HEALTH BENEFIT PLAN

NOTICES

HEALTHCARE SERVICES MAY BE PROVIDED TO YOU AT A NETWORK HEALTHCARE FACILITY BY FACILITY-BASED PHYSICIANS WHO ARE NOT IN YOUR HEALTH PLAN. YOU MAY BE RESPONSIBLE FOR PAYMENT OF ALL OR PART OF THE FEES FOR THOSE OUT-OF-NETWORK SERVICES, IN ADDITION TO APPLICABLE AMOUNTS DUE FOR COPAYMENTS, COINSURANCE, DEDUCTIBLES, AND NON-COVERED SERVICES.

SPECIFIC INFORMATION ABOUT IN-NETWORK AND OUT-OF-NETWORK FACILITY-BASED PHYSICIANS CAN BE FOUND AT WWW.BCBSLA.COM/OGB OR BY CALLING THE CUSTOMER SERVICE TELEPHONE NUMBER OF YOUR HEALTH PLAN.

YOUR SHARE OF THE PAYMENT FOR HEALTHCARE SERVICES MAY BE BASED ON THE AGREEMENT BETWEEN YOUR HEALTH PLAN AND YOUR PROVIDER. UNDER CERTAIN CIRCUMSTANCES, THIS AGREEMENT MAY ALLOW YOUR PROVIDER TO BILL YOU FOR THE AMOUNTS UP TO THE PROVIDER'S REGULAR BILLED CHARGES.

We base Our payment of Benefits for Your Covered Services on an amount known as the Allowable Charge. The Allowable Charge depends on the specific Provider from whom You receive Covered Services.

Note that federal law prohibits a Non-Network Provider from balance billing You for non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to You and has obtained Your Informed Consent to provide such services.

Utilization Management decision-making is based only on appropriateness of care and service and existence of coverage. We do not specifically reward practitioners or other individuals for issuing denials of coverage. Financial incentives for Utilization Management decision makers do not encourage decisions that result in underutilization.

Certain breast cancer survivors are eligible to receive annual preventive cancer screenings as part of long-term survivorship care. You are eligible for screenings if You:

- A. were previously diagnosed with breast cancer.
- B. completed treatment for breast cancer.
- C. underwent bilateral mastectomy; and
- D. were subsequently determined to be clear of cancer.

These covered screenings include but are not limited to magnetic resonance imaging, ultrasound, or some combination of tests, as selected by You in consultation with Your attending Physician. Annual preventive cancer screenings under this Benefit will be subject to any applicable Copayments, Deductible Amounts and Coinsurances.

Important information regarding this plan will be sent to the mailing address You provided on the Employee Enrollment/Change Form. You are responsible for keeping Us and the Group informed of any changes in Your address of record.

ARTICLE I. UNDERSTANDING THE BASICS OF YOUR COVERAGE

The Group means the Office of Group Benefits (OGB) and is the Plan Administrator of this Benefit Plan. Blue Cross and Blue Shield of Louisiana provides administrative services only and does not assume any financial risk or obligation with respect to Claims liability.

The Group agrees to provide the Benefits specified herein for Plan Participants of the Group. A copy of this Benefit Plan provided to Plan Participants serves as the Plan Participant's certificate of coverage. This Benefit Plan replaces any others previously issued to the Plan Participants on the Plan's original Benefit Plan Date or the Plan's amended Benefit Plan Date shown on the Schedule of Benefits. This Benefit Plan describes Plan Participant Benefits, as well as Plan Participant rights and responsibilities. We encourage You, the Plan Participant to read this Benefit Plan carefully.

You should call Our customer service number on the back of the ID card if You have questions about Your coverage, or any limits to the coverage available to You. Many of the sections of this Benefit Plan are related to other sections of this Benefit Plan. You may not have all of the information You need by reading just one section. Please be aware that Your Physician does not have a copy of Your Benefit Plan, and is not responsible for knowing or communicating Your Benefits to You.

Except for necessary technical terms, the Plan uses common words to describe the Benefits provided under this Plan. We Us and Our mean Blue Cross and Blue Shield of Louisiana. Capitalized words are defined terms in the Definitions Article of this Benefit Plan. A word used in the masculine gender applies also in the feminine gender, except where otherwise stated.

A. FACTS ABOUT THIS PLAN

The OGB Magnolia Local Benefit Plan for the State of Louisiana Plan Participants is a comprehensive straight HMO Group health plan. It has Copayment, Deductible and Coinsurance Benefits.

Community Blue and Blue Connect networks in Shreveport, Lafayette, New Orleans, St. Tammany and Baton Rouge are available for OGB Plan Participants. This Plan is ideal for Plan Participants who live in the parishes within the available networks and who don't plan to use out-of-network care. However, out-of-network care is provided in emergencies. Community Blue is a select, local network designed for Plan Participants who live in the communities of Baton Rouge (East and West Baton Rouge, Ascension and Livingston parishes). Blue Connect is a select, local network designed for Plan Participants who live in the Lafayette, New Orleans community (Orleans, Jefferson, St. Charles, St. John, Plaquemines and St. Bernard parishes), Shreveport (Caddo and Bossier parishes) and St. Tammany Parish.

This Plan generally pays Benefits only when services are obtained from a Provider who is in the Community Blue and Blue Connect Network. Some services require Our Authorization before services are rendered. Services that require prior Authorization are listed on the Schedule of Benefits. If an Authorization is required, but is not obtained before services are rendered, Benefits will be denied.

Plan Participants have an extensive network of Providers (Network) available to them - the Community Blue and Blue Connect Network. Plan Participants usually pay a Copayment to a Network Provider at the time of service. Plan Participants choose which Providers will render their care. This choice could determine the amount We pay and the amount the Plan Participants pay for Covered Services.

This is a direct access Plan. Plan Participants may see Specialists in the Community Blue and Blue Connect Network without contacting a Primary Care Physician or obtaining a referral from a Primary Care Physician.

Effective January 1, 2016, all Deductible Amounts, Out-of-Pocket Amounts, Coinsurance, Copayments and annual limits (day and dollar) will start over, and all Benefits in this Plan will apply on a calendar basis.

B. THE CLAIMS ADMINISTRATOR'S PROVIDER NETWORK

Plan Participants have the right to use Providers of their choice. The Plan Participant's choice of Provider will impact the amount the Plan Participant pays for Covered Services.

The Provider Network is called the COMMUNITY BLUE AND BLUE CONNECT NETWORK. It consists of a select Group of Physicians, Hospitals and other Allied Providers that have contracted with the Claims Administrator to participate in the OGB Community Blue and Blue Connect Provider Network and render services to the Plan

Participants. These Providers are called Network Providers. Oral Surgery Benefits are also available when rendered by Providers in United Concordia Dental Advantage Plus Network or in Blue Cross and Blue Shield of Louisiana's dental network.

In an Emergency, Plan Participants should seek care from the nearest facility, even if that facility is not in the Claims Administrator's Network. For non-Emergency care, the Plan Participant should always verify that a Provider is a current Community Blue or Blue Connect Network Provider before the service is rendered. Plan Participants may review a current paper Provider directory or search for a Provider outside of the state of Louisiana under National Provider Directory in the Find Care section of www.lablue.com/ogb or on the free BCBSLA app for Your iPhone or Android. Plan Participants may also contact the Claims Administrator's customer service department at the number on his ID card. A Provider's status may change. The Plan Participant should always verify the Network status of a Provider before obtaining services.

A Provider may be contracted with the Claims Administrator as a Network Provider when providing services at one location and may be considered Non-Network when rendering services from another location. The Plan Participant should check his Provider directory to verify that the Provider is In-Network at the location where the Plan Participant is seeking care.

Plan Participants do not have the option to choose care from Providers that are not in the COMMUNITY BLUE AND BLUE CONNECT Network. No Benefits will be paid for care from Providers outside the COMMUNITY BLUE AND BLUE CONNECT Network unless the Plan Participant has an Emergency Medical Service and is unable to obtain the care from a Network Provider.

Additionally, Providers in Your Network may be contracted to perform certain Covered Services, but may not be contracted in Your Network to perform other Covered Services. When a Network Provider performs services that the Network Provider is not contracted with the Claims Administrator to perform (such as certain High-Tech Imaging services or radiology procedures), Claims for those services will be adjudicated at the Non-Network Benefit level. The Plan Participant should check his Provider directory to verify that the services are In-Network when performed by the Provider or at the Provider's location.

C. AUTHORIZATIONS

CERTAIN SERVICES LISTED ON THE SCHEDULE OF BENEFITS REQUIRE AUTHORIZATION BY THE CLAIMS ADMINISTRATOR. IF AN AUTHORIZATION IS NOT OBTAINED PRIOR TO SERVICES BEING RENDERED, NO BENEFITS WILL BE PAID AND THE CLAIM WILL BE DENIED.

An Authorization is the Claims Administrator's determination that it is Medically Necessary for the Plan Participant to receive the requested medical services. When the Claims Administrator authorizes a service for Medical Necessity, the Claims Administrator is not making a determination about the Plan Participant's choice of Provider or the Benefits that will apply to a resulting Claim.

PRIOR AUTHORIZATION IS NOT REQUIRED FOR AN EMERGENCY MEDICAL SERVICE, AS DEFINED BY THIS BENEFIT PLAN.

Network Providers are required to obtain necessary Authorizations on behalf of the Plan Participant. When a Network Provider fails to obtain a required Authorization, the Plan penalizes the Network Provider, not the Plan Participant. The Plan Participant continues to be responsible only for the applicable Network Copayment, Deductible Amount, and/or Coinsurance shown on the Schedule of Benefits. If a Plan Participant receives services outside of Louisiana, it is the Plan Participant's responsibility to obtain Prior Authorization from the Claims Administrator.

When the Claims Administrator issues an Authorization, but the Plan Participant receives the service from a Non-Network Provider, no Benefits are payable unless the Plan Participant obtained the Claims Administrator's written approval to obtain the services from the Non-Network Provider, **PRIOR TO THE SERVICES BEING RENDERED**. If the Plan Participant has received the Claims Administrator's written approval to use a Non-Network Provider, it is up to the Plan Participant to make sure that the approved Provider obtains any necessary Authorizations, or no Benefits will be paid.

No payment will be made for Organ and Bone Marrow Transplant Benefits or evaluations unless the Claims Administrator Authorizes these services and the services are rendered by a Blue Distinction Center for Transplants or a transplant facility in a Blue Cross and Blue Shield of Louisiana Community Blue and Blue Connect Provider Network,

unless otherwise approved by the Claims Administrator and the Plan Administrator in writing. Evaluation for Tissue Transplant is not required. To locate an approved transplant facility, Plan Participants should contact the Claims Administrator's customer service department at the number listed on the ID card.

