ARTICLE I. UNDERSTANDING THE BASICS OF YOUR COVERAGE

The Schedules of Dental Benefits control in regards to which dental Benefits are covered, the Waiting Period that is applicable to each Benefit, and the cost sharing (deductibles, coinsurance) applicable to each Benefit. There are two possible Schedules of Dental Benefits available for this Contract: one that applies to the Pediatric Benefits Section, and one that applies to the Adult Benefits Section. The Schedule will describe the Section to which it applies. The Benefits offered under both of these Sections are limited as stated in each Section.

UNITED CONCORDIA DENTAL

United Concordia Companies, Inc. d/b/a United Concordia Dental (hereinafter United Concordia Dental or UCD) is the Blue Cross and Blue Shield of Louisiana's network and claims administrator for the dental Benefits provided in this Contract, and is in charge of managing the Dental Network, handling and paying claims, and providing customer services to the Members eligible to receive these benefits and their legal representatives.

The Dental Network consists of a select group of Providers who have contracted with United Concordia Dental to render services to Members for discounted fees. **All other Providers are considered Non-Participating.** Non-Participating Providers may bill you more for their services than Participating Providers.

In order to receive the full benefits under this Section, the Member should verify that a Provider is a United Concordia Dental Network Participating Provider before any service is rendered. To locate a Participating Provider and verify their continued participation in the United Concordia Dental Network, or to ask any questions related to Benefits or claims, please visit the website at www.lablue.com or contact a customer service representative at (866) 445-5338.

We, Us and Our in this Contract means the Company or United Concordia Dental when it acts on behalf of Blue Cross and Blue Shield of Louisiana in performing its services under the dental coverage provided for in this Section. Capitalized words are defined terms as described below.

SERVICES RENDERED BY NON-PARTICIPATING PROVIDERS

You should know that care received from a Non-Participating Provider could mean a higher cost to you. This amount you could be subject to pay, which could be significant, will not accumulate to any Out-of-Pocket Maximum under this Contract. We recommend that you ask the Non-Participating Provider about their billed charges before you receive care.

Reimbursements for services rendered by a Non-Participating Provider will be based on Our Allowable Charge and will be paid under the same limits, rules and policies that We would have applied to claims for services rendered by a Participating Provider.

THIS COVERAGE AND THE PATIENT PROTECTION AND AFFORDABLE CARE ACT

The Patient Protection and Affordable Care Act of 2010 and the Health Care and Education Reconciliation Act of 2010 (the Affordable Care Act) were signed into law in March, 2010. Many of the provisions of the Affordable Care Act become effective at the Contract effective date in 2014. This coverage is compliant with the Affordable Care Act and, if children under age 19 are enrolled, provides the pediatric dental benefits that are part of the Essential Health Benefits required by law.

Coverage under the Affordable Care Act can be purchased either (1) through the SHOP, with or without the assistance of an agent/producer; or (2) through Blue Cross and Blue Shield of Louisiana directly, or through an agent/producer. The SHOP is the Small Employer Health Options marketplace that is operated by the federal government for the State of Louisiana. Coverage purchased through the SHOP is called On-SHOP coverage. Coverage purchased directly from Company or from an agent/producer is called Off-SHOP coverage. **Several important parts and provisions of this Contract are different based on whether this coverage was purchased On-SHOP or Off-SHOP. Please refer to the Schedule of Benefits to determine if your coverage is On-SHOP or Off-SHOP coverage so you will know which Contract language applies to you.**

Open Enrollment Period – A period of time each year designated by the Group or by federal government, during which a Subscriber and his eligible Dependents may enroll for coverage under this Benefit Plan. For enrollment through the SHOP, the Open Enrollment Period shall be thirty (30) days or longer, as required by federal law.

Prosthetic Dentures – Prosthetic devices constructed to replace missing teeth, and which are supported by surrounding soft and hard tissues of the oral cavity. Conventional dentures are removable, however there are many different denture designs, some which rely on bonding or clasping onto teeth or dental implants.

Provider – A physician or Dentist, or Allied Health Professional, licensed where required, performing within the scope of license, and approved by UCD. If a Provider is not subject to state or federal licensure, We have the right to define all criteria under which a Provider's services may be offered to Our Members in order for Benefits to apply to a Provider's Claims. Coverage purchased through this health insurance marketplace is called On-SHOP coverage. Coverage purchased either directly from Company or through and agent/producer is called Off-SHOP coverage.

Space Maintainer – Besides being useful for chewing, baby teeth also act as a guide for the eruption of the permanent teeth that replaces them. If a baby's tooth is lost too early, the permanent tooth that comes after it loses its guide, so it could drift or erupt into the wrong position in the mouth. Neighboring teeth also can move or tilt into the space, reducing the space available for the permanent tooth to come out. Space maintainers are appliances used when a baby tooth is lost too early to help make room for the permanent tooth it was intended to guide.

C. Application for Coverage

When coverage is purchased through the SHOP, applications, changes, and terminations must be made through the SHOP. The SHOP will determine and verify eligibility to enroll in this Contract and establish an Effective Date for coverage. Application for enrollment must be made through the SHOP during the Group's annual Open Enrollment Period each year, which will be at least 30 days in length. After the initial Open Enrollment Period, qualified persons generally may enroll in or change coverage only during subsequent Open Enrollment Periods or, if an individual becomes eligible outside the annual Open Enrollment Period, he may apply for coverage beginning on the date he becomes eligible. A qualified individual may also enroll in coverage during a Special Enrollment Period available after certain trigger events occur.

Company will determine and verify eligibility to enroll in this Benefit Plan and establish an Effective Date for coverage. Application for enrollment must be made to Company during the Group's annual Open Enrollment Period each year. After the initial Open Enrollment Period, qualified persons generally may enroll in or change coverage only during subsequent Open Enrollment Periods or if an individual becomes eligible outside the annual Open Enrollment Period, he may apply for coverage beginning on the date he becomes eligible. The Group will submit any such enrollment forms to the Company as a prerequisite to coverage under this Benefit Plan.

No person will be covered under this Benefit Plan unless the Company has accepted the enrollment form and has been issued an identification card or other written notice of acceptance. Payment of premiums to the Company for any person will not effectuate coverage unless and until the Company's identification card or other written acceptance has been issued, and in the absence of such issuance, the Company's liability will be limited to refund of the amount of premiums paid.

This Group dental Benefit Plan and coverage under it will not be issued or renewed unless the percentage of Eligible Persons specified in the Application for Group Coverage is enrolled.

D. Available Classes of Coverage as Selected by the Group

Off-Exchange coverage: When an enrollment form has been accepted and required premiums for coverage have been paid, coverage will begin on the following applicable Effective Date, subject to any Eligibility Waiting Period:

If a person is an Eligible Person on the Group's Benefit Plan Date and enrolls for coverage for self or for self and any eligible Dependent(s) on or before such date, this Group's Benefit Plan Date will be the Effective Date of coverage.

If a person becomes an Eligible Person after this Group's Benefit Plan Date, and enrolls for coverage for self or for self and any eligible Dependent(s) and the enrollment form is received by the Company within thirty (30) days of the eligibility date, the Effective Date of coverage will be the eligibility date.

If an Eligible Person's application for coverage for self or for self and any eligible Dependent(s) is not received by Us within thirty (30) days of the eligibility date or Special Enrollment Period as described below, the request for enrollment will be denied. The Eligible Person shall be eligible to enroll for coverage during the next Open Enrollment Period. If the Eligible Person timely enrolls during the next Open Enrollment Period.

If a child is born to a Subscriber holding coverage which includes Dependent children (Subscriber and Family coverage or Subscriber and Child(ren) coverage), and the enrollment form is received by the Company within one hundred eighty (180) days of the date of birth, the Effective Date of coverage will be the date of birth.

F. Court Ordered Determination

If a court ordered determination is made to cover an eligible Dependent under an employee's Contract, the employee must enroll himself, if not already enrolled, and enroll the eligible Dependent by completing an enrollment form and submitting the enrollment form to Our home office or the SHOP within thirty (30) days after the court ordered determination. If timely enrolled, coverage for the eligible Dependent will be effective on the date of the court ordered determination or as otherwise determined by the SHOP.

