defined by state law;
    - (5) school accident-type coverage except those enumerated in La. R.S. 22:1000(A)(3)(C);
    - (6) benefits for non-medical components of long-term care contracts;
    - (7) Medicare supplement policies;
    - (8) Medicaid plans; or
    - (9) coverage under other government Plans, unless permitted by law.

Each contract for coverage under (6)(a) or (b), above, is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

7. Primary Plan – A Plan whose benefits for a covered person’s healthcare coverage must be determined without taking the existence of any other Plan into consideration.
8. Secondary Plan – A Plan that is not a Primary Plan and determines its benefits after the Primary Plan pays benefits.

### **C. Coordination of Benefits and Order of Benefit Determinations**

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows.
  - a. The Primary Plan pays or provides its benefits according to its terms of coverage and without concern of the benefits under any other Plan.
  - b. If the Primary Plan is a Closed Panel Plan and the Secondary Plan is not a Closed Panel Plan, the Secondary Plan will pay or provide benefits as if it were the Primary Plan when a covered person uses a non-panel provider, except for emergency services or authorized referrals that are paid or provided by the Closed Panel Plan.
  - c. When multiple contracts providing coordinated coverage are treated as a single Plan under the Louisiana Department of Insurance (LDI) Regulation 32, then this section applies only to the Plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one issuer pays or provides benefits under the Plan, the issuer designated as Primary within the Plan will be responsible for the Plan’s compliance with LDI Regulation 32.
  - d. If a person is covered by more than one Secondary Plan, the Order of Benefit Determination Rules of LDI Regulation 32 decide the order in which Secondary Plans benefits are determined in relation to each other. Each Secondary Plan must take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, under LDI Regulation 32, has benefits determined before those of that Secondary Plan.
  - e. Except as provided in (f) below, a Plan that does not contain a Coordination of Benefits provision that is consistent with LDI Regulation 32 is always Primary unless the provisions of both Plans state that the complying Plan is Primary.
  - f. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
2. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is the Secondary Plan.
3. Order of Benefit Determination

Each Plan determines its order of benefits using the first of the following provisions that apply.

- a. Non-Dependent or Dependent Provision

The Plan that covers the person other than as a dependent, for example, as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is Secondary to the Plan covering the person as a dependent; and Primary to the Plan covering the person as other than a dependent (e.g., a retired employee); then the order of benefits between the two Plans is reversed. The Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan covering the person as a dependent is the Primary Plan.

b. Dependent Child Covered Under More Than One Plan Provision

Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows.

- (1) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
  - (a) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
  - (b) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- (2) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
  - (a) If a court decree states that one of the parents is responsible for the dependent child's healthcare expenses or healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is Primary. This provision applies to plan years commencing after the Plan is given notice of the court decree;
  - (b) If a court decree states that both parents are responsible for the dependent child's healthcare expenses or healthcare coverage, the provisions of subparagraph (3)(b)(1) above will determine the order of benefits;
  - (c) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the dependent child, the provisions of subparagraph (3)(b)(1) above will determine the order of benefits; or
  - (d) If there is no court decree allocating responsibility for the dependent child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
    - (i) The Plan covering the Custodial Parent;
    - (ii) The Plan covering the spouse of the Custodial Parent;
    - (iii) The Plan covering the non-Custodial Parent; and then
    - (iv) The Plan covering the spouse of the non-Custodial Parent.
- (3) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subparagraphs (3)(b)(1) or (3)(b)(2), above, shall determine the order of benefits as if those individuals were the parents of the child.
- (4) For a dependent child covered under the spouse's Plan:
  - (a) For a dependent child who has coverage under either or both parents' Plans and also has his or her own coverage as a dependent under a spouse's Plan, the Longer or Shorter Length of Coverage Provision, below, applies.
  - (b) In the event the dependent child's coverage under the spouse's Plan began on the same date as the dependent child's coverage under either or both parents' Plans, the order of benefits will be determined by applying the birthday provision above in subparagraph (3)(b)(1) to the child's parent(s) and the spouse.

c. Active Employee or Retired or Laid-off Employee Provision

The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this provision, and as a result, the Plans do not agree on the order of benefits, this provision is ignored. This provision does not apply if the Non-Dependent or Dependent Provision, above, can determine the order of benefits.

d. COBRA or State Continuation Coverage Provision

If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this provision, and as a result, the Plans do not agree on the order of benefits, this provision is ignored. This provision does not apply if the Non-Dependent or Dependent Provision, above, can determine the order of benefits.

e. Longer or Shorter Length of Coverage Provision

The Plan that covered the person as an employee, member, policyholder, subscriber or retiree for a longer period of time is the Primary Plan and the Plan that covered the person for the shorter period of time is the Secondary Plan.

f. Fall-Back Provision

If none of the preceding provisions determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.

**D. Effects on the Benefits of This Benefit Plan**

1. When this Benefit Plan is Secondary, We may reduce Benefits so that the total Benefits paid or provided by all Plans during a plan year are not more than one hundred percent (100%) of the total Allowable Expenses. In determining the amount to be paid for any Claim, as the Secondary Plan, We will calculate the Benefits We would have paid in the absence of other healthcare coverage and apply that calculated amount to any Allowable Expense under Our Benefit Plan that is unpaid by the Primary Plan. As the Secondary Plan, We may then reduce Our payment by the amount so that, when combined with the amount paid by the Primary Plan, the total Benefits paid or provided by all Plans for the Claim do not exceed the total Allowable Expense for that Claim. In addition, as the Secondary Plan, We will credit to the Benefit Plan Deductible Amount any amounts We would have credited to the Deductible Amount in the absence of other healthcare coverage. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.
2. The difference between the Benefit payments that We would have paid had We been the Primary Plan, and the Benefit payments that We actually paid or provided shall be recorded as a benefit reserve for You or a covered family member and used by Us to pay any Allowable Expenses, not otherwise paid during the plan year. As each Claim is submitted, We will:
  - a. determine Our obligation to pay or provide Benefits under the Benefit Plan;
  - b. determine whether a benefit reserve has been recorded for You or Your covered family member; and
  - c. determine whether there are any unpaid Allowable Expenses during the plan year.

3. If there is a benefit reserve, We will use Your or Your covered family member's benefit reserve to pay up to one hundred percent (100%) of total Allowable Expenses incurred during the plan year. At the end of the plan year, the benefit reserve returns to zero. A new benefit reserve must be created for each new plan year.
4. If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB will not apply between that Plan and other Closed Panel Plans.

You may request a copy in either paper form or electronic form of LDI Regulation 32 - Appendix C, which provides an explanation for Secondary Plans on the purpose and use of the benefit reserve and how Secondary Plans calculate claims. A copy of Appendix C is also available on the Louisiana Department of Insurance's website at [https://www.lidi.la.gov/docs/default-source/documents/legaldocs/regulations/reg32-appendixc.pdf?sfvrsn=24e14b52\\_0](https://www.lidi.la.gov/docs/default-source/documents/legaldocs/regulations/reg32-appendixc.pdf?sfvrsn=24e14b52_0).

## **E. Summary**

This is a summary of only a few of the provisions of Your Benefit Plan to help You understand Coordination of Benefits, which can be very complicated. This is not a complete description of all of the coordination rules and procedures, and does not change or replace the language above, which determines Your Benefits.

### **1. Double Coverage**

It is common for family members to be covered by more than one healthcare Plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers. When You are covered by more than one healthcare Plan, state law permits Your insurers to follow a procedure called Coordination of Benefits to determine how much each should pay when You have a Claim. The goal is to make sure that the combined payments of all Plans do not add up to more than Your covered healthcare expenses. Coordination of Benefits is complicated and covers a wide variety of circumstances. This is only an outline of some of the most common ones.

### **2. Primary or Secondary**

You will be asked to identify all the Plans that cover members of Your family. We need this information to determine whether We are the Primary or Secondary benefit payer. The Primary Plan always pays first when You have a Claim. Any Plan that does not contain Your state's COB rules will always be Primary.

### **3. When this Benefit Plan is Primary**

If You or a family member are covered under another Plan in addition to this one, We will be Primary when:

- a. The Claim is for Your own healthcare expenses, unless You are covered by Medicare and both You and Your Spouse are retired;
- b. The Claim is for Your Spouse's healthcare expenses, who is covered by Medicare, and You are not both retired;
- c. The Claim is for the healthcare expenses of Your Dependent child who is covered by this Benefit Plan and:
  - (1) You are married and Your birthday is earlier in the year than Your Spouse's or You are living with another individual, regardless of whether or not You have ever been married to that individual, and Your birthday is earlier than that other individual's birthday. This is known as the birthday provision;
  - (2) You are separated or divorced and You have informed Us of a court decree that makes You responsible for Your Dependent child's healthcare expenses; or
  - (3) There is no court decree, but You have custody of Your Dependent child.

#### 4. Other Situations

- a. We will be Primary when any other provisions of state or federal law require Us to be. When We are the Primary Plan, We will pay the Benefits in accordance with the terms of Your Benefit Plan, just as if You had no other healthcare coverage under any other Plan.
- b. We will be Secondary whenever the rules do not require Us to be Primary. When We are the Secondary Plan, We do not pay until after the Primary Plan has paid its benefits. We will then pay part, or all of the Allowable Expenses left unpaid, as explained below. An Allowable Expense is a healthcare service or expense covered by one of the Plans, including Copayments, Coinsurance and Deductible Amounts.
  - (1) If there is a difference between the amount the Plans allow, We will base Our payment on the higher amount. However, if the Primary Plan has a contract with the provider, Our combined payments will not be more than the provider contract calls for. Health maintenance organizations and preferred provider organizations usually have contracts with their providers.
  - (2) We will determine Our payment by subtracting the amount the Primary Plan paid from the amount We would have paid if We had been Primary. We will use any savings to pay the balance of any unpaid Allowable Expenses covered by either Plan.
  - (3) If the Primary Plan covers similar kinds of healthcare expenses, but allows expenses that We do not cover, We will pay for those items as long as there is a balance in Your benefit reserve, as explained below.
  - (4) We will not pay an amount the Primary Plan did not cover because You did not follow its rules and procedures. For example, if the Plan has reduced its benefit because You did not obtain prior authorization, as required by that Plan, We will not pay the amount of the reduction, because it is not an Allowable Expense.
- c. Benefit Reserve

When We are Secondary We often will pay less than We would have paid if We had been Primary. Each time We save by paying less, We will put that savings into a benefit reserve. Each family member covered by this Benefit Plan has a separate benefit reserve. We use the benefit reserve to pay Allowable Expenses that are covered only partially by both Plans. To obtain a reimbursement, You must show Us what the Primary Plan has paid so We can calculate the savings. To make sure You receive the full Benefit or coordination, You should submit all Claims to each of Your Plans. Savings can build up in Your reserve for one plan year. At the end of the plan year any balance is erased. A new benefit reserve begins for each person the next year as soon as there are savings on Claims.