D. HOW WE DETERMINE WHAT WE PAY FOR THE PLAN PARTICIPANT'S COVERED SERVICES

The Plan bases payments of Benefits for a Plan Participant's Covered Services on an amount known as the "Allowable Charge." The Allowable Charge depends on the Provider from whom the Plan Participant receives Covered Services as described below, and may be different for Network and Non-Network Providers.

If the amount that is billed for Covered Services by the Plan Participant's Provider is less than the amount that the Claims Administrator has negotiated for the Covered Service, the billed amount is the Allowable Charge and the Plan's payment will be based on the billed amount.

When the Plan Participant uses Network Providers

Network Providers are Providers that have signed contracts with Us to participate in the Community Blue and Blue Connect Network. These Providers have agreed to accept the lesser of billed charges or negotiated amount as payment in full for Covered Services. This amount is the Network Provider's Allowable Charge and is used to determine the amount We pay for Medically Necessary Covered Services. Plan Participants who use Network Providers will receive Network Benefits and will pay the amounts shown in the Community Network column on the Schedule of Benefits for these Covered Services.

When the Plan Participant uses Non-Network Providers

EXCEPT AS DESCRIBED BELOW, IF A PLAN PARTICIPANT RECEIVES SERVICES OUTSIDE OF THE COMMUNITY BLUE AND BLUE CONNECT PROVIDER NETWORK AND PRIOR WRITTEN APPROVAL AND/OR AUTHORIZATIONS ARE NOT OBTAINED (WHERE REQUIRED), **THE SERVICES WILL NOT BE COVERED.** IF WE HAVE ISSUED WRITTEN APPROVAL TO USE A NON-NETWORK PROVIDER, AND AUTHORIZATIONS ARE OBTAINED (WHERE REQUIRED), BENEFITS WILL BE PAID AS FOLLOWS:

Non-Network Providers are Providers who have not signed a contract with HMOLA Network, Blue Cross and Blue Shield of Louisiana or do not participate in Community Blue and Blue Connect Network. These Providers are not in Our Networks. We have no fee arrangements with them. We establish an Allowable Charge for Covered Services rendered by a Non-Network Provider. The Allowable Charge will be the lesser of the following:

- A. An amount We establish based on Our choice of Medicare's published fee schedule, what Medicare pays, or what Medicare allows for the service.
- B. An amount We establish as the Allowable Charge; or
- C. The Provider's billed charge. You will receive a lower level of Benefit because You did not go to a Preferred Provider.

Also, Network Providers waive the difference between their actual billed charge and their Allowable Charge, while Non-Network Providers will not.

What the Claims Administrator pays when a Plan Participant receives Medically Necessary Emergency Medical Services from Non-Network Providers

To the extent required by applicable law, covered Emergency Medical Services are subject to Network cost sharing.

Note that federal law prohibits a Non-Network Provider from balance billing a Plan Participant for Non-Emergency Medical Services performed at a Network facility unless the Provider issued the required written notice to the Plan Participant and obtained the Plan Participant's informed consent to provide such services.

E. WHEN A PLAN PARTICIPANT RECEIVES MENTAL HEALTH OR SUBSTANCE USE DISORDER BENEFITS

For help with these Mental Health and Substance Use Disorder Benefits, the Plan Participant should refer to the Schedule of Benefits, the ID card, or call the Claims Administrator's customer service department.

F. ASSIGNMENT OR ATTEMPTED ASSIGNMENT

A Plan Participant's rights and Benefits under this Plan are personal to the Plan Participant and may not be assigned in whole or in part by the Plan Participant. The Claims Administrator will recognize assignments of Benefits to Hospitals if both this Plan and the Provider are subject to La. R.S. 40:2010. If both this Plan and the Provider are not subject to La. R.S. 40:2010, the Claims Administrator will not recognize assignments or attempted assignments of Benefits. Nothing contained in the written description of health coverage shall be construed to make the Plan Administrator or the Claims Administrator liable to any third party to whom a Plan Participant may be liable for the cost of medical care, treatment, or services.

The Plan reserves the right to pay Network and Non-Network Providers directly instead of paying the Plan Participant.

G. PLAN PARTICIPANT INCENTIVES AND VALUE-ADDED SERVICES

Sometimes the Claims Administrator offers Plan Participants coupons, discounts, and incentives to enroll in programs, such as pharmacy programs, disease management programs, and wellness programs and activities. The Claims Administrator may offer Plan Participants discounts or financial incentives to use certain Providers for selected Covered Services. We may also offer Plan Participants the opportunity to enroll in health and non-health related programs, as value-added services, to enhance the Plan Participant's experience with Us or his Providers. These incentives and value-added services are not Benefits and do not alter or affect Plan Participant Benefits. They may be offered by the Claims Administrator, affiliated companies, and selected vendors. Plan Participants are always free to reject the opportunities for incentives and value-added services. The Claims Administrator reserves the right to add or remove any and all coupons, discounts, incentives, programs, and value-added services at any time without notice to Plan Participants.

H. HEALTH MANAGEMENT AND WELLNESS TOOLS AND RESOURCES

The Claims Administrator offers Plan Participants a wide range of health management and wellness tools and resources. Plan Participants can use these tools to manage their personal accounts, see claims history, create health records and access a host of online wellness interactive tools. Plan Participants also have access to a comprehensive wellness program that includes a personal health assessment and customized health report to assess health risks based on his history and habits. Exclusive discounts are also available to Plan Participants on some health services such as fitness club memberships, diet and weight control programs, vision and hearing care and more.

to or deleted from coverage during an OGB-designated enrollment period, application is required to be made as directed by OGB for the designated enrollment period.

2. Change in Coverage

When the addition of a Dependent as a result of a HIPAA Special Enrollment Event results in a change in classification, the change in classification will be effective on the date of the HIPAA Special Enrollment Event.

3. Notification of Change

It is the Employee's/Retiree's responsibility to make application for any change in classification of coverage.

E. Contributions

The State of Louisiana may make a contribution toward the cost of the Plan, as determined by the Legislature.

F. Medical Child Support Orders

A Dependent Child shall be enrolled for coverage under the Plan in accordance with the direction of a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice (NMSN). Application must be made within thirty (30) days of the receipt of the QMCSO or NMSN. Coverage will be effective the first of the month following OGB's receipt of timely application and all required supporting documentation. An Employee who is not currently enrolled in an OGB Plan may enroll to effect coverage for his or her Dependent(s) who are the subject of the QMCSO.

A QMCSO is a state court order or judgment, including approval of a settlement agreement that:

1. Provides for support of a covered Plan Participant's Dependent Child.
2. Provides for healthcare coverage for that Dependent Child.
3. Is made under state domestic relations law (including a community property law).

QMCSO also means a state court order or judgment that enforces a state Medicaid law regarding medical child support required by Social Security Act §1908 (as added by Omnibus Budget Reconciliation Act of 1993).

An NMSN is a notice issued by an appropriate agency of a state or local government that is similar to a QMCSO that requires coverage under the Plan for the Dependent Child of a non-Custodial Parent who is (or will become) a Covered Person by a domestic relations order that provides for healthcare coverage.

6. The last day of the month in which the Plan Participant ceases to be eligible as a Plan Participant.

ARTICLE IV. BENEFITS

ANY BENEFIT LISTED IN THIS PLAN THAT IS NOT MANDATED BY STATE OR FEDERAL LAW, MAY BE DELETED OR REVISED ON THE SCHEDULE OF BENEFITS OR BY AMENDMENT.

NO BENEFITS ARE AVAILABLE FOR ANY SERVICE THAT REQUIRES AN AUTHORIZATION OR FOR ORGAN, AND BONE MARROW TRANSPLANTS OR EVALUATIONS, IF AUTHORIZATION IS NOT RECEIVED PRIOR TO SERVICES BEING RENDERED.

All Eligible Expenses are determined in accordance with Plan Limitations and Exclusions.

A. Benefit Categories

1. Network Benefits (In-Network): Benefits for Covered Services received from a Network Provider. When a Plan Participant receives care from a Network Provider, the Plan Participant will receive the highest level of Benefits on this Plan.

The Plan Participant must pay all Copayments, Deductible Amounts, and applicable Coinsurance shown on the Schedule of Benefits for a specified Covered Service each time the Covered Service is rendered by a Network Provider, subject to any limitations or maximum Benefits shown. These amounts are subject to change from time to time.

2. Non-Network Benefits (Out-of-Network): Benefits for Covered Services received from a Provider who is not contracted with the Claims Administrator in the Community Blue and Blue Connect Network. When a Plan Participant receives care from a Non-Network Provider, the services are not covered on this Plan.

B. Deductible Amount

1. Subject to the Deductible Amount shown on the Schedule of Benefits and other terms and provisions of this Benefit Plan, the Claims Administrator will provide Benefits in accordance with the Coinsurance shown on the Schedule of Benefits toward Allowable Charges incurred for Covered Services by a Plan Participant during a Benefit Period. The following Deductibles may apply to Covered Services provided by this Benefit Plan.
 - a. Individual Deductible Amount: The dollar amount, shown on the Schedule of Benefits, that an individual Plan Participant must pay within a Benefit Period before the Plan starts paying benefits.
 - b. Family Deductible Amount: The dollar amount, shown on the Schedule of Benefits, that Plan Participants in a class of coverage with more than one (1) Plan Participant must pay within the Benefit Period before this Benefit Plan starts paying Benefits.
2. The Claims Administrator will apply the Plan Participant's Eligible Expenses to the Deductible Amount in the order in which Claims are received and processed. It is possible that one Provider may collect the Deductible Amount from the Plan Participant, then when the Plan Participant receives Covered Services from another Provider, that Provider also collects the Plan Participant's Deductible Amount. This generally occurs when the Plan Participant's Claims have not been received and processed by the Claims Administrator. The Claims Administrator's records will only show the Deductible Amount applied for Claims that have been processed. Therefore, the Plan Participant may need to pay toward the Deductible Amount until his Claims are submitted and processed, showing that the Deductible Amount has been met. If the Plan Participant overpays his Deductible Amount, the Plan Participant is entitled to receive a refund from the Provider to whom the overpayment was made.
3. Under certain circumstances, if the Claims Administrator pays the Provider amounts that are the Plan Participant's responsibility, such as Deductibles, Copayments or Coinsurance, the Claims Administrator

may collect such amounts directly from the Plan Participant. The Plan Participant agrees that the Claims Administrator has the right to collect such amounts from You.

C. Copayment Services

If a Copayment is shown for a Covered Service, the Plan Participant must pay the applicable Copayment each time the Covered Service is rendered, until the Plan Participant meets his Out-of-Pocket Amount. The amount of the Copayment depends on the type of Network Provider rendering the service. Office visit Copayments, if applicable, will be at the Primary Care Physician or Specialist amount shown on the Schedule of Benefits.