Special Enrollment Periods exist outside of the Open Enrollment Period when the Eligible Person experiences a specific Special Enrollment event as described under this section. During these periods, application may be made to Company (for Off-Exchange coverage) or to SHOP (for On-Exchange coverage) to enroll or drop coverage or to enroll or disenroll Dependents. Individuals who lose other coverage because they did not pay their premiums or required contributions timely, or lose other coverage for cause (such as filing fraudulent Claims or an intentional misrepresentation of a material fact in connection with the plan), are not Special Enrollees and have no special enrollment rights.

An Eligible Person who is not enrolled under this Benefit Plan may be permitted to enroll as a Special Enrollee if each of the following conditions is met:

1. The Eligible Person must be eligible for coverage under the terms of this Benefit Plan; and

6. Gaining access to new Qualified Health Plans because of a permanent move.
7. Being an Indian, as defined in Section 4 of the Indian Health Care Improvement Act.
8. Meeting other exceptional circumstances as determined by the SHOP.
9. The Subscriber gaining a Dependent or gaining dependent status under another health plan through marriage, birth, adoption, placement for adoption or mandate granting legal or provisional custody. Premiums may be adjusted for the additional coverage if adding the new Dependent changes the class of coverage under the Benefit Plan.

When the Subscriber gains dependent status under another plan, he may disenroll from this Benefit Plan outside of the Open Enrollment Period. When the Subscriber gains a Dependent and because of that wishes to enroll himself, or enroll a Dependent in this Benefit Plan, the following rules apply:

- a. If not already participating, Eligible Employee may enroll with the Dependent if he has served any applicable Eligibility Waiting Period but has not enrolled during a previous enrollment period. In the case of the birth, adoption, or placement for adoption of a child, the Spouse of the employee may be enrolled as a Dependent if the Spouse is otherwise eligible for coverage.
- b. If the Group offers multiple health plan options, another option may be chosen by the Eligible Employee for himself and Dependents when special enrollee status applies.

- d. The Special Enrollment Period described in this subparagraph is a period of no less than thirty (30) days and shall begin on the later of the date Dependent coverage is made available or the date of the marriage, birth, adoption, or placement for adoption. If the request for enrollment is not made timely, the request will be denied and any period of automatic coverage for Newly-Born Infants will end.
- e. In the case of a birth, adoption, or placement for adoption, a current employee may enroll himself, his Spouse and/or the newborn/adopted child and other eligible Dependent children, the enrollment must be requested no later than thirty (30) days after the birth, adoption, or placement for adoption. ARTICLE IV. PEDIATRIC BENEFITS

The dental benefits described in this Section are available only for Members under 21 years old. Members that were under 21 years old when they enrolled in this Benefit Plan, and during the Policy Year attain age 21, will continue to be covered under this Section until the end of that Policy Year.

In accordance with federal law, We will provide benefits for all required pediatric dental services. Services will be subject to any duration and frequency limits and exclusions as identified in the federal benchmark plan.

For the In-Network unlimited Dental Benefits, the Schedule of Dental Benefits will contain an Out of Pocket (OOP) Yearly Maximum per Child Member, and an Out of Pocket (OOP) Yearly Maximum per 2 or more Child Members. Each will apply depending on how many Child Members are covered under this Benefit Plan.

If there is only one Child Member, the Out of Pocket (OOP) Yearly Maximum per Child Member will apply, which is the maximum dollar amount that the Child Member will have to pay out of his/her own pocket during a Policy Year. Once the Child Member pays the maximum OOP in deductible and coinsurance for covered Benefits, the Member's Benefits will be 100% covered until the end of the Policy Year. To the contrary, if there are two or more Child Members covered under this Benefit Plan, the Out of Pocket (OOP) Yearly Maximum per 2 or more Child Members will apply. Once that maximum OOP amount is paid in deductible and coinsurance for covered Benefits by any Child Member, all the Child Members will be 100% covered until the end of the Policy Year.

These OOP maximums are accumulated when the covered Benefits are received by the Child Member from Participating Providers. Any out of pocket amounts paid by Members for services received from Non-Participating Providers will not accrue to any of these OOP maximums.

If included, Traditional Orthodontic Services will be subject to a Traditional Orthodontic Services Lifetime Maximum, as described below. Once this Lifetime Maximum is reached, no more Benefits will be available for the life of the Member.

Predetermination should not be requested unless total charges for a proposed treatment plan exceed \$200. You may ask your Dentist to submit a predetermination request. UCD will then provide a summary of covered expenses and payable amounts.

Please note that Pre-Determinations are not designed to be used for Emergency Treatments or routine preventive services such as exams, x-rays or cleanings.

A Pre-Determination is not an Authorization. When a Covered Benefit needs to be Authorized, a formal Authorization request prior to service will have to be submitted.

ARTICLE IX. ALTERNATE BENEFITS

If UCD determines that a less costly covered service other than the covered service the Dentist performed could have been performed to treat a dental condition, we will pay benefits based upon the less costly service if such service would produce a professionally acceptable result under generally accepted dental standards. If the Member and the Dentist choose the more expensive treatment, the Member will be responsible for the additional charges, beyond those allowed under this clause. This limitation does not apply to covered implantology services.

Alternate benefits applicable to your treatment plan will be determined during Authorization. However, should the services billed differ from those Authorized, UCD reserves the right to determine if an Alternate Benefit is applicable to the actual services rendered.

ARTICLE X. COORDINATION OF THIS BENEFIT PLAN WITH OTHER DENTAL COVERAGE OF WHICH THIS BENEFIT PLAN FORMS A PART

If a Member has other coverage for dental benefits, and this Benefit Plan is offered in conjunction with or as a supplement to that other dental coverage, the dental benefits under this stand-alone coverage will be determined first. We reserve the right to make any coordination of benefits necessary so that no more than the full amount of the Allowable Charge for the same claim or service is ever paid under all the dental benefits the Member may have.

ARTICLE XI. BENEFIT EXTENSION PERIOD AFTER TERMINATION OF COVERAGE

THE DENTAL COVERAGE UNDER THIS BENEFIT PLAN WILL BE EXTENDED AFTER THE DATE THE COVERAGE FOR THE MEMBER TERMINATES ONLY IF:

1. A Covered Benefit for such service was incurred while coverage was in effect; and
2. Such Covered Benefit is completed within thirty-one (31) days after coverage terminates.
3. A Covered Benefit expense will be deemed incurred as follows:
 4. For appliances or changes to appliances – on the date the appliance or prosthesis is permanently placed;
 5. For Crowns, dentures or bridgework – on the date the impression is taken;
 6. For Root Canal therapy -- on the date the pulp chamber is opened; or
 7. For all other dental expenses -- on the date the service is rendered or the supply is furnished.
8. For orthodontic treatment, if covered under the Plan, coverage will be extended through the end of the month of the Member's Termination Date.

ARTICLE XII. CONTINUATION OF COVERAGE RIGHTS

A. Surviving Spouse Continuation

1. If eligibility for Group coverage ceases upon the death of the Subscriber, a surviving Spouse covered as a Dependent who is fifty (50) years of age or older, has ninety (90) days from the date of the Subscriber's death to notify Company of the election to continue the same coverage and if already covered, for any Dependents.
 - a. Coverage is automatic during the ninety (90) day election period. Premium is owed for this coverage. If continuation is not chosen, or if premium is not received for the ninety (90) days of automatic coverage, the ninety (90) days of automatic coverage is terminated retroactive to the end of the billing cycle in which the death occurred.
 - b. If the continuation coverage is chosen within the ninety (90) day period, coverage will continue without interruption. Premium is owed from the last date for which premium has been paid. No physical exams are required. Premium for continuing coverage will not exceed the premium assessed for each Subscriber by class of coverage under the Group Benefit Plan.
2. The Group will be responsible for notifying the Spouse of the right to continue and for billing and collection of premium. However, if We have been furnished with the home address of the surviving Spouse at the time of death and have been notified by the Group in an acceptable manner of the death of the Subscriber, We will notify the surviving Spouse of the right to continue. The Group will remain responsible for billing and collection of premium.
3. Coverage continues, as long as premium is paid timely, until the earliest of:
 - a. the date premium is due and is not paid on a timely basis;
 - b. the date the surviving Spouse or a Dependent becomes eligible for Medicare; or
 - c. the date the surviving Spouse or a Dependent becomes eligible to participate in another group health plan;
 - d. the date the surviving Spouse remarries or dies;
 - e. the date this Group Benefit Plan ends; or
 - f. the date a Dependent is no longer eligible.