#### **F. Right to Receive and Release Needed Information**

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person for the purpose of determining COB. We need not tell, or get the consent of, any person to do this. Each person claiming Benefits under this Benefit Plan must give Us any facts We need to pay the Claim.

#### **G. Facility of Payment**

A payment made under another Plan may include an amount that should have been paid under this Benefit Plan. We may pay that amount to the organization that made the payment. That amount will then be treated as though it were a Benefit paid under this Benefit Plan. To the extent such payments are made, they discharge Us from further liability. The term payment made includes providing Benefits in the form of services, in which case the payment made will be the reasonable cash value of any Benefits provided in the form of services.

## **H. Right of Recovery**

If the amount of the payments that We made is more than We should have paid under this COB section, We may recover the excess from one or more of:

1. the persons We have paid or for whom We have paid;
2. insurance companies; or
3. other organizations.

The amount of the payments made includes the reasonable cash value of any Benefits provided in the form of services.

## **ARTICLE XXII.**

## **GENERAL PROVISIONS – GROUP/POLICYHOLDER AND MEMBERS**

### **THE FOLLOWING GENERAL PROVISIONS ARE APPLICABLE TO THE GROUP/POLICYHOLDER AND ALL MEMBERS.**

The Group enters into this Benefit Plan on behalf of the eligible individuals enrolling under this Benefit Plan. Acceptance of this Benefit Plan by the Group is acceptance by and binding upon those who enroll as Subscribers and Dependents.

#### **A. The Benefit Plan**

1. This Benefit Plan, including the Group's acceptance of the Company's proposal, Application, Enrollment Forms, Benefit change forms and renewal forms and documentation, expressing the entire money and other consideration for coverage, the Schedule of Benefits, and any amendments or endorsements, constitutes the entire contract between the parties.
2. Except as specifically provided herein, this Benefit Plan will not make the Company liable or responsible for any duty or obligation imposed on the Employer by federal or state law or regulations. To the extent that this Benefit Plan may be an employee welfare benefit plan as defined in the Employee Retirement Income Security Act of 1974 (ERISA), as amended, the Group will be the administrator of such employee welfare benefit plan and will be solely responsible for meeting any obligations imposed by law or regulation on the administrator of the plan, except those specifically undertaken by the Company herein. To the extent this Benefit Plan provides Benefits for the treatment of certain injuries, exclusions to those covered Benefits do not apply to an extent inconsistent with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as amended. Benefits are available to the Member for illness or bodily injury otherwise covered under this Contract when the illness or bodily injury arises out of an act of domestic violence or a medical condition, including both physical and Mental Health conditions; or for Emergency Medical Services. To the extent this Benefit Plan is subject to COBRA, the Group, or its contracted designee, will be the administrator for the purposes of COBRA. The Group is responsible for establishing and following all required COBRA procedures that may be applicable to the Group. The Group will indemnify and hold the Company harmless in the event the Company incurs any liability as a result of the Group's failure to do so.
3. The Company will not be liable for or on account of any fault, act, omission, negligence, misfeasance, malfeasance or malpractice on the part of any Hospital or other institution, or any agent or employee thereof, or on the part of any Physician, Allied Provider, nurse, technician or other person participating in or having to do with a Member's care or treatment.
4. The Company has full discretionary authority to determine eligibility for Benefits and/or to construe the terms of this Benefit Plan. Members that disagree with the Company's determination may pursue any applicable procedures available under the terms of this Benefit Plan and the law.
5. The Company shall have the right to enter into any contractual agreements with subcontractors, healthcare Providers, or other third parties relative to this Benefit Plan. Any of the functions to be performed by the Company under this Benefit Plan may be performed by the Company or any of its subsidiaries, affiliates, subcontractors, or designees.

Blue Cross and Blue Shield of Louisiana will make appropriate arrangements to ensure that individuals with disabilities and individuals with limited English proficiency are provided auxiliary aids and services or language assistance services, respectively, if needed to participate in this grievance process. Such arrangements may include, but are not limited to, providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will be responsible for such arrangements.

### **C. Benefits to Which Members are Entitled**

1. The liability of the Company is limited to the Benefits specified in this Benefit Plan.
2. Benefits for Covered Services specified in this Benefit Plan will be provided only for services and supplies rendered on and after the Member's Effective Date by a Provider specified in this Benefit Plan and regularly included in such Provider's charges.
3. Continuity of healthcare services.
  - a. Upon the termination of a contractual agreement with a Provider, notification of the removal of the Provider from the Preferred Care PPO Network will be given by Us to any Member who has begun a course of treatment by the Provider.
  - b. A Member who is a continuing care patient has the right to continuity of care until the earlier of the completion of the course of treatment or ninety (90) days after We notify the Member that the Provider has left the Preferred Care PPO Network.
  - c. A continuing care patient is one who is:
    - (1) Undergoing a course of treatment for a Serious and Complex Condition;
    - (2) Undergoing a course of institutional or Inpatient care;
    - (3) Scheduled to undergo nonelective Surgery from the Provider, including receipt of post-operative care;
    - (4) Pregnant and undergoing a course of treatment for the pregnancy; or
    - (5) Terminally ill, which means the medical prognosis is a life expectancy of six (6) months or less, and receiving treatment for the terminal illness from the Provider.
  - d. The provisions of continuity of care shall not be applicable if any one of the following occurs:
    - (1) The reason for termination of a Provider's contractual agreement is a result of documented reasons relative to quality of care, or the suspension, revocation or applicable restriction of the license to practice in Louisiana by the Louisiana State Board of Medical Examiners.
    - (2) The reason for termination of a Provider's contractual agreement is the result of fraud.
    - (3) The Member voluntarily chooses to change Providers.
    - (4) The Member relocates to a location outside of the geographic service area of the Provider or the Preferred Care PPO Network.
    - (5) The Member's condition does not meet the requirements to be deemed a Serious and Complex Condition.

### **D. Notice of Member Eligibility – Employer's Personnel Data**

1. The Group is solely responsible for furnishing the information required for purposes of enrolling Members of the Group under this Benefit Plan, processing terminations, and effecting changes in family and membership status. Acceptance of payments for persons no longer eligible for coverage will not obligate Company to provide Benefits under this Benefit Plan.
2. All notification of membership or coverage changes must be on forms approved by the Company and include all information required by the Company to effect changes.

3. The Group must notify Company's Membership and Billing Department using the proper form or notification method, as appropriate, of a Member's termination of coverage. The request for cancellation must be received by the end of the billing cycle immediately following the billing cycle in which the Subscriber is terminated from Group employment or eligibility for coverage ends. For Dependents, the cancellation must be received by the end of the billing cycle immediately following the billing cycle Dependent no longer meets eligibility for coverage. The Group must submit evidence of a Member's election of available continuation of coverage to Our Membership & Billing Department following such termination within three (3) business days of Group's receipt of signed continuation forms from the Member. Company is under no obligation to refund any premium paid by Group or any Member, if payment was made to Company due to Group's failure to timely notify Company of a Member's termination of coverage.
4. Requests for termination of coverage that are submitted after the period provided above will only be honored prospectively after the date of receipt and the Group will be responsible to pay all corresponding premiums until the effective date of termination. All requests for termination of coverage, whether timely or not, will be subject to any other terms, conditions and legal requirements that may apply. Whenever the Group submits a request to Company to terminate a Member's coverage or that of any of Member's Dependents, the Group will be deemed to be making a representation that neither the Member nor his Dependent has made payments towards the cost of premiums for any coverage period beyond the date on which the Group desires the coverage to be terminated, and that no information was given or representation was made to the Member or his Dependent that would create an expectation that the individual would continue coverage beyond that date, except for legally required disclosures regarding any rights to COBRA or other mandated continuation coverage. In the event that the individual should have a right to continue coverage under COBRA or any similar mandate, the Group will be required to timely request the individual's termination of coverage under the regular process created by Company for such purpose, and to submit any election from the individual for continuation coverage in a separate process.
5. The Group warrants the accuracy of the information it transmits to Us and understands that We will rely on this information. The Group agrees to supply or allow inspection of personnel records to verify eligibility if requested by Company.
6. The Group further agrees to indemnify Company for all expenses Company may incur as a result of the Group's failure to transmit correct information in the time period that required. Indemnification includes but is not limited to Claims payments made on behalf of individuals that are not eligible for Benefits. Alternatively, the Company may, at its sole option, hold the Group responsible for all premium payments for Members who are not timely cancelled from coverage due to the Group's failure to timely notify the Company of terminations or changes in eligibility.