The following services are covered at 100% of the Allowable Charge when obtained in the office and performed by a Network Physician or other Provider who is subject to an office visit Copayment, if no office visit is billed:

1. surgical procedures performed in the Physician's office.

D. Coinsurance Amount

If a Coinsurance is shown on the Schedule of Benefits for a Covered Service, the Plan Participant must first pay any applicable Benefit Period Deductible Amount before the Coinsurance. After any Deductible Amounts shown on the Schedule of Benefits have been met, the Claims Administrator will provide payment based on the Coinsurance shown in the Schedule of Benefit toward the Allowable Charges for Covered Services. The Claims Administrator's actual payment to a Provider or payment to the Plan Participant satisfies the Plan Administrator's obligation to provide Benefits under this Plan. The Plan Participant may be balance billed by the Provider when services outside the Network are obtained.

E. Out-of-Pocket Amount

1. After the Plan Participant has met the applicable Out-of-Pocket Amount shown on the Schedule of Benefits, the Claims Administrator will pay one hundred percent (100%) of the Allowable Charge for Covered Services for the remainder of the Benefit Period.
2. The following apply toward the Out-of-Pocket Amount of this Benefit Plan:
 - a. Deductible Amounts.
 - b. Coinsurance.
 - c. Copayments.
3. The following do not apply toward the Out-of-Pocket Amount of this Benefit Plan:
 - a. any charges in excess of the Allowable Charge.
 - b. any penalties the Plan Participant or Provider must pay.
 - c. charges for non-Covered Services.
 - d. any amounts paid by the Plan Participant other than Deductibles, Coinsurance and Copayments.

F. Accumulator Transfers

If necessitated as a direct result of a HIPAA Special Enrollment Event or COBRA Qualifying Life Event, Plan Participants' may transfer from one of the Group's self-insured plans to another Group self-insured Plan with the same Claims Administrator. Plan Participant's accumulators may be carried from the old Plan to the new Plan. Accumulators include, but are not limited to, Deductibles, Out-of-Pocket Amounts and Benefit Period Maximums.

The Plan Participant must pay any Copayment, Deductible Amount, and any Coinsurance as shown on the Schedule of Benefits.

If a Plan Participant receives services from a Physician in a hospital-based clinic, the Plan Participant may be subject to charges from the Physician and/or clinic as well as the facility. The following services furnished to a Plan Participant by a Hospital are covered:

GG. Telehealth Services and Remote Patient Therapy Services

Benefits are available to You for the diagnosis, consultation, treatment, education, care management, patient self-management, and caregiver support when You and Your Provider are not physically located in the same place.

Interaction between Plan Participant and Provider may take place in different ways, depending on the circumstances but this interaction must always be suitable for the setting in which the Telehealth Services and Remote Patient Therapy Services are provided.

Telehealth Services generally must be held in real time through an established patient portal by two-way video and audio transmissions simultaneously (Synchronous). Telehealth Services does not cover telephone calls, and only when approved by the Claims Administrator is it allowed by methods other than simultaneous audio and video transmission.

Store forward or Asynchronous Telehealth Services between an established Patient and their Provider may take place when an established patient sends pre-recorded video or images to a Provider via HIPAA-compliant communication, at the Provider's request, or when the data is transferred between two Providers on the patient's behalf. This method of Telehealth Services is limited to services approved by the Claims Administrator.

Store Forward or Asynchronous Remote Patient Therapy Services between an established patient and a Provider who has an established, documented, and ongoing relationship with the patient may take place when an established patient uses an FDA-approved or FDA-authorized device to collect and electronically transmit biometric data to a Provider to be analyzed and used to develop, manage, and update a treatment plan related to a chronic and/or acute health condition. This method of Remote Patient Therapy Services is limited to services and devices approved by Us.

In order to be covered, Remote Patient Therapy services must specifically be required for medical treatment decision for the Plan Participant or as otherwise required by law and must collect and electronically transmit biometric data to an established Provider on at least sixteen (16) days of a thirty-day (30) period.

The amount Plan Participants pay for a Telehealth Services or Remote Patient Therapy Services visit may be different than the amount Plan Participants would pay for the same Provider's service in a non-Telehealth Services or non-Remote Patient Therapy Services setting. Telehealth Services or Remote Patient Therapy Services must be rendered by a Network Provider.

We have the right to determine if billing was appropriate and contains the required elements for the Claims Administrator to process the Claim.

In general, there is no coverage for Telehealth Services or Remote Patient Therapy Services that are not within the scope of the Provider's license or fail to meet a standard of care compared to an in-person visit. Coverage does not exist for non-HIPAA compliant encounters which do not provide a system of secure communication to safeguard protected health information.

Telehealth Services, Remote Patient Therapy Services and the Providers who can render those services are determined by the Claims Administrator.

ARTICLE XVII.

COORDINATION OF BENEFITS

A. Applicability

This section applies when a Plan Participant has healthcare coverage under more than one Plan. "Plan" is defined below.

The Order of Benefit Determination Rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its terms of coverage without concern of the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed one hundred percent (100%) of the total Allowable Expense.

B. Definitions (Applicable only to this Coordination of Benefits Article of this Benefit Plan)

1. Allowable Expense Healthcare services or expenses, including deductibles, coinsurance or copayments, that are covered in full or in part by any Plans covering a Plan Participant. The following are examples of services or expenses that are and not Allowable Expenses.
 - a. A healthcare service or expenses or a portion of a service or expense that is not covered by any of the Plans covering a Plan Participant is not an Allowable Expense.
 - b. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid.
 - c. If a person is confined in a private hospital room, the difference between the cost of a semi-private room in the hospital and the private room is not an Allowable Expense, unless one of the plans provides coverage for private hospital room expenses.
 - d. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charge in excess of the highest reimbursement amount for a specified benefit is not an Allowable Expense.
 - e. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees is not an Allowable Expense.
 - f. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology and another Plan that provides its benefits on the basis of negotiated fees, the Primary Plan's payment arrangement will be the Allowable Expense for all Plan.
 - g. The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of those types of Plan provisions include second surgical opinions, prior authorization of admissions and preferred Provider arrangements.
2. Closed Panel Plan - A plan that provides healthcare benefits to covered persons primarily in the form of services through a panel of Providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other Providers, except in cases of emergency or referral by a panel member.
3. Coordination of Benefits or COB - A provision establishing an order in which Plans pay their claims and permitting Secondary Plans to reduce their benefits so that the combined benefits of all Plans do not exceed one hundred percent (100%) of the total Allowable Expenses. The COB provision applies to the part of the Benefit Plan providing healthcare Benefits which may be reduced because of the benefits of other Plans. Any other part of the Benefit Plan providing healthcare Benefits is separate from this Benefit Plan. This Benefit Plan may apply one COB provision to certain Benefits, such as dental Benefits, coordinating only with similar Benefits, and may apply another COB provision to coordinate other Benefits.

4. Custodial Parent
 - a. the parent awarded custody of a covered child by a court decree; or
 - b. in the absence of a court decree, the parent with whom the covered child resides more than one half of the calendar year without regard to any temporary visitation.

5. Order of Benefit Determination Rules – Rules that determine whether this plan is a Primary Plan or Secondary Plan when a Plan Participant has healthcare coverage under more than one Plan. When this Benefit Plan is Primary, We determine payment for Benefits first before those of any other Plan and without considering any other Plan’s benefits. When this Benefit Plan is Secondary, We determine Benefits after those of another Plan and may reduce the Benefits We pay so that all Plan benefits do not exceed one hundred percent (100%) of the total Allowable Expense.

6. Plan - Any of the following that provide benefits or services for medical or dental care or treatment. If separate Plans are used to provide coordinated coverage for members of a group, the separate Plans are considered parts of the same Plan and there is no COB among those separate Plans.
 - a. Plan includes:
 - (1) group and non-group insurance contracts.
 - (2) health maintenance organization (HMO) contracts.
 - (3) group or group- type coverage through closed panel plans or other forms of group or group-type coverage (whether insured or uninsured);
 - (4) The medical care components of long-term care contracts, such as skilled nursing care.
 - (5) The medical benefits in group or individual automobile and traditional automobile or contracts; and
 - (6) Medicare or any other governmental benefits, as permitted by law.
 - b. Plan does not include:
 - (1) Hospital indemnity coverage benefits or other fixed indemnity coverage.
 - (2) Accident only coverage.
 - (3) Specified disease or specified accident coverage.
 - (4) Limited benefit health coverage such as disability income, specified disease, vision.
 - (5) School accident-type coverages with certain exceptions.
 - (6) Benefits for non-medical components of long-term care contracts.
 - (7) Medicare supplement policies.
 - (8) Medicaid plans; or
 - (9) coverage under other government Plans, unless permitted by law. Each contract for coverage under 6(a) or (b), above, is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

Each contract for coverage under 6(a) or (b), above, is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

7. Primary Plan - A plan whose benefits for a covered person's healthcare coverage must be determined without taking the existence of any other Plan into consideration.
8. Secondary Plan - A Plan that is not a Primary Plan and determines its benefits after the Primary Plan pays benefits.

C. Coordination of Benefits and Order of Benefit Determination

1. When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:
 - a. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
 - b. If the Primary Plan is a Closed Panel Plan and the Secondary Plan is not a Closed Panel Plan, the Secondary Plan will pay or provide benefits as if it were the Primary Plan when a covered person uses a non-panel provider, except for emergency services or authorized referrals that are paid or provided by the Closed Panel Plan.
 - c. When multiple contracts providing coordinated coverage are treated as a single Plan, then this section applies only to the Plan as a whole, and coordination among the component contracts is governed by the terms of the contracts. If more than one issuer pays or provides benefits under the Plan, the issuer designated as Primary within the Plan will be responsible for the Plan's compliance.
 - d. If a person is covered by more than one Secondary Plan, the Order of Benefit Determination Rules decide the order in which Secondary Plans benefits are determined in relation to each other. Each Secondary Plan must take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan, which, has benefits determined before those of that Secondary Plan.
 - e. Except as provided in (f), below, a Plan that does not contain a Coordination of Benefits provision that is consistent with this section is always Primary unless the provisions of both Plans state that the complying Plan is primary.
 - f. Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and may provide that the supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
2. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is the Secondary Plan.
3. Order of Benefit Determination

Each Plan determines its order of benefits using the first of the following provisions that apply.

- a. Non-Dependent or Dependent provision

The Plan that covers the person other than as a dependent for example, as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is Secondary to the Plan covering the person as a dependent; and Primary to the Plan covering the person as other than a dependent (e.g., retired employee); then the order of benefits between the two Plans is reversed. The Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan covering the person as a dependent is the Primary Plan.

b. Dependent Child Covered Under More than One Plan Provision

Unless there is a court decree stating otherwise, when a Dependent Child is covered by more than one Plan the order of benefits is determined as follows.