B. State Continuation

State continuation is available only if the Group is not subject to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 and any amendments thereto. The Subscriber or the Dependent requesting continuation must have been continuously covered under this Benefit Plan (or another group policy that this Benefit Plan replaced) for the three (3) consecutive months immediately preceding the date this coverage would otherwise have ended.

1. A Subscriber or a Dependent may be entitled to continue the coverage under this Benefit Plan when eligibility for coverage ends because of:
 - a. the death of the Subscriber;
 - b. the termination of the Subscriber's active employment; or
 - c. the divorce of the Subscriber.
2. Continuation of coverage for a Subscriber or a Dependent is not available if:

- a. within thirty-one (31) days of termination of coverage, the Subscriber or the Dependent is or could have been covered by other group coverage or a government-sponsored health plan such as Medicare or Medicaid;
- b. the coverage under this Benefit Plan terminated due to fraud or the failure to pay any required contribution to premium; or
- c. the Subscriber or the Dependent is eligible for continuation of coverage under COBRA.

To elect continuation of coverage under this section, the Subscriber or the Dependent must notify the Group in writing of the election to continue this Benefit Plan and must pay any required contribution to the Group in advance. The initial contribution must be paid no later than the end of the month following the month in which the event occurred that made the Subscriber or the Dependent eligible. If a Dependent is eligible due to divorce, the event shall be deemed to have occurred on the date of the judgment of divorce. A form to continue coverage is available from and should be obtained from the Group.

- 3. Continuation of insurance under the Group Benefit Plan for any Subscriber or Dependent shall terminate on the earliest of the following dates:
 - a. twelve (12) calendar months from the date coverage would have otherwise ended;
 - b. the date ending the period for which the Subscriber or the Dependent makes the last required premium contribution for the coverage;
 - c. the date the Subscriber or the Dependent becomes or is eligible to become covered for similar benefits under any arrangement of coverage for individuals in a group, whether insured or uninsured, including Medicare or Medicaid;
 - d. the date on which the Group terminated this Benefit Plan;
 - e. the date on which an enrolled Subscriber or Dependent of a health maintenance organization legally resides outside the service area of the Company.

C. COBRA Continuation Coverage

The following provisions are applicable only if the Group is subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) and any amendments thereto. Please refer to the Group Human Resources Manager or Benefits Manager for details about COBRA, or the applicability of COBRA to this plan.

What is COBRA continuation coverage?

In accordance with COBRA law, the employees and eligible dependents of certain employers may have the opportunity to continue their employer-sponsored healthcare coverage for a limited time, when there is a life event (also known as a qualifying event) that would otherwise result in the loss of coverage under the employer's plan. When a qualifying event causes such loss of coverage, COBRA continuation coverage must be offered to each person who is a qualified beneficiary. The Subscriber, the Subscriber's Spouse and the Subscriber's Dependents are listed under the law as the qualified beneficiaries. COBRA continuation coverage offers the same coverage that the plan gives to other participants or beneficiaries who are not receiving continuation coverage. The qualified beneficiary may be required to pay the full cost of the continuation coverage for its entire duration.

Do I have other alternatives to COBRA continuation coverage?

COBRA continuation coverage is not the only alternative Members may have when they lose coverage under this plan. You and Your family may have other coverage options.

For example, You could qualify to buy individual coverage through the Health Insurance Marketplace. Losing coverage under this Benefit Plan gives You a special enrollment opportunity in the Marketplace, even when

it happens outside of the Marketplace's Open Enrollment Period. You have sixty (60) days from when You lose coverage under this Benefit Plan to apply for special enrollment through the Marketplace. In the Marketplace, You could be eligible for a tax credit that lowers Your monthly premiums right away, and You can see what Your premium, Deductible Amounts, and Out-of-Pocket Amounts will be before You make a decision to enroll. Being eligible for COBRA does not limit Your eligibility for coverage or for a tax credit through the Marketplace. However, it is important that You know that if You or any of Your Dependents choose COBRA continuation coverage instead of Marketplace coverage, You will lose the special enrollment opportunity for the Marketplace, and You will not be able to enroll until the Marketplace's normal enrollment period opens or Your COBRA continuation coverage is exhausted.

Additionally, You may qualify for a special enrollment opportunity for another group health plan for which You are eligible (such as a Spouse's plan), even if the plan generally does not accept late enrollees, if You request enrollment within thirty (30) days from losing coverage under this Benefit Plan.

Therefore, consider all Your options so You choose the one that better fits Your needs and budget.

What if I choose to get COBRA continuation coverage?

If You and Your Dependents are qualified beneficiaries and choose to get COBRA continuation coverage, You must follow all notice and time period requirements described below or You will lose Your rights. If the Group requires shorter time periods than those stated herein, the shorter time periods of the Group apply.

What are the qualifying events?

A qualifying event is any of the following events:

1. termination of employment of a covered Employee for reasons other than gross misconduct;
2. loss of eligibility by a covered Employee due to a reduction in the number of work hours of the Employee;
3. death of a covered Subscriber;
4. divorce or legal separation between a covered Subscriber and his or her Spouse;
5. the covered Subscriber becomes entitled to Medicare benefits resulting in the loss of coverage for Dependents;
6. a Dependent child ceases to be an eligible Dependent under the terms of this Benefit Plan; or
7. the Employer files for a Chapter 11 bankruptcy proceeding, but only with respect to covered former Employees who retired from the Employer at any time.

NOTE: Special rules apply for certain retirees and their dependents who lose coverage because of an employer's Chapter 11 bankruptcy. In this event, certain retirees may elect lifetime COBRA coverage. Eligible dependents of retirees may continue coverage until the retiree's death. When the retiree dies, dependents may elect an additional thirty-six (36) months of coverage from the date of the retiree's death. In all cases, these qualified beneficiaries must pay for the coverage elected. COBRA coverage under these circumstances will terminate early for a number of reasons including, but not limited to: the employer ceases to provide any group health plan to any employees or the qualified beneficiaries fail to pay the required premiums or become covered under another employer's group health plan that does not exclude or limit benefits for a qualified beneficiary's Pre-Existing Conditions. COBRA continuation coverage rights under Chapter 11 bankruptcy proceedings will be determined by the bankruptcy court, and the coverage eligible beneficiaries could receive may not be the same as the ones they had under the retiree plan before the employer filed for Chapter 11 bankruptcy.

Do I have to provide notification of any qualifying event?

The qualified beneficiary must give notice of the following qualifying events to the Group within sixty (60) days of the event:

1. divorce or legal separation;
2. becoming entitled to Medicare; or
3. a Dependent losing eligibility for coverage as a dependent child.

The Group will advise a qualified beneficiary of their rights under COBRA when any qualifying event occurs or after the timely notice of a qualifying event when such notice is required to be given by the qualified beneficiary.

What do I have to do to get COBRA continuation coverage?

To elect continuation coverage, the qualified beneficiary must complete a COBRA election form and furnish it to the Group timely. The option to elect continuation coverage will be offered during a period which:

1. begins no later than the date on which a Member otherwise would lose coverage under the Group health plan (the coverage end date); and
2. ends sixty (60) days after the coverage end date or sixty (60) days after the Member is notified of their right to continue coverage, whichever is the latest.