#### **E. Termination of Your Coverage**

1. The Company may choose to rescind coverage or terminate a Member's coverage if a Member performs an act or practice that constitutes fraud, or makes an intentional misrepresentation of material fact under the terms of this Benefit Plan. The issuance of this coverage is conditioned on the representations and statements contained at application and enrollment. All representations made are material to the issuance of this coverage. Any information intentionally omitted from the application or enrollment form, as to any proposed Subscriber or covered Member, shall constitute an intentional misrepresentation of material fact. A Member's coverage may be rescinded retroactively to the Effective Date of coverage or terminated within three (3) years of the Member's Effective Date, for fraud or intentional misrepresentation of material fact. Company will give the Member sixty (60) days advance written notice prior to rescinding or terminating coverage under this section. If Members are enrolled that are not eligible for coverage, it will be considered an act of fraud or intentional misrepresentation of material fact.
2. Unless Continuation of Coverage is available and selected as provided in this Benefit Plan, a Member's coverage terminates as provided below:
  - a. The Subscriber's coverage and that of all his Dependents automatically, and without notice, terminates at the end of the billing cycle in which the Subscriber ceases to be eligible.

- b. The coverage of the Subscriber's Spouse will terminate automatically and without notice at the end of the billing cycle for which premiums have been paid at the time of the entry of a final decree of divorce or other legal termination of marriage.
  - c. The coverage of a Dependent will terminate automatically, and without notice, at the end of the billing cycle in which the Dependent reaches the maximum age for coverage or otherwise ceases to be an eligible Dependent, if premiums have been paid through that period.
  - d. Upon the death of a Subscriber, the coverage of all of their surviving Dependents will terminate automatically and without notice at the end of the billing cycle in which the death occurred if premiums have been paid through that period. However, a surviving Spouse or Dependent may elect continuation of coverage as described elsewhere in this Benefit Plan or enroll for individual coverage through Company or the Exchange.
- 3. In the event the Group cancels this Benefit Plan or Company terminates this Benefit Plan for nonpayment of the appropriate payment when due or because the Group fails to perform any obligation required by this Benefit Plan, such cancellation or termination alone will operate to end all rights of the Member to Benefits under this Benefit Plan as of the Effective Date of such cancellation or termination. The Group shall have the obligation to notify its Members and beneficiaries of such cancellation or termination. Company has no such obligation to notify at the Member level.
  - 4. In the event of the occurrence of the provisions of subparagraphs a., b., c. or d. at paragraph 2 above, if the Member is an Inpatient in a Hospital on the date coverage ends, medical Benefits in connection with the Admission for that patient will end at the end of that Admission, or upon reaching any Benefit limitations set in this Benefit Plan, whichever occurs first.
  - 5. Except as otherwise provided in this Benefit Plan, no Benefits are available to a Member for Covered Services rendered after the date of cancellation or termination of Your coverage.
  - 6. When Members on the policy change, Company reserves the right to change the Subscriber's class of coverage and bill appropriate premium to reflect the Members covered.
  - 7. Cancellation or termination will be effective at midnight on the last day of the billing cycle.
  - 8. When the Group's coverage ends because the plan ceases to exist or COBRA is exhausted, Members may apply for individual coverage to Company or to the Exchange.

#### **F. Filing of Claims**

You must file all Claims within ninety (90) days from the date services were rendered, unless it is not reasonably possible to do so. In no event may any Claim be filed later than fifteen (15) months from the date services were rendered.

#### **G. Applicable Law and Conforming Policy**

This Benefit Plan will be governed and construed in accordance with the laws and regulations of the State of Louisiana except when preempted by federal law. This Benefit Plan is not subject to regulation by any state other than the State of Louisiana. This Benefit Plan shall conform to the Essential Health Benefits package and requirements. If any provision of this Benefit Plan is in conflict with any applicable law of the State of Louisiana or the United States of America, the Benefit Plan shall be automatically amended to meet the minimum requirements of the law. Any legal action filed against the Plan must be filed in the appropriate court in the State of Louisiana.

#### **H. Time Limit for Legal Action**

1. No lawsuit related to a Claim may be filed any later than twelve (12) months after the Claims are required to be filed.
2. Any and all lawsuits, other than those related to Claims as stated above, must be brought within one (1) year of the end of the Benefit Period.

#### **I. Release of Information**

We may request that the Member or the Provider furnish certain information relating to the Member's Claim for Benefits. We will hold such information, records, or copies of records as confidential except where in Our discretion the same should be disclosed.

#### **J. Assignment**

1. A Member's rights and Benefits payable under this Benefit Plan are personal to the Member and may not be assigned in whole or in part by the Member. We will recognize assignments of Benefits to Hospitals if both this Benefit Plan and the Provider are subject to La. R.S. 40:2010. If both this Benefit Plan and the Provider are not subject to La. R.S. 40:2010, We will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the health plan or Us liable to any third party to whom a Member may be liable for the cost of medical care, treatment, or services.
2. We reserve the right to pay Preferred Providers and Participating Providers directly instead of paying the Member.

#### **K. Member/Provider Relationship**

1. The choice of a Provider is solely the Member's.
2. The Company and all Network Providers are to each other independent contractors, and will not be considered to be agents, representatives, or employees of each other for any purpose whatsoever. The Company does not render Covered Services, but only makes payment for Covered Services that the Member receives. The Company will not be held liable for any act or omission of any Provider, or for any Claim or demand because of damages arising out of, or in any manner connected with, any injuries suffered by the Member while receiving care from any Network Provider or in any Network Provider's facilities. The Company has no responsibility for a Provider's failure or refusal to render Covered Services to the Member.
3. The use or non-use of an adjective such as Preferred, Participating, and Non-Network in referring to any Provider is not a statement as to the ability of the Provider.

#### **L. This Benefit Plan and Medicare**

1. For Employers having twenty (20) or more active Employees, federal law and regulations require that each active Employee ages sixty-five (65) or older, and each active Employee's Spouse ages sixty-five (65) or older, may elect to have coverage under this Benefit Plan or under Medicare.
  - a. Where such Employee or such Spouse elects coverage under this Benefit Plan, this Benefit Plan will be the primary payor of Benefits with the Medicare program the secondary payor.
  - b. This Benefit Plan will not provide Benefits to supplement Medicare payments for an active Employee ages sixty-five (65) or older or for a Spouse age sixty-five (65) or older of an active Employee where such Employee or such Spouse elects to have the Medicare program as the primary payor.

2. Under federal law, if an active Employee under age sixty-five (65) or an active Employee's Dependent under age sixty-five (65) is covered under a group Benefit Plan of an Employer with one hundred (100) or more Employees and also has coverage under the Medicare program by reason of Social Security disability, the group Benefit Plan is the primary payor and Medicare is the secondary payor.
3. For persons under age sixty-five (65) who are covered under this Benefit Plan and are eligible for Medicare solely by reason of end-stage renal disease, the Medicare program will be the primary payor and this Benefit Plan the secondary payor even if an eligible person has not enrolled in the Medicare program, except that during the first thirty (30) month period that such persons are eligible for Medicare Benefits solely by reason of end-stage renal disease, this Benefit Plan will be the primary payor and Medicare the secondary payor.
4. When this Benefit Plan is the primary payor, it will provide regular Benefits for Covered Services. When this Benefit Plan is the secondary payor, it will provide Benefits based on the lesser of: the Medicare approved amount or Our Allowable Charge. When an Allied Provider or Physician is not required by Medicare to accept the Medicare approved amount as payment in full, We will base Benefits on the lesser of: the Medicare approved amount plus Medicare's limiting charge, if applicable, or Our Allowable Charge.

#### **M. Notice**

Any notice required under this Benefit Plan must be in writing. Notice given to the Group will be sent to the Group's address stated in the Application for Group Coverage. Notice given to Us will be sent to Our address stated in this Benefit Plan. Any notice required to be given will be considered delivered when deposited in the United States mail, postage prepaid, addressed to the Member at his address as the same appears on Our records, or to the Group at the address as the same appears on Our records. We, the Group, or a Member may, by written notice, indicate a new address for giving notice.

#### **N. Job-Related Injury or Illness**

The Group must report to the appropriate federal or state governmental agency any job-related injury or illness of a Subscriber where so required under the provisions of any federal or state laws and/or related programs. This Benefit Plan excludes Benefits for any services rendered as a result of occupational disease or injury compensable under any federal or state workers' compensation laws and/or any related programs including, but not limited to, the Jones Act, Federal Employers Liability Act, Federal Employees Compensation Act, Longshore and Harbor Workers' Compensation Act, Black Lung Benefits Act, Energy Employees Occupational Illness Compensation Program, and Title 23 of the Louisiana Revised Statutes. In the event that We initially extend Benefits and a compensation carrier, employer, governmental agency or program, insurer, or any other entity makes any type of settlement with the Member, with any person entitled to receive settlement when the Member dies, or if the Member's injury or illness is found to be compensable under federal or state workers' compensation laws or programs, the Group or the Member must reimburse Us for Benefits extended or direct the compensation carrier, employer, governmental agency, or program, insurer, or any other entity to make such reimbursement. We will be entitled to such reimbursement even if the settlement does not mention or excludes payment for healthcare expenses.

#### **O. Subrogation**

1. To the extent that Benefits for Covered Services are provided or paid under this Contract, We will be subrogated and will succeed to Your rights for the recovery of the amount paid under this Contract against any person, organization, insurer or other carrier even where such insurer or carrier provides Benefits directly to You who are its insured. The acceptance of such Benefits under this Contract will constitute subrogation. Our right to recover shall be contingent on Your right to be fully compensated as determined by settlement of the parties in any claim for recovery or legal action, a ruling in a legal action by a court of competent jurisdiction, or a judgment following a trial. We will be responsible for Our proportionate share of the reasonable attorney fees and costs actually paid by You in pursuing recovery.
2. You will reimburse Us all amounts recovered by suit, settlement, or otherwise from any person, organization, insurer or other carrier, even where such insurer or carrier provides Benefits directly to a Member who is its insured, to the extent of the Benefits provided or paid under this Contract. Our right to recover will be contingent on Your right to be fully compensated as determined by settlement of the parties in any claim for

recovery or legal action, a ruling in a legal action by a court of competent jurisdiction, or judgment following a trial. We agree that We will be responsible for Our proportionate share of the reasonable attorney fees and costs actually paid by You in pursuing recovery.