- (1) For a Dependent Child whose parents are married or are living together, whether or not they have ever been married:
 - (a) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan;
or
 - (b) If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- (2) For a Dependent Child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (a) If a court decree states that one of the parents is responsible for the covered Dependent Child's healthcare expenses or the healthcare coverage and the Plan of that parent has actual knowledge of those terms, that Plan is Primary. This provision applies to Plan years commencing after the Plan is given notice of the court decree.
 - (b) If a court decree states that both parents are responsible for the Dependent Child's healthcare expenses or healthcare coverage, the provisions of subparagraph (3)(b)(1), above, will determine the order of benefits.
 - (c) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the healthcare expenses or healthcare coverage of the Dependent Child, the provisions of subparagraph (3)(b)(1), above, will determine the order of benefits;
or
 - (d) If there is no court decree allocating responsibility for the Dependent Child's healthcare expenses or healthcare coverage, the order of benefits for the child are as follows:
 - i. The Plan covering the Custodial Parent.
 - ii. The Plan covering the spouse of the Custodial Parent.
 - iii. The Plan covering the non-Custodial Parent; and then.
 - iv. The Plan covering the spouse of the non-Custodial Parent
- (3) For a Dependent Child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subparagraphs (3)(b)(1) or (3)(b)(2), above, shall determine the order of benefits as if those individuals were the parents of the child.
- (4) For a Dependent Child covered under the spouse's Plan:
 - (a) For a Dependent Child who has coverage under either or both parents' Plans and also has his or her own coverage as a dependent under a spouse's Plan, the Longer or Shorter Length of Coverage Provision, below, applies.
 - (b) In the event the Dependent Child's coverage under the spouse's Plan began on the same date as the Dependent Child's coverage under either or both parents' Plans, the order of benefits will be determined by applying the birthday provision above in (3)(b)(1) to the child's parent(s) and the spouse.

c. Active Employee or Retired or Laid-off Employee Provision

The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid off employee is the Secondary Plan. The same would hold true if a covered person is a dependent of an active employee and that same person is a dependent of a retired or laid off employee. If the other Plan does not have this provision, and as a result the Plans do not agree on the order of Benefits, this provision is ignored. This provision does not apply if the non-Dependent or Dependent Provision above, can determine the order of benefits.

d. COBRA or State Continuation Coverage Provision

If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the persons as a dependent of an employee, member subscriber or retiree is the Primary Plan and the COBRA or state, or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this provision, and as a result, the Plans do not agree on the order of benefits, this provision is ignored. This provision does not apply if the Non-Dependent or Dependent Provision, above, can determine the order of benefits.

e. Longer or Shorter Length of Coverage Provision

The Plan that covered the person as an employee, member, policyholder, subscriber or retiree for a longer period of time is the Primary Plan and the Plan that covered the person for the shorter period of time is the Secondary Plan.

f. Fall-Back Provision

If none of the preceding provisions determines the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.

D. Effects on the Benefits of This Benefit Plan

1. When this Benefit Plan is Secondary, We may reduce Benefits so that the total Benefits paid or provided by all Plans during a plan year are not more than one hundred percent (100%) of the total Allowable Expenses. In determining the amount to be paid for any Claim, as the Secondary Plan, We will calculate the Benefits We would have paid in the absence of other healthcare coverage and apply that calculated amount to any Allowable Expense under Our Benefit Plan that is unpaid by the Primary Plan. As the Secondary Plan, We may then reduce Our payment by the amount so that, when combine the amount paid by the Primary Plan the total Benefits paid or provided by all Plans for the Claims do not exceed the total Allowable Expense for that Claim. In addition, as the Secondary Plan, We will credit to the Benefit Plan Deductible Amount any amounts We would have credited to the Deductible Amount in the absence of other healthcare coverage. In any event, this Benefit Plan will never pay more than We would have paid had We been the Primary Plan.
2. If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB will not apply between that Plan and other Closed Panel Plans.

E. Summary

This is a summary of only a few of the provisions of Your Benefit Plan to help You understand Coordination of Benefits, which can be very complicated. This it not a complete description of all the coordination rules and procedures, and does not change or replace the language above, which determines Your Benefits.

1. Double Coverage

It is common for family members to be covered by more than one healthcare Plan. This happens, for example, when a husband and wife both work and choose to have family coverage through both employers.

When You are covered by more than one healthcare Plan, You Plans follow a procedure called Coordination of Benefits to determine how much each Plan should pay when You have a claim. The goal is to make sure that the combined payments of all Plans do not add up to more than Your covered healthcare expenses. Coordination of Benefits is complicated and covers a wide variety of circumstances. This is only an outline of some of the most common ones.

2. Primary or Secondary

You will be asked to identify all the Plans that cover members of Your family. We need this information to determine whether We are the Primary or Secondary benefit payer. The Primary Plan always pays first when You have a claim. Any Plan that does not contain COB rules will always be Primary.

3. When this Benefit Plan is Primary

If You or a family member are covered under another Plan in addition to this one, We will be Primary when;

- a. The Claim is for Your own healthcare expenses, unless You are covered by Medicare and both You and Your Spouse are retired.
- b. The Claim is for Your Spouse's healthcare expenses, who is covered by Medicare, and You are not both retired.
- c. The Claim is for the healthcare expenses of Your Dependent Child who is covered by this Benefit Plan and;
 - (1) You are married and Your birthday is earlier in the year than Your Spouse's or You are living with another individual, regardless of whether or not You have ever been married to that individual, and Your birthday is earlier than that other individual's birthday. This is known as the birthday provision.
 - (2) You are separated or divorced, and You have informed Us of a court decree that makes You responsible for Your Dependent Child's healthcare expenses; or
 - (3) There is no court decree, but You have custody of Your Dependent Child.

4. Other Situations

- a. We will be Primary when any other provisions of state or federal law require Us to be. When We are the Primary Plan, We will pay the Benefits in accordance with the terms of Your Benefit Plan, just as if You had no other healthcare coverage under any other Plan.
- b. We will be Secondary whenever the rules do not require Us to be Primary. When we are the Secondary Plan, We do not pay until the Primary Plan has paid its benefits. We will then pay part, or all of the Allowable Expenses left unpaid, as explained below. An Allowable Expense is a healthcare service or expense covered by one of the Plans, including Copayments, Coinsurance and Deductible Amounts.
 - (1) If there is a difference between the amount the Plans allow, We will base Our payment on the higher amount. However, if the Primary Plan has a contract with the Provider, Our combined payments will not be more than the Provider contract calls for. Health maintenance organizations and preferred Provider organizations usually have contracts with their Providers.
 - (2) We will determine Our payment by subtracting the amount the Primary Plan paid from the amount We would have paid if We had been Primary. We will use any savings to pay the balance of any unpaid Allowable Expenses covered by either Plan.
 - (3) We will not pay an amount the Primary Plan did not cover because You did not follow its rules and procedures. For example, if the Plan has reduced its benefit because You did not obtain prior authorization, as required by that Plan, We will not pay the amount of the reduction, because it is not an Allowable Expense.

F. Right to Receive and Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person for the purpose of determining COB. We need to tell, or get the consent of, any person to do this. Each person claiming Benefits under this Benefit Plan must give Us any facts We need to pay the Claim.

G. Facility of Payment

A payment made under another Plan may include an amount that should have been paid under this Benefit Plan. We may pay that amount to the organization which made the payment. That amount will then be treated as though it were a Benefit paid under this Benefit Plan. To the extent such payments are made, they discharge Us from further liability. The term payment made includes providing Benefits in the form of services, in which case the payment made will be the reasonable cash value of any Benefits provided in the form of services.

H. Right of Recovery

If the amount of the payments that We made is more than We should have paid under this COB section, We may recover the excess from one or more of:

1. the persons We have paid or for whom We have paid.
2. insurance companies; or
3. other organizations.

The amount of the payments made includes the reasonable cash value of any Benefits provided in the form of services. If the excess amount is not received when requested, any Benefits due under this Benefit Plan will be reduced by the amount to be recovered until such amount has been satisfied.

B. Amending and Terminating the Benefit Plan

OGB has the statutory responsibility of providing health and accident and death benefits to Covered Persons to the extent that funds are available. OGB reserves the right to terminate or amend the eligibility and benefit provisions of the Plan from time to time as necessary to prudently discharge its duties. Such modifications will be promulgated

subject to the applicable provisions of law, and nothing contained herein shall be construed to guarantee or vest benefits for any Employee, whether active or retired.

Any provision of the Plan which, on its effective date, is in conflict with applicable state law provisions (of the jurisdiction in which the Plan is delivered) is hereby amended to conform to the minimum requirements of such statutes and regulations.

C. Employer Responsibility

1. It is the responsibility of the Participant Employer to submit enrollment and change forms and all other necessary documentation to the Plan Administrator on behalf of its Employees. Employees of a Participant Employer will not, by virtue of furnishing any documentation to the Plan Administrator, be considered agents of the Plan Administrator, and no representation made by any such person at any time will change the provisions of this Plan.
2. A Participant Employer shall immediately inform the Plan Administrator when a Retiree with OGB coverage returns to full-time or other benefit-eligible employment. The Retiree shall be placed in the Rehired Retiree category for premium calculation. The Rehired Retiree premium classification applies to Retirees with and without Medicare. The premium rates applicable to the Rehired Retiree premium classification shall be identical to the premium rates applicable to the classification for Retirees without Medicare.
3. A Participant Employer who receives a Medicare Secondary Payer (MSP) collection notice or demand letter shall deliver the MSP notice to the OGB MSP Adjuster within 15 days of receipt. If timely forwarded, OGB will assume responsibility for medical benefits, interest, fines and penalties due to Medicare for a covered Employee. If not timely forwarded, OGB will assume responsibility only for Covered Plan benefits due to Medicare for a covered Employee. The Participant Employer will be responsible for interest, fines, and penalties due.

D. Identification Cards and Benefit Plans

The Claims Administrator will prepare an ID card for each Covered Employee. The Claims Administrator will issue a Benefit Plan to the Group and print a sufficient number of copies of this Benefit Plan for the Group's covered Employees. At the direction of the Group, the Claims Administrator will either deliver all materials to the Group for the Group's distribution to the covered Employees, or the Claims Administrator will deliver the materials directly to each covered Employee.

Unless otherwise agreed between the Group and the Claims Administrator, the Group has the sole responsibility for distributing all such documents to covered Employees.