Each qualified beneficiary has a separate right to elect continuation coverage. For example, the Employee's Spouse may elect continuation coverage even if the Employee does not. Continuation coverage may be elected for only one, several or for all Dependent children who are qualified beneficiaries. A parent may elect to continue coverage on behalf of the Dependent children. The Employee or the Employee's Spouse can elect continuation coverage on behalf of all the qualified beneficiaries.

How much will I have to pay for COBRA continuation coverage?

A Member may be required to pay the entire cost of continuation coverage (including both Employer and Employee contributions) plus an amount to cover administrative expenses. If continuation of coverage is elected, the qualified beneficiary must make the first payment for continuation coverage within forty-five (45) days after the date of the election. If the qualifying beneficiary does not make the correct first payment in full within the forty-five (45) day period, all COBRA continuation coverage rights are lost. Timely monthly payments are required thereafter to keep coverage. A Member may not receive notice of payments due.

When will COBRA continuation coverage begin and how long will it last?

Once elected, COBRA continuation of coverage will begin on the coverage end date and will terminate on the earliest of the following events:

1. eighteen (18) months after the qualifying event in the case of termination of employment or reduction in work hours. When the Employee became entitled to Medicare benefits less than eighteen (18) months before the termination of employment or reduction of work hours, continuation coverage for qualified beneficiaries other than the Employee will last the longer of thirty-six (36) months from the date of Medicare entitlement or eighteen (18) months from the qualifying event; or
2. thirty-six (36) months after the qualifying event when such event is other than termination of employment or reduction of work hours; or
3. the date the Employer ceases to maintain any group health plan for its Employees; or
4. the date coverage ceases because of nonpayment of required premiums when due; or
5. the date the qualified beneficiary first becomes covered under another group health plan and benefits under that other plan are not excluded or limited with respect to a Pre-Existing Condition (NOTE: There

are limitations on plans imposing Pre-Existing Condition exclusions and such exclusions became prohibited in 2014 under the Affordable Care Act); or

6. the date the qualified beneficiary becomes entitled to Medicare (under Part A, Part B, or both).

Can I extend my COBRA continuation coverage?

A qualified beneficiary's right to COBRA continuation coverage will never last longer than thirty-six (36) months from the qualifying event. This maximum duration period cannot be extended, regardless of the circumstances.

Those that are receiving eighteen (18) months of continuation coverage can extend their period, as explained below, if they undergo a second qualifying event or are declared disabled by the Social Security Administration during that original eighteen (18) month period.

If a qualified beneficiary experiences a second qualifying event other than the termination of employment or reduction of work hours while receiving eighteen (18) months of COBRA continuation of coverage, the Dependents who were qualified beneficiaries at the time of the first qualifying event, and elected COBRA continuation coverage, may qualify for up to eighteen (18) additional months of continuation of coverage, for a maximum of thirty-six (36) months. This extension may be available to Dependents receiving continuation of coverage if:

1. the Employee or former Employee dies;
2. the Employee or former Employee becomes entitled to Medicare (under Part A, Part B, or both);
3. the Employee or former Employee and Dependent Spouse divorce;
4. the Dependent child is no longer eligible under the plan as a Dependent.

The second qualifying event is applicable only if the event would have caused the Dependent to lose coverage under the plan had the first qualifying event not occurred. Qualified beneficiaries must notify the Group within sixty (60) days after the date of a second qualifying event to extend the COBRA continuation coverage.

The eighteen (18) months of continuation coverage may also be extended to a maximum of twenty-nine (29) months if a qualified beneficiary is disabled at some time during the first sixty (60) days of COBRA coverage and is determined to be disabled (as determined under Title II, or XVI of the Social Security Act) by the Social Security Administration during the original eighteen (18) months of COBRA coverage.

This eleven (11) month extension is available to all eligible individuals who are qualified beneficiaries and elected COBRA continuation coverage for the original eighteen (18) months. The qualified beneficiary must notify the Group of the disability determination before the end of the initial eighteen (18) month COBRA period and within sixty (60) days from the date of the notice from the Social Security Administration of the determination of disability.

The qualified beneficiary must also notify the Group within thirty (30) days of any final determination by the Social Security Administration that the qualified beneficiary is no longer disabled. In this case, coverage will end the earliest of twenty-nine (29) months after the date of the qualifying event or the first day of the month that begins more than thirty (30) days after a final determination that the qualified beneficiary is no longer disabled, subject to the original eighteen (18) months of COBRA coverage.

D. Keep Your Group Informed of Address Changes

To protect Your and Your family's rights, You should keep the Group informed of any changes in Your address and the addresses of family members. You should also keep a copy, for Your records, of any notices You send to the Group or Plan Administrator.

E. Employee Rights Under the Uniformed Services Employment and Reemployment Rights Act (USERRA)

Employees going on a military leave of absence to perform service in the United States uniformed services (as that term is defined under USERRA) may elect to continue coverage under this Benefit Plan for up to 24 months from the date that the employee leaves for service. Only a covered employee may elect continuation coverage under USERRA for himself/herself and for those eligible Dependents that were covered under the Plan immediately before him/her leaving for military service. Dependents do not have any independent right to elect USERRA continuation coverage.

To claim USERRA continuation coverage, the employee must properly notify the employer that he/she is leaving to perform service in the uniformed services and apply for continuation coverage as required by the employer.

An employee who elects USERRA continuation coverage may be required to pay a premium. If the leave of absence lasts thirty (30) days or less, the person may be required to pay the employee's required contribution for coverage. However, if the military leave of absence lasts more than thirty (30) days, the person may be required to pay up to 102% of the full contribution under the Plan (including both, the employer's and the employee's contribution for coverage).

USERRA continuation coverage may be terminated before the maximum 24-month period if:

1. The employee fails to pay the required premiums timely, or
2. The day after the date on which the employee is required under the law to apply for or return to a position of employment and fails to do so.

Employers subject to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) may choose to provide USERRA continuation coverage rights concurrently with COBRA continuation coverage, as allowed by law. Each employer acts independently in choosing how to apply this provision and is not reflective of any guidelines issued from Blue Cross and Blue Shield of Louisiana. In all cases, the employer should be consulted on how this provision applies to their employer group sponsored plan.

Please contact your employer to ask for more details on how USERRA and other continuation coverage rights apply to You.

Such arrangements may include providing qualified interpreters, providing taped cassettes of material for individuals with low vision, or assuring a barrier-free location for the proceedings. The Section 1557 Coordinator will make the arrangements.

C. Benefit Plan Changes

The Company reserves the right to modify the terms of this Benefit Plan. Changes will be effective upon renewal of the Contract and preceded by not less than sixty (60) day notice to the Group. No change or waiver of any Benefit Plan provision will be effective until approved by the Company's chief executive officer or other person authorized to make changes.

D. Identification Cards and Benefit Plans

We will prepare an identification card for each Subscriber. We will issue a Benefit Plan to the Group and print a sufficient number of copies of the Benefit Plan for Group's Subscribers. At the direction of Group, We will either deliver all materials to the Group for Group's distribution to the Subscribers, or We will deliver the Subscriber materials directly to each Subscriber. The Subscriber's copy of the Benefit Plan shall serve as his certificate of coverage. Unless otherwise agreed between the Group and Us, the Group has the sole responsibility for distributing all such documents to Subscribers.

E. Payment of Premiums

1. Our premiums for the Benefit Plan may increase after the Group's first twelve (12) months of coverage and every six (6) months thereafter, except when premiums may increase more frequently as described in the following paragraph. Except as provided in the following paragraph, the Company will give forty-five (45) days written notice to the Group at the last address shown in the Company's regarding any change in rates. Such increase in premiums will become effective on the date specified in the notice and continued payment of premiums will constitute acceptance of the change.
2. We reserve the right to increase the premiums more often than stated above due to the Group's addition of a newly covered person or entity not previously considered in the rate determination process at any time during the life of the Benefit Plan. Additionally, the Company reserves the right to increase the premium amount because of: (1) any change in age or geographic location of any individual insured or policyholder; (2) a change in the extent or nature of the risk of the Group; or (3) any change in the Benefit level from that which was in force at the time of the last rate determination. Such increase of premiums will become effective on the next billing date following the effective date of the change. Continued payment of premiums will constitute acceptance of the change.
3. Premiums are due and payable beginning with the Effective Date of this Benefit Plan and on the same date each month thereafter. The Group is considered delinquent if premiums are not paid as of the due date.
4. If the Group does not make payment to the Company home office within thirty (30) days of the due date, this Benefit Plan will be cancelled effective midnight of the last day for which premiums have been paid. The Company will not be liable for any Benefits for services rendered following the date of cancellation.