3. The Member will take such action, furnish such information and assistance, and execute such papers as We may be required to facilitate enforcement of Our rights, and will take no action prejudicing Our rights and interest under this Benefit Plan. Company and its designees have the right to obtain and review Member's medical and billing records, if Company determines in its sole discretion, that such records would be helpful in pursuing its right of subrogation and/or reimbursement. Nothing contained in this provision will be deemed to change, modify or vary the terms of the Coordination of Benefits section of this Benefit Plan.
4. The Member must notify Us of any Accidental Injury.

#### **P. Right of Recovery**

Whenever any payment for Covered Services has been made by Us in an amount that exceeds the maximum Benefits available for such services under this Benefit Plan, or whenever payment has been made in error by Us for non-Covered Services, We will have the right to recover such payment from the Member or, if applicable, the

Provider. As an alternative, We reserve the right to deduct from any pending Claim for payment under this Benefit Plan any amounts that We are owed by the Member or the Provider.

#### **Q. Coverage in a Department of Veterans Affairs or Military Hospital**

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non-service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from Us to the extent the veteran would be eligible for Benefits for such care or services from Us if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance.

The United States will have the right to collect from Us the reasonable cost of healthcare services incurred by the United States on behalf of a military retiree or a military Dependent through a facility of the United States military to the extent that the retiree or Dependent would be eligible to receive reimbursement or indemnification from Us if the retiree or Dependent were to incur such cost on his own behalf. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance.

#### **R. Liability of Plan Affiliates**

The Group, on behalf of itself and its participants, hereby expressly acknowledges its understanding that this Benefit Plan constitutes a contract solely between Us and the Group, that We are an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, the Association permitting Us to use the Blue Cross and Blue Shield Service marks in the State of Louisiana, and that We are not contracting as the agent of the Association. The Group, on behalf of itself and its participants, further acknowledges and agrees that it has not entered into this Benefit Plan based upon representations by any person other than Us and that no person, entity, or organization other than Us shall be held accountable or liable to the Group for any of Our obligations to the Group created under this Benefit Plan. This paragraph shall not create any additional obligations whatsoever on Our part other than those obligations created under other provisions of this Benefit Plan.

#### **S. Out-of-Area Services**

We have a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates (Licensees). Generally, these relationships are called Inter-Plan Arrangements. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association. Whenever You obtain healthcare services outside the geographic area We serve, the Claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside of Our service area, You will receive it from one of two kinds of Providers. Most Providers (Participating Providers) contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area (Host Blue). Some Providers (Non-Participating Providers) don't contract with the Host Blue. We explain below how We pay both kinds of Providers.

### 1. Inter-Plan Arrangements Eligibility – Claim Types

All Claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits when paid as medical Benefits, and those Prescription Drug Benefits or vision care Benefits that may be administered by a third party contracted by Us to provide the specific service or services.

### 2. BlueCard® Program

Under the BlueCard® Program, when You receive Covered Services within the geographic area served by a Host Blue, We will remain responsible for doing what We agreed to in the plan. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Participating Providers.

When You receive Covered Services outside Our service area and the Claim is processed through the BlueCard® Program, the amount You pay for the Covered Services is calculated based on one of the following as determined by Us:

- a. the billed charges for Your Covered Services; or
- b. the negotiated price that the Host Blue makes available to Us; or
- c. an amount determined by applicable law.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to Your healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for overestimation or underestimation of past pricing of Claims, as noted above. However, such adjustments will not affect the price We have used for Your Claim because they will not be applied after a Claim has already been paid.

### 3. Special Case: Value-Based Programs

#### a. BlueCard® Program

If You receive Covered Services under a Value-Based Program inside a Host Blue's service area, You will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Us through average pricing or fee schedule adjustments.

#### b. Negotiated (non- BlueCard® Program) Arrangements

If We have entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the Group on Your behalf, We will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard® Program.

4. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, We will include any such surcharge, tax or other fee as part of the Claim charge passed on to You.

5. Non-Participating Providers Outside Our Service Area

a. Member Liability Calculation

When Covered Services are provided outside of Our service area by Non-Participating Providers, the amount You pay for such services will normally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment We will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, may govern payments for out-of-network Emergency Medical Services.

b. Exceptions

In certain situations, We may use other payment methods, such as billed charges for Covered Services, the payment We would make if the healthcare services had been obtained within Our service area, or a special negotiated payment to determine the amount We will pay for services provided by Non-Participating Providers. In these situations, You may be liable for the difference between the amount that the Non-Participating Provider bills and the payment We will make for the Covered Services as set forth in Your Benefit Plan.

6. Blue Cross Blue Shield Global® Core

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter BlueCard® service area), You may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists You with accessing a network of Inpatient, Outpatient and professional Providers, the network is not served by a Host Blue. As such, when You receive care from Providers outside the BlueCard® service area, You will typically have to pay the Providers and submit the Claims Yourself.

For medical assistance services (including locating a doctor or Hospital) outside the BlueCard® service area, call:

Blue Cross Blue Shield Global® Core Service Center  
24 hours a day, 7 days a week  
1.800.810.BLUE (2583)

or call collect:

1-804-673-1177

An assistance coordinator, working with a medical professional, will arrange a Physician appointment or hospitalization, if necessary.

a. Inpatient Services

In most cases, if You contact the Blue Cross Blue Shield Global® Core service center for help and the Provider agrees to accept a guaranteed payment, Hospitals will not require You to pay for covered Inpatient services, except for Your Deductible Amount and Coinsurance. The Hospital will submit Your Claims to the Blue Cross Blue Shield Global® Core service center. But, if the Provider does not agree to a guaranteed payment or You otherwise paid in full when You received services, You must submit a Claim to be reimbursed. You must contact Us for Authorization for non-Emergency Inpatient services, as explained in the Care Management Article and meet other requirements in Your Contract for services to be provided, including, but not limited to, receiving only Medically Necessary services.

b. Outpatient Services

If You go to Physicians, Urgent Care Centers and other Outpatient Providers outside the BlueCard® service area, typically You must pay in full when You receive a service. To be reimbursed, You must submit a Claim.

c. Exceptions

In situations where the Blue Cross Blue Shield Global® Core service center is unable to obtain a guaranteed payment for a Global® Core claim, We may use other payment methods to figure the payment We will make for the healthcare services that were delivered outside Our service area. Those other payment methods include, but are not limited to, billed charges for Covered Services, the payment We would make if the healthcare services had been obtained within Our service area, or a special negotiated payment to determine the amount We will pay for services from Non-Participating Providers. In these situations, You need to comply with the requirements of Your Benefit Plan and You may have to pay the difference between the amount that the Provider bills and the payment We will make for the Covered Services.

d. Submitting a Blue Cross Blue Shield Global® Core Claim

When You pay for Covered Services outside the BlueCard® service area, You must submit a Claim to be reimbursed. For institutional and professional Claims, fill out a Blue Cross Blue Shield Global® Core Claim Form. Send the form with the Provider's itemized bills to the Blue Cross Blue Shield Global® Core service center at the address on the form.

Make sure to follow the instructions on the form. For a copy of the form, contact Us or the Blue Cross Blue Shield Global® Core service center, or go to [www.bcbsglobalcore.com](http://www.bcbsglobalcore.com).

For help submitting Your Claim, call:

**T. HIPAA Certificates of Creditable Coverage**

We will issue a certificate of Creditable Coverage or similar document to an individual, if requested within twenty-four (24) months after coverage under this Benefit Plan ceases.

**U. Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage**

The Medicare Modernization Act (MMA) requires groups whose policies include Prescription Drug coverage to notify Medicare-eligible Members whether their Prescription Drug coverage is creditable, which is defined to mean that the coverage is expected to pay on average as much as the standard Medicare Part D Prescription Drug coverage. The types of coverage required to provide the notices are those listed at 42 CFR 423.56(b) and includes, but is not limited to, group health plans (this would mean the Plan Sponsor), individual health insurance coverage, and Medicare supplement plans. For these groups, there are two disclosure requirements:

1. The first disclosure requirement is to provide a written disclosure notice to all Medicare-eligible Members annually who are covered under its Prescription Drug plan, prior to October 15th each year and at various times as stated in the regulations, including to a Medicare-eligible Member when they join the Plan. This disclosure must be provided to Medicare-eligible active working Members and their Dependents, Medicare-eligible COBRA Members and their Dependents, Medicare-eligible disabled Members covered under its Prescription Drug plan and any Retirees and their Dependents. The MMA imposes a late enrollment penalty on Members who do not maintain creditable coverage for a period of 63 days or longer following their initial

enrollment period for the Medicare Prescription Drug Benefit. Accordingly, this information is essential to a Member's decision whether to enroll in a Medicare Part D Prescription Drug plan.

Groups are responsible for sending the required notices. As a service to the Group and based upon enrollment data provide to Us by the Group, We shall provide, without charge, Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage to Medicare-eligible Members who have Prescription Drug coverage under this Benefit Plan at the following times, or as otherwise directed by law:

- a. prior to the Medicare Part D Annual Coordinated Election Period;
  - b. prior to an individual's Initial Enrollment Period (IEP) for Medicare Part D (age-in);
  - c. prior to the Effective Date of coverage for new Medicare-eligible Employees that join this Benefit Plan;
  - d. whenever Prescription Drug coverage under this Benefit Plan ends or changes so that it is no longer creditable or it becomes creditable; and/or
  - e. upon a Medicare beneficiary's request.
2. The second disclosure requirement is for groups to complete the *Online Disclosure to CMS Form* to report the creditable coverage status of their Prescription Drug Plan. The Disclosure should be completed annually no later than 60 days from the beginning of a plan year (contract year, renewal year), within 30 days after termination of a Prescription Drug Plan, or within 30 days after any change in creditable coverage status. This requirement does not pertain to the Medicare beneficiaries for whom groups are receiving the Retiree Drug Subsidy (RDS).