E. Benefits to which Plan Participants Are Entitled

1. Benefits for Covered Services specified in this Benefit Plan will be provided only for services and supplies rendered on and after the Plan Participant's Effective Date by a Provider specified in this Plan and regularly included in such Provider's charges.
2. If the Plan Participant is an Inpatient in a Hospital on the date coverage ends, medical Benefits in connection with the Admission for that patient will end at the end of that Admission, or upon reaching any Benefit limitations set in this Benefit Plan, whichever occurs first. No Benefits are available to a Plan Participant for Covered Services rendered after the date of termination of a Plan Participant's coverage.
3. Continuity of healthcare services
 - a. Upon termination of a contractual agreement with a Provider, notification of the removal of the Provider from the Network will be given to any Plan Participant who has begun a course of treatment by the Provider.
 - b. A Plan Participant who is a continuing care patient has the right to continuity of care until the earlier of the completion of the course of treatment or ninety (90) days after the Plan Participant is notified that the Provider has left the Network.

- c. A continuing care patient is one who is:
 - (1) Undergoing a course of treatment for a Serious and Complex condition.
 - (2) Undergoing a course of institutional or Inpatient care.
 - (3) Scheduling to undergo nonelective Surgery from the Provider, including receipt of postoperative care.
 - (4) Pregnant and undergoing a course of treatment for pregnancy; or
 - (5) Terminally ill, which means the medical prognosis is a life expectancy of six (6) months or less, and receiving treatment for the terminal illness from the Provider.
- d. The provisions of continuity of care shall not be applicable if any one of the following occurs:
 - (1) The reasons for the termination of a Provider's contractual agreement is a result of documented reasons relative to quality care, or the suspension, revocation or applicable restriction of the license to practice in Louisiana by the Louisiana State Board of Medical Examiners;
 - (2) The reason for the termination of a Provider's contractual agreement is a result of fraud.
 - (3) The Plan Participant voluntarily chooses to change Providers.
 - (4) The Plan Participant relocates to a location outside of the geographic service area of the Provider of the Network.
 - (5) The Plan Participant's condition does not meet the requirement to be deemed a Serious and Complex Condition.

F. Retroactive Cancellation of Coverage

- 1. The Plan Administrator may retroactively cancel coverage in the following instances:
 - a. To the extent the cancellation of coverage is attributable to a failure of the Plan Participant to timely pay required premiums, contributions and surcharges toward the cost of coverage; or
 - b. The cancellation of coverage is initiated by the Plan Participant.
- 2. When the Plan Administrator retroactively cancels coverage, the Plan Participant shall be liable to the Plan Administrator for all benefits paid on behalf of the Plan Participant after the effective date of rescission or cancellation of coverage.

G. Termination of a Plan Participant's Coverage Due to Fraud

The Plan may choose to rescind coverage or terminate a Plan Participant's coverage if a Plan Participant performs an act or practice that constitutes fraud, or makes an intentional misrepresentation of material fact under the terms of this Plan. The issuance of this coverage is conditioned on the representations and statements contained in a required application and enrollment form. All representations made are material to the issuance of this coverage. Any information provided on the application or enrollment form, or intentionally omitted therefrom, as to any proposed or covered Plan Participant, shall constitute an intentional misrepresentation of material fact. A Plan Participant's coverage may be rescinded retroactively to the Effective date of coverage, or terminated within three (3) years of the Plan Participant's Effective Date, for fraud or intentional misrepresentation of material fact. The Plan will give the Plan Participant sixty (60) days advance written notice prior to rescinding or terminating coverage under this section. If You enroll someone that is not eligible for coverage, it will be considered an act of fraud or intentional misrepresentation of material fact.

H. Reinstatement to Position Following Civil Service Appeal

1. Self-Insured Plan Participants

When coverage of a terminated Employee, who was a participant in a self-insured health plan, is reinstated by reason of a civil service appeal, coverage will be reinstated to the same level in the Plan retroactive to the date coverage terminated. The Employee and Participant Employer are responsible for the payment of all premiums for the period of time from the date of termination to the date of the final order reinstating the Employee to his position. The Plan is responsible for the payment of all eligible benefits for charges incurred during this period. All Claims for expenses incurred during this period must be filed with the Plan within 60 days following the date of the final order of reinstatement.

2. Fully Insured Health Maintenance Organization (HMO) Participants

When coverage of a terminated Employee, who was a participant in a fully insured HMO, is reinstated by reason of a civil service appeal, coverage will be reinstated in the fully insured HMO in which the Employee was participating effective on the date of the final order of reinstatement. There will be no retroactive reinstatement of coverage and no premiums will be owed for the period during which coverage with the fully insured HMO was not effective.

I. Filing Claims

1. All Claims must be filed within ninety (90) days from the date services were rendered, unless it is not reasonably possible to do so. In no event may any Claim be filed later than twelve (12) months from the date services were rendered.
2. Most Plan Participants with Prescription Drug coverage will not be required to file Claims to obtain Prescription Drug Benefits as this is done automatically for the Plan Participant. However, if the Plan Participant must file a Claim to access their Prescription Drug Benefit, the Plan Participant must use the Prescription Drug Claim Form. The Prescription Drug Claim Form may require the signature of the dispensing pharmacist. The Claim form should then be sent to OGB's Pharmacy Benefit Manager, whose telephone number should be found on the Plan Participant's ID card.

J. Release of Information

The Claims Administrator may request that the Plan Participant or the Provider furnish certain information relating to the Plan Participant's Claim for Benefits. The Claims Administrator will hold such information, records, or copies of records as confidential except wherein the Claims Administrator's discretion the same should be disclosed.

K. Plan Participant/Provider Relationship

1. The selection of a Provider is solely the Plan Participant's responsibility.
2. The Claims Administrator and all Network Providers are to each other independent contractors, and will not be considered to be agents, representatives, or Employees of each other for any purpose whatsoever. The Claims Administrator does not render Covered Services but only makes payment for Covered Services that the Plan Participant receives. The Claims Administrator is not liable for any act or omission of any Provider, or for any Claim or demand because of damages arising out of, or in any manner connected with, any injuries suffered by the Plan Participant while receiving care from any Network Provider or in any Network Provider's facilities. The Claims Administrator has no responsibility for a Provider's failure or refusal to render Covered Services to the Plan Participant.
3. The use or non-use of an adjective such as Network or Non-Network in referring to any Provider is not a statement as to the ability of the Provider.

L. This Benefit Plan and Medicare

When an individual is covered by this Plan and by Medicare, Medicare laws and regulations govern the order of Benefit, that is, whether Medicare is the primary or secondary payer.

1. The following applies to Retirees and to covered Spouses of Retirees who have attained the age of sixty-five (65) **before** July 1, 2005:
 - a. If the Plan Participant is not enrolled in Medicare, this Plan is the primary payer. Eligible Expenses will be paid without regard to Medicare coverage.
 - b. If the Plan Participant is enrolled in Medicare, Medicare is the primary payer. Eligible Expenses under this Plan will be limited to the amount allowed by Medicare, less the amount paid or payable by Medicare. Eligible Expenses not covered by Medicare are payable.
2. The following applies to Retirees and to covered Spouses of Retirees who attain or have attained the age of sixty-five (65) **on or after** July 1, 2005:

- a. Eligible for Medicare

A Retiree or Spouse of a Retiree who attains or has attained age sixty-five (65), when either has sufficient earnings credits to be eligible for Medicare, **MUST ENROLL** in Medicare Part A and Medicare Part B in order to receive Benefits under this Plan.

Benefits are payable as secondary to the Part of Medicare in which the individual is enrolled, except as specifically provided in this Benefit Plan. Eligible Expenses under this Plan will be limited to the amount allowed by Medicare, less the amount paid or payable by Medicare. All provisions of this Plan, including all provisions related to Deductibles, Coinsurance, limitations and exclusions will be applied.

If such Retiree or Spouse of a Retiree is not enrolled in Medicare Part A and Medicare Part B, **NO BENEFITS** will be paid or payable under this Plan except Benefits payable as secondary to the Part of Medicare in which the individual is enrolled.

- b. Not Eligible for Medicare

A Retiree and Spouse of a Retiree who do not have sufficient earnings credits to be eligible for Medicare, and therefore are not enrolled in Medicare, must provide written verification from the Social Security Administration or its successor.

This Plan is the primary payer, and Benefits will be paid without regard to Medicare coverage.

M. Notices

Any notice required under this Benefit Plan must be in writing. Any notice required to be given to the Plan Participant will be considered delivered when deposited in the United States mail, postage prepaid, addressed to the Plan Participant at his address as the same appears on the Plan Administrator's records. Any notice that a Plan Participant is required to give to the Plan Administrator must be given at the Plan Administrator's address as it appears in this Benefit Plan. The Plan or the Plan Participant may, by written notice, indicate a new address for giving notice.

N. Job-Related Injury or Illness

The Group must report any job-related injury or illness of a Plan Participant to the appropriate federal or state governmental agency where so required under the provisions of any federal or state laws and/or related programs. This Plan, with any described exceptions, excludes Benefits for any services rendered as a result of occupational disease or injury compensable under any federal or state Workers Compensation laws and/or any related programs including, but not limited to the Jones Act, Federal Employers Liability Act, Federal Employees Compensation Act, Longshore and Harbor Workers Compensation Act, Black Lung Benefits Act, Energy Employees Occupational Illness Compensation Program, and Title 23 of the Louisiana Revised Statutes whether or not coverage under such laws or programs is actually in force. In the event Benefits are initially extended by the Plan and a compensation carrier, employer, governmental agency or program, insurer, or any other entity makes any type of settlement with the Plan Participant, or with any person entitled to receive settlement where the Plan Participant dies, or if the Plan Participant's injury or illness is found to be compensable under federal or state Workers Compensation laws or programs, the Plan Participant must reimburse the Plan for Benefits extended or direct the compensation carrier, employer, governmental agency or program, insurer, or any other entity to make such reimbursement. The Group

will be entitled to such reimbursement even if the settlement does not mention or excludes payment for healthcare expenses.

O. Subrogation and Reimbursement

Upon payment of any eligible Benefits covered under this Plan, the Office of Group Benefits plan shall succeed and be subrogated to all rights of recovery of the Plan Participant or his/her heirs or assigns for whose benefit payment is made and the Plan Participant shall execute and deliver instruments and papers and do whatever is necessary to secure such rights and shall do nothing to prejudice such rights. The Office of Group Benefits shall have an automatic lien against and shall be entitled, to the extent of any payment made to a Plan Participant and/or his/her heirs or assigns, to 100% of the proceeds of any settlement or judgment that may result from the exercise of any rights of recovery of a Plan Participant and/or his/her heirs or assigns against any person or entity legally responsible for the disease, illness, accident, or injury for which said payment was made.

To this end, Plan Participants agree to immediately notify the Office of Group Benefits or its agent assigned to exercise reimbursement and subrogation rights on its behalf of any action taken to attempt to collect any sums against any person or entity responsible for the disease, illness, accident, or injury. These subrogation and reimbursement rights also apply, BUT ARE NOT LIMITED TO, when a Plan Participant recovers under an uninsured or underinsured motorist plan, homeowner's plan, renter's plan, medical malpractice plan, worker's compensation plan or any general liability plan.