F. Benefits to Which Members are Entitled

The liability of the Company is limited to the Benefits specified in this Benefit Plan.

Benefits for Covered Services specified in this Benefit Plan will be provided only for services and supplies rendered on and after the Member's Effective Date by a Provider specified in this Benefit Plan and regularly included in such Provider's charges.

G. Notice of Member Eligibility - Group's Personnel Data

The Group is solely responsible for furnishing the information that is required by the Company for purposes of enrolling Members of the Group under this Benefit Plan, processing terminations, and effecting changes in family and membership status. Acceptance of payments for persons no longer eligible for coverage will not obligate the Company to provide Benefits under this Benefit Plan.

All notification of membership or coverage changes must be on forms approved by the Company or the SHOP and include all information required by Company and the SHOP to effect changes.

The Group must notify the Company's Membership & Billing Department or the SHOP (if this Benefit Plan was purchased through the SHOP) of a Member's termination of coverage by completing a cancellation form (or such other form of notification acceptable to Us) and submitting it to Our offices no later than within the next billing cycle immediately following the billing cycle in which the Member or any of the Member's Dependents is terminated from the Group or eligibility for coverage ends (or any other period described in the Schedule of Dental Benefits). The Group will also submit to the Company's Membership & Billing Department evidence of a Member's or his Dependent's election of any applicable COBRA coverage following such termination within three (3) business days of Group's receipt of signed COBRA forms. Company is under no obligation to refund any premium paid by Group or any Member, if payment was made to Company due to Group's failure to timely notify Company of a Member's or his Dependent's termination of coverage.

Requests for termination of coverage that are submitted after the period provided above will only be honored prospectively after the date of receipt and the Group will be responsible to pay all corresponding premiums until the effective date of termination. All requests for termination of coverage, whether timely or not, will be subject to any other terms, conditions and legal requirements that may apply.

Whenever the Group submits a request to Company or the SHOP to terminate a Member's coverage or that of any of Member's Dependents, the Group will be deemed to be making a representation that neither the Member nor his Dependent has made payments towards the cost of premiums for any coverage period beyond the date on which the Group desires the coverage to be terminated, and that no information was given or representation was made to the Member or his Dependent that would create an expectation that the individual would continue coverage beyond that date, except for legally required disclosures regarding any rights to COBRA or other mandated continuation coverage. In the event that the individual should have a right to continue coverage under COBRA or any similar mandate, the Group will be required to timely request the individual's termination of coverage under the regular process created by Company or the SHOP for such purpose, and to submit any election from the individual to continuation coverage in a separate process.

The Group warrants the accuracy of the information it transmits to the Company and understands that the Company will rely on this information. The Group agrees to supply or allow inspection of personnel records to verify eligibility as requested by the Company.

The Group further agrees to indemnify the Company for all expenses the Company incurs, if any, as a result of the Group's failure to transmit the information, failure to transmit it in the time period required by the Company, and/or failure to transmit correct information. Indemnification includes, but is not limited to, Claims payments made on behalf of individuals that are not eligible for Benefits. Alternatively, the Company may, at its sole option, hold the Group responsible for all premium payments for Members who are not timely cancelled from coverage due to the Group's failure to timely notify the Company of terminations or changes in eligibility.

H. Termination of Your Coverage

1. The Company may choose to rescind coverage or terminate a Member's coverage if a Member performs an act or practice that constitutes fraud or makes an intentional misrepresentation of material fact under the terms of this Benefit Plan. The issuance of this coverage is conditioned on the representations and statements contained at application and enrollment. All representations made are material to the issuance of this coverage. Any information provided on the application or enrollment form or intentionally omitted therefrom, as to any proposed Subscriber or covered Member, shall constitute an intentional misrepresentation of material fact. A Member's coverage may be rescinded retroactively to the Effective Date of coverage or terminated within three (3) years of the Member's Effective Date, for fraud or intentional misrepresentation of material fact. Company will give the Member sixty (60) days advance written notice prior to rescinding or terminating coverage under this section. If Members are enrolled that are not eligible for coverage, it will be considered an act of fraud or intentional misrepresentation of material fact.
2. Unless COBRA or other type of continuation of coverage is available and selected as provided in this Benefit Plan, a Member's coverage terminates as provided below:

- a. The Subscriber's coverage and that of all his Dependents automatically, and without notice, terminates at the end of the period in which the Subscriber ceases to be eligible.
 - b. The coverage of the Subscriber's Spouse will terminate automatically, and without notice, at the end of the period for which premiums have been paid at the time of the entry of a final decree of divorce or other legal termination of marriage.
 - c. The coverage of a Dependent will terminate automatically, and without notice, at the end of the billing cycle in which the Dependent reaches the maximum age for coverage or otherwise ceases to be an eligible Dependent, if premiums have been paid through that period.
 - d. Upon the death of a Subscriber, the coverage of all of their surviving Dependents will terminate automatically and without notice at the end of the month that death occurred if premiums have been paid through that month. However, a surviving Spouse or Dependent may be able to elect COBRA or other type of continuation of coverage as described elsewhere in this Benefit Plan.
3. ARTICLE XIV. COMPLAINT, GRIEVANCE AND APPEAL PROCEDURES

We want to know when a Member is dissatisfied about the care or services he receives from Blue Cross and Blue Shield of Louisiana, United Concordia Dental (UCD) or Participating Providers. If a Member wants to register a Complaint or file a formal written Grievance about Us, UCD or a Provider, please refer to the procedures below.

A Member may be dissatisfied about decisions made regarding Covered Services. UCD considers an Appeal as the Member's written request to change an Adverse Benefit Determination. Your Appeal rights are outlined below, after the Complaint and Grievance procedures.

There is an Expedited Appeals process for situations where the time frame of the standard Dental Necessity Appeal would seriously jeopardize the life or health of a covered person or would jeopardize the covered person's ability to regain maximum function.

A. Complaint and Grievance Procedures

A quality of service concern addresses Our services, access, availability or attitude and those of Participating Providers. A quality of care concern addresses the appropriateness of care given to a Member.

1. To Register a Complaint

A Complaint is an oral expression of dissatisfaction with Us, UCD or with Provider services.

Members may call UCD at 1-866-445-5338 to register a Complaint. UCD will attempt to resolve the Member's Complaint at the time of the call.

2. To File a Formal Grievance

A Grievance is a written expression of dissatisfaction with Us, UCD or with Provider services. If the Member does not feel his Complaint was adequately resolved or he wishes to file a formal Grievance, a written request must be submitted within one hundred eighty (180) days of the event that led to the dissatisfaction. UCD Customer Service Department will assist the Member if necessary.

The Member should send his written Grievance to:

United Concordia Dental
Customer Service
P. O. Box 69420
Harrisburg, PA 17106-9420

A response will be mailed to the Member within thirty (30) business days of receipt of the Member's written Grievance.

B. Standard Appeal Procedures

Multiple requests to Appeal the same Claim, service, issue, or date of service will not be considered, at any level of review.

UCD offers two (2) levels of Appeal for both administrative Appeals and Dental Necessity Appeals.

If a Member is an ERISA Member, the Member is required to complete the first level of Appeal prior to instituting any civil action under ERISA section 502(a). The second level of Appeal is voluntary. Any statute of limitations or other defense based on timeliness is tolled during the time any voluntary Appeal is pending. The Member's decision whether or not to submit to this voluntary level of review will have no effect on the Member's rights to any other Benefits under the plan. No fees or costs will be imposed on the Member.