Groups are responsible for the submission of the Online Disclosure to CMS Form.

## **V. Continued Coverage When Employee Not Actively Working**

As stated in the Schedule of Eligibility, an Employee must be actively working for his Employer/Group to be entitled to coverage under this Benefit Plan. Each of the following provisions are exceptions to the requirement that the Employee be actively working in order for coverage to apply. The following provisions are independent of each other and only one need apply for Subscriber and his Dependents to be entitled to continued coverage under this Plan. If Claims are paid when Employee was not Eligible for coverage, Company may recover the Claims payments.

1. Company will continue coverage for Subscriber during any leave of absence the Group is required to provide by applicable federal or state law, including the Family and Medical Leave Act of 1993 (FMLA), the Americans with Disabilities Act or Pregnancy Discrimination Act, and any amendments or successor provisions, as long as all other eligibility criteria under the law continues to be met. If Subscriber's coverage is terminated during a leave under the FMLA, upon return to active full-time employment, Subscriber is entitled to re-enroll for coverage so long as the Group maintains coverage with Company. If the Subscriber is not restored to active full-time employment by the end of the leave of absence period, the Subscriber will cease to be eligible and coverage for the Subscriber and any Dependents will terminate at the end of the billing period in which the leave of absence period expires, or as otherwise described in Termination of Your Coverage section. Subscriber and Dependents may have the right to continue coverage thereafter under the Continuation of Coverage Rights Article of this Benefit Plan.
2. When a Subscriber has been granted a documented, approved leave of absence by the Employer/Group, and the leave of absence is not due to Subscriber's health, Company will maintain coverage for the Subscriber and any Covered Dependents for a period not to exceed ninety (90) days. Premiums must be paid and Subscriber must remain a bona fide Employee of Group during the approved leave period. Group will provide Company with proof of the documented leave, upon request. If Group terminates Subscriber's employment, the Subscriber will cease to be eligible and coverage for the Subscriber and any Dependents will terminate as described in Termination of Your Coverage section. Subscriber and Dependents may have the right to continue coverage thereafter under the Continuation of Coverage Rights Article of this Benefit Plan.

## **W. Our Right to Offer Premium Incentives**

We may, at Our discretion, offer rebates, refunds, reductions of premium, or other items of value, in amounts or types determined by Us, for business purposes and healthcare quality and improvement purposes, including but not limited to the following purposes:

1. Encouraging Members and/or policyholders to participate in quality programs;
2. Ensuring Members and/or policyholders are better able to afford benefits packages;
3. Reducing and alleviating social determinants of health;
4. Reducing transition costs for Members and/or policyholders who have changed insurers or have ended self-insured coverage and purchased fully insured coverage;
5. Rewarding Members and/or policyholders for choosing lower cost, quality healthcare providers;
6. Rewarding Members and/or policyholders for selecting lower cost, quality healthcare goods and products;
7. Rewarding Members and/or policyholders for utilizing digital and other paperless forms of communication of information, including but not limited to plan documents and materials; and
8. Reducing enrollment, technology, or administration costs of Members and/or policyholders, when such costs are related to effectuating and/or maintaining coverage.

## **ARTICLE XXIII. COMPLAINT, GRIEVANCE AND APPEAL PROCEDURES**

We want to know when a Member is dissatisfied about the care or services he receives from Blue Cross and Blue Shield of Louisiana or one of Our Providers. If a Member wants to register a Complaint or file a formal written Grievance about Us or a Provider, please refer to the procedures below.

A Member may be dissatisfied about decisions We make regarding Covered Services. We consider a written Appeal as the Member's request to change an Adverse Benefit Determination made by the Company.

Your Appeal rights are outlined below, after the Complaint and Grievance procedures. In addition to the Appeals rights, the Member's Provider is given an opportunity to speak with a Medical Director for an Informal Reconsideration of Our coverage decision when they concern Medical Necessity determinations.

We have Expedited Appeals processes for situations where the time frame of the standard medical Appeals would seriously jeopardize the life or health of a covered person or would jeopardize the covered person's ability to regain maximum function.

### **A. Complaint, Grievance, and Informal Reconsideration Procedures**

A quality of service concern addresses Our services, access, availability or attitude and those of Our Network Providers. A quality of care concern addresses the appropriateness of care given to a Member.

#### **1. To Register a Complaint**

A Complaint is an oral expression of dissatisfaction with Us or with a Provider's service. Members may call Customer Service to register a Complaint. We will attempt to resolve the Member's Complaint at the time of their call.

#### **2. To File a Formal Grievance**

A Grievance is a written expression of dissatisfaction with Us or with a Provider's service. If the Member does not feel their Complaint was adequately resolved or they wish to file a formal Grievance, a written request must be submitted within one hundred eighty (180) days of the event that led to the dissatisfaction. For assistance, the Member may call Our customer service department.

The Member should send his written Grievance to the applicable address listed below:

Latham, NY 12110

A response will be mailed to the Member within thirty (30) business days of receipt of the Member's written Grievance.

### 3. Informal Reconsideration

An Informal Reconsideration is the Member Provider's telephone request to speak to Our Medical Director or a peer reviewer on the Member's behalf about a Utilization Management decision that We have made. An Informal Reconsideration is typically based on submission of additional information or a peer-to-peer discussion. An Informal Reconsideration is available only for initial determinations that are requested within ten (10) days of the denial or Concurrent Review determination. We will conduct an Informal Reconsideration within one (1) working day of Our receipt of the request.

## B. Standard Appeal Procedures

**Multiple requests to Appeal the same Claim, service, issue, or date of service will not be considered, at any level of review.**

We offer the Member two (2) levels of Appeal. If a Member is an ERISA Member, the Member is required to complete the first level of Appeal prior to instituting any civil action under ERISA section 502(a). The second level of Appeal is voluntary. Any statute of limitations or other defense based on timeliness is tolled during the time any voluntary Appeal is pending. The Member's decision whether or not to submit to this voluntary level of review will have no effect on the Member's rights to any other Benefits under the plan. No fees or costs will be imposed on the Member.

The Member should contact his Employer, plan administrator, plan sponsor, or Our Customer Service Department at 1-800-599-2583 or 1-225-291-5370 if the Member is unsure whether ERISA is applicable.

The Member may also call Us if they have questions or need assistance putting their Appeal in writing.

## C. Standard Appeal Process

We will determine if a Member's Appeal is an administrative Appeal or a medical Appeal. The Appeals procedure has two (2) levels, including review by a committee at the second level on an administrative Appeal and a review by an external Independent Review Organization (IRO) on a medical Appeal. Requests submitted to Us after one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination will not be considered.

The Member is encouraged to provide Us with all available information to help Us completely evaluate the Appeal such as written comments, documents, records, and other information relating to the Adverse Benefit Determination. We will provide the Member, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Adverse Benefit Determination.

The Member has the right to appoint an authorized representative to represent him in his Appeals. An authorized representative is a person to whom the Member has given written consent to represent him in an internal or external review of an Adverse Benefit Determination. The authorized representative may be the Member's treating Provider, if the Member appoints the Provider in writing and the Provider agrees and waives in writing.

### 1. Administrative Appeals

Administrative Appeals involve contractual issues, Rescissions, and Adverse Benefit Determinations which are not related to Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment is determined to be experimental or investigational.

Administrative Appeals should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana  
Appeals/Grievances Department  
P. O. Box 98045  
Baton Rouge, LA 70898-9045

a. First Level Administrative Appeals

If a Member is not satisfied with Our decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination for first level administrative Appeals. Requests submitted to Us after one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination will not be considered.

We will investigate the Member's concerns. If the administrative Appeal is overturned, We will reprocess the Member's Claim, if any. If the administrative Appeal is upheld, We will inform the Member of the right to begin the second level Appeal process.

The administrative Appeal decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request; unless it is mutually agreed that an extension of time is warranted.

b. Second Level Administrative Appeals

After review of Our first level Appeal decision, if a Member is still dissatisfied, a written request to Appeal must be submitted within sixty (60) days of receipt of Our first level Appeal decision. Requests submitted to Us after sixty (60) days of receipt of Our first level Appeal decision will not be considered.

A Member Appeals Committee of persons not involved in previous decisions regarding the initial Adverse Benefit Determination will review the second level Appeals. The Committee's decision is final and binding.

The Committee's decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within five (5) days of the Committee meeting.

Second level administrative Appeals are not applicable to a Rescission, which follows the External Appeals track.

2. Medical Appeals

Medical Appeals involve Adverse Benefit Determinations for Medical Necessity, appropriateness, healthcare setting, level of care, or effectiveness or is determined to be experimental or Investigational and any related prospective or retrospective review determination.

We offer the Member two (2) standard levels of medical Appeals, including an internal review of the initial Adverse Benefit Determination, then an external review.

Medical Appeals should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana  
Medical Appeals  
P. O. Box 98022  
Baton Rouge, LA 70898-9022

a. Internal Medical Appeals

If a Member is not satisfied with Our decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination for internal medical Appeals. Requests submitted to Us after one hundred eighty (180) days of receipt of Our initial Adverse Benefit Determination will not be considered.

A Physician or other healthcare professional; in the same or an appropriate specialty that typically manages the medical condition, procedure, or treatment under review and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal medical Appeal is overturned, We will reprocess the Member's Claim, if any. If the internal medical Appeal is upheld, We will inform the Member of their right to begin the External Appeal process if the Adverse Benefit Determination meets the criteria.

The internal medical Appeal decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request; unless it is mutually agreed that an extension of time is warranted.

b. External Medical Appeal and Rescission

For medical Appeals and Rescissions, the second level will be handled by an external Independent Review Organization that is not affiliated with Us and randomly assigned by the Louisiana Department of Insurance.