Under these subrogation and reimbursement rights, the Office of Group Benefits has a right of first recovery to the extent of any judgment, settlement, or any payment made to the Plan Participant and/or his/her heirs or assigns. These rights apply whether such recovery is designated as payment for pain and suffering, medical benefits, or other specified damages, even if the Plan Participant is not made whole (i.e., fully compensated for his/her injuries).

P. Right of Recovery

Whenever any payment for Covered Services has been made by the Plan in an amount that exceeds the maximum Benefits available for such services under this Benefit Plan, or exceeds the Allowable Charge, or whenever payment has been made in error by the Plan for non-covered services, the Plan will have the right to recover such payment from the Plan Participant or, if applicable, the Provider.

As an alternative, the Plan reserves the right to deduct from any pending Claim for payment under this Plan, any amounts the Plan Participant or Provider owes the Plan.

Q. Coverage in a Department of Veterans Affairs or Military Hospital

In any case in which a veteran is furnished care or services by the Department of Veterans Affairs for a non- service-connected disability, the United States will have the right to recover or collect the reasonable cost of such care or services from the Plan to the extent the veteran would be eligible for Benefits for such care or services from the Plan if the care or services had not been furnished by a department or agency of the United States. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

The United States will have the right to collect from the Plan the reasonable cost of healthcare services incurred by the United States on behalf of a military Retiree or a military Dependent through a facility of the United States military to the extent that the Retiree or Dependent would be eligible to receive reimbursement or indemnification from the Plan if the Retiree or Dependent were to incur such cost on his own behalf. The amount that the United States may recover will be reduced by the appropriate Deductible Amount and Coinsurance amount.

R. Liability of Plan Affiliates

The Plan Administrator, on behalf of itself and its participants, hereby expressly acknowledges its understanding that this Plan of Benefits constitutes a contract solely between the Plan Administrator and Blue Cross and Blue Shield of Louisiana, that Blue Cross and Blue Shield of Louisiana is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, the Association permitting Blue Cross and Blue Shield of Louisiana and its subsidiaries and affiliates (collectively Blue Cross and Blue Shield of Louisiana) to use the Blue Cross and Blue Shield Service Marks in the State of Louisiana, and that Blue Cross and Blue Shield of Louisiana is not contracting as the agent of the Association. The Plan Administrator, on behalf of itself and its participants, further acknowledges and agrees that

it has not entered into this Benefit Plan based upon representations by any person other than Blue Cross and Blue Shield of Louisiana and that no person, entity, or organization other than Blue Cross and Blue Shield of Louisiana shall be held accountable or liable to the Plan Administrator for any of Blue Cross and Blue Shield of Louisiana's obligations to the Plan Administrator. This paragraph shall not create any additional obligations whatsoever on the part of Blue Cross and Blue Shield of Louisiana, other than those obligations created under other provisions of this claims administration agreement.

S. Out-of-Area Services

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross and Blue Shield Association. Whenever You obtain healthcare services outside the geographic area Blue Cross and Blue Shield of Louisiana/HMO Louisiana Inc., serves, the Claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside of Blue Cross and Blue Shield of Louisiana/HMO Louisiana, Inc. service area, You will receive it from one of two kinds of Providers. Most Providers ("Participating Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Non-Participating Providers") do not contract with the Host Blue. The Claims Administrator explains below how both kinds of Providers are paid.

The Magnolia Local Benefit Plan covers only limited healthcare services received outside of Blue Cross and Blue Shield of Louisiana's service area. As used in this section, "Out-of-Area Covered Healthcare Services" include emergency care obtained outside the geographic area the Claims Administrator serves. Any other services will not be covered when processed through any Inter-Plan Programs arrangements.

Inter-Plan Arrangements Eligibility – Claim Types

All Claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for all Dental Care Benefits when paid as medical Benefits, and those Prescription Drug Benefits or vision care Benefits that may be administered by a third party contracted by the Claims Administrator to provide the specific service or services.

1. BlueCard® Program

Under the BlueCard® Program, when Plan Participants access covered healthcare services within the geographic area served by a Host Blue, Claims Administrator will remain responsible for fulfilling its contractual obligations. However, the Host Blue is responsible for contracting with and generally handling all interactions with its Network Providers.

When You receive Covered Services outside Blue Cross and Blue Shield of Louisiana's service area and the Claim is processed through the BlueCard® Program, the amount You pay for the Covered Services is calculated based on the lower of:

- the billed covered charges for Your Covered Services; or
- the negotiated price that the Host Blue makes available to The Plan.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the healthcare Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your healthcare Provider or Provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of Claims, as noted above. However, such adjustments will not affect the price

the Claims Administrator has used for Your Claim because they will not be applied after a Claim has already been paid.

2. Non-Participating Providers Outside Blue Cross and Blue Shield of Louisiana/HMO Louisiana, Inc., Service Area

a. Plan Participant Liability Calculation

When Covered Services are provided outside of Blue Cross and Blue Shield of Louisiana/HMO Louisiana Inc. service area by Non-Participating Providers, the amount You pay for such services will normally be based on either the Host Blue's Non-Participating Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Non-Participating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, may govern payments for out-of-network Emergency Medical Services.

b. Exceptions

In certain situations, the Claims Administrator may use other payment methods, such as billed charges for Covered Services, the payment the Claims Administrator would make if the healthcare services had been obtained within Blue Cross and Blue Shield of Louisiana/HMO Louisiana Inc. service area, or a special negotiated payment to determine the amount the Claims Administrator will pay for services provided by Non-Participating Providers. In these situations, You may be liable for the difference between the amount that the Non Participating Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.

3. Blue Cross Blue Shield Global® Core

If You are outside the United States, the Commonwealth of Puerto Rico, and the U.S. Virgin Islands (hereinafter "BlueCard® service area"), You may be able to take advantage of the Blue Cross Blue Shield Global® Core when accessing Covered Services. The Blue Cross Blue Shield Global® Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the Blue Cross Blue Shield Global® Core assists You with accessing a network of Inpatient, Outpatient and professional Providers, the network is not served by a Host Blue. As such, when You receive care from Providers outside the BlueCard® service area, You will typically have to pay the Providers and submit the Claims Yourself to obtain reimbursement for these services.

If You need medical assistance services (including locating a doctor or Hospital) outside the BlueCard® service area, You should call the Blue Cross Blue Shield Global® Core service center at 1.800. 810.BLUE (2583) or call collect at 1.804.673.1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a Physician appointment or hospitalization, if necessary.

a. Inpatient Services

In most cases, if You contact the Blue Cross Blue Shield Global® Core service center for assistance, Hospitals will not require You to pay for covered Inpatient services, except for Your Deductible Amount and Coinsurance. In such cases, the Hospital will submit Your Claims to the Blue Cross Blue Shield Global® Core Service Center to begin Claims processing. However, if You paid in full at the time of service, You must submit a Claim to receive reimbursement for Covered Services. You must contact the Claims Administrator to obtain Authorization for non-Emergency Inpatient services, as explained in the Care Management Article of this Benefit Plan.

b. Outpatient Services

Physicians, Urgent Care Centers and other Outpatient Providers located outside the BlueCard® service area will typically require You to pay in full at the time of service. You must submit a Claim to obtain reimbursement for Covered Services.

c. Submitting a Blue Cross Blue Shield Global® Core Claim

When You pay for Covered Services outside the BlueCard® service area, You must submit a Claim to obtain reimbursement. For institutional and professional Claims, You should complete a Blue Cross Blue Shield Global® Core claim form and send the claim form with the Provider's itemized bill(s) to the Blue Cross Blue Shield Global® Core service center at the address on the form to initiate Claims processing. Following the instructions on the claim form will help ensure timely processing of Your Claim. The claim form is available from Blue Cross and Blue Shield of Louisiana/HMO Louisiana Inc., the Blue Cross Blue Shield Global® Core service center, or online at www.bcbsglobalcore.com. If You need assistance with Your Claim submission, You should call the Blue Cross Blue Shield Global® Core service center at 1.800.810.BLUE (2583) or call collect at 1.804.673.1177, twenty-four (24) hours a day, seven (7) days a week.

T. Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage

Plan Administrator shall provide to certain Plan Participants who have Prescription Drug coverage under this Plan, without charge, a written certification that their Prescription Drug coverage under this Plan is either creditable or non-creditable. Coverage is deemed creditable if it is at least as good as the standard Medicare Part D Prescription Drug benefit. The Plan Administrator will provide these Certificates to Plan Participants who are eligible for Medicare Part D based upon enrollment data.

The Plan Administrator will provide Medicare Part D Certificates of Creditable or Non-Creditable Prescription Drug Coverage to covered Plan Participants at the following times, or as designated by law:

1. prior to the Medicare Part D Annual Coordinated Election Period.
2. prior to an individual's Initial Enrollment Period (IEP) for Medicare Part D.
3. whenever Prescription Drug coverage under this Benefit Plan ends.
4. whenever Prescription Drug coverage under this Plan changes so that it is no longer creditable or becomes creditable; and/or
5. upon a Medicare beneficiary's request.

In addition to the appeal rights, the Plan Participant's Provider may initiate an Informal Reconsideration to review Utilization Management decisions.

Informal Reconsideration

An Informal Reconsideration is a process to review Utilization Management decisions and is initiated by request by telephone, made by an authorized Provider to speak to the Claims Administrator's Medical Director or to a peer reviewer. An Informal Reconsideration is typically based on submission of additional information or a peer-to-peer discussion.

The Claims Administrator will conduct the Informal Reconsideration within **one (1) business day** from the receipt of the request. Once the Informal Reconsideration is complete, the Claims Administrator will advise the Plan Participant or his Authorized Representative of the decision and, if necessary, the Plan Participant's additional appeal rights.

A Plan Participant may be dissatisfied with coverage decisions made by the Claims Administrator. For example, rescissions of coverage, denied Authorizations, Investigational determinations, adverse Medical Necessity determinations, Adverse Benefit Determinations based on medical judgment, denied Benefits (in whole or in part), or adverse Utilization Management decisions.

A Plan Participant's appeal rights, including a right to an expedited appeal, are outlined below.

Standard Appeals Process

An Appeal is a **written** expression of dissatisfaction with coverage decisions made by the Claims Administrator. A Plan Participant or his Authorized Representative may file an administrative Appeal or a medical Appeal. The Plan Participant or his Authorized Representative is encouraged to submit written comments, documents, records, and other information relating to adverse coverage decisions.

If the Plan Participant or his Authorized Representative has questions or needs assistance putting an Appeal in writing, or wishes to communicate with the Claims Administrator regarding an Appeal, he may call the Claims Administrator's customer service department at 1-800-392-4089.