The Member should contact his employer, Plan Administrator, Plan Sponsor, or UCD at 1-866-445-5338 if the Member is unsure whether ERISA is applicable.

The Member may also call UCD if they have questions or need assistance putting their Appeal in writing.

C. Standard Appeal Process

We will determine if a Member's Appeal is an administrative Appeal or a Dental Necessity Appeal. The Appeals procedure has two (2) levels, including review by a committee at the second level on an administrative Appeal and a review by an external Independent Review Organization (IRO) on a Dental Necessity Appeal.

The Member is encouraged to provide UCD with all available information to help completely evaluate the Appeal such as written comments, documents, records, and other information relating to the Adverse Benefit Determination.

UCD will provide the Member, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Adverse Benefit Determination.

The Member has the right to appoint an authorized representative to represent him in his Appeals. An authorized representative is a person to whom the Member has given written consent to represent him in a review of an Adverse Benefit Determination. The authorized representative may be the Member's treating Provider, if the Member appoints the Provider in writing.

All Appeals should be submitted to:

United Concordia Dental
Appeals Division
P. O. Box 69420
Harrisburg, PA 17106-9420
1-866-445-5338

1. Administrative Appeals

Administrative Appeals involve contractual issues, which are not related to Dental Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment is determined to be experimental or investigational.

a. First Level Administrative Appeals

If a Member is not satisfied with the original decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination for first level administrative Appeals. Requests submitted to UCD after one hundred eighty (180) days of receipt the initial Adverse Benefit Determination will not be considered.

UCD will investigate the Member's concerns. If the administrative Appeal is overturned, UCD will reprocess the Member's Claim, if any. If the administrative Appeal is upheld, UCD will inform the Member of the right to begin the second level administrative Appeal process.

The administrative Appeal decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request; unless it is mutually agreed that an extension of time is warranted.

b. Second Level Administrative Appeals

If a Member still disagrees with the first level administrative Appeal decision, a written request to Appeal must be submitted within sixty (60) days of receipt of the first level administrative Appeal decision. Requests submitted to UCD after sixty (60) days of receipt of the first level administrative Appeal decision will not be considered.

A Member Appeals Committee of persons not involved in previous decisions regarding the initial Adverse Benefit Determination will review the second level administrative Appeals. The Committee's decision is final and binding.

The Committee's decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within five (5) days of the Committee meeting.

2. Dental Necessity Appeals

Dental Necessity Appeals involve a denial or partial denial based on Dental Necessity, appropriateness, healthcare setting, level of care, or effectiveness or is determined to be experimental or Investigational.

We offer the Member two (2) standard levels of Dental Necessity Appeals, including an internal review of the initial Adverse Benefit Determination, then an external review for Adverse Benefit Determinations in the amount of \$250.00 or more.

a. Internal Dental Necessity Appeals

If a Member is not satisfied with the original decision, a written request to Appeal must be submitted within one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination for first level Dental Necessity Appeals. Requests submitted to UCD after one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination will not be considered.

UCD will investigate the Member's concerns. If the Dental Necessity Appeal is overturned, UCD will reprocess the Member's Claim, if any. If the Dental Necessity Appeal is upheld, UCD will inform the Member of the right to begin the External Appeal process if the Adverse Benefit Determination meets the criteria.

The Dental Necessity Appeal decision will be mailed to the Member, his authorized representative, or a Provider authorized to act on the Member's behalf, within thirty (30) days of receipt of the Member's request; unless it is mutually agreed that an extension of time is warranted.

b. External Dental Necessity Appeals and Rescission of Coverage

For Dental Necessity Appeals and Rescission of Coverage, the second level will be handled by an external Independent Review Organization (IRO) that is not affiliated with UCD and randomly assigned by the Louisiana Department of Insurance.

A Member must exhaust all internal Appeal opportunities prior to requesting an External Appeal conducted by an Independent Review Organization.

If the Member still disagrees with the internal Dental Necessity Appeal decision or Rescission of Coverage, a written request for an External Appeal must be submitted within four (4) months of receipt of the internal Dental Necessity Appeal decision or Rescission of Coverage.

Requests submitted to Us after four (4) months of receipt of the internal Dental Necessity Appeal decision or Rescission of Coverage will not be considered. You are required to sign the form included in the internal Dental Necessity Appeal denial notice which authorizes release of medical records for review by the IRO. **Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.**

We will provide the IRO all pertinent information necessary to conduct the Appeal. The external review will be completed within forty-five (45) days of receipt of the External Appeal. The IRO will notify the Member, his authorized representative, or a Provider authorized to act on the Member's behalf of its decision.

The IRO decision will be considered a final and binding decision on both the Member and UCD for purposes of determining coverage under a dental Plan. This Appeals process shall constitute your

sole recourse in disputes concerning determinations of whether a service or item is or was Dentally Necessary or Investigational, except to the extent that other remedies are available under State or Federal law.

D. Expedited Dental Necessity Appeal

An Expedited Appeal process is available for review of the Adverse Benefit Determination involving a situation where the time frame of the standard Dental Necessity Appeal would seriously jeopardize the Member's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating Provider, the Member may experience pain that cannot be adequately controlled while awaiting a standard Dental Necessity Appeal decision.

An Expedited Appeal is a request concerning an Admission, availability of care, continued stay, or dental healthcare service for a covered person who is requesting Emergency services or has received Emergency services, but has not been discharged from a facility. Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal shall be made available to, and may be initiated by the Member, his authorized representative, or a Provider authorized to act on the Member's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-866-445-5338.

For written Expedited Appeals, fax 1-866-335-3969 or mail to UCD.

1. Expedited Internal Dental Necessity Appeals

In these cases, UCD will make a decision no later than seventy-two (72) hours of receipt of an internal Expedited Appeal request that meets the criteria for Expedited Appeal.

In any case where the internal Expedited Appeal process does not resolve a difference of opinion between UCD and the Member or the Provider acting on behalf of the Member, the Appeal may be elevated to an Expedited External Appeal.

If an Expedited internal Dental Necessity Appeal does not meet the Expedited Appeal criteria or does not include the Provider attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Dental Necessity Appeal

An Expedited External Appeal is a request for immediate review, by an Independent Review Organization (IRO). The request may be simultaneously filed with a request for an internal Expedited Appeal, since the Independent Review Organization assigned to conduct the expedited external review will determine whether the request is eligible for an external review at the time of receipt. UCD will forward all pertinent information for Expedited External Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

ARTICLE XV. ERISA RIGHTS

TO THE EXTENT THIS IS AN ERISA PLAN, THE MEMBER IS ENTITLED TO CERTAIN RIGHTS AND PROTECTIONS UNDER THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA). FOR PURPOSES OF THIS PROVISION, THE GROUP IS CONSIDERED THE PLAN ADMINISTRATOR AND WILL BE SUBJECT TO THE PROVISIONS STATED BELOW. ERISA PROVIDES THAT ALL PLAN PARTICIPANTS (MEMBERS) SHALL BE ENTITLED TO:

A. Receive Information About the Plan and Benefits

1. A Member may examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the United States Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
2. Upon written request to the plan administrator, a Member may obtain copies of documents governing the operation of the plan, including any applicable insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.
3. A Member may receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each Member with a copy of this summary annual report.

B. Continue Group Dental Coverage

A Subscriber may continue Dental Benefits coverage for himself, his Spouse, or his Dependents, if there is a loss of coverage under the plan as a result of a qualifying event. The Subscriber or Dependents may, however, have to pay for such coverage. A Member may also review this document and the summary plan description governing the plan on the rules pertaining to the Member's COBRA continuation of coverage rights.

C. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Members, ERISA imposes duties upon the people who are responsible for the operation of the employee Benefit Plan. The people who operate the plan, called fiduciaries of the plan, have a duty to do so prudently and in the interest of the Subscriber and other beneficiaries. No one, including his employer, union or any other person, may fire him or otherwise discriminate against him in any way to prevent him from obtaining a plan benefit or exercising his rights under ERISA.