A Member must exhaust all internal Appeal opportunities prior to requesting an External Appeal conducted by an Independent Review Organization.

If the Member still disagrees with the internal medical Appeal decision or Rescission, a written request for an External Appeal must be submitted within four (4) months of receipt of the internal medical Appeal decision or Rescission.

Requests submitted to Us after four (4) months of receipt of the internal medical Appeal decision or Rescission will not be considered. You are required to sign the form included in the internal medical Appeal denial notice which authorizes release of medical records for review by the IRO. **Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.**

We will provide the IRO all pertinent information necessary to conduct the Appeal. The external review will be completed within forty-five (45) days of Our receipt of the External Appeal. The IRO will notify the Member, his authorized representative, or a Provider authorized to act on the Member's behalf of its decision.

The IRO decision will be considered a final and binding decision on both the Member and Us for purposes of determining coverage under a health Benefit Plan. This Appeals process shall constitute your sole recourse in disputes concerning determinations of whether a health service or item is or was Medically Necessary or Investigational, except to the extent that other remedies are available under State or Federal law.

**D. Expedited Appeals**

The Expedited Appeal process is available for review of an Adverse Benefit Determination involving a situation where the time frame of the standard medical Appeal would seriously jeopardize the Member's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating Physician, the Member may experience pain that cannot be adequately controlled while awaiting a standard medical Appeal decision.

An Expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare service for a Member currently receiving Emergency Medical Services, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal shall be made available to, and may be initiated by the Member, his authorized representative, or a Provider authorized to act on the Member's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

Blue Cross and Blue Shield of Louisiana  
Expedited Appeal - Medical Appeals  
P. O. Box 98022  
Baton Rouge, LA 70898-9022

1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of our receipt of an internal Expedited Appeal request that meets the criteria for an Expedited Appeal.

In any case where the internal Expedited Appeal process does not resolve a difference of opinion between Us and the Member or the Provider acting on behalf of the Member, the Appeal may be elevated to an Expedited External Appeal.

If an expedited internal medical Appeal does not meet the Expedited Appeal criteria or does not include the Physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Medical Appeal

An Expedited External Appeal is a request for immediate review, by an Independent Review Organization (IRO). The request may be simultaneously filed with a request for an internal Expedited Appeal, since the Independent Review Organization assigned to conduct the expedited external review will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for Expedited External Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

For all medical Appeals, the Office of Consumer Advocacy of the Department of Insurance is available to assist with the Appeals process. You may contact the Commissioner of Insurance directly for assistance at:

Commissioner of Insurance  
P. O. Box 94214  
Baton Rouge, LA 70804-9214

**E. No Surprises Act (NSA) Internal Appeals and External Appeals**

The NSA added certain Member rights and protections that may result in a Member being eligible for internal Appeals and External Appeals. If a Member is dissatisfied about decisions We make regarding the Member's rights and protections added by the NSA, the Member may file an Appeal. Examples of the NSA Member rights and protections include the following:

1. Member cost sharing and surprise billing protections for Emergency Medical Services;
2. Member cost sharing and surprise billing protections related to care provided by Non-Network Providers at Network facilities;
3. Whether Members are in a condition to receive notice and provide Informed Consent to waive NSA protections;

4. Whether a Claim for care received is coded correctly and accurately reflects the treatments received, and the associated NSA protections related to Member cost sharing and surprise billing; and
5. Continuity of care.

The Member is encouraged to, and should, provide Us with all available information to help Us completely evaluate the NSA Appeal such as written comments, documents, records, and other information.

We will provide the Member, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the determination that is the subject of the NSA Appeal.

The Member has the right to appoint an authorized representative for NSA Appeals. An authorized representative is a person to whom the Member has given written consent to represent the Member in an internal Appeal or External Appeal. The authorized representative may be the Member's treating Provider if the Member appoints the Provider in writing.

#### 1. NSA Internal Appeals

If a Member believes that We have not complied with the surprise billing and cost sharing protections or with continuity of care of the NSA, a written request for review must be submitted within one hundred eighty (180) days of the NSA-related Adverse Benefit Determination. Requests submitted to Us after one hundred eighty (180) days of the NSA-related Adverse Benefit Determination will not be considered.

The NSA internal Appeals request should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana, Inc.  
Appeals/Grievances Department  
P. O. Box 98045  
Baton Rouge, LA 70898-9045

If a Member has questions or needs assistance, the Member may call Our customer service department at the number on the ID card.

We will investigate the Member's concerns. If the NSA internal Appeal is overturned, We will reprocess the Member's Claim, if applicable. If the NSA internal Appeal is upheld, We will inform the Member of the right to begin the NSA External Appeal process.

The NSA internal Appeal decision will be mailed to the Member, the Member's authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request, unless it is mutually agreed that an extension of time is warranted.

#### 2. NSA External Appeals

If the Member disagrees with the NSA internal Appeal decision, a written request for an NSA External Appeal must be submitted within four (4) months of receipt of the NSA internal Appeal decision. Requests submitted to Us after four (4) months of receipt of the NSA internal Appeal decision will not be considered.

**You are required to sign and return the form included in the NSA internal Appeal denial notice which authorizes release of medical records for review by the IRO. Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.**

The NSA External Appeals request should be submitted in writing to:

Blue Cross and Blue Shield of Louisiana, Inc.  
Appeals/Grievances Department  
P. O. Box 98045  
Baton Rouge, LA 70898-9045

If the Member has questions or needs assistance, the Member may call Our customer service department at the number on the ID card.

A Member must exhaust all NSA internal Appeal opportunities prior to requesting an NSA External Appeal conducted by an IRO.

We will provide the IRO all pertinent information necessary to conduct the NSA External Appeal. The external review will be completed within forty-five (45) days of Our receipt of the request for an NSA External Appeal. The IRO will notify the Member, the Member's authorized representative, or a Provider authorized to act on the Member's behalf of its decision.

The IRO decision will be considered a final and binding decision on both the Member and Us for purposes of determining coverage under a health Benefit Plan. This NSA External Appeal process shall constitute Your sole recourse in disputes concerning whether the Company complied with the surprise billing and cost sharing protections of the NSA, except to the extent that other remedies are available under state or federal law.

The Member may contact 1-800-985-3059 or visit [www.cms.gov/nosurprises](http://www.cms.gov/nosurprises) for more information about Member rights under the NSA.

## **ARTICLE XXIV. ERISA RIGHTS**

To the extent this is an ERISA plan, the Member is entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). For purposes of this provision, the Group is considered the Plan Administrator and will be subject to the provisions stated below. ERISA provides that all plan participants (Members) shall be entitled to:

### **A. Receive Information About the Plan and Benefits**

1. A Member may examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the United States Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Upon written request to the Plan Administrator, a Member may obtain copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
3. A Member may receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each Member with a copy of this summary annual report.

### **B. Continue Group Health Plan Coverage**

A Subscriber may continue healthcare coverage for himself, his Spouse, or his Dependents, if there is a loss of coverage under the plan as a result of a qualifying event. The Subscriber or Dependents may, however, have to pay for such coverage. A Member may also review this document and the Summary Plan Description governing the plan on the rules pertaining to the Member's COBRA continuation of coverage rights.

### **C. Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Members, ERISA imposes duties upon the people who are responsible for the operation of the Employee Benefit Plan. The people who operate the plan, called fiduciaries of the plan, have a duty to do so prudently and in the interest of the Subscriber and other beneficiaries. No one, including his Employer, union or any other person, may fire him or otherwise discriminate against him in any way to prevent him from obtaining a plan Benefit or exercising his rights under ERISA.

### **D. Enforce Member's Rights**

1. If a Member's Claim for a plan Benefit is denied or ignored, in whole or in part, the Member has a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to Appeal any denial, all within certain time schedules.
2. Under ERISA, there are steps the Member can take to enforce the above rights. A Member must exhaust all Claims and Appeal procedures available to him before filing any suit. For instance, if the Member requests a copy of plan documents or the latest annual report from the plan and does not receive them within thirty (30) days, the Member may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay the Member up to one hundred ten dollars (\$110.00) a day until he receives the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If the Member has a Claim for Benefits, which is denied or ignored, in whole or in part, he may file suit in a state or federal court. In addition, if he disagrees with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, such Member may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if the Member is discriminated against for asserting his rights, he may seek assistance from the United States Department of Labor, or he may file suit in a federal court. The court will decide who should pay court costs and legal fees. If the Member is successful, the court may order the person he has sued to pay these costs and fees. If the Member loses, the court may order him to pay these costs and fees, for example, if it determines that his Claim is frivolous.

## **E. Assistance with Member Questions**

If a Member has any questions about this statement or about his rights under ERISA, or if he needs assistance in obtaining documents from the Plan Administrator, he should contact the nearest office of the Employee Benefits Security Administration, United States Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, United States Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. The Member may also obtain certain publications about his rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Blue Cross and Blue Shield of Louisiana is continuing to update its online access for Members. or to Our street address,

If You have questions about any of the information in this section, You may speak to Your Employer or call Our customer service department at the telephone number on the ID card.

### **A. Changing Family Members on the Member's Policy**

The Schedule of Eligibility lets You know when You may add additional family members to Your policy. Please read the Schedule of Eligibility and this section as they contain important information for You.

You will need to make all plan changes through the agent or through Blue Cross and Blue Shield of Louisiana. An Employee Enrollment / Change Form is the document that We must receive in order to enroll family members not listed on Your original application/enrollment form. The Employee Enrollment / Change Form is used to add newborn children, newborn adopted children, a Spouse, or other Dependents. It is extremely important that You follow the timing rules in the Schedule of Eligibility. If You do not complete and return a required an Employee Enrollment / Change Form to Us within the timeframes set out in the Schedule of Eligibility, it is possible that Your insurance coverage will not be expanded to include the additional family members. Completing and returning an Employee Enrollment / Change Form is especially important when Your first Dependent becomes eligible for coverage or when You no longer have any eligible Dependents.