MULTIPLE REQUESTS TO APPEAL THE SAME CLAIM, SERVICE, ISSUE, OR DATE OF SERVICE WILL NOT BE CONSIDERED, AT ANY LEVEL OF REVIEW

The appeal process has two (2) mandatory levels of review. At each level of review, the review will involve persons who did not participate in any prior Adverse Benefit Determination and who are not a subordinate to any previous adverse decision-maker. When the Appeal requires medical judgment, the review will involve a healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgment.

Administrative Appeals

Administrative Appeals involve contractual issues, Rescissions, and Adverse Benefit Determinations which are not related to Medical Necessity, appropriateness, healthcare setting, level of care, effectiveness or treatment is determined to be experimental or investigational.

Request submitted to the Claims Administrator after one hundred eighty (180) days of receipt of the initial Adverse Benefit Determination will not be considered.

The Claims Administrator will investigate the Plan Participant's concerns. If the administrative Appeal is denied, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The administrative Appeal decision will be mailed to the Plan Participant, the authorized representative, or Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of receipt of the Plan Participant's request: unless it is mutually agreed that an extension of the time warranted.

All administrative Appeals should be submitted in writing to:

Appeals/Grievances Department
P.O. Box 98045
Baton Rouge, LA 70898-9045

2. **Second Level Administrative Appeal**

After review of the Claims Administrator's first level Appeal decision, if the Plan Participant is still dissatisfied, a written request to Appeal must be submitted within sixty (60) days of receipt of the first level Appeal decision. Requests submitted after sixty (60) calendar days of receipt of the first level Appeal decision will not be considered.

An Appeals Committee of persons not involved in previous decisions regarding the initial Adverse Benefit Determination will review the second level Appeals. The Committee's decision is considered final and binding.

The Committee's decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within five (5) days of the Committee meeting.

If the Plan Participant is not satisfied with the Claims Administrator's decision, a written request to Appeal must be submitted within **one hundred eighty (180) calendar days** of receipt of the initial Adverse Benefit Determination for internal medical Appeals. Requests submitted to the Claims Administrator after **one hundred eighty (180) calendar days** of receipt of the initial Adverse Benefit Determination will not be considered.

A healthcare professional who has appropriate training and experience in the field of medicine involved in the medical judgment and who is not subordinate to any previous decision-maker on the initial Adverse Benefit Determination, will review the internal Medical Necessity Appeal.

If the internal medical Appeal is overturned, the Claims Administrator will process the Plan Participant's Claim, if any. If the internal medical Appeal is upheld, the Claims Administrator will inform the Plan Participant of the right to begin the second level Appeal process.

The internal medical Appeal decision will be mailed to the Plan Participant, the authorized representative, or a Provider authorized to act on the Plan Participant's behalf, within thirty (30) calendar days of receipt of the Plan Participant's request; unless it is mutually agreed that an extension of the time is warranted.

If the first level Appeal is denied or if the Claims Administrator fails to complete the Appeal within the time limits set forth above, the Plan Participant or his Authorized Representative may request a Second Level Appeal (External Review).

2. Second Level Medical/External Appeals

If the Plan Participant is not satisfied with the determination on their Claim, or if the Claims Administrator fails to complete the Appeal within the time limits set forth above, the Plan Participant or their Authorized Representative must send their written request for an External Appeal conducted by a non-affiliated Independent Review Organization (IRO), within four (4) months of receipt of the internal Appeal decision, to:

Blue Cross and Blue Shield of Louisiana/HMO Louisiana, Inc.
Medical Appeals
P.O. Box 98022
Baton Rouge, LA 70898-9022

Requests submitted to the Claims Administrator after four (4) months of receipt of the internal Appeal decision will not be considered. The Plan Participant is required to sign the form included in the internal medical Appeal denial notice which authorizes release of medical records for review by the IRO. **Appeals submitted by Your Provider will not be accepted without this form completed with Your signature.**

The Claims Administrator will conduct a preliminary review to determine whether the Plan Participant has a right to an external review within five (5) business days of receiving the request. The Claims Administrator will notify the Plan Participant or his Authorized Representative, in writing, of the decision and requirements for any further action by the Plan Participant or his Authorized Representative within one (1) business day after completing the preliminary review.

If an external review right exists, the Claims Administrator will provide the IRO all pertinent information necessary to conduct the External Appeal. The external review will be completed within forty-five (45) days of receipt of the External Appeal request. The IRO will notify the Plan Participant or their authorized representative and all appropriate Providers of its decision.

The IRO decision is considered final and binding on the Plan and the Plan Participant.

If You need help or have questions about Your Appeal rights, call the Employee Benefits Security Administration (EBSA) at 1-866-444-EBSA or 1-866-444-3272.

Expedited Appeals Process

The Expedited Appeal process is available for review of an Adverse Benefit Determination involving a situation where the time frame of the standard medical Appeal would seriously jeopardize the Plan Participant's life, health or ability to regain maximum function. It includes a situation where, in the opinion of the treating Physician, the Plan Participant may experience pain that cannot be adequately controlled while awaiting a standard medical Appeal decision.

An Expedited Appeal also includes requests concerning an Admission, availability of care, continued stay, or healthcare service for a Plan Participant currently in the receiving Emergency Medical Services, under observation, or receiving Inpatient care.

An Expedited External Appeal is also available if the Adverse Benefit Determination involves a denial of coverage based on a determination that the recommended or requested healthcare service or treatment is deemed experimental or Investigational; and the covered person's treating Physician certifies in writing that the recommended or requested healthcare service or treatment that is the subject of the Adverse Benefit Determination would be significantly less effective if not promptly initiated.

Expedited Appeals are not provided for review of services previously rendered.

An Expedited Appeal is available to, and may be initiated by the Plan Participant, the Plan Participant's authorized representative, or a Provider authorized to act on the Plan Participant's behalf. Requests for an Expedited Appeal may be verbal or written.

For verbal Expedited Appeals, call 1-800-376-7741 or 1-225-293-0625.

For written Expedited Appeals, fax 225-298-1837 or mail to:

If You need help or have questions about Your Appeal rights, call the Employee Benefits Security Administration (EBSA) at 1-866-444-EBSA or 1-866-444-3272.

1. Expedited Internal Medical Appeals

In these cases, We will make a decision no later than seventy-two (72) hours of Our receipt of the internal medial Expedited Appeal request that meets the criteria for an Expedited Appeal.

In any case where the internal medical Expedited Appeal process does not resolve a difference of opinion between Us and the Plan Participant or the Provider acting on behalf of the Plan Participant, the Appeal may be elevated to an Expedited External Appeal.

If the internal medial Expedited Appeal does not meet the Expedited Appeal criteria or does not include the Physician attestation signature, the Appeal will follow the standard Appeal process and timeframe.

2. Expedited External Medical Appeal

A medical Expedited External Appeal is a request for immediate review, by an Independent Review Organization. The request may be simultaneously filed with a request for the internal medical Expedited Appeal, since the IRO assigned to conduct medical review of the Expedited External Appeal will determine whether the request is eligible for an external review at the time of receipt. We will forward all pertinent information for Expedited External medical Appeal requests to the IRO so the review may be completed within seventy-two (72) hours of receipt.

B. How to File Insurance Claims

The Claims Administrator and most Providers have entered into agreements that eliminate the need for a Plan Participant to personally file a Claim for Benefits. Network Providers will file Claims for Plan Participants either by mail or electronically. In certain situations, the Provider may request the Plan Participant to file the Claim. If the Plan Participant's Provider does request them to file directly with the Claims Administrator, the following information will help the Plan Participant in correctly completing the Claim form.

The Plan Participant's Blue Cross and Blue Shield ID card shows the name of the Employee or Retiree as it appears on the Claims Administrator's records. The ID card also lists the Plan Participant's Benefit Plan number (ID #). This number is the identification to the Plan Participant's membership records and should be provided to the Claims Administrator each time a Claim is filed. C. Additional Information for Filing Specific Claims

1. Admission to a Hospital or Allied Health Facility Claims

When the Plan Participant is admitted to a Network Hospital or Allied Health Facility, the Plan Participant should show their Blue Cross and Blue Shield ID card to the admitting clerk. The Provider will then bill the Plan Participant directly for any remaining balance. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

2. Outpatient Department Claims

The procedure to be followed is the same as that for an Admission to a Hospital or Allied Health Facility. However, in some instances involving Outpatient treatment, the Non-Network Provider may ask for payment directly from the Plan Participant. If this occurs, the Plan Participant should obtain an itemized copy of the bill, be sure the Claim form correctly notes the Benefit Plan number (ID #), the patient's date of birth, as well as the patient's relationship to the Employee/Retiree. The Provider must mark the bill or Claim form PAID. The Plan Participant should forward this statement to the Claims Administrator.

3. Emergency Medical Services Claims

When a Plan Participant has Emergency Medical Services performed by a Network or Non-Network Provider, the Plan Participant should show the ID card to the admitting clerk. The Provider will file the Claim with Us. Benefit payment will be sent directly to the Provider. The Plan Participant will receive an Explanation of Benefits after the Claim has been processed.

4. Durable Medical Equipment (DME) Claims

Charges for rental or purchase of wheelchairs, braces, crutches, etc. must be on the bill of the supplying firm with a description of the item rented or purchased, the date, the charge, and the patient's name. 5. Mental Health and/or Substance Use Disorder Claims

For help with filing a Claim for Mental Health and/or Substance Use Disorders, the Plan Participant should refer to the ID card or call the Claims Administrator's customer service department.

6. Other Medical Claims

When the Plan Participant receives other medical services from clinics, Provider offices, etc., the Plan Participant should ask if the Provider is a Network Provider. If yes, this Provider will file the Plan Participant's Claim with the Claims Administrator. In some situations, the Non-Network Provider may request payment and ask the Plan Participant to file. If this occurs, the Plan Participant should be sure the Claim form is complete before forwarding it to the Claims Administrator.

If the Plan Participant is filing the Claim, the Claim must contain the information listed in section B., above.

Itemized bills submitted with Claim forms must include the following:

- a. full name of patient.

GENERAL NOTICE OF CONTINUATION OF COVERAGE RIGHTS UNDER COBRA

Introduction

This notice contains important information about Your right to COBRA continuation coverage, which is a temporary extension of Group health coverage under certain circumstances when coverage would otherwise end under any of the Office of Group Benefits-sponsored health plans (hereinafter referred to as "Plan"). **This notice generally explains COBRA coverage, when it may become available to You and Your family, and what You need to do to protect the right to receive it.** COBRA (and the description of COBRA coverage contained in this notice) applies only to the Group health plan benefits offered under the Plan and not to any other benefits offered by the State of Louisiana (such as life insurance).