D. Enforce Member's Rights

1. If a Member's Claim for a plan Benefit is denied or ignored, in whole or in part, the Member has a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to Appeal any denial, all within certain time schedules.
2. Under ERISA, there are steps the Member can take to enforce the above rights. A Member must exhaust all Claims and Appeal procedures available to him before filing any suit. For instance, if the Member requests a copy of plan documents or the latest annual report from the plan and does not receive them within thirty (30) days, the Member may file suit in Federal Court. In such a case, the court may require the plan administrator to provide the materials and pay the Member up to one hundred and ten dollars (\$110.00) a day until he receives the materials, unless the materials were not sent because of reasons beyond the control of the plan administrator. If the Member has a Claim for Benefits, which is denied or ignored, in whole or in part, he may file suit in a state or Federal court. In addition, if he disagrees with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, such Member may file suit in Federal Court. If it should happen that plan fiduciaries misuse the plan's money, or if the Member is discriminated

against for asserting his rights, he may seek assistance from the United States Department of Labor, or he may file suit in a Federal Court.

3. The court will decide who should pay court costs and legal fees. If the Member is successful, the court may order the person he has sued to pay these costs and fees. If the Member loses, the court may order him to pay these costs and fees, for example, if it determines that his claim is frivolous.

E. Assistance With Member Questions

If a Member has any questions about his plan, he should contact the plan administrator. If a Member has any questions about this statement or about his rights under ERISA, or if he needs assistance in obtaining documents from the plan administrator, he should contact the nearest office of the Employee Benefits Security Administration, United States Department of Labor, listed in the telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, United States Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

The Member may also obtain certain publications about his rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

1. If Your coverage was purchased On-Exchange: You will need to make all policy changes directly through the Exchange.

If Your coverage was purchased Off-Exchange through an agent or through Blue Cross and Blue Shield of Louisiana: You will need to make all policy changes through the agent or through Blue Cross and Blue Shield of Louisiana. An Employee / Enrollment Change Form is the document that We must receive in order to enroll family members not listed on the Member's original application/enrollment form.

Because the Member is covered under a Group insurance contract, it is extremely important that the Member follow the timing rules in the Schedule of Eligibility for making these changes to the Member's policy. If the Member does not complete and return a required an Employee / Enrollment Change Form to Us so We receive it within the timeframes set out in the Schedule of Eligibility, it is possible that the Member's insurance coverage will not be expanded to include the additional family members. Completing and returning an Employee / Enrollment Change Form is especially important when the Member's first Dependent becomes eligible for coverage or when the Member no longer has any eligible Dependents.

B. HOW TO FILE INSURANCE CLAIMS FOR BENEFITS

The Company and most Providers have entered into agreements that eliminate the need for a Member to personally file a Claim for Benefits. Participating Providers will file Claims for Members either by mail or electronically. In certain situations, the Provider may request the Member to file the Claim. If the Member's Provider does request the Member to file directly with the Company, the following information will help the Member in correctly completing the Claim form. If You need to file a paper claim, send it to:

United Concordia Dental
Claims Department
P. O. Box 69441
Harrisburg, PA 17106-9441

The Member's Blue Cross and Blue Shield Identification Card (ID card) shows the way the name of the Subscriber (Member of the Group) appears on the Company records. (If the Member has Dependent coverage, the name(s) are recorded as the Member wrote them on his enrollment form.)

The ID card also lists the Member's contract number (ID #). This number is the identification to the Member's membership records and should be provided to UCD each time a Claim is filed.

If the Subscriber completes the Claim form and this is a Group plan, remember: the Subscriber is the employee Member (if this is a group contract). If the Subscriber is the patient, the relationship is SELF. If the Subscriber's wife or husband is the patient, the relationship is SPOUSE.

To assist in promptly handling the Member's Claims, the Member must be sure that:

- a. an appropriate Claim form is used
- b. this contract number (ID #) shown on the form is identical to the number on the ID card
- c. the patient's date of birth is listed
- d. the patient's relationship to the Subscriber is correctly stated
- e. all charges are itemized, whether on the Claim form or on the attached statement

- h. the Claim is completed and signed by the Member and the Provider.

IMPORTANT NOTE: The Member must be sure to check all Claims for accuracy. This contract number (ID #) must be correct. It is important that the Member keep a copy of all bills and Claims submitted. If Blue Cross and Blue Shield of Louisiana is a secondary payor, the Member may be required to submit his Explanation of Benefits from his primary payor.

ARTICLE XVII. GENERAL PROVISIONS – GROUP/POLICYHOLDER ONLY

IN ADDITION TO THE GENERAL PROVISIONS FOR GROUP/POLICYHOLDER AND MEMBERS, THE FOLLOWING GENERAL PROVISIONS WILL ALSO APPLY TO THE GROUP/POLICYHOLDER.

A. Due Date for Group's Premium Payments

1. Premiums are due and payable from Group/policyholder in advance, prior to coverage being rendered. Premiums are due and payable beginning with the Effective Date of this Benefit Plan and on the same date each month thereafter. This is the premium due date.
2. Premiums are owed by Group/policyholder. Premiums may not be paid by third parties, including but not limited to Dentists, Hospitals, Pharmacies, Physicians, automobile insurance carriers, or other insurance carriers. Company will not accept premium payments by third parties unless required by law to do so. The fact that Company may have previously accepted a premium from an unrelated third party does not mean that Company will accept premiums from these parties in the future.
3. If a premium is not paid when due, We may agree to accept a late premium. We are not required to accept a late premium. The fact that We may have previously accepted a late premium does not mean we will accept late premiums in the future. You may not rely on the fact that We may have previously accepted a late premium as indication that We will do so in the future.
4. Premiums must be paid in US dollars. Policyholder will be assessed a twenty-five dollar (\$25.00) NSF fee should its premium be paid with a check that is returned by the bank due to insufficient funds. If multiple payments are returned by the bank, Company may at its sole discretion refuse to reinstate coverage.

B. Change in Premium Amount

Premiums for this Benefit Plan may increase after the Group's first twelve (12) months of coverage and every six (6) months thereafter, except when premiums may increase more frequently as described in the following paragraph. Except as provided in the following paragraph, We will give Group forty-five (45) days written notice of any change in premium rates. We will send notice to the Group's latest address shown in Our records. Any increase in premium is effective on the date specified in the rate change notice. Continued payment of premium will constitute acceptance of the change.

We reserve the right to increase the premiums more often than stated above due to a change in the extent or nature of the risk that was not previously considered in the rate determination process at any time during the life of the Benefit Plan. This risk includes, but is not limited to, the right to increase the premium amount because of: (1) the addition of a newly covered person; (2) the addition of a newly covered entity; (3) a change in age or geographic location of any individual insured or policyholder; (4) or a change in the policy Benefit level from that which was in force at the time of the last rate determination. An increase in premium will become effective on the next billing date following the effective date of the change to the risk. Continued payment of premium will constitute acceptance of the change.

C. Group's Right to Cancel the Policy

1. This policy is guaranteed renewable at the option of the Group. Group indicates its desire to continue coverage by its timely payment of each premium as it becomes due.
2. Group may cancel this policy for any reason.
3. To cancel the policy purchased on the SHOP, Group must follow all SHOP processes and timing.
4. To cancel the policy purchased through Company Off-Exchange, Group must give the Company WRITTEN NOTICE of its intent to cancel. GROUP MAY NOT VERBALLY CANCEL THIS COVERAGE. GROUP'S WRITTEN NOTICE OF CANCELLATION MUST BE GIVEN TO COMPANY PRIOR TO OR ON THE EFFECTIVE DATE OF THE CANCELLATION AND MUST BE

ACCOMPANIED BY RETURN OF THE BENEFIT PLAN. If Group's written notice to Company of its intent to cancel is not accompanied by the surrendered policy, Group's cancellation notice to the Company shall be deemed to include Group's declaration that the Group made a good faith attempt to locate its policy and the policy is not returned because it has been lost or destroyed.