### **B. How to File Insurance Claims for Benefits**

The Company and most Providers have entered into agreements that eliminate the need for a Member to personally file a Claim for Benefits. Preferred or Participating Providers will file Claims for Members either by mail or electronically. In certain situations, the Provider may request the Member to file the Claim. If the Member's Provider does request them to file directly with, the following information will help the Member in correctly completing the Claim form.

If You need to file a paper Claim, send it to:

Blue Cross and Blue Shield of Louisiana  
P. O. Box 98029  
Baton Rouge, LA 70898-9029

The ID card shows the way the name of the Subscriber (Member of the Group) appears on Our records. (If the Member has Dependent coverage, the name(s) are recorded as shown in the enrollment information We received.) The ID card also lists the Member's contract number (ID #). This number is the identification to the Member's membership records and should be provided to Us each time a Claim is filed.

To assist in promptly handling of the Member's Claims, please be sure that:

1. an appropriate Claim form is used;
2. the contract number (ID #) shown on the form is identical to the number on the ID card;
3. the patient's date of birth is listed;
4. the patient's relationship to the Subscriber is correctly stated;
5. all charges are itemized on a statement from the Provider;
6. the itemized statement from the Provider contains the Provider's name, address and tax ID number and is attached to the Claim form;
7. the date of service (date of Admission to a Hospital or other Provider) or date of treatment is correct;
8. the Provider includes a diagnosis code and a procedure code for each service/treatment rendered (the diagnosis code pointers must be consistent with the Claim form); and
9. the Claim form is completed and signed by the Member and the Provider.

### **C. Prescription Drug Claims**

Most Members with Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for Members who present the ID card to a Participating Pharmacy. However, if the Member must file a Claim to access their Prescription Drug Benefit, the Member must use the Prescription Drug Claim form. Members may obtain the Prescription Drug Claim form by accessing the pharmacy section of Our website, [www.lablue.com/pharmacy](http://www.lablue.com/pharmacy). The Prescription Drug Claim form, or an attachment acceptable to Us, may require the signature of the dispensing pharmacist. The Claim form should then be sent to Blue Cross and Blue Shield of Louisiana's Pharmacy Benefit Manager, whose telephone number is on the ID card. Benefits will be paid to the Member based on the Allowable Charge for the Prescription Drug.

### **D. Other Medical Claims**

When the Member receives other medical services (clinics, Provider offices, etc.), the Member should ask if the Provider is a Preferred or Participating Provider. If yes, this Provider will file the Member's Claim with Us. In some situations, the Providers may request payment and ask the Member to file. If this occurs, the Member must be sure the Claim form is complete before forwarding to Blue Cross and Blue Shield of Louisiana.

If the Member is filing the Claim, the Claim must contain the itemized charges for each procedure or service. Statements, canceled checks, payment receipts and balance forward bills may not be used in place of itemized bills.

Itemized bills submitted with Claim forms must include the following:

1. full name of patient;
2. date(s) of service

3. description of and procedure code for service;
4. diagnosis code;
5. charge for service; and
6. name and address of Provider of service.

#### **E. Claims for Nursing Services**

A receipt must be obtained for nursing services from each nurse indicating the name of the patient and the number of days covered by each receipt. Each receipt must also be signed by the nurse with the initials RN or LPN and registry number. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary may also need to be filed with the receipts for nursing services.

#### **F. Claims for Durable Medical Equipment (DME)**

Charges for rental or purchase of wheelchairs, braces, crutches, etc. must be on the bill of the supplying firm, giving a description of the item rented or purchased, the date, the charge, and the patient's name. A statement from the attending Physician or Allied Health Provider that services were Medically Necessary may also need to be filed with these bills.

#### **G. Claims for Mental Health and Substance Use Disorders**

For help with filing a Claim for the treatment of Mental Health or substance use disorders, the Member should refer to the ID card or call Our customer service department.

#### **H. Claims Questions**

## **ARTICLE XXVI. GENERAL PROVISIONS – GROUP/POLICYHOLDER ONLY**

**IN ADDITION TO THE GENERAL PROVISIONS FOR GROUP/POLICYHOLDER AND MEMBERS, THE FOLLOWING GENERAL PROVISIONS WILL ALSO APPLY TO THE GROUP/POLICYHOLDER.**

### **A. Due Date for Group's Premium Payments**

1. Premiums are due and payable from Group/policyholder in advance, prior to coverage being rendered. Premiums are due and payable beginning with the Effective Date of this Benefit Plan and on the same date each month thereafter. This is the premium due date.
2. Premiums are owed by Group/policyholder. Premiums may not be paid by third parties, including but not limited to Hospitals, Pharmacies, Physicians, automobile insurance carriers, or other insurance carriers. Company will not accept premium payments by third parties unless required by law to do so. The fact that Company may have previously accepted a premium from an unrelated third party does not mean that Company will accept premiums from these parties in the future.
3. If a premium is not paid when due, Company may agree to accept a late premium. Company is not required to accept a late premium. The fact that Company may have previously accepted a late premium does not mean late premiums will be accepted in the future. You may not rely on the fact that late premiums were previously accepted as indication that Company will do so in the future.
4. Premiums must be paid in US dollars. The Subscriber will be assessed a twenty-five dollar (\$25.00) NSF fee should premium be paid with a check that is returned by the bank due to insufficient funds. If multiple payments are returned by the bank, Company may at its sole discretion refuse to reinstate coverage.
5. If this coverage is terminated for non-payment of premium or other amounts, We may require payment of all past due amounts before agreeing to reinstate this coverage or accepting you for coverage on a future policy of insurance

### **B. Change in Premium Amount**

1. Premiums for this Benefit Plan may increase after the Group's first twelve (12) months of coverage and annually thereafter, except when premiums may increase more frequently as described in the following paragraph. Except as provided in the following paragraph, We will give Group forty-five (45) days written notice of any change in premium rates (ninety (90) days written notice for Employer groups with more than 100 enrolled Employees). Company will send notice to the Group's latest address shown in Our records. Any increase in premium is effective on the date specified in the rate change notice. Continued payment of premium will constitute acceptance of the change.
2. Company reserves the right to increase the premiums more often than stated above due to a change in the extent or nature of the risk that was not previously considered in the rate determination process at any time during the life of the Benefit Plan. This risk includes, but is not limited to, the right to increase the premium amount because of: (1) the addition of a newly covered person; (2) the addition of a newly covered entity; (3) a change in geographic location of any individual insured or policyholder; (4) or a change in the policy Benefit level from that which was in force at the time of the last rate determination. An increase in premium will become effective on the next billing date following the effective date of the change to the risk. Continued payment of premium will constitute acceptance of the change.

### **C. Group to Distribute and Account for Premium Rebate**

In the event federal or state law requires the Company to rebate a portion of an annual premium payment, Company will pay the Group/policyholder the total rebate applicable to the Policy, and Group, on behalf of the Company, will distribute from the rebate a pro-rata share of the rebate to each Subscriber (including but not limited to Employees, retirees, and elected officials as covered on the Group's Benefit Plan) based upon their contribution to the premium rebated. Group shall assure appropriate notification to federal and state tax agencies and that each payment to Subscribers will be accompanied by appropriate federal and state documentation, e.g., Form 1099.

Group shall develop and retain records and documentation evidencing accurate distribution of any rebate and shall provide such records to Company upon request. Such records shall include:

1. the amount of the premium paid by each Subscriber;
2. the amount of the premium paid by the Group;
3. the amount of the rebate provided to each Subscriber;
4. the amount of the rebate retained by the Group; and
5. the amount of any unclaimed rebate and how and when it will be or was distributed.

Group will assure that any unclaimed rebate amounts will be reported in accordance with the unclaimed property laws of the applicable Subscriber's state of domicile. Group will indemnify the Company in the event the Company suffers any fines, penalties or expenses, including reasonable attorney's fees, due to the Group's failure to carry out its obligations under this Section of the Group Health Benefit Plan.

#### **D. Group's Right to Cancel the Policy**

1. This policy is guaranteed issuable and renewable at the option of the Group. Group indicates its desire to continue coverage by its timely payment of each premium as it becomes due.
2. Group may cancel this policy for any reason.
3. To cancel the policy purchased, Group must give Company WRITTEN NOTICE of its intent to cancel. GROUP MAY NOT VERBALLY CANCEL THIS COVERAGE. GROUP'S WRITTEN NOTICE OF CANCELLATION MUST BE GIVEN TO COMPANY PRIOR TO OR ON THE EFFECTIVE DATE OF THE CANCELLATION AND MUST BE ACCOMPANIED BY RETURN OF THE BENEFIT PLAN. If Group's written notice to Company of its intent to cancel is not accompanied by the surrendered policy, Group's cancellation notice to Company shall be deemed to include Group's declaration that the Group made a good faith attempt to locate its policy and the policy is not returned because it has been lost or destroyed.

#### **E. The Company's Right to Terminate the Policy for Nonpayment of Premium**

1. Premiums are to be prepaid before coverage is rendered. The Group is considered delinquent if premiums are not paid on the due date.
2. The Company offers a thirty (30) day grace period (delinquency period) from the due date of the premium. If premium is not received during the grace period, coverage remains in effect during the grace period pursuant to the provisions of the policy. The Company will mail a delinquency/termination notice to the Group's address of record. The Company may automatically terminate the policy without further notice to the Group if premium is not paid to the Company at its home office within thirty (30) days of the due date (during the grace period). Termination will be effective midnight of the last day for which premiums have been paid. Company will not be liable for any Benefits for services rendered following the last date through which premiums have been paid.
3. The Group/policyholder agrees to pay reasonable costs and fees to the Company, including reasonable attorney's fees, for the Company's attempt to collect any amounts owed under this Benefit Plan, including, but not limited to, unpaid premium.