The right to COBRA coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA coverage can become available to You when You would otherwise lose Your Group health coverage under the Plan. It can also become available to Your Spouse and Dependent Children, if they are covered under the Plan, when they would otherwise lose their Group health coverage under the Plan. This notice does not fully describe COBRA coverage or other rights under the Plan. For additional information about Your rights and obligations under the Plan and under federal law, You should get a copy of the Plan Document from the Plan. The Plan provides no greater COBRA rights than what COBRA requires—nothing in this notice is intended to expand Your rights beyond COBRA's requirements.

What is COBRA Coverage?

COBRA coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event occurs and any required notice of that event is properly provided to the Office of Group Benefits, COBRA coverage must be offered to each person losing Plan coverage who is a "qualified beneficiary." You, Your Spouse, and Your Dependent Children could become qualified beneficiaries and would be entitled to elect COBRA coverage if coverage under the Plan is lost because of the qualifying event. (Certain newborns, newly adopted Children, and alternate recipients under QMCSOs may also be qualified beneficiaries. This is discussed in more detail in separate paragraphs below.) Under the Plan, qualified beneficiaries who elect COBRA must pay the entire cost of COBRA coverage.

Who is entitled to elect COBRA Coverage?

If You are an Employee, You will be entitled to elect COBRA coverage if You lose Your Group health coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than Your gross misconduct.

If You are the Spouse of an Employee, You will be entitled to elect COBRA coverage if You lose Your Group health coverage under the Plan because any of the following qualifying events happens:

- Your Spouse dies.
- Your Spouse's hours of employment are reduced.
- Your Spouse's employment ends for any reason other than his or her gross misconduct; or
- You become divorced from Your Spouse. Also, if Your Spouse (the Employee) reduces or eliminates Your Group health coverage in anticipation of a divorce, and a divorce later occurs, then the divorce may be considered a qualifying event for You even though Your coverage was reduced or eliminated before the divorce. If You notify the Office of Group Benefits within 60 days after the divorce and can establish that the Employee cancelled the coverage earlier in anticipation of the divorce, the COBRA coverage may be available for the period after the divorce.

A person enrolled as the Employee's Dependent Child will be entitled to elect COBRA coverage, if he or she loses Group health coverage under the Plan because any of the following qualifying events happens:

- The parent-Employee dies.
- The parent-Employee's hours of employment are reduced.
- The parent-Employee's employment ends for any reason other than his or her gross misconduct; or
- The Child stops being eligible for coverage under the Plan as a "Dependent Child."

When is COBRA Coverage Available?

When the qualifying event is the end of employment or reduction of hours of employment or death of the Employee, the Plan will offer COBRA coverage to qualified beneficiaries only after the Office of Group Benefits has been timely notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, or death of the Employee, the Participant Employer must notify the Office of Group Benefits of the qualifying event within 30 days following the date coverage ends.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce of the Employee and Spouse, or a Dependent Child's losing eligibility for coverage as a Dependent Child), You must notify the Office of Group Benefits in writing within 60 days after the later of: (1) the date of the qualifying event; and (2) the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the qualifying event. You must follow the notice procedures specified by the Office of Group Benefits. If notice is not provided to the Office of Group Benefits during the 60-day notice period, **ALL QUALIFIED BENEFICIARIES WILL LOSE THEIR RIGHT TO ELECT COBRA.**

Once the Office of Group Benefits receives timely notice of the qualifying event, it will forward the information to its third-party COBRA Administrator, who will notify You of Your right to elect COBRA coverage.

Electing COBRA

Once the Office of Group Benefits receives timely notice that a qualifying event has occurred, each qualified beneficiary will have an independent right to elect COBRA coverage. Once the Office of Group Benefits receives timely notice of the qualifying event, it will forward the information to its third-party COBRA Administrator, who will notify You of Your right to elect COBRA coverage. Covered Employees and Spouses (if the Spouse is a qualified beneficiary) may elect COBRA coverage on behalf of all of the qualified beneficiaries, and parents may elect COBRA coverage on behalf of their Children. **Any qualified beneficiary for whom COBRA coverage is not elected within the 60-day election period specified in the Plan's COBRA election notice WILL LOSE HIS OR HER RIGHT TO ELECT COBRA COVERAGE.**

How Long Does COBRA Coverage Last?

COBRA coverage is a temporary continuation of coverage. When the qualifying event is the death of the Employee, the covered Employee's divorce, or a Dependent Child's losing eligibility as a Dependent Child, COBRA coverage can last for up to a total of 36 months.

When the qualifying event is the end of employment or reduction of the Employee's hours of employment, and the Employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA coverage for qualified beneficiaries (other than the Employee) who lose coverage as a result of the qualifying event can last until up to 36 months after the date of Medicare entitlement. For example, if a covered Employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA coverage under the Plan for his Spouse and Children who lost coverage as a result of his termination can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). This COBRA coverage period is available only if the covered Employee becomes entitled to Medicare within 18 months BEFORE the termination or reduction in hours.

Otherwise, when the qualifying event is the end of employment or reduction of the Employee's hours of employment, COBRA coverage generally can last for only up to a total of 18 months.

Extension of COBRA Coverage

The COBRA coverage periods described above are maximum coverage periods. There are two ways in which the period of COBRA coverage resulting from a termination of employment or reduction of hours can be extended.

Disability extension of COBRA coverage

If a qualified beneficiary is determined by the Social Security Administration (or by the staff of the COBRA Administrator in the case of a person who is ineligible for Social Security disability benefits due to insufficient "quarters" of employment) to be disabled and You notify the COBRA Administrator in a timely fashion, all of the qualified beneficiaries in Your family may be entitled to receive up to an additional 11 months of COBRA coverage, for a total maximum of 29 months. This extension is available only for qualified beneficiaries who are receiving COBRA coverage because of a qualifying event that was the covered Employee's termination of employment or reduction of hours. The disability must have started at some time before the sixty-first (61st) day after the Covered Employee's termination of employment or reductions of hours, and must last at least until the end of the period of COBRA coverage that would be available without the disability extension (generally 18 months, as described above).

For persons eligible to receive Social Security disability benefits, the disability extension is available only if You notify the Office of Group Benefits and the COBRA Administrator in writing and submit a copy of the Social Security Administration's determination of disability within 60 days after the latest of:

- the date of the Social Security Administration's disability determination; and
- the date on which the qualified beneficiary loses (or would lose) coverage under the terms of the Plan as a result of the covered Employee's termination of employment or reduction of hours.

For persons ineligible to receive Social Security disability benefits due to insufficient "quarters", the disability extension is available only if You submit to the COBRA Administrator in writing proof of total disability before the initial 18-month COBRA coverage period ends.

You must also provide this notice to the COBRA Administrator within 18 months after the covered Employee's termination of employment or reduction in hours in order to be entitled to a disability extension. In providing this notice, You must use the Plan's form entitled "Notice of Disability Form" (You may obtain a copy of this form from the COBRA Administrator at no charge, or You can download the form at www.tasconline.com), and You must follow the procedures specified in the box at the end of this notice entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided in writing to the COBRA Administrator during the 60-day notice period and within 18 months after the Employee's termination of employment or reduction of hours, THERE WILL BE NO DISABILITY EXTENSION OF COBRA COVERAGE.

Second qualifying event extension of COBRA coverage

If Your family experiences another qualifying event while receiving 18 months of COBRA coverage because of the covered Employee's termination of employment or reduction of hours (including COBRA coverage during a disability extension period as described above), the Spouse and Dependent Children receiving COBRA coverage can get up to 18 additional months of COBRA coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the COBRA Administrator. This extension may be available to the Spouse and any Dependent Children receiving COBRA coverage if the Employee or former Employee dies, or gets divorced, or if the Dependent Child stops being eligible under the Plan as a Dependent Child, but only if the event would have caused the Spouse or Dependent Child to lose coverage under the Plan had the first qualifying event not occurred. (This extension is not available under the Plan when a covered Employee becomes entitled to Medicare after his or her termination of employment or reduction of hours.)

This extension due to a second qualifying event is available only if You notify the COBRA Administrator in writing of the second qualifying event within 60 days after the later of:

- the date of the second qualifying event; and

- the date on which the qualified beneficiary would lose coverage under the terms of the Plan as a result of the second qualifying event (if it had occurred while the qualified beneficiary was still an Employee covered under the Plan).

In providing this notice, You must use the COBRA Administrator's form, entitled "Notice of Second Qualifying Event Form" (You may obtain a copy of this form from the COBRA Administrator at no charge, or You can download the form at www.tasconline.com), and You must follow the procedures specified in the box at the end of this notice entitled "Notice Procedures." If these procedures are not followed or if the notice is not provided in writing to the COBRA Administrator within the 60-day notice period, THERE WILL BE NO EXTENSION OF COBRA COVERAGE DUE TO A SECOND QUALIFYING EVENT.

More Information About Individuals Who May Be Qualified Beneficiaries

Children born to or placed for adoption with the covered Employee during COBRA coverage period

A Child born to, adopted by, or placed for adoption with a covered Employee during a period of COBRA coverage is considered to be a qualified beneficiary provided that, if the covered Employee is a qualified beneficiary, the covered Employee has elected COBRA coverage for himself or herself. The Child's COBRA coverage begins on the Child's date of birth, date of adoption, or date of placement for adoption if the Child is enrolled in the Plan through the HIPAA Special Enrollment process designated by OGB, or on the first day of the following Plan year if the Child is enrolled through Annual Enrollment. The COBRA coverage lasts for as long as COBRA coverage lasts for other family members of the Employee. To be enrolled in the Plan, the Child must satisfy the otherwise applicable Plan eligibility requirements (for example, regarding age).

Alternate recipients under QMCSOs

A Child of the covered Employee who is receiving benefits under the Plan pursuant to a Qualified Medical Child Support Order (QMCSO) received by the Office of Group Benefits during the covered Employee's period of employment with the Participant Employer is entitled to the same rights to elect COBRA as an eligible Dependent Child of the covered Employee.

Health Insurance Marketplace

There may be other coverage options for You and Your family. Through the Affordable Care Act, You are able to buy coverage through the Health Insurance Marketplace. In the Marketplace, You could be eligible for a tax credit that lowers Your monthly premiums right away, and You can see what Your premium, deductibles, and Out-of-Pocket costs will be before You make a decision to enroll. Being eligible for COBRA does not limit Your eligibility for coverage for a tax credit through the Marketplace. Additionally, You may qualify for a special enrollment opportunity with another Group health plan for which You are eligible (such as a Spouse's plan), even if the plan generally does not accept late enrollees, if You request enrollment within 30 days.

Keep Your Plan Informed of Address Changes

In order to protect Your and Your family's rights, You must keep the Office of Group Benefits, and the COBRA Administrator informed of any changes in Your address and the addresses of Your covered family members. You should also keep a copy, for Your records, of any notices You send to the Office of Group Benefits and/or the COBRA Administrator.