D. The Company's Right to Terminate the Plan for Nonpayment of Premium

1. Premiums are to be prepaid before coverage is rendered. The Group is considered delinquent if premiums are not paid on the due date.
2. The Company offers a thirty (30) day grace period (delinquency period) from the due date of the premium. If premium is not received during the grace period, coverage remains in effect during the grace period pursuant to the provisions of the Benefit Plan. The Company will mail a delinquency or termination notice to the Group's address of record. The Company may automatically terminate the plan without further notice to the Group if premium is not paid to the Company at its home office within thirty (30) days of the due date (during the grace period). Termination will be effective midnight of the last day for which premiums have been paid. The Company will not be liable for any Benefits for services rendered following the last date through which premiums have been paid.
3. The Group/policyholder agrees to pay reasonable costs and fees to the Company, including reasonable attorney's fees, for the Company's attempt to collect any amounts owed under this Benefit Plan, including, but not limited to, unpaid premium.

E. Company's Right to Terminate the Policy for Reasons Other Than Nonpayment of Premium

1. The Company (or SHOP, as appropriate) may terminate this Benefit Plan if any one of the following occurs:
2. Group commits fraud or makes an intentional misrepresentation.
3. Group fails to comply with a material plan provision, including, but not limited to provisions relating to eligibility, employer contributions or group participation rules. If the sole reason for termination is that Group's participation falls to less than two (2) employees (there is only one (1) employee covered (or owner, if covered)), termination of Group coverage will be effective on the Group's next anniversary date. Otherwise, termination for a reason addressed in this paragraph will be effective after Group receives sixty (60) days written notice as described below.
4. In the case of network plans, there is no longer any enrollee under the Group benefit plan that lives, resides, or works in the service area of the Company or in the area for which the Company is authorized to do business.
5. Group's coverage is provided through a bona fide association and the employer's membership in the association ends.
6. The Company ceases to offer this product or coverage in the market.
7. If the Company terminates this coverage because of prongs a, b, c, or d, We will give Group written notice at least sixty (60) days in advance. The Company will give notice by certified mail and shall include the reason for termination. Notice of termination because of prong e will be sent to the Group by regular mail ninety (90) days in advance of termination.

F. Proxy Votes

Election of Our Board of Directors and certain significant corporate transactions are determined by a majority vote of Our policyholders, unless a different vote is required by law or Our Articles of Incorporation or Bylaws. A policyholder designates, by means of the application for coverage, the members of Our Board of Directors as his proxy to vote on these important matters. Payment of each premium extends the proxy's effectiveness unless revoked by the policyholder. This proxy may be revoked by the policyholder by giving written notice

of the revocation. This revocation may be in any form of writing either revoking the proxy or designating a different proxy and must be sent to Us at:

Blue Cross and Blue Shield of Louisiana
P. O. Box 98029
Baton Rouge, Louisiana 70898-9029

In lieu of giving his proxy in the application for coverage, the policyholder may designate any other policyholder as his proxy by any form of writing which includes the policyholder's name and policy number, sent to Us as indicated above. Notice of meetings to the proxy constitutes notice to the policyholders giving their proxies. Further, notice is hereby given that Our annual meeting is held in the month of February with notice of the date of that meeting being given as required by law and the articles and bylaws of the Louisiana Health and Service Indemnity Company. However, additional notice of meetings will be sent to any policyholder or his proxy upon his written request for such notice directed to Our secretary.

G. Health Insurance Portability and Accountability Act (Privacy and Security)

1. For purposes of this provision, the following definitions have the same meaning as defined in the Health Insurance Portability and Accountability Act of 1996 (HIPAA):

- a. Group Health Plan as defined at 45 CFR Part 160, Sec. 160.103.
- b. Protected Health Information (PHI) as defined at 45 CFR Part 164, Sec. 164.501.
- c. Summary Health Information as defined at 45 CFR Part 164, Sec. 164.504(a).

2. Disclosing Information to the Group

a. Sharing Summary Health Information With the Group:

The Company may disclose Summary Health Information to the Group if the Group requests Summary Health Information for purposes of obtaining premium bids from health insurers, HMOs or other third-party payers under the Group Health Plan; or modifying, amending or terminating the Group Health Plan.

b. Sharing PHI with the Group:

The Company may disclose PHI to the Group to enable the Group to carry out plan administration functions only upon receipt of a certification from the Group that:

- (1) its plan documents include all of the requirements set forth in 45 CFR Part 164, Sec. 164.504(f)(2)(i), (ii) and (iii);
- (2) it has provided notice to those individuals about whom the PHI relates that meets the requirements of 45 CFR Part 164, Sec. 164.520 (B)(1)(iii)(C); and
- (3) that such PHI will not be used for the purpose of employment-related actions or decisions or in connection with any other Benefits or employee benefits plan of the Group.

c. The Group hereby agrees to abide by the Company's acknowledgement and authorization policies with regards to the exchange of PHI in an electronic format. For example, if the Company provides data to the Group on a compact disc, the Company may require acknowledgement that the data was received by the Group and the name of the Group representative who received the data.

H. United States Economic Sanctions Laws Compliance

The Group hereby agrees to comply fully with all applicable economic sanctions and export control laws and regulations, including those regulations maintained by the United States Treasury Department's Office of

Foreign Assets Control (OFAC). The Group understands that Blue Cross and Blue Shield of Louisiana does not authorize extending coverage to any person to whom the provision of such coverage would be receiving insurance coverage under this or other Blue Cross and Blue Shield of Louisiana Policies, including Subscribers and their covered Dependents, against all relevant United States Government lists of persons subject to trade, export, financial, or transactional sanctions, including the most current version of OFAC's list of Specially Designated Nationals and Blocked Persons, before providing or agreeing to provide coverage to any person.

The Group agrees that its acceptance of coverage constitutes a representation to Blue Cross and Blue Shield of Louisiana that all applicable laws and regulations have been complied with and that coverage is not being provided to any denied person.

Any extension of coverage in breach of the foregoing shall constitute cause for immediate termination of this Benefit Plan, and denial of Benefits for any Claims made under that coverage, and shall entitle Blue Cross and Blue Shield of Louisiana to indemnification from the Group for any cost, loss, damage, liability, or expense incurred by Blue Cross and Blue Shield of Louisiana as a result thereof. This provision shall survive termination or cancellation of this Benefit Plan.

LLHIGA NOTICE

SUMMARY OF THE LOUISIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

- A. Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Louisiana Life and Health Insurance Guaranty Association, or LLHIGA. The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Louisiana Life and Health Insurance Guaranty Association provides coverage of certain claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage. Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer. The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

- B. The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S.22:2081 et seq. The following is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.
- C. Generally, individuals will be protected by the Louisiana Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well, even if they live in another state; unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.
- D. Exclusion from Coverage
1. A person who holds a direct non-group life, health, health maintenance organization, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:
 - a. he is eligible for protection under the laws of another state;
 - b. the insurer was not authorized to do business in this state;
 - c. his policy was issued by a profit or nonprofit hospital or medical service organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined by law, or any entity similar to any of these.

2. LLHIGA also does not provide coverage for:

- a. any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- b. any policy of reinsurance (unless an assumption certificate was issued);
- c. interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- d. dividends, premium refunds, or similar fees or allowances described under the law;
- e. credits given in connection with the administration of a policy by a group contract holder;
- f. employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- g. unallocated annuity contracts (which give rights to group contract holders, not individuals), except if qualified by law
- h. an obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law;
- i. a policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part A coverage", "Medicare Part B coverage", "Medicare Part C coverage", or "Medicare Part D coverage" and any regulations issued pursuant to those parts;
- j. interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

E. Limits on Amounts of Coverage

- 1. The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out.
- 2. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following:
 - a. LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
 - b. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.
 - c. For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$500,000 in health insurance benefits, and LLHIGA will pay a maximum of \$250,000 in present value of annuities, including net cash surrender and net cash withdrawal values.
- 3. In no event, regardless of the number of policies and contracts there were with the same company, and no matter how many different types of coverages, LLHIGA shall not be liable to expend more than \$500,000 in the aggregate with respect to any one individual.