#### **F. The Company's Right to Terminate the Policy for Reasons Other Than Nonpayment of Premium**

The Company may terminate this Benefit Plan with sixty (60) days advance written notice to group, providing the reason for termination, if any one of the following occurs:

1. Group commits fraud or makes an intentional misrepresentation.

2. Group fails to comply with a material plan provision, including, but not limited to provisions relating to eligibility, Employer contributions or group participation rules. If the sole reason for termination is that Group's participation falls to less than one (1) Employee (only the owner is left on the policy), termination of Group coverage will be effective on the Group's next anniversary date. Otherwise, termination for a reason addressed in this paragraph will be effective after Group receives sixty (60) days advance written notice.
3. In the case of network plans, there is no longer any enrollee under the Group Benefit Plan that lives, resides, or works in the service area of the Company or in the area for which the Company is authorized to do business.
4. Group's coverage is provided through a bona fide association and the Employer's membership is in the association ends.
5. Company ceases to offer this product or coverage in the market (ninety (90) days advance written notice will be given to the Group, participants, and beneficiaries).

Advance written notice will be given to the Group in accordance with the timeframe required by law.

#### **G. Proxy Votes**

Election of the Board of Directors of the Plan and certain significant corporate transactions are determined by majority vote of its policyholders, unless a different vote is required by law or the Plan's Articles of Incorporation or Bylaws. A policyholder designates, by means of the application for coverage the members of the Board of Directors of the Plan as his proxy to vote on these important matters. Payment of each premium extends the proxy's effectiveness unless revoked by the policyholder. This proxy may be revoked by the policyholder by giving written notice of the revocation. This revocation may be in any form of writing either revoking the proxy or designating a different proxy and must be sent to the Plan at:

Blue Cross and Blue Shield of Louisiana  
P. O. Box 98029  
Baton Rouge, Louisiana 70898-9029

In lieu of giving his proxy on the application for coverage, the policyholder may designate any other policyholder as his proxy by any form of writing which includes the policyholder's name and policy number, sent to the Plan as indicated above. Notice of meetings to the proxy constitutes notice to the policyholders giving their proxies. Further, notice is hereby given that the annual meeting of the Plan is held in the month of February with notice of the date of that meeting being given as required by law and the articles and bylaws of the Louisiana Health and Service Indemnity Company. However, additional notice of meetings will be sent to any policyholder or his proxy upon his written request for such notice directed to the Company's secretary.

#### **H. Out-of-Area Services**

**Please refer to the Out-of-Area Services section in the General Provisions – Group / policyholder and Members Article of this Benefit Plan for further explanation of these Inter-Plan Arrangements and the BlueCard® Program.**

Blue Cross and Blue Shield of Louisiana has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as Inter-Plan Arrangements. These Inter-Plan Arrangements operate under rules and procedures issued by the Blue Cross and Blue Shield Association (Association). Whenever Members access Covered Services outside the geographic area We serve, the Claim for those services may be processed through one of these Inter-Plan Arrangements, and the other Blue Cross and/or Blue Shield Licensee (Host Blue) will be responsible for contracting and handling all interactions with its Participating Providers. The financial terms of the BlueCard® Program are described generally below.

## 1. BlueCard® Program Liability Calculation Method Per Claim

Unless subject to a fixed dollar Copayment, the calculation of the Member liability on Claims for Covered Services will be based on the lower of the Participating Provider's billed charges for Covered Services or the negotiated price made available to Us by the Host Blue.

Host Blues determine a negotiated price, which is reflected in the terms of each Host Blue's healthcare Provider contracts. The negotiated price made available to Us by the Host Blue may be represented by one of the following:

- a. An actual price. An actual price is a negotiated rate of payment in effect at the time a Claim is processed without any other increases or decreases, or
- b. An estimated price. An estimated price is a negotiated rate of payment in effect at the time a Claim is processed reduced or increased by a percentage to take into account certain payments negotiated with the Provider and other Claim- and non-Claim-related transactions. Such transactions may include, but are not limited to, anti-fraud and abuse recoveries, Provider refunds not applied on a Claim-specific basis, retrospective settlements, and performance-related bonuses or incentives; or
- c. An average price. An average price is a percentage of billed charges for Covered Services in effect at the time a Claim is processed representing the aggregate payments negotiated by the Host Blue with all of its healthcare Providers or a similar classification of its Providers and other Claim- and non-Claim-related transactions. Such transactions may include the same ones as noted above for an estimated price.

Host Blues determine whether or not they will use an actual, estimated or average price. Host Blues using either an estimated price or an average price may prospectively increase or reduce such prices to correct for over- or underestimation of past prices (i.e., prospective adjustment may mean that a current price reflects additional amounts or credits for Claims already paid to Providers or anticipated to be paid to or refunds received or anticipated to be received from Providers). However, the BlueCard® Program requires that the amount paid by the Member is a final price; no future price adjustment will result in increases or decreases to the pricing of past Claims. The method of Claims payment by Host Blues is taken into account by Us in determining Group's/policyholder's premiums.

## 2. Special Cases: Value-Based Programs

We have included a factor for bulk distributions from Host Blues in Group's/policyholder's premium for Value-Based Programs when applicable under this Benefit Plan.

## 3. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

In some instances federal or state laws or regulations may impose a surcharge, tax or other fee that applies to insured accounts. If applicable We will include any such surcharge, tax or other fee as part of the Claim charge that will be used to determine any Member liability, and will use them in determining Group's/policyholder's premium.

## 4. Non-Participating Providers Outside Our Service Area

For an explanation on how liability calculations are made for the Claims of Non-Participating Providers outside Our service area, please refer to the Out-of-Area Services section in the General Provisions – Group/policyholder and Members Article of this Benefit Plan.

## **I. Health Insurance Portability and Accountability Act (Privacy and Security)**

1. For purposes of this provision, the following definitions have the same meaning as defined in the Health Insurance Portability and Accountability Act of 1996 (HIPAA):
  - a. Group Health Plan as defined at 45 CFR Part 160, Sec. 160.103.
  - b. Protected Health Information (PHI) as defined at 45 CFR Part 164, Sec. 164.501.
  - c. Summary Health Information as defined at 45 CFR Part 164, Sec. 164.504(a).
2. Disclosing Information to the Group:
  - a. Sharing Summary Health Information with the Group:

The Company may disclose Summary Health Information to the Group if the Group requests Summary Health Information for purposes of obtaining premium bids from health insurers, HMOs or other third-party payers under the Group Health Plan; or modifying, amending or terminating the Group Health Plan.

- b. Sharing PHI with the Group:

The Company may disclose PHI to the Group to enable the Group to carry out plan administration functions only upon receipt of a certification from the Group that:

- (1) its plan documents include all of the requirements set forth in 45 CFR Part 164, Sec. 164.504(f)(2)(i), (ii) and (iii);
    - (2) it has provided notice to those individuals about whom the PHI relates that meets the requirements of 45 CFR Part 164, Sec. 164.520 (B)(1)(iii)(C); and
    - (3) that such PHI will not be used for the purpose of employment-related actions or decisions or in connection with any other Benefits or Employee Benefits plan of the Group.
  - c. The Group hereby agrees to abide by the Company's acknowledgement and Authorization policies with regards to the exchange of PHI in an electronic format. For example, if the Company provides data to the Group on a compact disc, the Company may require acknowledgement that the data was received by the Group and the name of the Group representative who received the data.

## **J. United States Economic Sanctions Laws Compliance**

The Group hereby agrees to comply fully with all applicable economic sanctions and export control laws and regulations, including those regulations maintained by the United States Treasury Department's Office of Foreign Assets Control (OFAC). The Group understands that Blue Cross and Blue Shield of Louisiana does not authorize extending coverage to any person to whom the provision of such coverage would be receiving insurance coverage under this or other Blue Cross and Blue Shield of Louisiana Policies, including Subscribers and their covered Dependents, against all relevant United States Government lists of persons subject to trade, export, financial, or transactional sanctions, including the most current version of OFAC's list of Specially Designated Nationals and Blocked Persons, before providing or agreeing to provide coverage to any person. The Group agrees that its acceptance of coverage constitutes a representation to Blue Cross and Blue Shield of Louisiana that all applicable laws and regulations have been complied with and that coverage is not being provided to any denied person.

Any extension of coverage in breach of the foregoing shall constitute cause for immediate termination of this Benefit Plan, and denial of Benefits for any Claims made under that coverage, and shall entitle Blue Cross and Blue Shield of Louisiana to indemnification from the Group for any cost, loss, damage, liability, or expense incurred by Blue Cross and Blue Shield of Louisiana as a result thereof. This provision shall survive termination or cancellation of this Benefit Plan.

## LLHIGA NOTICE

### SUMMARY OF THE LOUISIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

- A. Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Louisiana Life and Health Insurance Guaranty Association, or LLHIGA. The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

#### DISCLAIMER

The Louisiana Life and Health Insurance Guaranty Association provides coverage of certain claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage. Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer. The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

- B. The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S.22:2081 et seq. The following is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.
- C. Generally, individuals will be protected by the Louisiana Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well, even if they live in another state; unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.
- D. Exclusion from Coverage
1. A person who holds a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:
    - a. he is eligible for protection under the laws of another state;
    - b. the insurer was not authorized to do business in this state;
    - c. his policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined by law, or any entity similar to any of these.

2. LLHIGA also does not provide coverage for:

- a. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- b. any policy of reinsurance (unless an assumption certificate was issued);
- c. interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- d. dividends, premium refunds, or similar fees or allowances described under the law;
- e. credits given in connection with the administration of a policy by a group contract holder;
- f. employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- g. unallocated annuity contracts (which give rights to group contract holders, not individuals), except if qualified by law
- h. an obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
- i. a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part A coverage", "Medicare Part B coverage", "Medicare Part C coverage", or "Medicare Part D coverage" and any regulations issued pursuant to those parts;
- j. interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

E. Limits on Amounts of Coverage

- 1. The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out.
- 2. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:
  - a. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
  - b. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
  - c. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.
- 3. In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.
